## **MERE TOWN COUNCIL**

The Town Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the town - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be held in the Andy Young Pavilion **at 7.30pm on Monday, 2nd October 2017**.

### **The Chairman writes:**

We had a long September meeting with much to discuss and an emphasis on housing in Mere: planning applications as usual, further news on the bungalows being built on Bramley Hill and much discussion of the Draft Wiltshire Housing Site Allocation and the provision of affordable housing. I know that many residents in Mere worry about large scale developments in the town, but we must also try to meet the need for more housing by sensible development and the site allocation is part of that process. As we develop our Neighbourhood Plan there will be consultation with you about how we can manage the development of Mere in terms of housing, employment, education and recreation – I hope you will be enthusiastic in responding.

I have been hearing more compliments about how Mere is looking and will pass one on myself. I have had a good few visitors, family and friends, who always get a walk about the town and, without fail, they comment of the well-kept look of so many houses and front gardens. Thank you, Mere. May I also compliment Mere Surgery on their outstanding rating in the Annual GP Patient Survey – a result of the hard work and the high standards maintained by the staff there.

Under the aegis of Mere Town Council, Mrs. Mary White and two other committee members have been organising the Mere Film Shows. These have proved to be very

popular and over the last 14 years have raised £6,500 which has been given out in community donations. After 14 successful years, Mrs. Mary White has decided that the time has come for her to step down as the organiser of Mere Film Shows. I am sure you will join me and the Council in saying an Oscar-sized thank you to Mary.

Construction of the two Wiltshire Council affordable rented bungalows for the over 55s on land at Bramley Hill was to commence on Monday, 4th September. The two bungalows will be completed during the spring of 2018 and further information regarding the bungalows and how to apply for tenancy will follow during the winter. Should you wish to discuss, or have any queries in the meantime, please do not hesitate to contact Andy Mead, Commissioning Officer (✉: [AndrewM.Mead@Wiltshire.gov.uk](mailto:AndrewM.Mead@Wiltshire.gov.uk) or ☎: 01225 716672), who will be pleased to assist. The footpath which runs north/south connecting Homefield to Bramley Hill, adjacent to the existing garage site, will be closed for safety reasons during the construction process. Hoardings/signage will be erected at the appropriate time.

Writing this the day after the Carnival, I must congratulate the carnival entrants for the brave way they resolutely paraded despite the weather. Thank you too, to the many people who also stood in the rain to watch and cheer them as they passed. This is another event in the full calendar of Mere where volunteers make a big effort, which benefits so many of us – so thank you to the Carnival Committee.

## **GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION, WRITES**

I have recently come across a book I have not previously seen, by Ralph Whitlock entitled 'Wiltshire published in 1976. It has several references to Mere. It states 'Once as lonely and remote as a frontier town should be, Mere has lately become far too busy for its comfort, for since the A303 has come to be regarded as the main highway from

London to the West, its narrow, sharp-angled streets are frequently, and especially at holiday week-ends, jammed with traffic. Normally adequate car parks, however, help to make it a popular mid-day halt for travellers'. This as I remember it (cannot quite remember it being a frontier Town!), not much has changed, complaints of slow moving traffic, over full car parks and a refreshment stop after travelling across Salisbury Plain.

I have in previous months referred to the now removed skips in The Salisbury Street Car Park at Mere. I have been asked several times face to face and also by some on the local facebook site, will the mini recycling centre return to the Salisbury Street car park? The Town Council was against its continuation; Wiltshire Council stated the closing of approximately seven sites would save about £7,000, plus stop commercial operators using them. I was against the removal of the skips, the paper bank did produce £350 per load in revenue, and the collection cost under half of this, the other banks may have cost money to maintain. Also much of the commercial use now goes to Landfill. The local school I understand will still take paper.

The parish areas of West Knoyle and Mere have seen road improvements recently. I have been questioned many times over the last year, regarding Barrow Street Lane (Old Barrow Street) and West Knoyle being resurfaced when it is all used so infrequently. The reason was its lack of skid resistance. Once a highway fails this test it jumps in effect to a high priority.

The South West Area Board still has funds to help fund community projects and the youth. Do you have a project? I am helping Lynch Close residents with an application at present, for a community greenhouse and shed. This will be considered at the next Area Board along with an application from West Knoyle village hall, both of which I currently support.

The National Trust has kindly agreed to sponsor a wooded pole for occasional use of a Speed Indicator Device (SID) in Stourton Lane. Also a good neighbour has agreed along Shaftesbury Road at Mere, to the same use. The community SID will be moved around the area, and a consortium of Kilmington, Stourton and possibly Zeals will also have access to a further grant aided SID.

Transport for London has successfully trialled virtual speed bumps at 45 locations across the capital. Officials painted a design on the road which acts as an optical illusion, tricking drivers into slowing down. A number of boroughs across London have also adopted the idea, and local authorities in other parts of the country might now be tempted to follow suit, particularly in light of Environment Secretary Michael Gove's call for speed bumps to be removed as part of efforts to curb pollution. Cambridgeshire County Council used inlaid bricks to create a 'fake' roundabout last November.

Sometimes political correctness can go a little too far. Women-only swimming classes that were scrapped by Stroud DC have been reinstated. The authority cited the Equalities Act 2010 when explaining its reasons for admitting men to the weekly

sessions at a Gloucestershire leisure centre, but now says it "should have taken legal advice" before acting.

I have been encouraging the local parish and town councils which I attend, to allow and promote very small social housing schemes in the same vein as that developed recently at Gasper to house local workers and those with local connections. In my opinion Gasper has been very successful. In decades to come, if such housing is not allowed, it is unlikely any key workers will be able to afford to live in our rural area. The Wiltshire Council housing needs survey is so complex in my opinion it does not give an accurate picture. I and many others and locally are aware of the situation and a locally developed housing needs survey is required, which I will encourage Mere Town Council and other parishes to do. Nationally as we know housing need is acute for many. I see an extreme case recently that Flintshire County Council has begun using the Pontins Holiday Camp in Prestatyn, North Wales, to house homeless people because of growing pressure on a housing waiting list, which has grown by a third since September last year. To make it clear, all I am promoting are very small schemes that are controlled, for local workers or those with local connections.

Refuse firm Biffa has called on the Government to rethink its national policy on handling waste amid concern about stalled recycling rates, not enough incinerators being built and insufficient landfill space. A report from the company says the UK is now recycling about 45% of household waste and 59% of commercial and industrial waste, but existing measures are only likely to see modest improvements. CEO Ian Wakelin also says that local authority waste disposal projects will provide long-term returns but there is a deficit of commercial investment money available for such schemes

South West Wiltshire Community Safety Partnership (SWWCSP) will meet four times a year, with invited representatives from Wiltshire Police and Dorset & Wiltshire Fire and Rescue Service. A meeting was held at the end of September when the agenda included Local concerns raised on: Drug taking; road safety regarding tractors, and hoax callers. Local needs, priorities and outcomes were discussed.

At a recent meeting regarding planning, I learned the government is considering changing the community infrastructure levy (CIL) again. At present it is attracted mainly by domestic property, now I understand the government to be considering an infrastructure levy to include many commercial buildings when developed. Another planning issue I have read of with interest, bus operator Stagecoach has warned that its fleet is being forced to avoid a number of newly built housing estates because planners are failing to provide wide enough roads. Sharp bends, overzealous traffic calming measures and parked cars have also been cited as concerns. The company has issued guidance to councils, urging them to build roads at least 6.5m wide. The Walnut development has 5.5m roads, which I championed at the time of development as The Fields development, which just preceded it, were 4.5m. I am aware of our ever

decreasing number of buses and have displayed the new X4 time table locally. I have copies for those who request.

In the Children and Social Work Bill 2016 the Government has signalled a clear intention to extend services offered to care leavers. This will ensure that every young person who has been in care will be entitled to personalised support until their 25th birthday (it currently terminates when reaching 21). This will also increase the financial burden on Wiltshire Council.

Government figures suggest the number of pupils in England's secondary schools is set to rise by almost a fifth by 2026. The increase in pupil numbers is equivalent to 267 average sized secondary schools. The Department for Education commented that the increase is "primarily because increased births from 2002 onwards means there are now larger numbers entering secondary schools at age 11 than are leaving them at age 16."

A reminder again I have a facebook page 'Cllr George Jeans', which I use to display some events I have attended and some other material. It is not a platform for conversation at present; I do not view it regularly, whereas e-mails to : [george.jeans@wiltshire.gov.uk](mailto:george.jeans@wiltshire.gov.uk) or by telephoning : 07710441599 I can usually answer quickly.

## **SEEDS FOR SUCCESS**

### **A Title Well Deserved**

On Wednesday, 16th August I was delighted to attend a Coffee and Cake morning organised by the young people of Seeds for Success. The lovely idea was to entertain the more elderly residents of Mere and surrounding villages and to make them aware of recent group activities. The limitless coffee and cakes were cooked and served by the Five Star team who then joined us for a chat. The confidence and aspirations of the young people was so inspiring. Their individual successes for the future must be a foregone conclusion. All praise must go to Jackie Farrell and her team of supporters for nurturing and guiding the young people to achieve their goals.

Many of us were not aware of the Organisation or what they did. We do now, following a short Presentation describing some of their activities. Team building exercises involved a recent trip to South Wales where they took part in kayaking, surfing, coasteering, etc.. They also went to the Magdalen Project in Chard which is an Organic

Farm learning about crops and gardening. Then a Fund Raising exercise at Morrisons bag packing and - 'bagging' an enormous £515 towards their own funds. If this was not enough, they then went 'Ragwort Picking' for a local farmer.

After the Presentation a Grand Raffle was held – the table groaning with lovely prizes. Then a very thoughtful addition to the proceedings when a representative from the local Fire Brigade gave us a short talk on keeping ourselves safe in our homes and offering home visits.

I am sure I speak for all who attended when I say thank you to Seeds for Success for such a wonderful morning and giving us the opportunity to meet such inspirational young people.

## **MERE & DISTRICT RAILWAY MODELLERS**

The club enjoyed a goodly turnout of visitors (over 100) during the Creative Mere Weekend and it was interesting to see that the greater majority were families and those

of the younger generation. A few who stayed for more than an hour, appeared to immerse themselves in the activities offered. Some threatened to return to join our numbers, so for those, our club is open from 7.00-9.00pm each Wednesday evening. Should this be inconvenient for anybody who wishes to have a look around, before thinking of joining, then please contact me at the number below to arrange a suitable time. Please note that **one annual membership fee encompasses all family members** living under the same roof.

Both me and my wife are both former teachers, who have current DBS certificates to work with Children.

We still have an O gauge and OO gauge layout for sale.

For those of a more studious nature there is a 'Creative Mere' display in the Museum section of the Library that includes a model railway theme of hand built items.

## **TRUSSELL TRUST CHRISTMAS SHOE BOXES**

Last year we were able to send a wonderful 170 Christmas shoe boxes, via The Trussell Trust, to Bulgaria and Syria to bring such happiness and joy to people who live in great poverty. An amazing total of 11,724 boxes were hand delivered and these all came from people who care about the individuals who have so little compared with ourselves. Thank you SO much to everybody who gave their time, money and thoughts.

This year the collection day, at morning service at St Michaels, will be Sunday, 19th November, but I am very, very happy to receive boxes at my home, The Cottage, Waterside (over the old stone bridge!) before that date.

Please ask your work mates, club members and friends to join in and have fun filling a box! Mere knitters- they LOVE your hats, scarves and gloves!

Thank you so much.

The Autumn Bazaar is going to be an amazing event! Not only do we have our usual stalls including Cakes, Jams, Kitchenalia, Bric a Brac, Tombola, Raffle & Books, we are also having a 50p bargain table and 'The Man Shed' is going to be open! On top of all that, for your entertainment, we are absolutely delighted to announce that Steve Hawkin is launching the Mere 2018 Calander, in aid of the Rosemary Goddard Centre, at the Bazaar. He will also be selling prints of his stunning photos and has very kindly going to donate 50% of the proceeds from the sale of each copy of 'The Storm' to Mere Cancer Research. We are also very happy to accept all 'old' round £1 coins to save you taking them to the bank! See you at the Lecture Hall on Saturday, 7th October from 10.00am until 12.00noon.

Christmas is coming, and to start it all off in style we have the Christmas Market on Friday, 1st December from 6.00 - 8.00pm in the Town Square. We have had word from the North Pole that Father Christmas will be there and a very special festive guest will be turning on the tree lights.

As a committee we work hard to raise funds to help beat cancer sooner but are in need of some help... if you, or you know of anyone, can help us set up and pack up at our events, we would love to hear from you and your muscles, and maybe even a van. If you do please contact us by : [merecancerresearch@mail.com](mailto:merecancerresearch@mail.com), Facebook: Mere Cancer Research or by phone.

## MERE FILM SHOWS

Our film for Mere Literary Festival on Thursday, 12th October is **'Their Finest' (12A)** and stars Gemma Arterton, Sam Claflin and Bill Nighy. Set in London at the height of the Blitz, the film tells the story of Catrin (Arterton) who comes to London from South Wales and finds herself hired by the Ministry of Information to write 'the slops', or women's interests and views, in a propaganda film. But the film shifts from an emphasis on women to a general rallying call to the nation. The casting of stars shifts from heroines to a past-his-prime actor Ambrose Hilliard (Nighy) to an American fighter pilot with appalling acting skills! With beautiful cinematography 'Their Finest' nostalgically evokes the tensions and deprivations of London in 1940 and it poignantly captures the fragility of life in the London Blitz. Whilst it is described as a comedy drama, the film is also surprisingly moving. Come and support the Literary Festival and enjoy a wonderful film. Full details on page 28.

**Dates for the Diary:** Friday, 10th November: 'Hidden Figures'

When Mere Film Shows started in 2004, it was not intended to be a profit making venture, but with good audiences over the last fourteen years we have given back

almost £6,500 to nearly twenty different organisations in Mere in need of funds, so perhaps it can be deemed a successful venture. However, the time has now come for me to stand down from organising Mere Film Shows and to hand over to someone new. It is not too onerous a task, but a gently busy one. So if you would like to know more, come and speak to me at the films or give me a ring. David and Jean will carry on so you won't be on your own!

## **PRESENTATION BY EXPLORER COLONEL JOHN BLASHFORD-SNELL OBE**

### **When & Where**

Saturday, 28th October 2017 at 6.00 pm in the Grove Building.

### **Tickets**

£10 per person to include light refreshments.

Col. Blashford-Snell is one of the world's most renowned and highly respected explorers and founder of the registered charity Scientific Exploration Society which has its Expedition Base at Motcombe, where he now lives. He has organised and led more than 100 expeditions and this illustrated talk will be 'The Eighth Wonder' led by him.

It covers the discovery of strange underwater ruins and wrecks by a large team of Royal Engineer divers off Paphos, Cyprus. There is also a local connection here in that another team member with an important role in that undertaking, then serving with the British Army in Cyprus, is living in Mere.

As some of you may know, John is an accomplished and much in demand speaker whose presentations are always very interesting and often appropriately humorous. There will be time for questions and comments afterwards.

Tickets are available from Mere Library on Tuesdays, Thursdays and Fridays from 9.30am--5.00 pm, and on Saturdays from 9.30 am--1.00 pm. All proceeds, including from a raffle, will go to the Scientific Exploration Society registered charity No 267410.

## **ARTISAN AUTUMN**

Arts and crafts seem to be the flavour of Mere at the moment with the wonderful exhibition of Ann Lander's weaving in the Museum followed by 'Made in Mere'. And our very successful weekend 'Creative Mere' showcasing the amazing talents of people living in our vibrant town.

This year's Traidcraft catalogue is highlighting the various traditional crafts from people all over the world, and the Fair Trade premium they all receive is helping so many families raise themselves out of poverty. I shall have a large selection at the One World

Week Fair on 21st October but also look out for my stalls in November and December to find a unique hand-made gift for Christmas.

The beautiful range of Christmas Cards are also now ready for ordering from Carole Marshall at St Mary's or myself, please ask for a catalogue or see the poster in the Church porch. Every purchase helps Traidcraft's work in developing Fair Trade products, and supporting poor communities around the World.

The One World Week theme this year is being 'Good Neighbours'. We do a great deal in Mere already and buying Fair Trade gifts and products is just another way of how we can 'Show We Care'.

## SHREEN HARMONY

We are singing at the One World Fair on Saturday, 21st October at 11.30am in the Grove Building. Please do come along and support us and of course enjoy and support the Fair too!

Our Christmas concert will be held on the Saturday, 16th December at 7.30pm in the Grove Building. We will be serving mulled wine and various nibbles as usual. It is a good way to start Christmas, but more about that later.

We have welcomed some new members this term, which was good, but we still are looking particularly for altos so if you enjoy singing and believe you are an alto, we would love to see you. Come along on a Thursday evening at 7.30pm. in the United Reformed Church Hall. You will be given a very warm welcome.

## MERE MUSEUM

After the very successful displays of contemporary work by Mere's multifarious creative artists in mid-September, the Museum is delighted to be able to follow this up with an exhibition which demonstrates how very imaginative, inventive and skilled past (and some present) residents of Mere have been! In our new exhibition '**Made in Mere**' you can see a large brass clockface and a small silver pocket watch, children's toys and a child's chair, model trains and model animals (snuff-boxes!), photographs and posters and, as they so often say these days, 'much, much more!' Don't miss this intriguing exhibition. Entrance to the Museum is always free.

## FRIENDS OF MERE MUSEUM

Subscriptions to the Friends is due for renewal on Sunday, 1st October and, as you will remember, we have agreed that they should go up so as to continue to be able to support the work of the Museum.

## **MERE AMATEUR DRAMATIC SOCIETY (MADS)**

MADS players are currently in the nets and practising for their up-coming display of skill in the field (and on the stage). '**Outside Edge**', the title of MADS's autumn production, is now in rehearsal, with Bowler Bob Modlen putting everyone through their paces.

To be sure not to miss the final match, please put **Thursday, 23rd November to Saturday, 25th November** in your diaries. We're confident that we won't need more than three days to pull off a great sporting triumph! Tickets will be available at the Library from the end of October.  
*Jenny Wilding ☎ 01747 860908*

## **DRESSMAKING IN MERE**

The Dressmakers thoroughly enjoyed meeting so many people visiting their stall at 'Creative Mere'. A rota of 10 very keen ladies were kept very busy with enquiries about our courses, but more importantly appreciation for the work they have proudly produced and admiration for their expertise and enthusiasm. They made an excellent team.

We also raised around £50 for Alzheimer's Research, which was an added bonus.

I was close by enjoying my own pastime of spinning and weaving with help from my Granddaughter Mia, who is learning how to use the Drum Carder for spinning and felting. So plenty of textile expertise and learning.

The Dressmaking courses have commenced for Autumn with a further two courses in November. For details about availability on Tuesday morning and Wednesday evenings please contact me on on the number below, or through our Facebook Page: "Dressmaking in Mere".

## **MERE BOWLS CLUB**

To start, a quick resume of the clubs successes and failures in the past season. Earlier this month Don Butchers and Richard Coombs paired up to win the Wiltshire County Secretaries & Treasurers Competition.

Mere Ladies under the Captainship of Mary Butchers won the North Dorset League for the second time in three years. They came second last year. In the Westbrook League we came third, while in the Wessex League we have a lot of work to do in order to improve on our last place.

The Aussie Pairs Competition that was scheduled for 10th September was rained off, so a very enjoyable game of indoor curling was arranged in the pavilion at very short notice: A good time was had by all who remained. The Club Singles Competitions were held on Sunday, 17th September with the following results: The novice singles was won by Derek Fisher with a narrow victory over Les Mainwaring; John FitzGerald proved to be too strong for Richard Coombs in the 100-Up competition; John FitzGerald again triumphed in the two wood singles by beating Mary Butchers and finally Richard Coombs defeated our Captain, Karen Guy, in the Club singles final. Well done to all who participated.

As we now enter the closed season for outdoor bowling a number of our members are looking to continue bowling indoors at Clarrie Dunbar, which is an indoor bowling facility on the A36 at Standerswick just outside Frome. We will also start planning our monthly social evenings and putting the first details for our Spring Barn Dance in place. We will also start looking at our free “try before you buy” package, which we will introduce at the start of next season in April 2018. Watch this space for more news in the coming months.

At the AGM held on Monday, 25th September, our Chairman, Alan Inwood, and our Vice-President, Sheila Spencer, stood down. Theirs are hard acts to follow. Finally, as a Club we have had a great season, we could have done with a few more members and we could have had some better weather, but overall a good year. The green has played better than ever due to extra work being put in by our Greens Team under the admirable leadership of Phill Powell while our Social Evenings, with catering being provided by Alan & Chris Isgrove have proved to be as popular as ever with those that attended.

For any other details about the Club please contact either Alan Inwood ☎: 01985 844215, Alan Spencer ☎: 01747 860803 or Don Butchers on the number below, or by ✉: **Don.butchers@btinternet.com**.

## CHRISTINE MARSH, LICENSED LAY MINISTER AT ST MICHAEL THE ARCHANGEL CHURCH, WRITES:

### October Thoughts

Did you know that a word for patience in Arabic is cactus? They both have the same root meaning 'to endure thirst'.

The Cacti, like other drought resistant plants, manage to survive against all odds in the most inhospitable environments. They are an illustration not only of living in harmony with the environment but also of patience, adaptability and perseverance.

Some years ago I visited the Namibian desert. Trudging along a dry dusty valley floor we suddenly came across one lone thorn bush, a Narra plant, the only sign of life in this barren landscape. Due to its bitter taste this prickly plant is not eaten, but its fruit, a melon shaped gourd, when ripe, splits and disperses thousands of seeds. These in turn are eaten by animals which are then eaten by larger animals which in turn are eaten by bigger creatures. This plant had, over some 20 years, persevered and patiently adapted all around it. It was now providing shelter and sustenance for many to make its small world a better place for many not just itself.

In our journey through life change is one of the few certainties. Things change, sometimes slowly and imperceptibly over many years, other times suddenly and challengingly.

Some of our life changes may be known or expected, but more will be as yet unknown. The changes may be wanted or unwanted, happy or sad but they will come regardless.

How we deal with these changes and challenges is likely to be affected by our own personalities and beliefs.

One of the most popular of church hymns is:

'Through all the changing scenes of life, through trouble and in joy, the praises of my God shall still, my heart and tongue employ'.

A hymn not asking that any problems be removed but pointing to God for strength to face challenges ahead.

September in particular is a month of great change. Children go back to school; some for the first time, some to a larger school, some from school to college, some into the workplace.

Life experiences and social groups change; many challenges and maybe much upset often loom ahead.

September is the month when the freedom and light of summer fades, the dark nights lengthen and we move towards the autumn. Moving from light to dark always unsettles.

As we face any changes that this month brings, be they trouble or joy, may we, like the cactus and the Narra have the patience and perseverance to adapt and support. May we always sow seeds of harmony, kindness, tolerance and love that we and others can be supported through any challenges and dark grey days ahead, so that changes become manageable and dark grey clouds turned to autumnal gold.

A Coffee Morning and Bring and Buy will be held at Hillcrest, Hazzard's Hill (Rob & Elisabeth Barrett's house) on Tuesday, 3rd October from 10.30am-12.00noon. Everyone Welcome!

## IN MERE & DISTRICT

Our celebration of One World Week this year begins with the Fair (see above) and a service at the URC Church at **6.00pm on Sunday, 22nd October led by Jane Hurd** and with a **speaker from Christian Aid**. We will have our usual Remembrance Sunday service beginning in the Square at 10.45 on Sunday, 12th November; and we're already beginning to look ahead to Christmas and beyond:

### **Looking Ahead: Urgently needed for Christmas**

Churches Together urgently needs a chef to cook the Christmas Day community lunch. We have an organiser for the event and lots of willing volunteers, but without a chef we will be unable to provide a Christmas lunch for those people of Mere and District who would otherwise be spending the day alone or unable to celebrate. Is there anyone with appropriate skills who is willing and able to give a few hours of their time to bring a little Christmas festivity for people who might otherwise be left out? For details please ring Judy Bickerstaff, Treasurer Mere and District Churches Together ☎: 01747 860335.

### **Looking Further Ahead: Needed for March**

Seems a long way ahead, but a planning meeting will need to be held in December/January for next year's Lent Lunches on 2nd, 9th, 16th, 23rd & 30th March – and for that to happen, we need an overall organiser. Volunteers from our various churches will provide soup etc and service at tables, but it won't happen at all without someone in overall charge of arrangements. Could that someone be you? To find out more or offer to help, please phone either number below.

## BLACKMORE VALE AND YEOVIL NT ASSN

### Winter Programme 2017-18

#### Saturday, 7 October 2017

Blackmore Vale and Yeovil NT Assoc presents a talk by Peter Tait (ex-Headmaster, Sherborne Preparatory School): ***In One Lifetime: Rapidity and Change in 19th century New Zealand***, at the Digby Hall, Hound Street, Sherborne / 2.30pm / £3.00 / £5.00 (includes tea and biscuits).

🌐: [www.BVYNTassoc.wordpress.com](http://www.BVYNTassoc.wordpress.com) Peter has an abiding interest in the history of New Zealand and is interested in the different interpretations of history, and offers a view of New Zealand from a colonial viewpoint.

**Saturday, 4 November 2017** Blackmore Vale and Yeovil NT Assoc presents a talk by Pam White (NT Corfe Castle): ***Mediaeval Masons and Tumbling Towers***, at the Digby Hall, Hound Street, Sherborne / 2.30pm / £3.00 / £5.00 (includes tea and biscuits).

🌐: [www.BVYNTassoc.wordpress.com](http://www.BVYNTassoc.wordpress.com)

A translation from the Latin of the Exchequers Accounts of Edward I has given us quite detailed information about the castle build from 1280 - 94. This, together with the access afforded by the recent conservation work, has fuelled our curiosity about both the castle build and subsequent 'home improvements'. It's an exciting time to be involved with such an iconic building.

#### Saturday, 2 December 2017

Blackmore Vale and Yeovil NT Assoc presents ***The Trinity Entertainers*** who will get the Christmas season off to a festive start at the Digby Hall, Hound Street, Sherborne / 2.30pm / £5.00. Festive refreshments will be served at the end of the afternoon. There will be a raffle. 🌐: [www.BVYNTassoc.wordpress.com](http://www.BVYNTassoc.wordpress.com)

#### Saturday, 6 January 2018

Blackmore Vale and Yeovil NT Assoc presents a talk by Shaun McCormack: ***The Queen's Bodyguard of the Yeomen of the Guard***, at the Digby Hall, Hound Street, Sherborne / 2.30pm / £3.00 / £5.00 (includes tea and biscuits).

🌐: [www.BVYNTassoc.wordpress.com](http://www.BVYNTassoc.wordpress.com)

Shaun will entertain us with a descriptive talk on how he became a Yeoman, what it entailed and how the Queen's Bodyguard came into existence.

## **Saturday, 3 February 2018**

Blackmore Vale and Yeovil NT Assoc presents a talk by Susan Vincent (Member of the Lawrence Society): ***T E Lawrence: his life & friends in Dorset*** at the Digby Hall, Hound Street, Sherborne | 2.30pm | £3.00 / £5.00 (includes tea and biscuits).

🌐: [www.BVYNTassoc.wordpress.com](http://www.BVYNTassoc.wordpress.com)

Susan's talk will cover the time T E Lawrence spent in Dorset from 1923 to his death in 1935. She will focus on his time as Private Shaw at the Army Barracks in Bovington, why he bought Clouds Hill nearby and who he had as visitors there, and his closest friends in Dorset, who included Thomas Hardy and his wife.

## **Saturday, 10 March 2018**

Blackmore Vale and Yeovil NT Assoc will hold its **AGM @ 2.30pm** at the Digby Hall, Hound Street, Sherborne. After tea and cake this will be followed by a talk by Emily Utgren (NT Stourhead): ***The Remarkable Trees at Stourhead***.

🌐: [www.BVYNTassoc.wordpress.com](http://www.BVYNTassoc.wordpress.com)

Tree care is core to a lot of the work at Stourhead, ensuring that there are young trees preparing to be magnificent one day. They are currently re-visiting the past to explain why Stourhead was built and how it was conserved since the 1700 to make the estate we see today.
