MARCH 2012

DR ANDREW MURRISON MP WRITES

Over the past few months, the Government's proposed reforms to the planning system have engendered a fair amount of controversy. Much of the criticism has centred on the implications for rural areas with some campaigning groups claiming that the reforms will destroy our beautiful countryside. In this short piece, I thought it might be useful for me to explain why I think the planning reforms are necessary, and what implications they will have for the rural environment.

The reforms start from the basic idea that local communities should be involved in the planning process. This may sound like an obvious point to make, but when I speak to my constituents, I do not get the impression that many people believe the current system does this.

The result has been that people feel planning is something that is done to them, rather than something which involves them. This has had the unfortunate consequence of making many people see development as a purely negative experience, when in fact development should be about serving the needs of local people.

The Government's planning reforms aim to tackle this fundamental problem. It wants local communities to control the environment they live in and this is why the local plan is at the centre of these reforms. This will return power to elected officials and stop central government forcing development on local authorities.

Unfortunately, under the previous Government, centrally imposed targets fostered local resentment, encouraging local authorities to encroach upon the Green Belt. This Government is handing new powers to local people while protecting our stunning countryside.

The innovation of Neighbourhood Planning will give communities real power to decide both what sort of development they want to see, and where they think it should go. There is also a new designation for local communities to protect valued green spaces, whilst the proposed national guidance will strengthen protection of the Green Belt, Areas of Outstanding Natural Beauty and National Parks.

This should ensure we have a planning system with more popular legitimacy, a planning system that works for our generation and for future generations, and a planning system that promotes the right sort of development. I would urge you to take this opportunity to make the most of this unprecedented transfer of power.

MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be held in the Andy Young Pavilion at 7.30pm on **Monday, 12th March 2012**.

The Chairman writes:

In last month's Mere Matters, our Wiltshire Councillor, George Jeans, included in his report a small paragraph on the matter of dog fouling, which seems to be on the increase again. This matter has been mentioned to me on several occasions in the last little while, and therefore I am asking dog owners once again to please act responsibly and pick up after your dog. Dog excrement is proliferating, it seems, particularly in Salisbury Street and Pennybank Lane at the moment, and in the latter area in the dark it is not at all easy to see the hazard until it is too late!

At our busy February Parish Council Meeting we heard the results of a meeting arranged by the residents of Waterside with our MEP, Julia Girling, who had had a meeting with Wessex Water, and then came to walk the Shreen and Ashfield Waters to see and hear of the situation regarding the lack of water in Mere. Although there is water in these rivers now after the recent winter rain, she was most concerned to hear of the problems being faced and the responses from Wessex Water and the Environment Agency with whom she will be in contact again, and she will be looking also at the European Water Framework Directive regarding the protection of our waterways. She will be keeping in touch with the Parish Council.

Celebrations for the Queen's Diamond Jubilee were discussed also, and some suggestions have been received from parishioners, including red white and blue bunting to be erected in the Town, which the Parish Council already has in mind, the same colour scheme in the planting of the flower tubs, which will then also show support during the Olympic Games, fireworks and, of course, something which has taken place many times in the past, a beacon on Castle Hill! Unfortunately we are no longer allowed by English Heritage to have the beacon sitting directly on the hill, but we are looking at other possible means of a beacon. We are also looking at the possibility of fireworks as to what might be feasible, so more news on that at a later date. If there are any other good ideas out there, let us know! I am sure that, as plans develop, we will be in need of volunteers, and these we will be asking for more specifically in due course but names are always welcome if you don't mind what you do!

The Parish Council would like to plant an area of fruit trees at Kingsmere Open Space which we will call the Jubilee Plantation (sponsorship would be welcome), and we have

been offered a Royal Oak Tree which we intend to plant in the Recreation Ground. The trees planted will be registered with the Woodland Trusts' Jubilee Woods scheme.

I recently attended the Annual Carnival Meeting to hear the news and reports of their sterling efforts over the year. The work of the Carnival Committee goes on all year round and there is much to be done to produce such a wonderful event each year, but the Committee is always in need of more help. If you are able to help in any way at all, no matter how small, please contact the Carnival Secretary, Carol Payne, on ☎ 01747 861639.

Please note that the **March Parish Council Meeting** has been postponed for a week because it clashes with an important Wiltshire Council meeting and will now be held on **Monday, 12th March** and not on the first Monday of the month as is usual.

The Annual Parish Meeting will be held on **Wednesday, 25th April** in the Grove Buildings at 7.30pm.

Finally, I must offer my apologies to our Groundsman's Assistant, Barry Hansford, for not including his name with those I thanked last month for their help with the Christmas lights in town. It was most remiss of me and I do apologise for my omission.

For further information on Parish Council activities, details of meetings, and copies of minutes, please go to the Mere website: www.merewilts.org or contact the Parish Clerk, Mrs. Lindsey Wood, ☎ 01747 860701 or e-mail: lindseywood@merewilts.org

Mary White, Chairman, Mere Parish Council

GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION, WRITES

I now attend the Digital Inclusion Programme Board at Wiltshire Council. Wiltshire, Gloucestershire and others have come together to roll out superfast broadband across Wiltshire in line with the government target of 2015. Wiltshire is putting £16 million pounds into the project. Wiltshire will do well from the government initiative because we Wiltshire has poor coverage of broadband. Community involvement will be encouraged down to the level of trenching.

After spending a day in Bristol, I have acquired much more knowledge of the 400 page Localism Act. It has at least five definitions of what a community is! I thought I understood what a community is. It may enable something local for you, however there is a lot to learn. Some examples of its impact could or will be: five-year tenancies for social housing, unlike now; the power to challenge council tax rises; a register of local assets; delaying any sale of property by up to 6 months, which could be either a private or public building. Also, Business Rate gains above existing levels can be kept local to Wiltshire after 2013, therefore an encouragement for Wiltshire to attract business and a universal benefit form may be possible, excluding council tax benefits.

A household recycling centre may come to Mere as supported by the Wiltshire and Swindon Waste Development Plan Document. This should reduce the need for people in the Mere Community to travel to Warminster or over the County border. It is also proposed to have a building for material recovery, which should bring some jobs.

Again, may I remind you, for Community groups who cannot easily raise funds, the South West Area Board give community grants usually up to £5,000, at the discretion of the Board.

The roundabout outside The Walnut Tree Inn is concerning all the residents in the area, and I have asked for overgrowth causing reduced visibility to be cut back. Over the coming months, I will also see if a way can be found to improve the junction. I fear that if it is not improved a serious accident will occur sooner or later.

As usual, please inform Lindsey ☎ 01747 860701 or myself of any streetlights that are not working in Mere, or have faults. In the villages where you have any streetlights that do not work, please inform me.

Wiltshire has adopted the South Wiltshire Core Strategy. One statement made on page 111, policy 16, is that we do not require any one-bedroom dwellings in Mere, but from enquiries and comments that come to me, I can tell you that I do not agree. It also states that any building in Salisbury City should not exceed 40ft to maintain as always, good views of the 404 feet high spire of Salisbury Cathedral!

On a separate issue, the Wiltshire Core Strategy (not the above adopted South Wiltshire Core Strategy), which is progressing will be open for consultation from the time you read this. I have already made written statements to the Council's officers concerned regarding the section on Mere.

I am informed that Monday, 26th March will be the start of household waste being collected every other week. Recycling will be collected in the weeks when household waste is not collected. I understand that households of five or more people or those with medical conditions, will be able to apply for increased capacity waste bins.

I am hoping The Southwest Area Board will give our area a grant towards our Jubilee celebrations in order to include a firework display, community picnic etc. in Mere, and hopefully a beacon will be lit on Castle Hill on Monday, 4th June.

GRANTS AVAILABLE FOR YOUNG PEOPLE

Young people in south west Wiltshire are being urged to bid for a slice of a £12,000 pot of money available for youth projects.

The funds could be used for anything from holding a dance workshop to launching a sports team, and from holding a street art project to buying new equipment for a youth group.

The initiative is open to groups of at least three young people who are under 21 and live in south west Wiltshire.

Bridget Wayman, chairman of the Area Board, said: "We are particularly keen to try to help young people in rural villages where there are no or few facilities, as well as those in the larger settlements.

"We have already awarded funding to our youth workers to help with transport links for young people, and if young people are looking for transport help they should contact us.

"This additional pot of funding is for activities and projects young people want to develop. We have extended the age range to include younger children who may have ideas originating through their primary schools, or other groups such as cubs, brownies and cadets."

The deadline for applications is Friday, **9th MARCH 2012**. Those groups whose applications are shortlisted will be invited to attend a special South West Area Board meeting at **7.00pm on Thursday, 22nd March 2011** at **Nadder Hall, Tisbury**. The meeting would hear a 3 minute presentation from each group – we would welcome pictures/PowerPoint presentations etc.

For all applications please use the criteria below:

Groups of young people up to the age of 21 are eligible to apply
A group must be a minimum of 3 young people
Groups can apply for up to £1,000 to take part in activities, buy equipment or other project costs; grants for more than £1,000 will be considered on a case by case basis
The project ideas should come from young people themselves and they should be actively involved in the planning
The project should have a 'supporter' to help and hold funds for the project (e.g youth worker, school, parish councillor)
The project should show benefits for young people in at least one of these areas: <ul style="list-style-type: none">• Leading healthier lifestyles / keeping physically healthy• Learning new skills

- Enjoying recreation and leisure
- Making a positive contribution
- Access to transport or other services
- Challenging bullying or discrimination

Young people should have help to present their ideas to the Area Board

Young people should develop ideas for how they will know their project has been successful

Young people should be actively involved working out the project costs and benefits

For more information and to get an application form contact the South West Wiltshire Area Board community manager Stephen Harris, ☎ 01722 434211 or email: stephen.harris@wiltshire.gov.uk

WEATHER REPORT

January, and winter had finally arrived. We had gale force winds the first week and several frosty mornings mid-month. The total rainfall was 53.5mms (2.11ins). Last year it was: 118.5mms (4.67ins). We had a little snow on the 30th, which soon melted.

February started cold with about a half inch of snow on the 4th, followed by 11mms (0.43ins) of rain that night, which washed it all away. This was followed by several frosty mornings and later sunshine. Another fall of snow on the 9th stayed with us for some days. February so far has been the coldest and total rainfall to mid month was 11mms (0.43 in). More snow to come?

‘MERENEIGHBOURS’ NEWS

Nottingham Knockers

Mere neighbourhood Policing team has been informed by local residents of young people going from house to house in Mere selling various household items. These young people who are also known as 'Nottingham Knockers' (named after a scam originating in Nottingham) travel across the UK targeting a town at a time.

They knock at doors and claim to be ex-convicts attempting to mend their ways, before trying to sell the householder everyday household products at very high prices. Police always advise residents to refrain from buying at the doorstep, and not to buckle to pressure from salespeople offering supposedly one-off 'buy it now' low prices. However, often kind-hearted residents feel they are helping the Nottingham Knockers to turn their lives around so agree to buy their wares. Nottingham Knockers work in groups and many do not possess Pedlar's Certificates, which are issued by police and are necessary for salespeople to be legally allowed to sell door-to-door. There have been incidents where local residents have received abuse from the Nottingham Knockers and often feel pressured in to buying items. The advice we pass on is that if the person selling the items becomes aggressive or you feel threatened in anyway you should contact Wiltshire Police via the 101 telephone number.

If you would like to have a window sticker which can act as a visible deterrent to criminals please let your local coordinator know. You could equally act in a neighbourly way and collect several for your locality direct from Richard Jefferies (details below). They are also available for collection from Mere Library and Mere Post Office. These stickers have been supplied to us at no cost as they are sponsored by an insurance company so they do bear some advertising on the inside surface. *Great for your front door or window.*

Car Security

When it's cold and dark it's tempting to jump out of your car and rush inside to the warm without stopping to remove all the items that you may have in the car, such as satellite navigation systems, phones and laptops, especially if you will be needing them the next day. However it is important that you take these items inside with you, even if you have parked your car in your own drive and it is alarmed.

Criminals like these items as they are easily sold on, and they can remove them within a few moments, frequently causing extensive damage, which may cost more to repair than the cost of the items stolen. Your glove compartment should also be left open overnight to allow potential thieves to see that there is nothing hidden inside, as they may break into the car to check.

We are always available for help and advice and our contacts are:

THE CREDIT UNION (MERE BRANCH)

By the time this article goes to print, the South Wiltshire Credit Union AGM will have taken place at which a dividend of 2½% for the year will have been proposed. Now where else can the small saver get such a good deal?

The Credit Union is a community venture designed to help people to save as well as borrow (without penalty and at a comparatively low interest rate), so please do give it some thought. For further information do come and visit our desk in The Mere Library on Saturday mornings between 10.00am and 12.00noon.

POTENTIAL ACCIDENT BLACK SPOT

A letter signed by many of the residents of Walnut Road and Oak Lane has been sent to Wiltshire Councillor, George Jeans. The content relates to the mini-roundabout in the Shaftesbury Road adjacent to the Walnut Tree Inn.

What is causing the residents considerable concern is the distinct possibility of a serious accident due to an apparent lack of knowledge many drivers display when negotiating the mini-roundabout.

Drivers approaching Mere from Shaftesbury frequently fail to slow down in preparation for giving way to traffic emerging from Walnut Road. Similarly drivers from Shaftesbury intending to turn right into Walnut Road should be allowed to complete their manoeuvre before traffic from Mere to Shaftesbury proceeds. Greater awareness to the advice given in the Highway Code relating to giving way to traffic from the right, together with new road paint and clearer signage, would undoubtedly help.

What a pity the developers and planners appear to have given little attention to this very serious road hazard especially as the pub has become extremely popular, and therefore creating a huge volume of traffic, which parks on the pavements and too close to the junction due to far too little off-road parking.

The development has now received an award from the Salisbury Civic Society. The judges in making their award describe it as "an object lesson to other large developers to what can be achieved". No award in the world can be worthy if there is potential danger in the sighting of the approach road to that development. If you have any comments, please refer them to me and not to Mere Matters.

You are most welcome to join us at our meetings and if you are interested in being on the committee please come along. More ideas are always essential to keep a Chamber active. *Julie Cousins, Secretary* Julie H 07856 700576

PLOTTING A WATER MAP OF MERE

We are well on the way to plotting a water map of Mere. The response to the paper survey in the Museum's very interesting map exhibition has been great and people have been in touch both by e-mail and word of mouth. I even have photographs of splendid inside and outside house wells.

- If you are one of those who have told me about a well, a spring, seepage patch or spring-fed pond please e-mail me your address or fill in a form at the museum exhibition so that your information can be coded and plotted on the parish residential map.
- If you haven't got round to filling in a form at the museum or e-mailing me please do not forget to do so as it would be a shame not to record your information.
- If you don't think you can contribute information why not go along to the Museum and look at the 'table top' display which explains the project?

The final map will indicate the location of old wells, springs and spring-fed ponds in residents' houses and gardens and persistent patches of seepage in the locality of Mere. The Water Map of Mere will:

- Record how abundant and reliable the natural sources of water were in the past. Part of the history of Mere.
- Describe the natural water situation now and in recent years. It may be of use in talking to those responsible for water supplies today.
- Maybe helpful in planning a walk along the famous Mere Fault the location of which influences the source of all the water in our streams, wells and springs.

MERE'S MARATHON MAN SEEKS SUPPORT.....

In a move of questionable ambition, I decided to take on a charity challenge in 2012, running three marathons across consecutive weekends in April to raise funds for the Samaritans. Juggling increasingly difficult training with a full time job and a young family, I have become fully aware of the scale of the undertaking! Finding out my wife is pregnant with our fourth child – due two weeks after the third marathon, has also added to the logistics of the situation.

We live in Mere, where my wife grew up and I thoroughly enjoy training in the area. Whether running across the downs or around local villages on a Sunday, or pounding the pavements of town at 5am during the week, there's always something picturesque to see and a greeting from passers by. I feel lucky to be able to experience this and it is a real motivator – keeping me going to see this challenge through and make a difference to the lives of others.

I have set myself an ambitious fundraising target for a cause that itself offers somewhere to turn to for anyone at their darkest hour and with that in mind, I would like to ask the local community for support. Please visit my web page to sponsor me and help me to make a difference, supporting the excellent work the Samaritans' volunteers undertake both locally and nationally: www.virginmoneygiving.com/andyswann. Collection tins are also being kindly held by a number of Mere retailers and a more traditional sponsorship form is available!

We will also be organising a number of fundraising events in the local area, including a fantastic Art Exhibition and Silent Auction during March, featuring well renowned artists from the region. Full details can be found at: www.cheesehousestudios.co.uk.

If you would like to know any more about the challenge, please feel free to contact me by phone or email: a_swann66@yahoo.co.uk Thank you in advance for your support..

...AND SO DOES MERE'S MARATHON GIRL

Come on Mere – It Matters! Please help me, Sarah Gent, raise very much needed funds for MacMillan Cancer Support and Salisbury Hospice.

I am running the London Marathon 2012 in memory of Jim Nicholls, a very dear friend of mine who sadly lost his fight with cancer last year. Macmillan and Salisbury Hospice helped Jim and his family throughout his fight and have continued to help since his passing. Both charities gave a lot of support to Jim, and now it is my turn to give something back to them, which is why I have chosen to run the London Marathon. The training is hard, but has to be done; no wimping out because my favourite programme is on the television, or because it is cold or raining - it is up and out! My training runs range from three to 22 miles, leading up to the race day itself which is 26.2 miles! So if you see me out and about, give me a wave and a smile, believe me it makes a difference! You can also make a difference in another way by sponsoring me. Please visit my Virgin Money Giving page: [http://uk.virginmoneygiving.com/sarah gent](http://uk.virginmoneygiving.com/sarah_gent), or send any donations to Magnolia House, Lovage Way, Mere, making your cheque payable to 'Sarah Gent (Marathon)' and I will forward your donations to both charities. Please enclose your address so that I can send a thank you.

GREAT BRITISH FISH AND CHIP SUPPER

“Hold a Fish and Chip Supper to help spinal cord injured people live full and independent lives.”

Want to do something different? Want to raise money where you live or work? Want to eat Fish and Chips, while raising money for charity? Hold a fish and chip supper on Friday 18th May 2012 whilst raising awareness of spinal cord injury and supporting The Spinal Injuries Association’s (SIA) information and support services.

You can hold a fish and chip supper in your own home, at work or hold a larger supper at your local community centre.

SIA will provide a fundraising pack containing hints and tips, recipes, invitations and donation envelopes. By inviting 7 friends and asking them to donate an additional £5.00 means you will raise at least £35.00 from your supper, but we will also give you additional fundraising ideas to raise even more money for SIA.

Last year we had over 100 suppers taking part in England and Wales and we raised £6,000. In the three years we have been running the event we have raised £20,000 to support spinal cord injured people.

The money raised from the suppers will help the Spinal Injuries Association offer support to individuals who become paralysed, and their families, from the moment a spinal injury occurs, and for the rest of their lives by providing services and publications which enable and encourage paralysed people to lead independent lives.

Every year in the UK over 1,000 people experience a spinal cord injury and there are an estimated 40,000 spinal cord injured people in the UK alone.

Community Fundraising Officer, Elizabeth Wright, says, “The Fish and Chip Supper is a wonderful opportunity for a great evening with friends and family.

“We are also encouraging people who work to hold a Fish and Chip Lunch in their work places to raise even more funds. You may be even a local community group wanting to run a fun evening with your group.

“Be a part of something special and make a real difference to help spinal cord injured people gain access to the information and support they need to enable them to live full and independent lives.”

For more information or to request fundraising packs call Elizabeth Wright ☎ 0845 071 4350 or email: fishandchips@spinal.co.uk or visit: www.spinal.co.uk/fishandchips

BRAINWAVE

“The north wind doth blow and we shall have snow.....” If that nursery rhyme turns out to be true this March, you will still be able to buy something warm at Brainwave as we try to put on sale what our customers need rather than what the calendar tells us it's time for. Please continue to keep your donations of goods, you no longer want flowing into the shop as this allows us to be flexible and respond quickly to our customers' requirements.

February was the anniversary of the Mere Brainwave Shop and over twenty of the army of volunteers celebrated with a three-course meal at the George Inn, just across the road from our premises. The new patrons of The George served up delicious food for us, piping hot and plentiful, which was no mean feat considering we were all enjoying the chance to be together for a serious natter and not paying too much attention to what we had ordered. It is also the thirtieth anniversary of the Brainwave Charity itself this year, so there will be further celebrations to come this Summer, which will probably involve all our faithful customers and supporters. Meanwhile the Brainwave Famous Face quiz is continuing at the Mere shop, so there's still time to pick up a quiz sheet at the counter and test your skills.

For further information about Brainwave, please call the shop during business hours ☎ 01747 863432.

MERE FILM SHOWS

A big 'thank you' first of all to everyone who came to the screening of 'Tinker Tailor Soldier Spy' last month, and whilst I know this was because it was such a good film – it won the BAFTA for Best British Film - and had nothing to do with my piece in last month's Mere Matters, it was lovely to have a Full House once again!

We have another excellent BAFTA award winning film on Friday, 9th March with 'The Help' (12A) – nominated for the BAFTA for Best Film - from the marvellous book by Kathryn Stockett, which has been on the best sellers list for some time.

It tells the story of Skeeter Phelan (Emma Stone), an aspiring writer returning from college to her Mississippi town in the early 1960s, who decides to write a book detailing the African-American maid's point of view on the white families for whom they work, and the hardships they go through on a daily basis. Her best friend's maid, Aibileen (Viola Davis), decides to help and soon more women join her and the stories they tell have some alarming results! Viola Davis was nominated for a BAFTA for Best Actress for her role and Octavia Spencer, who plays Minnie, won the BAFTA for Best Supporting Actress in this film.

Don't miss it! There is more information on page 28.

Date for your Dairy: 'The Iron Lady', Thursday, 19th April.

CASTLE HILL QUILTERS

Whilst twelve of our members are busy taking part in an interesting course by our visiting tutor Catherine Millar, the rest of our members are enjoying getting to grips with hand quilting with the help of Jennie Hoffman, with twenty six in attendance in February.

We will be meeting every Thursday in March from 2.00 to 4.45pm. Catherine's course starts at 1.30pm. Just two spaces left at present, so if you are keen to join please phone me or email: info@castlehillquilters.org.uk Our website is: castlehillquilters.org.uk

MOTHERS' UNION AND OPEN MEMBERS' GROUP

For our meeting on **Tuesday, 13th March** at 2.30 pm in the Grove Building, **Christobel Kriticas** will be celebrating the 'Gift of Caring for Children' by sharing some of her experiences over the years as a Norland Nanny.

There will be also a Bring and Buy stall at this meeting to raise money towards the MU's many imaginative overseas projects supporting families in particular need through local MU branch members.

As usual, new members and visitors will be very welcome to join us for our meeting. If you would like a copy of the revised programme for the year, please telephone me.

MERELY WOMEN

Merely Women offers a warm welcome to any ladies living in Mere and the surrounding areas. This group is particularly helpful for newcomers to the area, as it is a place to chat and meet new friends. We have activities, speakers and discussions. There is always tea and coffee, a lot of chat and laughter, and a sympathetic ear if needed.

We meet in the Grove Buildings on the 2nd and 4th Fridays of the month, from 9.30 to 11.30am. There is no membership, so just come along between 9.30 and 10.00am for a pre-meeting tea/coffee and chat. Everyone, of all ages, and new or established residents, are most welcome. **Our next meeting is on Friday, 9th March.**

ROSEMARY GODDARD CENTRE (RGC) The Day Centre for Mere and district, Lynch Close, Mere Mondays and Fridays 10.30am - 4.00pm

We will be quite busy this month at the centre. One of our local business women, Sarah Collins, owner of the Sprout and Flower shop, has agreed to come and talk to us about her business and career. We have a Tea Dance on Monday, 5th March when we shall be dancing to old favourites. Towards the end of the month we plan to run another Desert Island Disc session and play our very own version of Family Fortunes. Both of these events we ran during earlier sessions and they were a fantastic hit with all.

We cannot run our day centre without the help of volunteers. We are currently in desperate need of session volunteers to help make teas, coffees, serve lunches and engage with our elderly Guests. Our volunteers work as part of a team and are supported by me and the Trustees. If you can spare a few hours once a month to help, either ring me, text me, or leave me a message on the number below (please note change in number).

MERE GARDENING CLUB

Spring Show & AGM

This event will take place on Wednesday, 14th March at 7.30pm in the United Reformed Church. **Please note change of venue!**

The Spring Show categories include bulbs (don't forget your MGC irises!), photos, cookery and handicraft and will be judged by members. Schedule on display at the Post Office, or contact me at the telephone number below if you would like a copy.

Visitors and friends very welcome.

Subscriptions are due at the AGM and are unchanged at £7. This is great value as it not only covers all our monthly meetings, talks and workshops, and enables you to take part in the Annual and Spring Show, but also gives access to discounts from local Nurseries.

The Committee meets 4 to 5 times a year and there are vacancies, so if you would like to join them or to propose someone, your suggestions will be very welcome.

MERE MUSEUM

Our new exhibition **Mere Maps** has been receiving very enthusiastic reviews, so if you haven't seen it yet, do go along to the Museum soon. You will probably find that you will need to visit more than once! Paulette McManus has also been delighted with the response to her request for information about **wells and springs in Mere**, but there may well be (pardon the pun) more information out there. If you haven't seen Dr. McManus's display in the map exhibition and her questionnaire, do go and have a look soon.

Finally, we have been busy preparing a new **Forward Plan** for the Museum which is designed to take it through the next five years. The first draft of the plan will be available in the Museum by the end of February **for just two weeks**, for everyone to look at. We invite anyone who would like to have a say in the future development of the Museum to read it and make comments and/or suggestions on the forms provided. We can't, of course, guarantee that we will be able to adopt every suggestion, but all observations will be kept for future reference. Thank you in anticipation for your help.

MERE AMATEUR DRAMATIC SOCIETY (MADS)

We should like to thank all those aspiring actors who offered their services to take the part of the young man in MADS' Spring Production (see last month's MADS appeal). We can now confidently announce that a murder will indeed be committed in Mere at the end of March, and more than once. In fact the play currently in rehearsal is Agatha Christie's thriller, ***A Murder is Announced***. Everyone is invited to become a witness – provided they buy their tickets in good time of course, at performances in the Lecture Hall from **Thursday, 29th to Saturday, 31st March 2012** at 7.30pm. Tickets are £6 and £3 (school children). Tickets are on sale **NOW** at the library.

MERE CHILDREN'S CENTRE

After a bitterly cold spell in February, Mere Children's Centre looks forward to some slightly warmer weather with a Spring Theme for our Wednesday Stay and Play sessions. We will be planting seeds, making fluffy lambs and Easter pictures. We also have a patriotic day painting St George and his dragon!

On Wednesday, 7th March we have a special session at Stay and Play on Healthy Eating, brought to us by Kathryn Thomas, Community Dietician, and Thomas Coles who is training to be a dietician. This session will include balancing your diet, healthy eating for your family, working with the children to make delicious food and a tasting session for the food prepared during the session. If you haven't been to our Stay and Play sessions before, this would be an excellent opportunity to come along and join in.

Please note that on Wednesday, 21st March we will be closed due to a county-wide training day for staff.

Musical Beginnings, our Group on Tuesday mornings at the parish church meeting room in Zeals, is proving to be popular and fun for mums and kids, come along and join in and have a good time.

At the same time in the Children's centre we have Bumps and Babes, a relaxing session for young babies, their parents and parents-to-be, do come along and join us

On Thursdays at present Gary Lamont from Wiltshire Wildlife is running an excellent course on Food Champions with thrifty tips on growing, cooking and recycling. So far we have made bread and paper with seeds in, all ready to water and plant.

These sessions are held either at the Children's centre if cooking is planned for that day or at Tiddlers and Toddlers in the Lecture Hall if there is no cooking involved. Ring us ☎ 01747 861108 to check where we will be on Thursdays.

On Thursday, 1st March we have a one-off session at the Centre on getting back to work. Come and join us for a really useful session with lots of information, tips and good advice. Find out how to gain any extra qualifications that you might need.

Starting on Wednesday, 29th February, from 1.00-3.00pm Wiltshire Family Learning are bringing us a ten week course on Budgets and Bargains, to make budgets and money fun for you and your family. There will be also a crèche available if required.

Our exciting Sensory Room is now available for bookings, for you to bring your babies and toddlers along to explore the apparatus and toys. To book, please ring us.

SILVER CLASS NEWS

February 8th 2012

Hello and welcome to Silver Class' School news. Everyone has been working very hard this term and we would like to tell you all the news from our class and the rest of the school. We hope you enjoy it.

In Silver Class we have a very cool topic – 'Superheroes'. We have been busy designing our own superheroes and villains. In Literacy we used drama to make our characters really come to life!

We also wrote our own superhero stories. "It was really fun using our own characters in our story!" said Lily Down. We invited Red Class to come and share our stories with us.

In ICT we have been looking at animation, using 'The Incredibles' film as inspiration. We made our own superhero animations and comic strips. Evie Rich and Jasmine Berry made fantastic comics and took them to Mrs Williamson so she could enjoy them too.

We have been testing our own super powers in PE and Science by using lots of exciting equipment and apparatus. We found lots of ways to use pushes and pulls around the hall. Mitchell Harkin and Charlie Bateson especially enjoyed the climbing ropes.

After half-term we are looking forward to learning about real-life heroes and making our own superhero dance. We can't wait for our 'Superhero Day' when we are all

coming in dressed as superheroes!

Now we are going to tell you all about the other news from Mere School...

Blue Class really enjoyed their visit to the dentists. They were given toothpaste, a pencil and stickers. "I liked having a ride in the chair," said Ruby McCormack.

Yellow Class have been out in Mere looking at road signs and thinking about road safety. They really enjoyed discussing all the things they saw!

Gold Class had an exciting afternoon at Shaftesbury School learning to climb as part of the 'Adventurers and Explorers' topic. Holly Brown said "It was really scary because you get to go up really high!"

Red and Green Classes had a great time last week learning how to make mosaic tiles! They used special tools and had to wear safety goggles. "It was fun clipping and shaping the tiles!" said Chris Forsey.

In Purple Class they are busy making an Aztec Museum to show all the amazing things they have learnt about the Awful Aztecs!

We have had a fantastic Art Week learning all about Monet and Matisse. Each class has also designed birds to help decorate the library. We are all looking forward to Book Week, especially dressing up!

Thank you for reading our news from Mere School, we hope you enjoyed it!

Look out for more news about the exciting changes happening in our library...

MERE PRE-SCHOOL/NURSERY

Mere Pre-School would like to thank **all** of the businesses who donated to our Christmas Raffle. We raised the fantastic amount of **£162.85**, which has been added to the fund to buy more outdoor play equipment for the children to enjoy. Thanks, also, to everybody who came along to the Christmas Fair held at Mere School.

We also had a lot of fun at the well attended 'Community Fund Launch Party' event organised by the Co op, in January, along with the Rosemary Goddard Centre. The Co-op will be splitting the funds, raised by customers showing their green community cards at the tills, between Mere Pre-School and the Rosemary Goddard Centre so please keep using your cards! They are free from behind the counter if you don't already have one.

THE REV'D JUDITH THOMPSON, A PRIEST AT ST MICHAELS WRITES:

The fascinating collection of maps showing in the excellent current display in Mere Library has set me thinking about maps and their place in our lives.

As someone with no sense of direction whatever, I easily get lost. Making my way out of an unfamiliar house – even though I may have entered it only minutes before – is always hazardous. I am as likely to end up in the broom cupboard or the bathroom as anywhere near the front door.

And finding my way when driving alone is a considerable challenge (we don't have a Satnav). Helpful signs lead me in the right direction and then seem to come to an end just when I need them most. A T-junction demands a decision, but with no idea whether left or right might be more helpful, I invariably take a wrong turning, and then another, and another.....

But if I have a map with roads clearly marked on it, and if I can keep a calm head, in time, I can orientate myself, and with the help of a few kindly strangers on the way, I will usually reach my destination in the end. So I have a special fondness for maps as a source of basic security. But browsing through the excellent exhibition (don't miss it!) made me aware of other ways in which maps are, and have been used: to record historical developments (from strip lynchets to the location of former dwellings and shops - 58 of them! – in Mere); to indicate ownership – like the Enclosure maps and those showing the plots of land owned by members of the Mere Smallholders' Association; and to prepare our defences when under threat of invasion (the motivation for the development of the early Ordnance Survey maps).

For me, the rich and varied tapestry of the seasons of the Churches year provides a similar framework. There are the high points for celebration at Easter especially, and at Christmas, as well as Pentecost (or Whitsun) and Harvest; there are the more demanding times of Advent and Lent; and then there are the times of growth and reflection in between, interspersed with Saints days to remind us of others whose lives have been like 'signposts' showing something of the light of God's love in the world.

March this year is wall-to-wall Lent – as Lent begins on the 22nd February (Ash Wednesday), and ends in Holy Week in April: so the 'live' time for this magazine is nothing but Lent! It's not most people's favourite season, but provides a time when we are encouraged to take stock of how we live our lives and cut out the clutter and the distractions from the things that really matter. It is also a time for sowing seeds (literally and metaphorically) from which new life will grow. If we've got a bit lost on the journey, it's like the time of re-orientation. With the use of the 'map' and guidance from others it can help towards the destination of a fuller and deeper way of life or – as many would see it - 'a closer walk with God'.
