# MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you!

You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be held in the Andy Young Pavilion at 7.30pm on **Monday, 2nd February 2015**.

## The Chairman writes:

Before Christmas becomes a faint memory, I would like to thank all those parishioners and councillors who helped with the Christmas lights. Also thanks to our local Cancer Research Committee for organising a delightful Victorian Market during which the lights were switched on.

As you aware the lights on the clock tower have, of late, remained during the year. This year they have been removed. To keep you up to date with the tower, we have received one quotation for the work needed and are awaiting others.

Congratulations to Mr and Mrs Dick Morris of Downside Close who won the prize for the best Christmas light display, a truly whimsical, delightful sight.

Many people have commented on the goats grazing on Castle Hill. In fact, living very close, I know of visitors who have come especially to see them!

As you may recall the possibility of losing our Youth Club in Mere has become a concern. I am pleased to report that we have been working with Jaki Farrell, our established youth co-ordinator with a view to keeping our youth club with youth services to be run under the Registered Charity "Seeds4Success", and with Jaki still very much involved.

The Annual Budget meeting, held in December was, as ever, challenging and lengthy: this meeting was the Council's Annual Budget Setting meeting where members have to consider likely expenditure over the next year in order to determine the precept requirement (parish council's share of the council tax) for 2015/16.

The precept will show an increase of 2.8% or £2.58 for the year on a Band D house within the parish. Whilst members were mindful of the need to keep any increases to a minimum they faced extreme difficulties since the Parish Council's grant from Wiltshire

Council has been reduced by 27% and they are under pressure to help with financial support to provide services that are under threat or being cut by Wiltshire Council, such as the youth club services.

For information on Parish Council activities, minutes, agendas, contact numbers etc. please refer to the Mere website: [www.merewilts.org](http://www.merewilts.org), e-mail the parish clerk at [✉ lindseywood@merewilts.org](mailto:lindseywood@merewilts.org) or ☎ 01747 860701.

## **WEST KNOYLE PARISH COUNCIL**

At the Parish Council meeting held on 25th November, members and parishioners discussed a pre-application enquiry put forward by Valetcraft Property Developers regarding the possibility of building low cost homes on land between Dhuli Fou and Oderne.

It was generally felt that the building of four homes on this site could not be supported as there was insufficient demand for young people to live in West Knoyle and there would be a lack of off-road parking facilities.

The Clerk was asked to inform Valetcraft of this reaction but also to advise them that if they wanted to submit a formal application to Wiltshire Council then the Parish Council, as statutory consultees, would consider the matter formally at the appropriate time.

The Parish Council had submitted a scheme to the Community Area Transport Group for improved signage and direction arrows on the B3089 at Willoughby Hedge in the hope that this would make drivers more aware that they are entering two-way traffic.

Mr. Paul Yates was thanked for carrying out repairs to the play equipment. I would also like to thank Mr. Andre Filleau for carrying out the weekly checks on the play area and its equipment.

The Parish Council also considered the likely expenditure over the next year in order to determine the precept requirement (parish council's share of the council tax) for 2015/16. The precept requirement will show an increase of just over 18.97% or £8.08 for the year on a Band D house within the parish.

Whilst members were mindful of the need to keep any increases to a minimum they faced extreme difficulties since the Parish Council's grant from Wiltshire Council has been reduced by 27% and they are under pressure to help with financial support to provide services that are under threat or being cut by Wiltshire Council.

The next Parish Council meeting will be held on Tuesday, 10th March 2015 at 7.30 p.m. in the Village Hall.

## **GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION, WRITES**

Firstly, an important piece of information for residents of Mere. **Mere Post Office**, (but not the shop, Waltons of Mere), will close early on Wednesday, 25th February and not re-open until the afternoon of Thursday, 5th of March. This is for conversion to a Main Post Office model. Zeals and Bourton Post Offices are the alternative Post offices for that period.

I stated last month that Wiltshire Council's support grant from Central Government is projected by the Treasury to reduce to zero, by 2022-23. According to a survey conducted by the Independent on Sunday, communities will be forced to start fending for themselves as funding cuts to local government start to bite. Government cuts to council funding mean that authorities will be surviving on 14.6% less in 2014-15, according to council finance directors. In Darlington, the council is asking residents to take over the management of green spaces and keep pavements clear of rubbish. Elsewhere, in Oxfordshire, subsidised transport for the elderly and disabled will be cut back. Barnet is handing over responsibility for community events and support groups to local businesses. Buckinghamshire will only provide school transport to poorer households. Each month I try to keep you up to date with what Wiltshire Council can provide with ever diminishing funds: for instance Wiltshire has allowed some funds to help maintain a youth service, whereas some other councils have cut all funding for youth services. Wiltshire Council's forthcoming year's budget will be decided at County Hall at 10.30am on Tuesday, 24th February.

Mere Parish Council has agreed to allow a charity, Seeds4Success, (which will take in Mere and also may be Tisbury and Wilton) to take over The Youth Club Building in The Mere Peace Memorial Recreation Ground. This building was formerly leased to Wiltshire Council. Wilton Town Council has found a source of funding for a youth worker, and has taken over responsibility for the youth club building, which it has taken over from Wiltshire Council. Tisbury Parish Council has contributed towards the youth in its area as well. The South West Wiltshire Area Board is now charged with providing a youth service for young people aged 13 to 19. Local Youth Networks (Chat LYN) are being established in Mere, Tisbury and Wilton. A LYN embracing all three (and being effectively a LYN management committee) will guide how the money allocated for the purpose by the WC South West Wiltshire Area Board will be spent on youth.

Last month The Deputy Leader of Wiltshire Council asked if local parish councils will fund the SIDs (Seed Indicator Device) programme. At a recent CATYG meeting interest was shown for their retention in this area, but the SIDS programme will not now be Wiltshire-wide as not enough Town and Parish Councils came forward to provide coverage for all of Wiltshire.

A Pedestrian Salt Spreader has been awarded to Mere for use by Mere Parish Council by the South West Wiltshire Area board. A local charity agreed a Salt bin for Westfields, Zeals recently, and now another local charity has given one for Barnes Place Mere. These bins are for use by very local residents, and near by residents hold the keys. The Mere area from West Knoyle to Kilmington now has salt, powered vehicle spreaders, trained drivers, snow shovels and so on, so we have one of the best prepared areas in Wiltshire for inclement weather.

The Lecture Hall Trust in Mere informed some or all of its tenants in residential and commercial property that it may need to sell some of its property. Some of the local tenants have approached me to speak to the trustees. The Lecture Hall Trust has agreed to this request.

I am pleased to say after my request for a Digital Champion to volunteer last month, to train those with little experience of a computer, some success has been achieved.

The assessment of Gypsy and Traveller accommodation needs is a statutory requirement under Section 225 of the Housing Act 2004. A Gypsy and Traveller Accommodation Assessment (GTAA) has now been completed by independent consultants, Opinion Research Services, in line with the latest adopted government guidance. The GTAA can be found on the Wiltshire Council website at the following address:- <http://www.wiltshire.gov.uk/planninganddevelopment/planningpolicy/gypsyandtravellersdspd.htm>. Local authorities are also required by national planning policy to produce development plan policies that set requirements for new traveller pitches and travelling showpeople plots, and allocate sites to help deliver this requirement. While the Wiltshire Core Strategy already identifies requirements for the period to 2021 in Core Policy 47, in order to satisfy the Core Strategy Inspector, a commitment was made in the Core Strategy to carry out a full GTAA to review and roll forward the requirements in Core Policy 47 to ensure adequate provision across the plan period to 2026. It concludes that overall there is a requirement for 90 traveller pitches between 2014 and 2029, and seven additional plots for travelling showpeople.

A document that sets out the policies required for planning permission consisting of 546 pages, named the Wiltshire Core Strategy, will almost certainly be adopted at a meeting on Tuesday 20th January.

I am familiar with the role of work of a project board, having worked with the Wiltshire Online Project and others, and I am pleased to have been accepted to work on another project board, Paperless working. I shall have a lead input to reporting back at key milestones in the project to the select committee and/or task group as necessary (with appropriate officer support). The knowledge gained also should help locally.

The Campus for many services is underway at Tisbury. It was proposed at the Tisbury Campus team meeting that members of the Community Operations Board visit local

Parish Councils to provide an update on the campus programme and explain how the wider community area can get involved/benefit, after contractors started work on site on 5th January 2015. Local Parishes can receive such a presentation.

Superfast Broadband has reached Wilton in my South West Wilts Board's area, and the local councillor said they had 80Mb/s download and 20 Mbs/s upload which is a very fast internet speed. Hopefully within the next year ours will be as fast in the Mere Area.

Kilmington have had measures approved at CATG, which hopefully will slow the traffic a little along Kilmington Common. I have put in a similar request for Stourton Lane after a resident pointed out they were also an extension of the same road.

Can I remind you again. The **Mere Post Office**, (but not the shop, Waltons of Mere), will close early on Wednesday, 25th February and not re-open until the afternoon of Thursday, 5th of March. This is for conversion to a Main Post Office model. Zeals and Bourton Post Offices are the alternative Post offices for that period.

### **DON'T MOVE ON!! thinking this is nothing of interest to you!!**

Please take a moment to do just that.....think! – are you having difficulty with hearing as you once did? – or do you know someone who is?

People might be having to be asked to repeat what they've said.....or there's a lot more 'volume' to someone's voice.....or feeling frustrated, irritable, frightened, annoyed on a regular basis ..... or times and dates are being missed because of being 'mis-heard'.....or it's easier just not to go out or be with others.....or be involved in things previously involved in and enjoyed.....??

Coming along to the LIP READING AND MANAGING HEARING LOSS Group can help! You'll meet others who have been in the same position and have found that knowing how to lip read and some things to do to manage hearing loss can really, really help.

Pop in to meet us on Tuesday morning at 10.15am – 12.15pm – February dates are 3rd and 10th at the Grove Building, Mere – you'll be made very welcome.

There's also a leaflet that can be sent to you by e-mailing Sheila Thomson: [SheilaT@Bishopstrow.org.uk](mailto:SheilaT@Bishopstrow.org.uk) or call/text 07760-731406. (If you can't make Tuesday mornings, enquire about a session at Gillingham, from 2.00-4.00pm.

## **ARE YOU A CARER?**

### **Come to our Carers Cafe**

Do you help or support a partner, child, relative, friend, or neighbour who could not manage without your help? Caring is not easy and you may have unanswered questions regarding care. Why not come along and meet other carers and discuss your problems over a cup of coffee. Our new Carers Support

Café will meet every second Monday of the month at the Angel Tea Rooms in the main square, Mere.

Due to redecoration of Angel Tea Rooms there is a change to our normal meeting date, and in February our next meeting will be on **Monday, 2nd February from 10.30am - 12noon.**

## MERE & DISTRICT RAILWAY MODELLERS

For the first part of the winter our members, have met weekly and enjoyed talks on basic electrics, laying of grass in the modern era, model boats, radio control and servo use in railway modelling. Alan and Peter have provided the finishing touches to the front of the building that has been appreciated by some of the local community. Club talks and meets happen every **Wednesday from 7.00pm** and anybody interested is most welcome. Local events that might interest people are :-

Gartell Model Railway Exhibition	8th & 9th February
Warminster Model Railway Exhibition	14th February
Narrow Gauge South West at Shepton Mallet on	21st February

The club has signalled its willingness to meet the Wiltshire Pathway of helping teenagers get what they need in Wiltshire. To this end at a recent Local Youth Network (LYN) meeting in Mere, some half a dozen young men stated that they may be interested in practical engineering and were thinking about a career in this direction. As the club has a number of highly qualified teachers/lecturers, it is only right that they become 'Disclosure and Barring Service' (DBS) cleared so that youngsters may attend the club without an adult accompanying them.

The club's main modelling effort this year will be to construct an 'O' Gauge model that we intend to call Shaftesbury. This layout will be on show at our **Annual Exhibition at the Lecture Halls on 20th & 21st June 2015.**

## CANCER RESEARCH

I am absolutely delighted to announce on behalf of Mere Cancer Research that we have raised the amazing grand total of £13,782 in 2014. Thank you so very much to everyone who came to any or all of our fundraising events, donated or bequeathed money, goodies and time to help us raise this amazing amount. Here's to beating that total in 2015!

Our first (and defiantly not last) Christmas Market raised £1,116.18, and Christmas Bingo, held at The George raised £186. Thank you to Pat and Jan for organising this. A fundraiser by Pete Manning and his wife, of Mere Shotokan Karate club, raised £35.80 with donations for tea, coffee and cakes. Thank you both.

As a committee we are always looking for more helpers, donations of good quality bric-a-brac, tombola and raffle prizes, man shed contents, garden items and baked goodies to sell, and also any new fund raising ideas. If you can help with any of these please contact us in one of the following ways: ✉ [merecancerresearch@mail.com](mailto:merecancerresearch@mail.com) or ring either Harvard Dallibar ☎ 07788138003 or Sarah at Sprout & Flower. ## MERE FILM SHOWS

Our film on Friday, 6th February is **'The 100-Foot Journey'** (PG) starring Helen Mirren and Om Puri, and tells the story of the Kadam family who, drifting through Europe after fleeing political violence in India that killed the family restaurant business and their mother, finally arrive in France.

Once there, a chance car accident together with the kindness of a young woman, Marguerite, inspires Papa Kadam to set up an Indian restaurant in the village. Unfortunately this puts the Kadams in direct competition with the snobbish Madame Mallory's acclaimed Michelin-starred restaurant across the street where Marguerite also works as a sous-chef, and commercial rivalry is heightened by cultural differences.

This film is the chance for you to spend a chilly February evening in the South of France, with glorious scenery and tantalizing food! Full details on page 24

## MERE IS MISSING AN ANGEL

Does anyone recall the beautiful winged Angel blowing a long trumpet that once hung outside what was the Angel Inn, on Angel corner and now the Angel Tearooms?

I spotted a picture on a fascinating website of old post cards of Mere ([www.Francisfrith.com](http://www.Francisfrith.com) Mere, The Square c.1965 and also at [www.meremuseum.org/galleries/coll\\_photo\\_inns.html](http://www.meremuseum.org/galleries/coll_photo_inns.html)).

The Angel was there until 1969, when the Angel Inn ceased to trade. Where is it now?

I'm sure that anyone who sees the Angel will be utterly captivated and convinced it should be restored, to make a beautiful addition to our cherished town. Local businesses will surely see, and reap, the benefit of such an attractive landmark.

If you (or your business) would like to get behind my campaign to restore our 'lost' Angel, or if you are an artist or craftsman able to reproduce the Angel, please get in touch with me by telephone at the number below, or at 12 Oak Lane, BA12 6FJ

## WOMENS INSTITUTE (WI)

December already seems a long way away, but we held a very successful pre-Christmas meeting with entertainment from Mere Melodies, our local hand bell ringers, a quiz, food and of course presents from our secret Santa. Just the kind of meeting to get us into the Christmas spirit!

We did not have a meeting in January, but we had our New Year lunch at the Dolphin in Gillingham on the 15th January. A party of 22 of us gathered to celebrate the New Year.

Our next meeting, on Thursday, 5th February at 7.30pm in the Grove Building, is going to be a presentation by Stephen Slater, entitled "Is it a Crest or a Coat of Arms?" We have all seen crests/coats of arms, but which is which and how are the individual components chosen.

Come along and discover the secrets, making it possible to produce your own coat of arms. If you already have a family coat of arms come and see what it means and possibly how far back in time it dates. We look forward to seeing you for a very informative evening.

## **MOTHERS' UNION AND OPEN MEMBERS' GROUP**

Thirty-two of us started the year with a very lively and enjoyable meal out together at The Walnut Tree. In February we have two events. On **Thursday, 5th February at 2.30pm at Shreen Vale** (Thelma Ings' house) we meet for our annual "Wave of Prayer", which, like a Mexican Wave, continues all the way around the world – we're just a tiny part of it. There is also a special "Wave of Prayer" service at St Thomas Church in Salisbury on Saturday, 7th February at 12.30pm (Refreshments from 10.00am).

At our meeting on **Tuesday, 10th February at 2.30pm in the Grove Building**, which takes place in Marriage Week, Ben Howden will be sharing his thoughts and helping us explore the meaning of '*For Richer, for Poorer*'. Everyone is welcome to all of these events. *Judith Thompson, MU Branch Leader, ☎ 01747 860553*

## **ROSEMARY GODDARD CENTRE (RGC) for the over 60s**

The Day Centre for Mere and district, Lynch Close  
Mondays and Fridays 10.30am – 3.00pm

Well done to all those that took part in our Annual quiz, Peter Knapp was the winner drawn by our RGC Guest representative Jean Coward, with four others: Karen Guy, Di Potter, Ann Dethick and Joan Bell all getting the correct answers! So a big well done to you all and thank you to everyone who took part, we managed to raise £195! Also thanks to Gerry Cook for producing yet another mind boggling, brain churning, very clever quiz. I do believe his quizzes are famous even on the continent now!

Our Christmas festivities went without a hitch and were enjoyed by our guests, trustees and volunteers, especially the bit where a certain Miss Pebbles, ended up with a bucket of water over her head! Our guests took the time to write a couple of paragraphs in the form of personal testimonials, which were a pleasure to listen to, and a wonderful insight into how our local day centre can benefit our community.

On behalf of myself and the trustees, I would like to thank each of our guests for doing this important and helpful appreciation.

We have started the New Year with the same viruses, snorts and coughs we usually get, but we had a fantastic trip to see 'Mother Goose' at Salisbury Playhouse on the 2nd of January.

As always the RGC did not let the side down when it came to the audience participation! I was lucky enough to be sat central to our row, and as I looked up and down the line of smiling faces, I felt honoured to be a part of this wonderful group who enjoy living life to the best they possibly can. It was a wonderful, talent-filled show, with many guests proclaiming it was even better than last years production!

We are really looking forward to all the activities the New Year is bringing and although we are very nearly full to capacity now, we still have a place for a new guest on a Friday and a new session volunteer on the fourth Monday of each month. Please get in touch and leave a message on the number below. Website: [www.MereDayCentre.org.uk](http://www.MereDayCentre.org.uk)

## **MERE MUSEUM**

A new year and a new exhibition! **'A Century of Posters, 1835-1935'** opened on 6th January and is attracting a great deal of interest. The posters - most of them printed in Mere on local printing presses - give a glimpse of the kind of activities Mere residents of the 19th and early 20th centuries did in their spare time. Two scrapbooks containing many more such posters and notices, on loan to the Museum from the Rutter Family, formerly of Dewes House, Mere, are also on display. The pages will be turned every few weeks to give everyone the chance to see more of their contents. Don't forget to keep checking! *Jenny Wilding ☎ 01747 860908*

# MERE GARDENING CLUB

## ‘Besoms and Gypsy Flowers’ by Carl Sadler

**Wednesday, 11th February - 7.30pm Grove Buildings**

Carl will sit and make a flower and small broom whilst talking about them, and also relate a few anecdotes about people he has met, and maybe about films he has worked on. **£2 entry for visitors who are very welcome.**

### **Jubilee Gardens**

If you have walked up through the Jubilee gardens recently, you may have spotted two new beds behind the benches. A few years ago, Mere Garden Club was left a legacy by Richard Smith, part of which was used to help buy tools for the School's garden Club.

In consultation with the family and Mere Parish Council, some enhanced planting in the Jubilee Gardens was approved. Some shrubs and bulbs are already in place and the rest of the scheme will be completed in the Spring. Plants with year-round colour, interest and attractive to wild-life have been chosen, and we hope the new beds will bring increased pleasure to those who use the gardens.

## BOWLS CLUB

On Saturday, 14th February, yes - that is Valentines Night, the Bowls Club will be holding its annual Barn Dance. This year it is in aid of the Mere & District Link Scheme. We will have the usual mix of music being supplied by the wonderful Black Bear Band, a licensed bar, raffle and a Fish & Chip supper. So why not spoil your valentine and bring them along to the Grove Building in time for a 7.00pm start? Entrance is by ticket only and tickets will be available in plenty of time from members of the club or from the Library – but beware they do sell out fast! – keep an eye out for posters strategically placed around the town.

As an additional item for your diaries, the club will be holding an Open Day on Sunday, 3rd May for all those members of the Mere and district community who have never tried bowls but thought that they might like to give it a try.

We will have qualified coaches on hand to get you started as quickly as possible. Bowls gives the following advantages to an enjoyable and healthy lifestyle – it is an outdoor sport with a quiet and sedate sports action, so lots of low impact exercise and fresh air mixed with wonderful social gatherings throughout both the open and closed seasons. It is also an inexpensive sport once the initial equipment is obtained, and that can be bought second-hand.

The Club opens for the 2015 season on Saturday, 18th April at 2.30pm for members to pay their dues and sign up for competitions, which will be followed by a Spider and a

roll-up as usual. New members and interested parties may also turn up at the green just inside the school grounds on Springfield Road, if they wish to give the sport a try.

Can't wait until next year to get started? Then please contact either Alan Inwood ☎ 01985 844215, Alan Spencer ☎ 01747 860803 or Don Butchers by ✉ don.butchers@btinternet.com. *Don Butchers, Club Secretary*

## A GOOD OFSTED INSPECTION FOR HINDON CEVA PRIMARY SCHOOL

Pupils, Staff and Governors are celebrating yet another **Good** Ofsted report that reflects the continuing high standards of teaching and learning at Hindon Primary School, for which its catchment area includes West Knoyle.

Hindon Primary School is a small rural village school and over the last few years it has maintained its position as one of the highest attaining primary schools in Wiltshire!

An on-site private Nursery, run by South Hills Schools, has also been graded as **Good** by Ofsted and provides; before and after school care in 'The Den' for children of all ages from 8.00 am - 6.00pm as well as Nursery provision. Links between the nursery and school are strong, which makes transition into full time schooling a seamless move for the youngest pupils.

The Early Years, Little Owls class is judged to be **Good** because: 'The children are rapidly learning classroom routines and cooperate well with each other under the caring approach of the teacher in a well-planned classroom with exciting activities. Effective Early Years provision enables pupils to make good progress.'

The Ofsted inspection reported that 'achievement throughout the school is **Good** because there is an increasing proportion of pupils reaching the highest available levels in national tests' and 'the school sustains high attainment in reading and maths and above average in writing!'

The children bring in old clothes and wellingtons so that they can build dens and play football in all weathers. A commitment to Forest School and outside learning is a strength of the school!

Hindon Primary School is a small school, and a recent Government review found that in the end-of-key-stage National Curriculum tests, small schools achieve on average higher scores and children from small schools continued to achieve above average Secondary School exam results. For further information please visit the school website: [www.hindonce.wilts.sch.uk](http://www.hindonce.wilts.sch.uk).

## Christmas Events

It was a busy time at the end of the term with our two Christmas plays. FS2 and KS1 put on the fantastic 'Bethlehem's Buzzin'. The children's singing, acting and costumes were amazing and a great time was had by all!

KS2's play 'Mr Humbug sees the Light' was a great take on the famous 'Christmas Carol'. The children all worked hard to put on a brilliant show.

Some of us will never forget the mean Mr Humbug and the ghosts that visited him!

## Pantomime:

The children all enjoyed watching 'Mother Goose' at the Salisbury playhouse. An ice cream during the interval was also a great hit!

## Christmas Lunch:

The hall was a hive of activity during our Christmas lunch. The picnic was enjoyed by all the children and was topped off by a surprise visit from Father Christmas!

## Christingle:

All the children made a Christingle and took part in a lovely assembly where they learnt the meaning of the Christingle.

## The Term Ahead!

Now that the children are back in school the term ahead looks like it will be packed full of great learning based on the following themes

**FS2** – People who help us (Visits to the dentist and doctors)

**Year 1** – Transport and Journeys (Visit to Sparkford Museum)

**Year 2** – Superheroes

**Year 3** – How does your Garden Grow

**Year 4** – Ancient Egypt

**CHURCHES  
TOGETHER**

## **IN MERE AND DISTRICT**

For the second year, Churches Together in Mere and District hosted a Christmas Day lunch for anyone on their own or unable to celebrate at home. Thanks to the generosity in time, hard work, donations and gifts from many people, we were able to provide an excellent lunch for 50 guests: turkey with all the trimmings, suitable drinks, Christmas pudding and other sweets, finishing with carols and then tea and Christmas cake, and a present for everyone – all in a happy and festive atmosphere. A very big thank-you to everyone who helped in any way.

And now Lent is nearly upon us! There will be two Churches Together Lent Study Groups, open to everyone, using the Course 'Finding a Voice' by Hilary Brand, based on the film *The King's Speech*. The film will be shown in the Grove Building, Mere at 7.30pm on Tuesday, 10th February, admission free! leading in to the study groups, one of which will be held in the Grove Building on Tuesday evenings at 7.15pm on 24th February, and 3rd, 10th, 17th and 24th March, and the other on Monday mornings at 10.00am beginning on 23rd February. (For details of venue, please call telephone numbers below).

Lent Lunches will also be held as usual, in the Grove Building, not on the first two Fridays of Lent, but on 6th, 13th, 20th and 27th March and on Good Friday, 3rd April. They are open to everyone – please come! Where else can you find a nutritious and tasty soup-roll-and-cheese lunch, followed by tea or coffee, in a very friendly atmosphere, for only £3, and know that you are supporting good causes (Christian Aid and CAFOD) at the same time?

## **Conservation Project**

During the past two years, The Friends have been fundraising for a very special project: the conservation of the painted **Coat of Arms of King James II**, which hangs in the North aisle over the north porch door. Most people haven't noticed it! But it has been there - or somewhere in the church - since **1684**.

During the course of 330 years it has become fragile and very dirty and is in dire need of some specialist care and attention. At some point during February 2015, the Coat of Arms will be removed and taken to Bristol where Elizabeth Holford, an experienced paintings conservator, will clean, reline and preserve our coat of arms before it is returned to us and once more hung in its accustomed place.

Space and the Editor permitting, we hope each month in Mere Matters to provide a little bit of the history of the painting, until it comes home. Watch this space!

*Jenny Wilding, Conservation Project Manager* ☎ 01747 860908

## **REV'D CAROL WILSON-BARKER, PRIEST IN CHARGE AT ST MICHAELS, WRITES:**

### **Renewing Hope: Pray; Serve; Grow**

Christmas was a wonderful time for the church in Mere. There was a day of workshops in Mere School making Christingles, and a service in the school hall for parents to come to, candlelight carol services, crib service with children filling every place in the nativity and the Christmas day community lunch. We love to see the happy faces of people enjoying themselves and to share the church we love with other people.

Our bishop Nicholas is currently going round the whole of his large Diocese talking and listening to people. He is keen to encourage us and his tour is called “Renewing Hope: pray, serve, grow.” Prayer is always the starting point of Christian communities talking and listening to God to seek his guidance. We must also be practical servants – Jesus said “Love your neighbour as yourself”. It would be good to grow in numbers too: we

think that worshipping God and feeling loved by Him is the best thing in the world, so why shouldn't we want to share that with our neighbours?

To know how best to serve, we need to listen to people's thoughts, concerns and dreams as they will be the basis of the direction St Michael's church takes in the years to come. On Sunday, 8th February we are having a "Parish Day" led by Archdeacon Ruth Worsley who will take worship at 8.00am and 10.30am working with us to shape the future. There will be a bring-and-share lunch and opportunity for discussion in small groups going on until 3.00pm. Everyone is welcome.

With love in Christ

## **Taize Service at St Michael the Archangel Church**

All are welcome on Sunday, 15th February at 5.00pm to the service of reading, singing, prayer and music. A great way to have a spiritual detox and pray!

# CRANBORNE CHASE

The Cranborne Chase Area of Outstanding Natural Beauty (AONB) Partnership is seeking to establish a Countryside Centre. The Centre will provide vocational training courses, special interest courses, environmental education, volunteering opportunities and a range of visitor opportunities to explore the surrounding countryside. It will ensure that young people have opportunities to gain countryside and heritage skills locally. We are currently seeking to adapt, convert, or rebuild a redundant rural building/s within the AONB to create the Centre. A new charity is being established to run the Centre.

## **Trustees needed for an exciting new environmental charity**

This is an interesting opportunity to help set up and run a new charity focused on the Cranborne Chase Area of Outstanding Natural Beauty (AONB). The charity will help:

- Conserve and enhance the landscape of the AONB
- Ensure that traditional rural trades and crafts such as woodland coppicing, charcoal making and hedge laying are kept alive
- Offer young people opportunities to gain practical countryside skills and enhance their job opportunities
- Encourage and enable people of all abilities to get out and explore the countryside, towns and villages of the area
- Provide opportunities for all ages to learn about the wonderful landscape, wildlife, history, archaeology and culture of the area
- Foster the creative interpretation of the area using the amazing creative talent that exists
- Promote the area as a green tourism destination for those who might want to come to walk, ride or cycle or learn about the area
- Offer a wide range of volunteering opportunities

**Skills that we are looking for:** We would be really interested in hearing from you if you have skills or experience in any of the following areas: fundraising/bid writing, project management, marketing/promotion, HR, finance/book keeping or business acumen.

**Time commitment:** It is envisaged that once the charity has been set up it will meet approximately 6 times a year though some of these may be 'virtual' meetings by Skype or telephone.

**Expenses:** Reasonable expenses for travel to meetings may be able to be claimed
