## EDITORIAL NOTE

### ***Front Cover Drawing***

*As a departure from the usual town scene at Christmas used in recent years, a competition was held by the Art Club at Mere School to find a new drawing for this edition's front cover. There were a good number of entries and the winning drawing was the entry from nine year old Lily Jones. Her success was acknowledged by the presentation of a Certificate at a School Assembly in late November.*

## MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be held in the Andy Young Pavilion **at 7.30pm on Monday, 4th December 2017.**

### **The Chairman writes:**

I am writing this a long time before Christmas and New Year, but I will start by wishing everyone in Mere and nearby a happy holiday season. I know that a good few public events are planned (just look in the rest of Mere Matters) and I hope that you, one and all, can participate in at least some of them.

The town council had an additional October meeting to consider what we would wish to do with the Car Parks and Public Toilets. There was a good representation of people at the meeting and considerable discussion. We resolved to negotiate with Wiltshire Council to have these assets transferred to us or, failing that, to lease them again. We also resolved to make appropriate improvements to the toilets and to not charge for their use nor for car parking. We hope to find a way to prevent car parks being used for

long term parking so that spaces are available for everyone to use. We also plan to look for more sponsorship for these facilities from local business. Before the meeting, I went door knocking to find out what residents thought and the opinions were many and varied. If you have opinions or suggestions then do let me, or other councillors, know what they are.

When discussing the car parks and toilets the word 'free' came up quite often. Several of us pointed out that these facilities are not free and have to be paid for out of the precept or by sponsorship. In November a committee of councillors will be meeting to look at the budget for next year. This is a difficult meeting where we try to balance the cost of what we feel Mere wants and needs, against the cost of providing those things. We also have to build into the budget contingency funding in case emergencies arise. By the New Year, the full council will have considered the recommendations made at the annual budget meeting and will have agreed the precept to be made on Wiltshire Council for the 2018/19 financial year. All the Minutes will be available for public inspection on the Mere website.

Yesterday I had the privilege to place Mere Town Council Wreath at the War Memorial, and at our last meeting we resolved to mark next year's WWI centenary by planting an Oak Tree. We will also be joining in a larger Wiltshire Scheme of planting, putting trees in several other public spaces.

Another centenary comes to mind – our clock tower will be 150 years old next year and plans are being made to celebrate it. Our recent expenditure on the clock itself meant that it rang out 11 beats precisely at 11.00am at the Remembrance Ceremony.

For information on Parish Council activities, minutes, agendas, contact numbers etc. please refer to the Mere website  [www.merewilts.org](http://www.merewilts.org), e-mail the parish clerk at  [lindseywood@merewilts.org](mailto:lindseywood@merewilts.org) or : 01747 860701

## **GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION WRITES:**

Councils are increasingly short of funds. Wiltshire Council has fortunately not found itself as Northamptonshire County Council, whose workers have been told they must take a day's unpaid leave as part of the council's plans to save £2m a month before the end of the financial year.

A planning application in Kilmington for 5 shepherd's huts for tourist use has been very controversial, probably more so than many other larger applications in my division. The problem of alternative uses for agricultural land can often be challenging, especially when many villages are losing their local services, housing development boundaries etc., becoming little more than dormitories. Whatever the outcome I have found it is true you can never get a hundred percent agreement.

The loss of services is not just confined to rural areas, new figures have revealed that almost 1,000 shops have disappeared in five years from 12 towns nationally that were awarded Government funding through the "Portas Pilot" scheme to get consumers spending in their local area. The towns were given access to the expertise of retail guru Mary Portas, but she was critical of the scheme, saying it was a "weighted PR campaign" that hadn't kick-started growth.

Broadband is often not good in the rural environment, which is also true of mobile signals. With the finance Wiltshire has injected and grants received, which has helped many with little or no broadband in the non-commercial areas or 'intervention areas' as Wiltshire Council call them, plus the roll out of commercial areas, within a reasonable time, 96% of Wiltshire will have access to workable broadband. It is also notable Wiltshire Council have come in under budget so far for this project, which in my opinion is unusual for public projects.

I would like to say thank you to an ex-resident of Mere who was visiting, found a wallet by Castle Hill, visited the owner's present and previous address plus the Local Police Station, but finding no one at home came to me. I took the wallet in and returned it to its owner. There are some very thoughtful and honest people living in this area.

For the benefit of Kilmington, Stourton with Gasper and Zeals, Wessex Water is visiting the Mere area giving free visits to repair leaky taps etc. Therefore subject to positive ID you may choose to let them in.

I attended The Wiltshire Assembly, which is a forum that discusses current issues of many public bodies; on this occasion mostly discussed was regarding the Army rebasing. Those coming back from Germany are being rebased in Wiltshire; one quarter of the British army will then be based in Wiltshire. The process has started and soon 4,000 troops and 3,200 family members will be rebased around Salisbury Plain. Apparently The Army have permission for more dwellings than they intend building, which was considered unfortunate by some, as we all know there is a housing shortage. An expansion to Porton Down has brought investment to Wiltshire, which will start opening after Christmas.

A Local Plan consultation is now taking place, the number of future dwellings etc. to be considered. One option being considered regarding Wiltshire Council's development planning department is, three areas, these being Swindon, Chippenham and Salisbury. This would require a partnership between Wiltshire Council and Swindon.

Wiltshire needs affordable homes. Suitable sites with good infrastructure is what the plan will try and achieve. Some councillors present at the briefing suggested perhaps four new small settlements within Wiltshire, with the roads, schools etc. all developed together, rather than tagging more and more houses on to existing settlements that often have not the services or roads to cope. In my opinion existing settlements need

some room left for limited growth for local people and/or local workers. Remember to have your input. Research by the Campaign to Protect Rural England (CPRE) shows that builders are missing targets for affordable homes in the countryside by 18 houses a day, meaning a shortfall of 33,000 such properties can be expected over the next five years. Analysis of 60 local plans found that the average rural authority needed 68% of new homes to be affordable. Over the past three years, only 26% of new homes in the countryside were classed as affordable.

Many of us visit Bath. It may be of interest to you, the last remaining Georgian sedan chair garages in the UK, built in 1734, have been sold for £159,000 at auction after being listed with a guide price of £25,000 each. The Grade II listed buildings were sold for commercial use by Bath and North East Somerset Council.

Dog fouling continues despite the knowledge it can cause children to lose their sight. To the public: Please do not let your dog poo on farmer's fields especially when the grass is being cut. This is winter food for the cows, also please not when animals are grazing. Dog excrement can cause Neosporosis/abortion of calves which could lead to a cull. Farmers work hard all year round to look after the cows and a 5 minute run for an uncontrolled dog can cost the lives of animals and money.

All please note that an initiative to provide and plant trees to commemorate the end of The First World War is underway. Parish and Town Councils have to submit an application by 30/11/2017. Mere Town Council has now decided, however my division has several other villages considering proposals.

If SIDs (Speed Indicator Devices) are continually triggered, of which there are a few that move around in this area, indicating excessive speed, locals will report their findings, as has happened at Shaftesbury Road, Mere, and the police will put in "speed traps".

A reminder again that I have a facebook page 'Cllr George Jeans', for use to display some events I attend and may be other material. It is not a platform for conversation at present; I do not view it regularly, whereas : [george.jeans@wiltshire.gov.uk](mailto:george.jeans@wiltshire.gov.uk) or : 07710 441599 I can usually answer quickly.

I will leave you to draw your own conclusions on the following: "Medway Council has said it will assess the appeal of a grandfather who received a parking ticket after wrestling a gun from a robber attempting to hold up a store."

Being the time of year, I wish you all a Happy Christmas and New Year.

## MERE AND DISTRICT LINKSCHEME (MDLS)

Registered Charity no. 1062328

☎: 01747 860096

### Drivers - Can you spare some time?

The Link Scheme relies upon drivers who volunteer to take Mere and District residents to their medical related appointments. Can **YOU** spare a few hours a month to help?

Most journeys are quite local or to Salisbury or Bath Hospitals. You choose when you want to drive. There is no regular time commitment and usually you would have two or three days' notice of journeys. Sometimes you may be able to help on more than one occasion: at other times you may have other commitments. It's when you CAN help that makes the difference.

Why do we need more drivers? First of all we have had a number of retirements, but more significantly, the demand has grown. We covered some 40% more miles this year than three years ago. We are a Charity and your time, of course, is freely given, but

there is a mileage allowance to cover running expenses. Age is not a barrier if you feel you are happy to drive others safely.

We do ask all drivers to take a DBS (Disclosure and Barring Service) check.

Without this service, elderly and less mobile people, or those living a distance away from the surgeries, would find it almost impossible to have their medical needs satisfied.

## MERE AND DISTRICT RAILWAY MODELLERS

As winter evenings draw in, the urgency to provide exhibition layouts accelerates so as to fulfil the requirement for the greater number of exhibition venues. A recent new exhibition with good car parking held at Wincanton drew in over 800 visitors over the weekend which is very good for a new show.

The next exhibition that the club is committed to, is the WAMRC Exhibition at Frome in the first weekend of the New Year. To this end our little club is making a huge effort supplying two of its three exhibition layouts.

So up to Christmas the final touches are being applied to our existing OO layout 'Three Bridges by the Sea' and the new 'N' gauge layout 'Mere 2025'. This will be shown for the first time at Frome.

The members will start a new layout in 2018, which is to be in 4mm OO9 scale, and be mainly a narrow gauge layout based in the South Wales Coalfield. The base board is nearly completed and is different from most as it folds back on itself!!

Our Christmas Lunch this year is to be held at hillbrush at noon on Wednesday, 6th December.

Unfortunately we have lost one the original members this year through ill health, so we are always glad to receive new faces. Our club is situated in Castle Street Car Park and opens from 7.00-9.00pm on a Wednesday evening. Should this be inconvenient for

anybody who wishes to have a look around before visiting, then please contact the author to arrange a suitable time.

## MERE FILM SHOWS

As has become our custom, we have no film in December and our next screening is Thursday, 11th January. At the time of writing we have only just received the new film list for the Spring programme and so cannot confirm the title for January, but with a

good number of excellent films on offer, including 'Dunkirk', 'Victoria and Abdul', 'Goodbye Christopher Robin' and 'Murder on the Orient Express', to name but a few, you can be sure that all those coming up are well worth seeing! Posters will be in town and in the Library, and tickets will be available there, around mid-December.

Moviola have recently been trialling a new venture – under the title 'Cinegi' – which is to show films of live performances of West End theatre, opera, ballet and music. This does, however, have particular technological requirements which we are investigating with Moviola, to screen perhaps once or twice a year, in addition to our regular film screenings – and always providing you, the audience, think it a good idea!

I am now stepping down from organising the Film Shows, but happily my place has been taken by Rosie Jordan-Barr who now takes up the reins and is the person to contact for any queries you might have. David, Jean and Bridget remain as part of the small committee, so Mere Film Shows will continue – with your continuing support, and I'll be there to watch the films!

Have an excellent Christmas and a very Happy New Year.

## **MERE AMATEUR DRAMATIC SOCIETY (MADS)**

Well - what a result! The stumps are drawn, the match, and the play - and the 70th Anniversary come to that - all went with a terrific swing and we're rather sad that it's all over. We hope you enjoyed it as much as we did. But we never close, and we're already planning for the new year and thinking along the lines of another variety show. Variety is, after all, the spice of life.

If you have a 'star turn', or know a person who has, please let us know. Why not practise it for your friends and family over the Christmas holiday? We look forward to seeing you in the New Year. Seasons Greetings meanwhile to all our supporters.

## DRESSMAKING IN MERE

Our dressmakers are thinking about Christmas and sewing machines are producing special dresses including a beautiful Ball Gown. We are also delighted, thinking of children at this time of the year, that we have two new Mums making little dresses for their tiny daughters, Granny's making coats, there is even a special warm, cosy red coat being made for a very special visitor to Mere School. I had a lovely time taking my

Spinning Wheel to the Craft Club there, so the festivities will be celebrated in style when our course concludes in December with our Celebration Meal. Even more special as we have just celebrated our third birthday, we have kept going longer than the Sewing Bee!

Susanne is busy making her shop look very festive following up from Creative Mere.

Our next courses start Tuesday's (9th) and Wednesday's (10th) in January and our Facebook Page is looking very festive with a special video of Costumes being made for the Royal Shakespeare Company. Happy Christmas to everyone.

**Mere and District Day Centre, Lynch Close, Mere  
Mondays and Fridays 10.30am to 3.00pm**

### **From the Trustees**

Research by Age UK shows that more than two million over 75s live alone, and report that isolation and loneliness is their biggest problem. More than a million said that they can go for over a month without speaking to friend, neighbour or family member. The lack of mental stimulation has been shown to exacerbate feelings of depression, and can hasten the progress of dementia, as well as making physical ailments less bearable. All this places extra burdens on already hard pressed social services and the

NHS. Research shows that the lonely are more likely to visit a GP, have a higher use of medication, higher incidence of falls and increased risk of needing long-term care.

Currently 15 guests are registered at the Day Centre, 11 are over 75 and of those 4 are over 90. With the onset of winter and shorter days many of us may be less inclined to venture out without a specific incentive, but at the centre we provide just such an incentive. Here guests feel they are valued and can make a positive contribution to the community; new friendships are forged, and opinions are valued and respected. We know from feedback from guests and their families that this has a highly positive effect on general well-being.

As we approach the Christmas period, a time of increased susceptibility to loneliness and its attendant issues, we will be providing entertainment, carols and a Christmas lunch. During the weeks leading up to Christmas our guests take part in a concert

## **MERE MUSEUM**

There is still time to visit our very popular current exhibition '**Made in Mere**'. We have had appreciative comments from as far away as Vancouver!

However, we are now well into the planning of the new exhibition which will open in mid January. We are gathering all kinds of material - texts, photographs and objects - which will illuminate the history and lives of our neighbouring parishes (West Knoyle, Zeals, Stourton with Gasper, Kilmington, and Maiden Bradley with Yarnfield). We would love to hear from anyone who can contribute to this collection. Just get in touch by phone, or 📧: [davidlongbourne@btinternet.com](mailto:davidlongbourne@btinternet.com) or 📧: [jennyflaxmill@gmail.com](mailto:jennyflaxmill@gmail.com). Or pop into

The Friends held a very successful wine tasting event in November which again raised much-needed funds for the Museum. Thank you to everyone who was able to come. Things will go a bit quiet for a while, until the new year. Watch this space for future news, but meanwhile we wish everyone a very happy Christmas.

## MERE BOWLS CLUB

Our annual dinner and prize giving date has been set as Tuesday, 30th January 2018. It is to be held at The George, Longbridge Deverill, and members are requested to be there at 7.00pm for a 7.30pm start. We are all looking forward to a cracking evening of good food and drink, and above all good company.

**REMEMBER! COPY DATE FOR THE FEBRUARY 2018 ISSUE**  
**MONDAY, 15th JANUARY 2018**

We are now coming to the festive season and most members are not even thinking about bowls or the club, however there is still work going on during this quiet time; the green is getting its' autumn and winter treatments from the Greens Committee, under the watchful eye of the Head Green Keeper, Phill Powell. While numerous e-mails and lists fly back and forth between the Club and the County by yours truly, this is making sure that we are all registered and insured for next year.

May I take this opportunity to wish all our members and their families all the best for the upcoming festivities and may they all have a healthy New Year. I would like to extend these season's greetings on behalf of the Club to the Editor, Publishers and Distributors of this wonderful publication, and above all to the readers and advertisers, without whom this means of communication would not exist.

For any other details about the Club, please contact either Alan Inwood ☎: 01985 844215, Alan Spencer ☎: 01747 860803 or Don Butchers by phone below or by e-mail ✉: [Don.butchers@btinternet.com](mailto:Don.butchers@btinternet.com).

# Mere School Reports

## Sport

This has been another very busy term of Sport for Mere School.

### Tag Rugby

Two teams of Y5/6 children took part in the Gillingham School family event. The B team played incredibly well and won their tournament! The A team showed a great attitude to the sport throughout all of their games and came second in the final, losing by one try.

The children would like to thank Mr Barton for all his support.

### Netball

Two teams of Y5/6 also took part in a netball tournament at Gillingham. The children were a real credit to the school with the B team coming 5th and the A team coming 2nd. The A team have now qualified for the N. Dorset finals. A small group of Y3 and Y4 children also joined in on the day with an afternoon of coaching.

The children would like to thank Mrs Cripps and Miss Fletcher for their help.

## Football

Mr Rich has been training the boy's football teams during lunchtimes in preparation for their tournaments this term.

On a very foggy day in November they played St Mary's Marnhull in the Davison Cup. Mere School won in the last 10 seconds of the match thanks to a goal by Ryan Ward.

They have also taken part in a tournament organised by Yeovil Football club.

The boys would like to thank Mr Rich for all his help.

We now look ahead to next term for yet more football, a hockey tournament and a Dance festival.

We are still looking for volunteers to help us make this happen. So if you have any spare time and would like to help us raise money for lots of worthwhile causes. Please contact us via our Facebook page: **GMS Lions** or our website : <http://gmslions.org.uk/> Don't forget to look out for Father Christmas. He will be coming very soon to a street near you.

## HINDON PRIMARY SCHOOL

### Early Years Little Owl Class

West Knoyle is in the catchment area for Hindon Primary School. Our new Little Owls have settled into the routines of school life and are enjoying new learning experiences with their friends. The bright, colourful and well-equipped classroom with its own outside learning area has enabled the children become independent, co-operative and confident learners. A focus on using Nursery Rhymes as a basis for developing number, language, reading and writing skills has produced amazing paintings and displays.

### Owl Class

The children in Owl Class have been investigating 'Materials' as part of their Science topic this term. In October, the children enjoyed a visit to Salisbury Cathedral where they learned how different materials have been used in the building and restoration of Salisbury Cathedral. The children were amazed to see fossilized shells in the marble pillars and to feel the difference between cold stone and warm wood. Becoming Stone Masons for the afternoon was the highlight of the visit! The children were taught stone carving techniques and were able to use real tools.

### Kestrel Class

The older children in the school have been studying the paintings of Constable during their Art lessons. They discovered that he painted a picture of the bridge in Gillingham High Street, so they decided to go and investigate!

## **REFLEXOLOGY with GEORGIE PEURT. MAR**

The relaxing foot massage that can relieve all tension, re-balance the whole body whilst helping with many problems thus stimulating wellbeing.

**Gillingham 01747 590714**

**07710 008744 [georgiereflexology.com](http://georgiereflexology.com)**

Despite being hidden amongst overgrowing trees and foliage, the children could clearly see the bridge and were able to stand in the place where Constable created his painting. The children recreated the painting of the bridge from sketches that they made and could compare their painting with the original.

The children also visited Gillingham Museum where they learned more about Constable and the history of the town. The staff and children at Hindon School are very grateful for the expert help and information that they received from the volunteers at Gillingham Museum.

Curriculum enrichment visits are valued at Hindon School as they provide a first-hand experience that gives a real purpose to learning!

## **LETTER FROM THE CHURCHES**

**Rev'd Carol Wilson-Barker, Priest in Charge of St Michael the Archangel, Mere; St Mary's West Knoyle and All Saints Maiden Bradley, writes:**

The yearly battle is on between the big retailers to catch your attention and to entice us to buy from them this Christmas. We wonder between the big glossy adverts: John Lewis, Debenhams, Iceland....the list goes on? There is so much choice and all designed to part us from money we can't afford on excessive presents and food. It is nice to be thoughtful and thankful to others but also easy to be seduced by the drive to "spend more".

I'm just reading the book "No and Me" by Delphine de Vigan about Lou, a school girl, who befriends an 18 year old street girl called No. Lou is making a class presentation about the homeless and No agrees to answer lots of questions for drinks in warm cafes. Lou wants to "befriend" her but No becomes very angry saying: "this isn't your life...go away". Lou suddenly hates her friend and thinks that all homeless people need to do is be nicer, less dirty and they'd be fine. Such a human reaction to someone who won't be like us or do things our way.

Beneath our modern cosy Christmas certainties is the story of Jesus' birth in a makeshift home. His family faced cold, uncertainty, fear and anxiety about where the next meal was coming from. As we surround ourselves with material comfort we can forget about the needs of refugees, the homeless and those who live in poverty in our own country. We too are guilty of wishing they would be more like us – settle down, get a job or go back home.

Jesus came as a fellow human being full of care, kindness and love and was an adorable baby too for a while. He came as one who constantly challenges us to live thoughtful lives, loving not just the easy friends and family but our neighbours too whoever they are.

May you find the peace, joy and love of the Christ child in your deepest heart this Christmas. Blessings.

## **ONE WORLD WEEK**

The Fair was again a great success with 18 stalls representing a wide variety of local and National Charities. 5 local Primary Schools provided colourful hand prints after their workshops and assemblies with messages of how they were going to help meet the UN Sustainable Development Goals. The kitchen was kept busy serving delicious food, and we were entertained by Shreen Harmony in good voice, and a folk trio to keep the Hall buzzing. Visitors showed a great deal of interest in the various stalls (2 selling out) and although One World Week is one of awareness, we were able to send a donation of £162 to the Disasters Emergency Committee from the proceeds of the refreshments.

On the Sunday we welcomed Samuel Williams from Christian Aid who gave a wonderful address based on The Good Samaritan, which was very appropriate for this year's theme of 'Good Neighbours'. Thank you everyone who supported us at both of these events.

IN MERE & DISTRICT

*You are invited to come to a Churches Together reflective Taizé-style evening service for Advent on Sunday, 3rd December at All Saints Church, Maiden Bradley at 6.30pm*

As we go to press, and thanks to the wonderful lady who has offered to cook (in response to last month's appeal), we're busy delivering leaflets for our **Christmas Day Lunch**.

We want to be sure that families who would find it difficult to celebrate this Christmas, and all those who would otherwise be alone, know that they are very welcome to join us in the Grove Building on Christmas Day. A traditional lunch with all the trimmings, in a festive atmosphere, will be followed by tea and Christmas cake. (No charge, but donations are welcome). You need to book by Sunday, 10th December by calling Judy Bickerstaff ☎: 01747-860335. Volunteer drivers on Christmas Day are also needed. For full details of **Christmas Services** at all our churches please see the **Centre Pages**. Everyone is welcome at any of our services – and also to join us singing **carols on Christmas Eve in the Square at Mere at 11.00am**.

**NO LENT LUNCHES?** It begins to look as if, for the first time in over 40 years, there will be no Friday Lent Lunches in 2018. There are plenty of volunteers willing to make soup, provide food and serve at the tables, but as yet we have been unable to find an overall organiser to make it all happen. Lent is early in 2018 so a Lent Lunch planning meeting would need to be held early in January. If by any chance you think you might be able to do this, and if you feel brave enough to give it a go, please get in touch straight away.

People enjoy Lent Lunches very much and the friendly, sociable atmosphere they provide, and will be very grateful to you. You will also ensure the continuance of a major Churches Together fundraising event for CAFOD and Christian Aid.

The Mere Suchana Support Group has had another good year fundraising for this unique project supporting 'adivasi' children and communities in rural West Bengal, based around their little two-story centre in Khanjanpur village. Recent research has shown that the regular supplementary education classes provided, together with a wider range of creative learning experiences and the opportunity to read books in their own first languages (which Suchana has pioneered), significantly improves results.

The number of little villages helped and encouraged through Suchana's mobile library (+ healthworker) – which we have particularly supported in the past – has increased to 24 so that about 1600 children are now involved every week. This year our focus has been especially on raising funds to enable Suchana's Early Learning Project to continue and we're delighted, with the help of an extremely generous donation, to have raised over half of the £5,000 needed.

To keep up the good work, we need your support! So please come, if you can, to our **coffee morning and bring & buy on Tuesday, 16th January 2018, 10.30-12.00noon** at Holly Cottage, North Road; and, a date for your diary: **our ever-popular Suchana Shrove Tuesday Quiz and Pancake Evening** will be held in the Grove Building at 7.30pm on Tuesday, 13th February 2018.
