MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You can raise questions in a public session before the meeting starts. The next meeting will be on **Monday, 3rd November 2014** at 7.30pm in the Andy Young Pavilion.

The Chairman writes:

Due to the success of the goat grazing scheme on Long Hill, the Parish Council has sought permission from English Nature and English Heritage to introduce goats onto Castle Hill. We have received grant funding for the necessary fencing and gates, which we hope will be installed in the next few weeks. Unfortunately, due to the steep nature of Castle Hill, it will be necessary to erect the fencing on the outside of the footpath and therefore we will need to enter the fenced area, via kissing gates, in order to walk around Castle Hill. However, we are confident that the goats will do a sterling job of keeping back the grass and scrub and thereby doing away with the need to manage the hill with trimmers and machinery.

At the September meeting the Parish Council agreed to revise its decision to display banners on the Clock Tower advertising community/charity events within the town. The Parish Council would now like to invite applications for banners to be erected on the eastern elevation of the clock tower for the period 1.1.2015 – 31.12.2015. The banners should be no more than 8ft X 2ft, made from Correx board and the lettering should be no more than 9" (225mm) high. The Parish Council will erect the banner, which will remain in situ for a maximum of 8 nights (7 days) each. There will be a maximum of 4 banners for community/charity events within the town per year, and the permission decisions will be made by the Parish Council during the December Parish Council meeting so please submit your applications before Monday, 1st December.

Remembrance Sunday will fall on Sunday, 9th November and the Parish Council will be laying a wreath at the War Memorial. We will be congregating at the Clock Tower at 10.30am, and at 11.00 a.m. there will be a 2 minute silence when we will pause to reflect on the sacrifices made by our brave Servicemen and women. All are welcome to come along. There will be a service in St. Michaels Church afterwards.

WEST KNOYLE PARISH COUNCIL

The Parish Council met on 9th September where members discussed their concerns about the fact that drivers are still repeatedly driving out of the Willoughby Hedge Service Station and the Little Chef onto the wrong side of the carriageway along the B3089 believing this to be a one way slip road onto the A303. The Parish Council agreed that Esso and the garage manager had been very co-operative and the bollards outside the new toilet block had helped the situation. It was suggested that the directional arrows on the B3089 need to be renewed and there need to be more of them right up to the A303 with “no entry” signs onto the right hand side of the B3089 onto the A303. The bollard in the centre of the road at the exit of the B3089 needs a new “keep left” arrow on it as well. It was agreed that a scheme should be submitted to Wiltshire Council’s Community Area Transport Group to see if they could help with advice and funding.

There was a bit of a whisper about more changes to our bin collections - it was involving green bins - we wait with baited breath!

The Community Speedwatch Scheme in West Knoyle should be operational by now. We hope that this will help deter drivers from speeding through the village.

Jinny Brockway, Chairman, West Knoyle Parish Council

GEORGE JEANS, WILTSHIRE COUNCILLOR, WRITES:

I would like to thank BBLP, the contractor repairing some roads locally on behalf of Wiltshire Council, for repairing roads around Limpers Hill, Mere, to a standard above my expectations. Some living locally to Limpers Hill have also commented likewise. AMEC, as expected, are still this month putting a new gas main in Hazzards Hill, White Road and Chetcombe Road in Mere. Motorists have been jumping the four-way traffic lights causing problems. It should be remembered that with the rotation for four sets of lights, with a long stretch of road leading from one set of lights to another, it can be a long wait. The smell of gas has often been noticed around Hazzards Hill over recent years. Hopefully, this should now be a problem of the past. Work should be finished around the middle of November.

Wiltshire Councillors allowances for 2013-2014 have now been published including mine, which can be compared with other Wiltshire Councillors on-line or in some newspapers with more space than available in this article. Please note your Parish

Councillors receive no allowance, beyond reimbursement of what they might spend on behalf of the council. A chairman may receive an extremely small allowance.

We were pleased to welcome our local MP Dr Andrew Murrison to the last South West Wiltshire Area Board, which also included a health fair. Dementia was one of many health issues highlighted. If you, or someone you care for, is living with dementia, Heathwatch Wiltshire is going to hold regular workshops for people interested in assessing dementia services so that experiences and feedback can be shared with the people who provide these services. For more information contact ☎ 01225 434218.

The South West Wiltshire Area Board is now charged with providing a youth service for young people aged 13 to 19. At the Area Board Meeting of Wednesday, 8th October, held at Nadder Hall, Tisbury, the Board voted to approve the terms of reference for the creation of a Local Youth Network (LYN). Out of this will come a LYN management group, which will put forward its ideas for youth development and youth clubs in Mere, Tisbury and Wilton. These ideas will be put to our South West Wiltshire Area Board for the award of grants. The LYN should consist of youth, police etc. At this time we are still awaiting our devolved youth funds for this area from Wiltshire Council, and we are told that we shall receive them shortly. A Community Youth Officer (CYO) has been selected by Wiltshire Council for our area; I await the person's name. The Mere Youth Club will continue with a charity 'Seeds for Success' organising youth work. Jaki Farrow, who has been excellent over the years, has agreed to be Service Manager for Seeds for Success for two days a week. The Mere Youth Club building hopefully will be able to be used also for other organisations.

Wiltshire Council has now moved to the survey stage regarding the construction of four older persons bungalows for local people in the Mere area in order to release existing larger houses for young families. These proposed bungalows form part of a £6M investment across Wiltshire. From the meetings I have attended, the council have the money, however I feel the council is spending too much time on the development stage of what is much required housing for local people. Wiltshire Council has 11,000 households on the register in need. In a similar vein, when planning approval is given in general, the legal department can still take many months, and even years, before the formal planning permission is allowed to be implemented, (for one reason working up what is known as section 106's agreements.)

Many are interested to know when we are going to get faster broadband. I am advised that our areas postcodes are within the intervention area for the Wiltshire Online programme, but at this stage it cannot be absolutely guarantee when Open Reach will get to our community. The deployment for 2014 has now been planned and our postcodes are in the second half of the rollout (2015/16). I am told the reference to 2016 would be the first half of 2016. Every three months, the next set of communities due to be surveyed will be released and at that point the affected postcodes from this stage will be moved into the survey stage. It is recommended that you regularly check the online

postcode checker to keep abreast with progress of the rollout. More government funding is available for phase two, implementation of which will start after March 2016. I was informed we would get a presentation at my area board regarding Wilton that now has the infrastructure for superfast broadband installed; I am now told this will not be for some time. I understand this is an important topic for many and I intend to pursue the issue.

Broadband improvement in Wiltshire is a partnership with South Gloucestershire. Wiltshire has many more partnerships, Police, Schools, academies (which White Sheet School at Zeals and Kilmington has now become), Wiltshire College and so on. These partnerships can work well to give better outcomes with reduced funds. Locally we now have the local youth service that will be a partnership between Wiltshire Council (SWWAB) and the local community. In my opinion if the rate of decline of grant from central government continues as all seem to agree likely, more of these partnerships will be required locally to maintain some services.

Local gain as many of you know can come from development. While sitting on the Southern Planning Committee, it passed an application for a development that was outside the development boundary. I understand that in this area the houses would not have been put forward easily for officer recommendation, had not the following community benefit been offered. Twenty houses, six of which were affordable, 48 dedicated parking spaces, which is above that often offered, £130,000.00 towards local community facilities and an education contribution of £142,092.00.

Speedwatch does work well across Wiltshire, however the Kilmington group has had to disband. They have proved to me that the speed of traffic travelling along Kilmington Common is often too high. A visual Speed Indicator Device has been put in place for a period, however it was not sited as the parish council requested.

Regarding A303 improvements. The Department for Transport has commissioned a feasibility study to improve A303/A30/A358 between Amesbury, Honiton and Taunton. Wiltshire Council is a member of the Stakeholders Reference Group for the study. The following is the outcome of Stage 2 of the study, based on the presentation to the Group by DfT on 28th August 2014.

Stage 1 of the study completed earlier in the year identified five single carriageway sections of the route for further investigation: Amesbury to Berwick Down, Chicklade Bottom to Mere, Sparkford to Ilchester, South Petherton to Southfields and Southfields to Honiton.

Stage 2 looked at options to improve these sections and will take the following proposals into final stage for prioritising schemes:

- Amesbury to Berwick Down options - part online/part offline dual carriageway and tunnel or offline dual carriageway to the north
- Chicklade Bottom to Mere -online and offline widening to dual carriageway

- Sparkford to Ilchester - Online and offline widening to dual carriageway
- South Petherton to Southfields - Online widening to dual carriageway
- Southfields to Honiton and/or Taunton options - online and offline widening and improvements

The final stage of the study is programmed to be completed by October 2014, with an announcement by government of the shortlist of schemes expected before end of the year.

POLICE REPORT

Home Security

This month is National Home Security Month, a good time to review security and plan for the dark winter months. Look online for the detail. Basic security measures including security lights that come on when someone approaches can deter a thief.

A light left on whilst you are out perhaps with a radio playing would make someone think twice about trying!

If you are early shopping for Christmas (10 weeks away!) make sure you don't leave them on view in your car whilst you shop elsewhere.

Be secure and keep warm.

The Dark Nights

*The dark nights are coming
There's a chill upon the air.
There's no lighting in your garden,
So you can't see who is there.
Is there someone in the darkness
Trying doors and windows too?
Will you be the burglar's victim.
NO! There's something you can do!
Lock your doors and lock your windows.
Put a lock on your shed too,*

*When you park and leave your car,
Take your valuables with you.
Don't let strangers in your house and
Keep your handbag out of sight.
Always check these things are done
Before you go to bed at night.
Have a light outside your front door
And if you can, in the garden too.
Do all of these suggestions
And the burglar won't bother you.*

Keep your Dog Safe

2 dogs were stolen at the beginning of October. One was taken from a farm in West Knoyle, which was taken from a kennel. The second was taken whilst the owner was walking it in Sedgehill! The owner called Police and put an alert out on Facebook and someone found the dog at the other end of Sedgehill. The owner had heard a car screech to a stop and then could not find her dog. For more information about dog theft and its prevention, please contact: www.doglost.co.uk

LIP READING AND MANAGING HEARING LOSS

If you don't have hearing loss yourself, there are some things you can do to help someone who has.....

Ask what they need to help communication go well. Needs vary from person to person, and you being willing to make the effort to meet someone halfway makes a HUGE difference. Really, you have no idea how much that is appreciated!

Try rephrasing your comment or question. Often we get stuck on a single word of a sentence. There are some words that look alike when Lip Reading so it does take a little work figuring out things like this. Please be patient and repeat it often if necessary.

Don't say, "Never mind" or "It wasn't important" – if it was important enough to say it once, then we might feel awkward or unimportant if you can't be bothered to repeat it.

You don't need to raise your voice unless asked, nor do you need to exaggerate your mouth movement as this distorts your lips and mouth shapes making it more difficult to Lip Read. For more tips and information, we have a leaflet that can be sent to you by calling/texting Sheila Thomson, ☎ 07760-731406, or ✉ SheilaT@Bishopstrow.org.uk

Weekly sessions are in the Small Hall in the Grove Building on Tuesday mornings from 10.15am to 12.15pm.

MERE & DISTRICT RAILWAY MODELLERS

Our recent AGM was held in our newly decorated club room in what used to be called the Band Hut in the Castle Street Car Park. Some twenty people were present at this meeting or responded with apologies for absence. A number of issues were discussed, more of which will follow. The author stated that it was his aim to finish the internal work before Christmas, and to this end all the structural rectification and internal and external panels have been completed. There remains surface preparation, painting, and furnishing of the complete unit, all being carried out at the time of writing.

The club meets at 7.00pm on each Wednesday evening and new faces will be most welcome.

Community Architectural Modelling Competition

The club has decided to build a 4mm to the foot model of a fictitious railway that ran through Salisbury Street to Castle Street. The focus will be the north side of these streets from **Chalke's Garage through to the 'Butt of Sherry' public house**. The challenge is to select a building of your choice and model it in a material of your choice. The square and clock tower will be included, as will 'The George Inn'.

Mere Station will naturally be located where Castle Street Car Park stands! The goods yard and loading facilities will be located where Church Street is in reality.

The period to be modelled is to be the 1930's and information regarding the state of the buildings at that time can be researched from the Library, Historical Society and in the case of Chalke's garage, by asking the staff to point to the correct picture in their show room.

Most of the materials required for this competition can be acquired from the author free of charge, as can further guidance in building and materials to use. All the models will be displayed at our **Annual Exhibition in the Lecture Hall 20th-21st June 2015**. An award of £50 will be made to the winning entry on Mid-Summers Day.

This competition is **not open** to Mere and District Railway Modellers.

WONDERING WHERE THE MAP HAS GONE?

Or hadn't you noticed it was missing? I'm referring to the map of Mere, in the Square of course. It's not been vandalized – far from it. It is being updated and re-furbished as part of the work the Chamber of Trade is carrying out to improve business and tourism in Mere and District. Funding is from the grant we obtained from the South West Area Board, and we are ably assisted by a couple of volunteers with vital skills in removing and improving the map and associated details.

It's part of the (street) furniture so we tend to walk past it without really looking at it. If you're a tourist, it could be most useful – except that the information hadn't been updated since it was erected some 10 to 15 years ago. We have some ideas of the information that is most valuable to include, but we would welcome any suggestions you may have, particularly from anyone with a design or artistic print background. A feature we hope to include is one of those little black and white squares called QR Codes. When scanned by a Smartphone, they automatically display information from a website. This can be much more than we can cram into the small space on the sign itself. If you have a suitable phone, try the example at the end of this article.

The other two maps in the car parks will be similarly refurbished when the main one has been completed.

Other refurbishment is to take place on the sign coming in to Mere from Stourhead, but undergrowth and access to property has delayed this by a month or two.

Elsewhere you will see that our AGM is to be held shortly. If you are interested in joining, helping, or just to find out more, come along then or contact me on the telephone number below or Julie Cousins, the Secretary, ☎07856 700 576.

The QR Code is above. Try it.

It is not a 'drop in' choir so a regular commitment and an annual subscription (paid monthly or per term) are required. This works out at only £2.25 per session, however you are welcome to 'try before you buy' and your first session is free.

New members can be assured of a warm welcome.

MERE FILM SHOWS

Our film on Friday, 7th November is 'BELLE' (12a), inspired by the true story of Dido Elizabeth Belle (Gugu Mbatha-Raw), the illegitimate mixed race daughter of a Royal Navy Captain. Raised by her aristocratic great-uncle Lord Mansfield (Tom Wilkinson) and his wife (Emily Watson), Belle's lineage affords her certain privileges, yet the colour of her skin prevents her from fully participating in the traditions of her social standing. Left to wonder if she will ever find love, Belle falls for an idealistic young vicar's son bent on change who, with her help, shapes Lord Mansfield's role as Lord Chief Justice to end slavery in England.

You will find full details on page 23.

WOMENS INSTITUTE (WI)

Last month we spent the evening making decorations for our Christmas tree which will be on show in St. Michael the Archangel at Christmas along with others from clubs and organisations in Mere. It proved to be a very entertaining evening with spells of chatter and concentrated silence.

We also had a very enjoyable lunch at The George in Longbridge Deverill attended by 12 members. The Group WI meeting in Sutton Veny saw us once again being entertained by Frances Benton giving her presentation "A Passion for Pearls."

Our next meeting, on Thursday, 6th November at 7.30pm in the Grove Building, in a change to our programme, is going to be a talk by Bonny Sartin entitled, "Smuggling in Dorset and Hampshire." Smuggling was a major industry back in the 18th century. Organised gangs roamed the countryside importing brandy, tobacco (baccy), tea and wine by the ship load, more often than not financed or aided by the local gentry! If the law enforcement officers weren't open to bribery they very often had to face violence. The smuggler's ships were fitted with cannon and they weren't afraid to use them. Bonny's talk will be illustrated with quotes from the day, songs and poems. Please come and join us for a very entertaining evening. *Janet Fisher* ☎ 01747 861323

MOTHERS' UNION AND OPEN MEMBERS' GROUP

Having travelled, at least in imagination, to Thailand and West Bengal in India at our September meeting, and to Compostella in North West Spain in October, we'll be much nearer to home. at our meeting on **Tuesday, 11th November at 2.30pm in the Grove Building.** We'll be discovering the remarkable 'Story of the London Eye' from the first-hand experience of Peter Platt-Higgins. This will be a fascinating and very enjoyable afternoon – and all are welcome.

Our **Carol Service** this year will be on **Tuesday, 9th December.** More details next month....! *Judith Thompson (MU Branch Leader)* ☎ 01747 860553

MERE MUSEUM

Even if you have already visited the WWI exhibition, it's worth going again because there are now some new additions! **Three superb, small-scale model WWI tanks** now enhance the showcase with all the poppies, where a map of British and enemy trenches is displayed. The models have been specially built for this exhibition - do go and have a look!

We'd also like to remind you that the '**book of the exhibition**', about the servicemen from Mere who gave their lives in WWI and entitled '**The Proudest Uniform**', will be launched on **Friday, 14th November**. It will be available for purchase after the talk being presented by the Friends (see right). *Jenny Wilding ☎ 01747 860908*

FRIENDS OF MERE MUSEUM

This is positively the final reminder that on **Friday, 14th November, at 7.30pm in the Grove Building**, Col. Iain Swinnerton will give a talk in aid of The Friends entitled '**1914: The Road to War**'. He will talk about the causes of World War 1, which go far beyond the assassination in Sarajevo, and about the involvement of Wiltshire Regiments.

Col. Swinnerton served in the Regular and Territorial Army for 34 years. He is well known internationally as a lecturer on family and military history. This is an opportunity absolutely not to be missed in this WWI commemorative year! Tickets at **£6 each** are available at the Library now. *Jenny Wilding ☎ 01747 860908*

FRIENDS OF FIVES COURT

The Friends would like to pass on some **sensational news from Fives Court!** The Home entered the 'Trust in Bloom' competition, run annually by the Orders of St. John Care Trust (OSJCT) and won **1st prizes** for the Best Vegetable plot, Best Home-Grown Carrots, Best Flower arrangement and Best Homemade Scones. They were also runners-up for the Best Garden Theme, which this year was 'Mary Poppins'.

But it doesn't end there! Fives Court won **first prize for its Overall Garden and Grounds** (out of 21 in Wiltshire), AND THEN won against the three other county winners, making Fives Court the **Supreme Garden Winner**, the best of 76 OSJCT Gardens.

Warm congratulations are due to Sam Dean (Activities Co-ordinator) and to the Staff and Residents for a magnificent effort and a quite splendid achievement!

MERE CRICKET CLUB

Another season has been and gone as autumn finally digs its heels in. The senior team had 45 fixtures this year starting on Sunday, 20th April and finishing at the very picturesque ground in Hinton Charterhouse on Sunday, 21st September. The fixtures were made up of a combination of 35/40 overs or timed weekend games, 20 over mid week evening games and a 6 aside tournament.

Success is measured more on enjoyment than results, but for the record Mere Won 17, Lost 18, Tied 1 with 9 cancelled. Duncan Weir topped the total runs scored, and 14 year old Danny Harkin showed up all the adults by taking the most wickets. A fantastic achievement and we look forward to many more record wicket taking seasons from him!

The Annual Awards dinner will take place at the Walnut Tree on Friday, 14th November. Please contact Mark Cassidy at the Walnut Tree Inn (☎ 01747 861220) to book your place.

MERE BOWLS CLUB

The Bowls Club is now in its dormant period when we recharge our batteries ready for next years' onslaught. There will be a number of social events prior to the start of next season, and additionally we will have to fit in an annual dinner and presentation evening some time in the New Year.

On Saturday, 14th February 2015 we will be holding our now famous annual Barn Dance in the Grove Building. Festivities start at 7.00pm with music and fun being provided by the Black Bear Band and, as our regular readers will know, we only support

local charities, so next year it is the turn of the Mere & District Link Scheme to be the beneficiary of our fund raising efforts.

In addition to music and refreshments, we will also be providing a Fish & Chip supper. So keep an eye on future issues of this magazine and local Notice Boards to find out when and where tickets will be available. As this event is so popular and tickets tend to sell very quickly, you will need to get your orders in very sharply once everything is finalised and details are published.

The club will officially open again on Saturday, 18th April 2015 at 3.00pm. Existing members need to arrive 30 minutes early in order to pay their fees, have a chat and wish each other Happy New Year, etc. Prospective new members or members of the public who just want to give the sport a try should turn up at 3.00pm, when a new and exciting life will open up to you, good healthy sport with friendly and sociable people. What more could you wish for?

If you can't wait until next year to find out details, then contact either Alan Inwood ☎ 01985-844215; Alan Spencer ☎ 01747-860803 or Don Butchers, Club Secretary, ✉ don.butchers@btinternet.com Alan Spencer ☎ 01747 860803

<p>Terrible Tudors</p>		

New Topics are underway!

All of our classes are working hard.

Blue Class

Our newest recruits in Reception have been busy using their senses to explore the world around them- including jelly! They have also been reading words and learning about sounds.

Yellow Class

In Year One, the children have been learning how to walk safely. They also now know how to use their scooters without getting hurt.

Gold Class are busy learning all about the Tudors. They have made some delicious Tudor biscuits and are busy designing and making Tudor houses. The children in Gold Class are looking forward to their visit to Montacute House.

Green Class

Green Class have now joined Purple and Red Class upstairs. Their topic is The Second World War and they have been looking at what it was like living in an air raid. Green Class are looking forward to their trip to Nothe Fort.

Rotten Romans!

Red Class have been finding out just how rotten the Romans were! They have been learning about why the Romans wanted to invade Britain and why Claudius brought elephants over to help him! Red Class are looking forward to meeting a Roman Soldier in their Roman workshop.

Purple Class

As the oldest class, Year Six have been enjoying their new role as school role models. They have taken over the running of the School Council, organising the sound system for assembly, running the snack trolley and watering the plants. They have also been busy finding out about life in Anglo-Saxon Britain and the Viking invasion.

We are all looking forward to History Week...we will have plenty of history mysteries to solve

Christmas is coming.....

For the second year, Churches Together in Mere and District are providing a **Christmas Day lunch** in the Grove Building for anyone not able to celebrate with family or friends. It will be a traditional lunch with all the trimmings, in a good festive atmosphere, finishing with tea and Christmas cake.

There will be no charge, but donations will be welcome, and, so that we know how many to cater for, it is essential to apply for a ticket in advance. Numbers are limited to a maximum of 60, and the closing date is Friday, 28th November. If you would like a ticket; or know of anyone who would like to come; or if you would like to help, please telephone Christine Marsh on ☎ 01747 861212.

REV'D ELIZABETH KEMP, UNITED REFORMED CHURCH MINISTER, WRITES:

He was born in March 1896, in Essex and spent his adult life living and working in the East End. He lived through two World Wars and lost brothers and friends in both. He married, raised a family and was liked and respected within the community. Throughout his life he suffered from depression but it was never named or managed. His wife and family were, to some extent, the buffer between his depression and the world. His wife was left semi-paralysed following several strokes and friends and family helped them to remain independent in the "granny-flat" where they lived,

Throughout his life he'd worked hard as a manual labourer. His children married and moved away and when he was widowed his days could be very long and dark. My grandfather's story is by no means unique. He died almost 50 years ago and little seems to have changed.

A report: The Emerging Crisis for Older Men, released in October, warns that increasingly more men will be facing a lonely old age. The number of older men living alone is estimated to increase by 65% to 1.5 million by 2030. The International Longevity Centre UK's Chief Exec. Baroness Sally Greengrass highlights that: "many of our services don't work for men." Innovative clubs and social programmes are needed

to keep men socially connected after retirement... “as well as offering support at certain later-life events, such as widowhood.... Social isolation and loneliness pose a serious risk to health and local activities must be more tailored to suit mens’ interests and needs”.

When I was a child, churches used to run “Men’s Fellowship” meetings, today we hold coffee mornings to which all are welcome. Churches Together in Mere and District are again running a Christmas Day lunch particularly for those who will otherwise be alone; but it’s not enough.

You may not anticipate being part of the 1.5 million men living alone in 2030, there are 911,000 today. As a woman under 60 (just), I would not presume what sort of clubs or social programmes would be worth exploring, but I am convinced that we should be engaging with those who feel isolated and helping them to develop networks which are good for them.

My faith is shaped by One who offered: “life in all it’s fullness” to all people; whether you have a faith or not, that’s a good starting place. Mere is a good place to live for many people - with some sensitivity, listening and creative thinking we may be able to make it a great place for everyone to live.

STOP PRESS - Youth activities across Wiltshire begin to take shape

The new approach to youth activities is taking shape with key meetings between young people and community leaders happening across Wiltshire.

The meetings are setting up the Local Youth Networks, which will co-ordinate youth activities in local areas and encourage young people to be involved.

Meanwhile the team of Community Youth Officers (CYOs) started work this month and are planning networking events and helping forge relations between organisations and local communities to ensure the activities in each youth area match what people want to do.

The community-led model for youth activities is also being supported by a national scheme called Our Place – a package of government support and funding to give people more power over local services and budgets in their neighbourhoods.

Following a successful application to the programme, Wiltshire Council was selected as one of 100 areas in the country to take part and received £20k of funding.

In **South West Wiltshire** the area board and CYO are considering how to ensure transport is available to take people around the area. They are also working with a local charity called Seeds for Success to ensure provision into the future.

The changes to youth services means some buildings previously used are changing their use or being handed over to local groups to manage.

Cabinet Member for Children's Services Laura Mayes said: "We had the lengthy consultation with communities and young people on how youth services should be provided and now we are seeing the new approach begin to take shape. Across Wiltshire communities are coming together and working with their young people to ensure young people can have activities they want in their area."
