## MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You can raise questions in a public session before the meeting starts. The next meeting will be **on Monday, 6th July** at 7.30pm in the Andy Young Pavilion. There is **NO** meeting in August.

### **The Chairman writes:**

As I am writing this it is raining, but what ideal weather we had for the Church Fete, which was well supported by the public and well done to all the stall holders for their hard work. Having viewed the alcohol on the bottle stall, I bought several pounds worth of raffle tickets and luckily enough, I won two prizes – a bottle of lemonade and a bottle of sweet and sour sauce. Guidance from above?!

Our parish clerk is working very hard and trying to complete the accounts to send to the external auditor. The powers that be have moved forward the date by which the Annual Return needs to be approved by the Parish Council. It used to be 30th September and now it is 30th June and so she is up against a tight deadline now. The Annual Return, accounts and related documents will be available for public inspection, however, from 29th June 2009 on reasonable notice on application to the Clerk. Details of the exercise of electors' rights and inspection of the accounts will be displayed on the Parish Council noticeboard, outside the Lecture Hall, by 29th June. The Clerk will also be trying to sort out the water issue for the allotment holders at Wellhead.

Congratulations to George Jeans on being elected as an independent councillor for the Mere area. George, we know that you will work hard to support the residents of Mere and the surrounding villages.

Sadly, we have recently experienced a spate of vandalism in our beautiful town. For example, one mindless act involved someone climbing onto our sports pavilion roof and bending the clock hands on both clocks either side of the pavilion, for their own personal satisfaction. It was the kind people of Mere, whose sponsorship enabled the purchase of these clocks in the first place; and it seems such a pity that a small minority of heartless individuals are intent on

causing damage and expense. I would urge all members of the community to be vigilant and observant and to report any antisocial and suspicious behaviour to the police in the hope that we can stamp out this vandalism.

Here is hoping we have a long hot summer and that the Swimming Pool is full to capacity and all the other sporting facilities are thriving in the sunshine.

For information on Parish Council activities; details of meetings and copies of minutes, please view the Mere website: [www.merewilts.org](http://www.merewilts.org); or contact the parish clerk, Mrs Lindsey Wood: e-mail: [lindseywood@merewilts.org](mailto:lindseywood@merewilts.org) or ☎: 01747 860701.

*Eric Mitchell, Chairman, Mere Parish Council*

## **GEORGE JEANS, WILTSHIRE COUNCILLOR, WRITES**

I would like to thank the readers of "Mere Matters" who took the time and trouble to vote at the Mere Division elections for Wiltshire Council. Democracy is alive and well in the Mere Division. The turnout was 61.41 percent, which was the highest in Wiltshire. I feel very honoured that 1188 people voted for me, giving me a majority over my nearest rival of just over 300 votes.

I sincerely thank all those that helped me, of which there were many, to become one of the first Wiltshire Councillors, and to carry on the tradition of an Independent Councillor as Andy Young and Jack Paul did before me. After visiting about 500 houses and speaking to many people, I have a fair idea of what is wanted locally and I shall strive to achieve these requests.

I have been fortunate to gain a seat on the Southern area Planning Committee. This committee carries out a regularity function for development planning in the old Salisbury District Council area of south Wiltshire. Meetings are usually held in Salisbury. This planning committee will determine the development planning applications that are not delegated and determined by officers, for the Mere Division, which includes Mere, Kilmington, Stourton, West Knoyle and Zeals. I shall also sit on the Audit Committee.

The South Wiltshire Core Strategy, which will have housing delivery as its key driver, is programmed for adoption in April 2010. The Wiltshire Core Strategy, which will be the first step in delivering consistent planning policy across all Wiltshire, including the Mere Division detailed above, should be adopted in August 2011.

I have only been elected for just over a week (Sunday, 14th June as I write), but I have had induction training in Trowbridge, Salisbury and Chippenham. I have met many old

faces and am enjoying being back on a "major council". I am now able to continue working directly with council officers on the electorate's behalf as I did as a District Councillor.

One of my most important roles is communicating, therefore please note that the first meeting of the new South West Wiltshire Area Board meeting, when the public and press are welcome to attend, will be in The Mere Lecture Hall on Tuesday, 14th July at 7.00pm (probably 6.30 for 7.00pm).

## **REPAIRS TO A303 WILLOUGHBY HEDGE TO MERE**

Since the debacle at the end of last year over the inordinate 14 week planned A303 closure, the Highways Agency and its service provider, InterRoute, have spent a significant amount of time reviewing the planned works and has managed to substantially reduce the period required for a full closure to 5 weeks. This reduction was achieved by changing the design and working methods, allowing significant works to be undertaken safely under reduced traffic control, including lane restrictions, traffic signals and night-time closures. However, in addition to the 5 week full closure there will need to be 9 weeks of overnight traffic signals, allowing an alternating flow of traffic in both directions and approximately 5 weeks of overnight closures, during which time traffic will be diverted by other routes.

The work has been broken down into three separate phases to reflect the nature of work and limit disruptions. This will allow the maximum level of activity to be undertaken within the minimum amount of traffic management. Seasonal traffic fluctuations and events affecting the network have also influenced the timing of the works:

1. Phase 1: Investigation and drainage repairs (traffic signals, 19.00hrs – 06.00hrs); May - July 2009
2. Phase 2: Widening preparation, drainage works, signage and safety fencing (traffic signals, 19.00hrs – 06.00hrs and night closures 22.00hrs -05.30hrs); Nov - Dec 2009
3. Phase 3: Drainage channel construction and signage (24 hour single lane closure on three lane section of Chaddenwick Hill); Jan - Feb 2010; and major surfacing and drainage channel works (24 Hour closure for 5 weeks excluding unusual weather risk); Feb - Mar 2010

The Highways Agency and InterRoute have worked closely with, and sought advice from, the Police and three highway authorities, Dorset, Somerset and Wiltshire, in devising the most suitable diversion routes. This considered the needs and concerns of road users, residents and businesses situated along the routes. After reviewing all

available options, and taking into account the constraints across various routes, the preferred diversion routes are:

**Night time closures:**

Light vehicles to use the A350 and B3082 through Gillingham both ways;

Heavy good vehicles to use A37/A361/A36 both ways; and

High loads to use A359/A371/A361/A36

**24 Hour closures:**

All eastbound traffic to use the A37/A361/A36 except high loads;

High loads to use A359/A371/A361/A36; and

All westbound traffic to use A350/B3081 through Gillingham

**Interoute are holding a Public Information event in the Lecture Halls on Thursday, 16th July** from 2.00pm until 9.00pm. If you have any urgent enquiries in the meantime, please contact the Highways Agency Information Line ☎ 08457 504030 or email: [ha\\_info@highways.gsi.gov.uk](mailto:ha_info@highways.gsi.gov.uk)

*I am sure you have read the articles in the local press about upgrading the A303 through Somerset, Dorset and Wiltshire to continuous dual carriageway. There is a petition for upgrade on the Prime Minister's "No 10" website. The website address is: <http://petitions.number10.gov.uk/Upgrade-A303/> I signed it a couple of months ago, but when I checked on progress in mid June there were only a disappointing 514 signatures. If you believe that the road should be dualled, please sign up. You have a couple of months, but note that it closes to new signatures on the 5th September 2009. Editor*

## **WEATHER REPORT**

The rainfall in May was only 32.5 mms (1.28ins) compared with 124.5 mms (4.9ins.) last year. This is the lowest rainfall I have recorded in two years. The weather was sunny and the last week quite hot.

In June up to the 14th, we had 34.5 mms (1.38ins). 19.5 mms (0.77ins) fell during the night following the Church Fete. Up to the 11th, the temperature was less than May, cloudy days and keen winds. On the 11th it brightened up and gave us hope for the hot summer we have been promised!  
*Peter Durkee*

## **CHURCH FÊTE REPORT**

We would like to thank all those local residents and their friends who supported the Fête at St Michael's Church on Saturday, 6th June. It was a wonderful community event, which seemed to be enjoyed by all, and weren't we lucky with the weather? Warm sun would have been nice, but at least it didn't rain!

We offer a particular word of thanks to the many stall holders and other helpers who made the afternoon such a success. Through all your efforts, we raised around £4,460 net, which was approximately £300 up on last year.

*Angela, Jean & Judy*

## **CHURCH FÊTE REFRESHMENTS**

I would like to thank the ladies who made cakes and scones for the fête refreshments and to the ladies who worked so hard in the morning setting up the tables with the cakes and preparing the cups and saucers for the drinks, and Rebecca for acting as cashier once again.

My thanks also goes to the ladies who worked tirelessly washing up, serving and clearing the tables, also clearing up after the fête refreshments.

A special thanks to Tim Merrell who saved the day by lending us two tables when we found we had no tables.

## **MORRIS DANCING COMES TO MERE**

Treacle Eater Clog, a Northwest Tradition, or style, of morris team, based in Yeovil, will be dancing outside of The George Inn, Mere, at 8.50 pm on Monday, 27th July, and will be joined by Sarum Morris, who dance the Cotswold Morris Tradition.

Treacle Eater Clog originated in the old industrial Northwest of England, where it evolved as a processional dance, performed mainly in carnivals. The dancers dressed in brightly coloured clothing, and were accompanied by a large band so that the dancers could hear the music above the din. The Northwest tradition, like other styles of morris, has been taken up by teams throughout the country.

The dances consist of figures and step ups, or choruses. The step ups were used to process along the streets and if at any stage the procession stopped, the Squire, or team captain would call out for a static figure to be danced. When the carnival moved off again he would call out "up street" and the dancers would continue to process. It has been adapted so that it can be danced in static situations.

The team was formed in 1983, and our name derives from Jack the Treacle Eater, a character who sits on top of a folly in Barwick Park' near Yeovil. Legend has it that Jack was a servant at the big house and ran errands, sometimes as far away as London, sustained on treacle. We are most pleased to welcome new members, dancers or musicians, male or female. If anyone is interested in joining us or just having a go, please call me.

## **SLIMMING WORLD**

### **Still time to 'sizzle' this summer!**

"The countdown to summer starts here! There's still plenty of time to get in shape for summer. Anyone who joins Slimming World at the end of June and tries our fabulous and filling new Extra Easy eating plan could easily lose a stone by the end of August," says Caroline.

Caroline, who runs the group in Mere says: "Summer should be a time to enjoy yourself but many people feel uncomfortable in the heat and self-conscious about wearing slinky tops, shorts and dresses. On top of that there are lots of social occasions such as picnics and barbecues that leave them worrying about piling on the pounds".

"Slimming World's Food Optimising eating plan encourages members to fill up on foods such as pasta, rice, potatoes, eggs and lean meat and fish, and fruit and vegetables so they needn't ever feel hungry and can still enjoy lots of summery treats. The plan is so flexible it fits around any occasion, from holidays to summer parties, and every week at group meetings my members share recipes and tips to help each other through any potential pitfalls."

The group is held on Mondays at 7.00pm in the Lecture Halls, Salisbury street, Mere. For any more information on the group call Caroline ☎ 01747 840013 or 07941 334284

## **WEA COURSES**

The WEA is offering two interesting courses this autumn. Starting on Tuesday, 15th September for six weeks: **"What Happened in the West country from the Tudors to the Canal Age"**. Dinah Starkey will be leading this course in the comfortable lecture rooms at FOOTPRINTS. On Wednesday, 4th November from 10.00am to 4.00pm, Paul Chapman will be offering a day school on **Edward Hopper**.

## **MERE AND DISTRICT LINKSCHEME**

**Transport requests - ☎ 01747 860 096**

The Chairman of the Management Committee, Tony Taylor welcomed 30 volunteers and friends to the Annual Meeting in the URC on 5th June and reported on another successful year, when the number of requests received had been a record.

The Treasurer, Evelyn Chapman, reported that donations from users of the Linkscheme plus the contribution from last October's Literary Festival had resulted in a satisfactory balance.

Two new members were elected to the Management Committee, Eugene Reed from Kilmington and Alan Inwood from Maiden Bradley, who have both been driving for Link

for several years. This is a development that is particularly welcome as we are trying to involve the surrounding parishes more in the activities of the Scheme.

Helen Astill from Community First, the Wiltshire "Good Neighbour" charity to which all Linkschemes in the county are affiliated, reported that the 43 Schemes now operating cover virtually all areas of the county. Although other counties have various voluntary transport and Good Neighbour schemes, the scope and organisation in Wiltshire is unique and something of which the county can be justly proud.

In the coming year we hope to expand the services so that we can offer to include non-driving jobs, such as escorting patients going to hospital appointments, shopping in Mere, delivering prescriptions, etc. Anyone interested in finding out more about this aspect of our work, please telephone me.

*Molly Burden ☎ 01747 860 007.*

## **MERE AMATEUR DRAMATIC SOCIETY**

After the thrill of taking part in the Woolstore Festival, it's back to basics for MADS with serious tidying of the Drama Room and a sorting out of the wardrobe and props. But our success in the festival has engendered much interest and requests for a second performance of *The Annotator* and *Handles* in Mere. This has now been arranged as part of the Mere Literary Festival on the afternoon of Saturday, 17th October. So, if you

missed our open rehearsal or even if you were there, this will be another chance to see MADS two prize-winning actors - Mary White as Doreen in *Handles*, and June Hewett as the Annotator.

Over the summer months we shall be holding play readings for those interested in taking part (front or back stage) in our Autumn production. These take place on Thursdays, 16th July and 13th August at 7.30pm in the much 'tidied up' Drama Room. MADS next ordinary meeting is on Monday, 13th July at 8.00pm.

## **MERE MUSEUM**

A new exhibition opens to the public on Tuesday, 30th June. It is entitled **'The Town Store in the Country'** – a phrase the first **John Walton** used to describe his chain of shops which, in the heyday of Waltons, occupied much of The Square and beyond. This new exhibition has come about because a great deal of new material about Waltons has been given to the Museum during the past year. And, it's certainly not too late to write down any memories you have of working or shopping at Waltons – we shall aim to incorporate as many of these reminiscences as possible in the display. The exhibition will run until the end of October

*Jenny Wilding* ☎ 01747 860908

## MERE SWIMMING POOL

The Pool opened on 6th June.

I would like to thank several people and groups in helping getting the pool open this year: David Stratton and Mere Carnival club for their kind donations; Colin and Pete from Shaftesbury Garden Machinery for their help in trying to get the broken pool pump fixed; also Hill brush Company for all its help with the same pump. Eric Mitchell, Chairman of Mere Parish Council, for his contribution towards fixing the old pump, Mere Parish Council for the new pump (in the end the old one was definitely broken), and finally Steve, from Blackmore Agas and Boilers, for his help in servicing the pool boiler.

The pool opening time until Monday, 20th July is from 3.30 to 6.00pm on Fridays and Mondays and from 3.00 to 6.00pm on Saturdays and Sundays (these times may be altered in the school holidays).

Look out for information on our website [www.merepool.org.uk](http://www.merepool.org.uk) and notices around town. A resident lifeguard will always be on duty to ensure safe swimming. Family membership costs £7.00 annually, or £4.00 for individuals. Members swim for £1.50 per session, non members pay £2.50 per swim. The pool is available to hire for parties, groups and clubs.

If you would like to join Mere Swimming Pool Committee, be a volunteer to help man the pool, or need any more information, then details are available from Bob Parsons ☎ 01747 861298 or Lyndie ☎ 01747 861613.

## **Georgina's Ramblings**

As we move into the summer we have so many exciting things happening and look forward to seeing more of you here each day. In addition to our usual activity, we have been busy forming a partnership with a Children's Centre in South Africa and we will be keeping you posted with appeals for help to support another worthy cause, but in the meantime if you have any clothing, IT equipment or household items that you would like to dispose of donate them here.

Thank you to everyone who supported our stall at the Church Fete and for the lessons from Leaping Frogs that made it a success, raising £63. You will also have seen our new logo on T Shirts; come and register in the centre and your children will receive T-shirts.

A special thanks to Terry Webb, our Bristol City director of coaching, for his on-going support, almost 30 now join us for Football Skills and Bacon Butties from 9.00 - 11.00am every Saturday morning, so Dad's (or mum's) come and share the fun of getting fit as a family.

Our Main event of the year is looming and Footprints NEED YOU. We have registered as organisers of the Big Lunch on Sunday, 19th July and will use this national event as a backdrop to our open day; however, we need volunteers to help with everything from refreshments to entertainment, so if you have a talent or know someone who does, please contact us now. Also, balloons will be on sale. We are looking to sell 2,000 and you could win our top prize a Balloon Ride for 2.

## **Tiny Toes – See Kate Robbins for more details and a T Shirt!**

Since Tiny Toes has been re-launched, our numbers have steadily increased and we have welcomed new parents, many whom have moved into the area recently. Our Wednesday Crafty Kids is now a structured session, with a planned activity: we started this half-term with scone making, which was a lot of fun. The children have been enjoying the variety of indoor toys we have, but we are now looking forward to getting outside over the next few weeks to benefit from the glorious summer weather. The Tiny Toes groups will be open as usual over the summer holidays and we have lots of fun outside activities planned, such a Teddy Bears picnic and Mini Olympics.

## **1st MERE BROWNIES**

### **Jewellery recycling project**

Do you have any unwanted jewellery sitting around in the back of a drawer or old jewellery box? Maybe you have a single earring, few links of a bracelet, a stopped watch, a ring with a missing stone which can't be mended, or any gold, silver or costume jewellery which were once fashionable but you haven't worn for years. If so, we can recycle it and subsequently receive a donation to our unit funds.

**Please note: This is about you giving unwanted items. Please be careful not to give anything of sentimental value that you may later regret donating!**

### **Mobile phone appeal**

We thank everyone very much who has supported our appeal for unwanted mobile phones. (They do not have to be working, but it is advisable to remove the SIM card). We will still be continuing to recycle unwanted mobile phones.

Collection points for your jewellery and mobile phone contributions are at Waltons Newsagent, The Post Office, Mere Library, Jeans Electrical Shop and Jeans Chapel Showroom. *Sue Jeans, Assistant Brownie Guider ☎01747 860215*

## **MERE SCHOOL**

**June 2009**

On 18th May, purple class went to Plas Pencelli, an outdoor adventure centre in the Brecon Beacons in Wales. They took part in many activities such as climbing, caving, canoeing and many more. The trip lasted for five days. Purple class worked as a team and lots of children conquered their fears and had a great time.

A few weeks ago, red class went on an amazing trip to Hurdcott House. We learnt everything we needed to know about farming and our private tour around the farm was absolutely brilliant and action packed! We saw lots of displays like falconry, working dogs, horses and saw eel traps and had a nature walk. We even went on a tractor ride!

On Monday 20th May, three year five children went on a playground leaders course at Gillingham School. They met the 'Jump UK' skipping team who gave a demonstration to the children.

Our sports week took place on Monday 1st June. It was a chance for everyone to do sport all week, including speed stacking. The week began with a sponsored ball event, which was organised by 'The Friends'. The whole week went very smoothly and speed stacking and caving were the favourite events. We also visited The Life Education Bus during the week. On Friday, we had sports day with mini field events and races. Everyone really enjoyed themselves - including our mums and dads.

Yesterday, amber class went to Sherbourne Castle as part of their castle topic. They all had chance to fire an arrow.

## **THE QUEST SEEKERS ARE COMING TO MERE LIBRARY**

The Summer Reading Scheme for 2009 is about the power of the imagination. It will take Young Readers into a Mysterious and Magical land where they can discover the joy of Reading.

The adventure starts at Libraries on the 18th of July and continues through the Summer Holidays finishing on the 5th of September. Children from 4-12 can choose books to read with family and friends and then talk to Library Staff about their Reading.

The Summer Reading Scheme is not a competition, but a fun personal challenge that offers Reading inspiration and incentives to encourage children to enjoy Reading and coming into Libraries. Children who finish the scheme by reading a minimum of 6 books receive a Medal and a Certificate.

It is Free to join, and there will be themed Activities on three Monday afternoons during the Summer Holidays - so come along, and join the Quest.

For Further Information contact Mere Library ☎ 01747 860546

## **MERE PRE-SCHOOL**

Mere Pre-School is pleased to announce a forth-coming event this summer to raise funds for its continuing development. On Sunday, 5th July 2009 the pre-school staff and parents will don their 'pinnies and marigolds' and be serving a selection of light refreshments including home-made cakes, sandwiches, cream teas and hot and cold drinks at the Stourton Memorial Hall in the Spread Eagle courtyard of Stourhead Gardens.

This is an all day event starting at 10.00am, but if time is permitting or weather too inclement for a walk around the delightful Stourhead gardens, the doors will still be open, so please support your local pre-school and pop down for a cuppa. We look forward to serving you!

If you would be interested in donating a home-made cake please contact the Pre-school on ☎ 01747 863337 or Louise Harlow on ☎ 01747 860647.

## THE REV'D STELLA SIVYOUR, UNITED REFORMED CHURCH, RETIRED, WRITES

Introducing 'Vision 2020'. This is being developed as a ten-year plan for mission for the United Reformed Church. It challenges the whole church at local, Synod and Denominational level to think about what kind of church we want to be in ten year's time. It also provides suggestions for how to get there together. It asks us to think about our identity, our role in the local community and our relationships with other churches. It will also help us to clarify what we can do for justice and for the environment. And, it challenges us to grow.

This is the Mission Creed:

### We believe in God's mission:

- Beginning at creation with a word of possibility and a promise of abundance.
- Breathing us into existence to delight in creation and to tread carefully.
- We are creatures of the earth, reflecting God's diversity, interconnected and interdependent.

### We believe in God's mission:

- Bringing good news in person, starting where others need to begin and finding holiness in every encounter.
- Bursting through the walls of our churches, to reach out to the marginalised with unconditional love.
- We are called to be a people of resurrection, sojourners in this generation, dependent on the generosity of God.

**We believe in God's mission:**

- Challenging complacency, and calling for action, through contemplative love.
- So that we might be at one with each other and at peace with the world.
- We are commissioned by God, Creator, Saviour, Holy Spirit, Source of the mission we seek to fulfil.
