## MERE TOWN COUNCIL

The Town Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts.

The next meeting will be held in the Andy Young Pavilion **at 7.30pm on Monday, 5th March 2018.**

### **The Chairman writes:**

In our February meeting we had the cheerful news that our nomination of Councillor Raymond Hill, as a representative for Wiltshire to attend the 2018 Buckingham Palace Garden Party, was successful and that he and his wife will be going. We heard from members of St. Michael's Church about the reordering plans for the church and had the opportunity to ask questions. The council heard from residents of The Lynch about traffic issues raise and, after discussion, agreed to make enquiries with Wiltshire Council about a possible width restriction on the road. Councillor Norris presented a report from the Mere Rivers Group on the effects on our rivers of extraction this past year, and how further monitoring of the situation will be done.

We also received the results of a recent Traffic Speed Survey carried out within the 40mph speed limit of Shaftesbury Road (north of Wet Lane) – the results showed that the average speed at which 85% of the traffic was travelling at was 34.2 mph. Notice was given of two temporary road closures: one in Woodlands Road from Monday, 5th March to Thursday, 29th March and again between Tuesday, 3rd April and Monday, 16th April (to enable sewer connection works), and the other in The Square on Sunday, 29th April 2018 for the Mere Cancer Research Classic Car Event.

I was able to tell the council that PCSO Peter Tscherniawsky has been out on Mere roads and speaking to drivers of cars whose parking is creating a hazard and I also had a chance, at another meeting, to speak to the Senior Inspector for the area who assured me that the matter would receive continuing attention.

We have been asked by the national Pageant Master about the town's involvement in

### **Merrell's Mobile Foot Health Clinic.**

national tributes to mark the centenary of the end of the First World War in November and we resolved to look to having a beacon on Castle Hill and to work with the churches on bell ringing. The proposal from the pageant master that the town has a piper piping at 6.00am on the day was not taken up!

I was able to make representations to County Councillors at the SW Wiltshire Area Board about our strong feeling that proposed changes with regard to housing allocation and planning are ill-judged. The proposals are to link Mere to Trowbridge, Westbury and Warminster for housing development and we are arguing the case that Mere should remain with its traditional link to Salisbury area. My thanks to Councillor Norris and Councillor Jeans for their support at the meeting. This will be a continuing battle until we achieve the result that we desire – we do not want to be in a housing area that seeks to find 6,500 more houses.

I was looking for some dates to plan special events for Mere and went to the library to check with the shared calendar there. There are only a few of the many events, that we are fortunate to have in Mere, which are recorded there. Can I ask that organisers do take the time to enter their events in the calendar so that we can avoid clashes. Thanks.

Finally, I had the privilege to finish the planting of an Oak Tree whereby Mere is marking the centenary year of the end of World War One, with a living feature of remembrance. We hope that the Oak Tree growing in a peaceful field can be an important counterpoint to the terrible scenes in fields abroad 100 years ago. This should become a place, for generations of Mere residents, for tranquil remembrance of the sacrifice made by so many military and civilian people and, hopefully, a place to aspire for peace.

## **GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION, WRITES**

A very interesting presentation was made to the South West Wiltshire Area Board (SWWAB) by James Body on bringing Super Fast Broadband and 4G mobile coverage to the Chalke Valley. Several in my Mere Division require faster broadband. This presentation illustrated there are more ways than fibre to deliver a service where broadband is lacking. By 2020 the government appear to me that they will legislate for a universal access service. In my opinion this may be at an additional cost to the end user sometimes.

On 14th February I took some of Mere First Brownies in a mini bus for an overnight stay

near Lyndhurst in Hampshire, returning again the next day to collect them. I drove them in a bus kindly provided by the local youth group, Seeds4Success. Also I have taken Lynch Close Residents on day trips. I have a D1 endorsement on my driving licence, have passed a MIDAS test and drive the mini bus on a Section 19 permit as it is known. It is only the UK that allows this type of community transport within the European Union.

The all-party parliamentary group on hunger has called for funds to be redirected to support elderly people “withering away in their own homes” through loneliness. We are lucky in our area where we are small enough to have a true community spirit, even so I know many are lonely and we are again lucky to have several worthy groups such as The Rosemary Goddard Centre at Lynch Close, Friends Together in The Grove Buildings and recently Ann-Marie, Health and Well Being Champion for our South West Area Board, providing a 'Pop-Up' café in The Andy Young Pavilion.

DfT figures show that maintenance spending by councils on B roads, C roads and unclassified routes in 2016-17 was £1.87bn, the lowest level in 10 years and down from £2.46bn in 2004-05. This I can easily believe driving along The Street (or lack of it) at Kilmington. Also Wiltshire Highways have recently erected a sign on the main B3092 that directs you to Kilmington when travelling south, but not north. I am informed the signage problem will be addressed quickly.

I do not want Mere in the Trowbridge Housing Market as now proposed. The South West Area Board has agreed to support me with this, working with our Town Council. I have had a meeting with officers and it appears market areas are not directly aligned with land supply for proposed building. Evidence is required as proof that those who work or volunteer, do so locally or towards Salisbury and indeed Dorset and Somerset. Also that many of these workers when moving dwelling or workplace, move within in this area. I think so, do you know otherwise? I do not believe we have our market area around Trowbridge, it being in West Wilts.

This month I would like to endorse the fact that the two affordable rented bungalows for the over 50s at Homefield, Mere are on programme for completion in the Spring. These bungalows are aimed at those who have a larger house and would like to downsize to a modern residence, freeing up two houses for families. Leaflets to promote these have been distributed to all 254 affordable homes within the Parish, and to amenities within the Town, as well as to the addresses which have previously been discussed and in public areas. Appropriate wording to publish the details in newsletters and websites to raise the profile of the bungalows was made available. If you or someone you know is interested in one of the bungalows, you will have until the end of March to register with Homes4Wiltshire, before the adverts are made live for one week. Therefore, by mid April the occupants for the two bungalows will be known. Then fixture and fitting choices will be arranged (carpets/curtains), and any additional grab rails etc that may be required.

It is a fact that the number of Police stations with front counters where the public can speak directly to officers has fallen from 901 in 2010 to 510 now. Across the country a number of alternative contact methods have been made available including, as in Dorset, civilian volunteers staffing a police contact point in a library two days a week. Mere please note we still have a Police Station, which is open some days to the public being manned by volunteers: Roy Sims and John Hancock our ex Policeman, for which I thank them.

Last month I stated West Knoyle Parish council and local residents had contacted me over the last twelve months, regarding the parking situation at Stoney Bridge and I can now report that I have had three residents contact me regarding being involved in a self help scheme.

Mere Snooker Club in Salisbury Street has decided to stop being a limited company in the hope it will ease the bureaucracy and help secure the longevity of the club.

Mere Town Council had requested some of the pavement improvement budget awarded earlier in the year to the SWWAB. The proposal was to screed the pavement from Mere Post Office to St Michaels Church to help the ambulant disabled; this has not been awarded after Wiltshire Highways made a priority report. I have noted this well used pavement has deviations of up to or more than 20mm in places, which is unacceptable to the ambulant disabled, therefore I shall continue to pursue its repair.

Make a date in your diary. 'Mere Makes Music' is proposed for Saturday 28th April 2018. Wiltshire Rural Music School based in Trowbridge, but which is also a county-wide charity, is trying to work out in communities more. Wiltshire Rural Music School is also offering to fund six workshops afterwards.

A reminder again that I have a facebook page: 'Cllr George Jeans', for use to display some events I attend and may be other material. It is not a platform for conversation at present; I do not view it regularly, whereas : [george.jeans@wiltshire.gov.uk](mailto:george.jeans@wiltshire.gov.uk) or : 07710 441599 I can usually answer quickly.

## **A303 STONEHENGE CONSULTATION**

Stonehenge is one of eight planned Highways England improvement schemes along the A303, A358 and A30 to link the South West and South East of England.

### **Progress Report**

Since the announcement of the preferred route in September 2017, Highways England has been developing the scheme proposals to the stage where it would now welcome the public's views on its proposals.

The public consultation is now open, and will continue to run until closure on **Friday, 6th April 2018** at 11.59pm.

Feedback from this public consultation will help Highways England in its continued development of the scheme to the time when it submits an application for planning consent (known as a Development Consent Order) to the Planning Inspectorate.

### What's next

Further information about the consultation is available on the dedicated website at [www.highways.gov.uk/A303Stonehenge/consultation](http://www.highways.gov.uk/A303Stonehenge/consultation). From there, you can also use the consultation page to submit your views via an online response form, or download a response form to fill in and post to Highways England free of charge.

As part of the consultation process, Highways England are holding a series of public drop-in events where you can find out about the scheme plans and talk to Highways England's project experts. Everyone is welcome to these events and Highways England will be pleased if you go along, as it wishes to make sure that you get the latest, most accurate information about the scheme, and ask any questions you may have.

Of the 14 events being staged in the area of Stonehenge, the important one for us in Mere is the one on **Thursday, 1st March being staged in the Lecture Hall from 2.00pm until 8.00pm.**

## FREEVIEW TELEVISION RECEPTION PROBLEMS

### How to Cure

Over recent months many people in Mere have found their television reception has degraded significantly. The cause of this is the new 4G mobile services which are now available in this area; these cause interference with the Freeview signal. Filters which cure this problem are available from 'at800' which was set up specifically to deal with the issue. The website <https://at800.tv/> is where full information can be found.

For example from at800's FAQs:

#### **What are filters and how are they fitted?**

*at800 domestic/household filters are small boxes which block 4G at 800 MHz mobile signals, and in most cases enable you to carry on receiving watching Freeview as normal – we provide them free of charge. Each filter is smaller than a pack of cards and needs no batteries or external power supply. It will normally plug into the lead between the TV*

and the aerial. If you have a TV signal amplifier or booster, the filter must be fitted between the aerial and amplifier.

To contact 'at800' ☎: 0808 13 13 800 (free from landlines). The company will supply filters at no charge. We needed an engineer to fit a filter to our rooftop aerial and that was also free.

We can confirm that having filters fitted has dramatically improved our TV reception.

On behalf of Warminster Food Bank, a very big thank you for all your generous donations at our collection outside the Co-Op in December. We collected a 'massive' 190kg of tins, packets, toiletries and many festive treats. A big thank you to Ann Ridler, who has been a stalwart for this increasingly vital service and who is now taking a well earned rest from collecting, driving and delivering supplies.

We have now sorted four dates for 2018 collections, so please consider buying an extra tin or packet when you are shopping. The following collection dates for 2018 to be held outside the Co-Op, Mere, in aid of Warminster Food Bank, which covers Mere, are:

Saturday, 21st April	9.00am to 2.00pm
Saturday, 21st July	9.00am to 2.00pm

Saturday, 8th December	9.00am to 2.00pm

We will be accepting donations the week before these dates at KM Beauty (during salon hours) and Mere Co-Op. More details to follow in Mere Matters and on Facebook – Mere Mutters.

We are looking for volunteers to help us on these dates, so if you can help for a few minutes or an hour or two, please contact Katie at KM Beauty ☎: 01747 860081 (please leave a message if no reply). We will be grateful for any 'in date' food donations of tins, packets, jars, boxes and toiletry items.

## MERE RIVERS GROUP

### Wildlife Sightings for January

Many thanks to all of you who went out in January, despite the intrepid weather, and passed on your wildlife sightings. These were Little Egret – 14 times, and Kingfisher – 4 times. Grey Wagtail, Water Vole and a 9" Trout were all seen once and a flock of 10 Long Tailed Tits were seen on the Shreen along Waterside.

Now the days are getting longer, and spring flowers are in our hedgerows and on the river banks, there are many more opportunities for you to take a stroll along the rivers and streams and let us know your wildlife sightings. Please send them to ✉: [mereriverwildlife@btinternet.com](mailto:mereriverwildlife@btinternet.com)

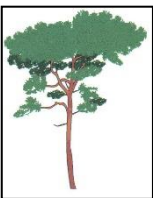

### Nature Notes

Over the next month we would expect to see less of the Kingfisher and Egret as they will be moving to their nesting areas. We should see more activity from our Water Voles as they start to breed.

Water Voles breed from March to September and have up to 4 broods a year. The young born in March/April can themselves breed by the end of the summer. The average life of a Vole is about a year as they are killed by most predators e.g. mink, rats, owls and domestic cats.

At the end of the month you may see the return of the first summer migrants, Chiffchaffs and Willow Warblers are usually first.

Please enjoy our streams and report your sightings to ✉: [mereriverwildlife@btinternet.com](mailto:mereriverwildlife@btinternet.com) Lynne Bann ☎: 01747 860174

## Vital Journeys – Vital Link

### January Journeys

Getting to vital medical appointments can be difficult in this area for those without transport. In January the **Link Scheme** voluntary transport service made 91 journeys for clients from Mere and surrounding villages. Our volunteer drivers help people get to medical and other appointments where no other means is available. We are glad people offer their services in this way and are pleased to have had some enquiries from potential drivers. We are always open to more offers. After all, a number of our drivers are older than our customers and there comes a time when they have to retire. Having more drivers also means we call less frequently on peoples' time.

### Social Event

We held an enjoyable post Christmas drivers' social evening on 26th January. Despite this clashing with Yeovil playing Manchester United in the FA Cup we had a good turnout! Drivers were able to meet other drivers, and the co-ordinators who call them to arrange their drives. We were delighted to welcome the **Pearly King and Queen of Harrow** as our guests following their donation to the Link and to receive additional donations from Dick and Brenda Morris and Di Potter.

### Safe Data

Behind the scenes we are preparing for the introduction of the GDPR. GDPR sounds like the initials of an oppressive and secretive state. In fact it stands for **General Data Protection Requirements** and from May 2018 it will be the new standard replacing the current Data Protection Act. As a Charity we must ensure that any personal data that we hold on clients and drivers (e.g. name and address), conforms to the new legislation. From our researches so far you can rest assured that this will not mean more red tape or questionnaires! While it affects our internal operations, our drivers and users will see little difference.

# MERE AND DISTRICT CHAMBER OF TRADE

## Annual General Meeting Report

Mere and District Chamber of Trade held its Annual General Meeting on Wednesday, 31st January 2018 at The George Inn in Mere.

Hamish Bell, President of Mere Chamber, thanked all the committee for their dedication over the last year. Throughout 2017, the Chamber had maintained membership of Visit Wiltshire as a Town Partner to endeavour to encourage tourism and visitors into Mere. The Chamber also supports 'The Walking Maps' and 'Mere Meanders', available for purchase in local establishments, which have proved very successful for both visitors and people living in and around Mere to use in their exploration of the stunning local countryside.

Hamish reiterated the Chamber's view that the town needed employment facilities more than new housing and had joined together with the Town Council to address keeping the car parks free of charge.

The Chamber hosted an Emergency First Aid at Work Training Course in Mere on the

28th October 2017. This is the third time that this course has been made available in Mere, and it once again proved successful. It was run by recommended professional trainers. A recognized Proficiency Certificate is awarded on completion of the course and is valid for 3 years.

The Chamber Committee was re-elected for a further year, with Hamish Bell as President, and continues to work towards supporting the local business community.

If you would like to know more about the Chamber and its work and activities or would be interested in training courses for your organisation, please get in contact with us. Watch this space for further details of our meetings and we look forward to seeing you at a Chamber event or meeting in 2018.

Italian wife, Rachel (**Rachel Weisz**). When Rachel arrives for a visit, he falls under her spell. Is she only seducing him for the estate or is her affection genuine? Wednesday, 14th March 7.30pm Grove Building

Subs will be collected at the AGM and are £10. This includes 8 monthly talks, discounted shopping at local Garden Centres, summer visits, a New Year Social and a mid-summer Garden Party.

The AGM is a very relaxed occasion and fun as we vote for our favourite exhibits to determine the winners. Bridgit's last talk was very popular so don't miss the chance to hear her speak again.

Schedules for this year's Spring Show are in the Post Office window and anyone is welcome to take part except for the Mere garden Club items (MGC).

**£2 entry for visitors who are very welcome.**

**Mere Garden Festival**

Plans are moving forward for our new event on Saturday, 1st September. We hope our new Show format will appeal to you and will prompt you into participating, whatever your skill level! The show will be open to EVERYONE whether a member or not of the Garden Club. The aim is to move away from the rather off-putting precision of traditional shows and towards including many more entries especially from novices. The various categories will be judged and certificates and rosettes will be awarded to outstanding entries- but the silverware (i.e our cups) is being put to bed!

The new-style Schedules and registration forms will be available from Sprout and Flower in April so you can begin planning soon.

## SPECTRA MUSICA IN WINCANTON

Spectra Musica, which includes singers from Mere, will be singing 'Motets, Madrigals and More' at St Luke and St Teresa's Church, Wincanton on Saturday, 17th March, in another lively concert led by their very talented Musical Director, Peter Leech. The group's programmes are always a colourful mix of words and music from many eras and styles.

Vautor and Bassani were 17th century composers, Brahms 19th century, and Villetto, Lloyd Webber and Seiber 20th century, all adding to the evening's variety.

The talented pianist Caroline D'Cruz will also feature in the programme as well as accompanying the group.

## MERE MUSEUM

Our new exhibition 'Mere's Amazing Neighbours' has been attracting large numbers of visitors who have already added some very complimentary comments to the visitor's book. If you haven't seen it yet, do pop along to the Museum. There's lots to see and learn - it's a very good way to pass some time during these cold and wet days. Visits to the Museum are always free.

We would also like to give you advance notice that we are planning a **Big Museum Event**, to take place in the spring (if it ever comes). Plans are under wraps for the moment but tea and cake will definitely be involved. Look for the date in the next edition of Mere Matters!

*Jenny Wilding ☎: 01747 860908*

## FRIENDS OF MERE MUSEUM

At last, the news you've been waiting for! Our first fund-raiser of 2018 will be a **Quiz Night**. The date is **Friday, 27th April** - please put it in your diaries now while you think of it - you won't want to miss it. Refreshments will be available and there will also be a raffle. More details next month.

Not long after the Quiz Night will be the Friends' famous **Plant sale**. For now just make a note of the date: **Saturday, 12th May**. But, in the meantime, don't forget to pot up volunteer seedlings, and when it comes to splitting up too-large clumps of plants, please save a few pieces for the sale!

## MERE AMATEUR DRAMATIC SOCIETY (MADS)

Our next production is coming on in leaps and bounds! It is 'A Mere Variety Show', and in case you didn't make a note of the dates, you will be able to see the fruits of our labours on Thursday to Saturday, **22nd - 24th March at 7.30 p.m.** in the Lecture Hall.

The production is a celebration of the life of **Sharron Glide**, and the many and various contributions she made to MADS over many decades, all sadly cut short last year.

**Tickets, at £10 a head** which include a ploughman's supper, are **now on sale** at the Library. Ticket numbers are limited so you would be wise to book as soon as you can.

Any queries, please contact Penny Allen on ☎: 07539 329798 We look forward to seeing you there!

## **MOTHERS' UNION AND OPEN MEMBERS' GROUP**

Mothering Sunday is on 11th March this year, and we're encouraging everyone who can to participate in MU's 'Make a Mother's Day' campaign with its imaginative ideas to bring hope and new opportunities to disadvantaged mothers and families in Guyana, Rwanda, Uganda, South Sudan, Papua New Guinea and other countries around the world – as well as in the UK. By giving an alternative 'gift of hope' – perhaps in thanksgiving for your own mother – you can make a real difference to poor families and communities. (Please ask for a gift catalogue if you would like one.)

For our regular meeting **at 2.30pm on Tuesday, 13th March in the Grove Building** Jenny Wilding is coming to enable us to discover the history, purpose and meaning of the very rare, and recently renovated royal coat of arms above the main Church door at St Michael's. Everyone welcome, as always.

## **DRESSMAKING IN MERE**

We are eagerly awaiting our next course in March. Having done some successful advertising we are welcoming some new people along with many of our regular Dressmakers. We still have a couple of places on Tuesday mornings and always like to have a waiting list which is useful for the Wednesday evening course.

We have quite a few people for whom Dressmaking is quite new to them and they enjoy learning a new skill and making clothes for themselves or their children that fit well. We have a suppliers list for fabric and encourage recycling of fabrics that deserve new lives.

If you would like to know more we really like to encourage people to come along to one of our existing mornings or evenings to see what we do and to meet the dressmakers and they enjoy showing people their skills. Phone me, Carol, to arrange this.

Do look at our Facebook Page "Dressmaking in Mere" for photos etc. Or phone one of us on the numbers below. We look forward to hearing from you.

# ROSEMARY GODDARD CENTRE (RGC) for the over 60s

Mere and District Day Centre, Lynch Close, Mere  
Mondays and Fridays 10.30am to 3.00pm

## From the Trustees

Looking back over the thirty years since Rosemary Goddard had the vision to set up our Day Centre for Mere and District, the charity sector has evolved and formalised, particularly in recent years. This means that we now work to a framework of quality standards, for which we are accountable to our main funders, primarily Wiltshire Council – in other words, all of us in the local community.

In outline, these standards cover:

Governance and management of the organisation; financial probity; consultation with, and involvement of, the users and the wider community; design and delivery of services and activities appropriate to the needs and capabilities of the guests; ensuring that the admissions criteria are attuned to identify those who will benefit most from the service.

Our centre manager, Sandie Hawkins, devises a comprehensive programme of activities according to the quality standards for service. The Trustees are responsible for general oversight (governance) and for financial supervision, including fundraising. Close and happy teamwork between the trustees, Sandie, Jean Rodrigues (our volunteer coordinator) and, not least, our volunteers, is the essential key to our success in maintaining these high standards.

We will be celebrating our thirtieth anniversary later this year, and the support we have had from the local community. Watch this space! *Chris Dillon Chair of trustees*

## MERE BOWLS CLUB

On Tuesday, 30th January, we held our annual dinner and presentation, which is the highlight of our social calendar and, for the first time at the George Hotel in Longbridge Deverill.

After an enjoyable meal, the following winners of Club competitions during the last season were presented with trophies and prizes by President Tom Cardoza:

John FitzGerald, Alan Inwood and Les Manwaring in the Triples cup.

Maggie Phillips and Bob Holdom in the Mixed Pairs cup.

Mary Butchers and Karen Guy in the Two Wood Pairs cup.

Don Butchers and Anne Sidford in the Open Pairs cup.

## MERE CROQUET & BOULE CLUB

Croquet is great fun, a game for all ages to play. We are having an Open Day on Saturday, 14th April at 2.00pm, where you can drop into the Club at the top of Steep Street in Mere, meet the members, find out more about the game and play croquet. Wine and Nibbles will be available.

Whether you are a complete novice or an experienced player, you will be welcome.

Our usual times for playing are from 2.00pm on Saturdays and Sundays from April to the end of September. No equipment is needed, if you don't know how to play, members will teach you, so come and have some fun and play a game of croquet. We would love to see you, please come and try - you will love it.

*Avril Fletcher* ☎: 01747 861285

## MERE SNOOKER CLUB

We have recently recruited several new members and the future of the Club is looking more promising. However, we are still in financial difficulties due to the increase in rent from the landlords. We are the oldest Club in the town and it would be sad to see it disappear.

If you are interested in what we have to offer, give me a ring or send an e-mail.

# Mere School

## Reception Class

Blue class are now half way through their first year at Mere School. They have been working really hard and learning lots of new things.

This term the children have been learning all about 'People who Help Us'.

## Vet

The children had a visit from the vet. The vet explained to the children how it is their job to look after all the animals.

The children were told all about how to care for their pets and what to do if they are poorly.

## Police

The police also paid a visit to the class. The children learnt all about how to keep themselves safe and what to do if they get lost. Road safety was also discussed and the children now know exactly how to cross a road safely.

## Fire Engine

A fire engine arrived at the school and Blue Class got the chance to look inside and see what special clothing

the fire service wear. They were also taught all about fire safety and what they should do if they ever discover a fire.

## Paintings

The children have painted some amazing fire engine pictures. They thought carefully about mixing colours and the shapes that they needed.

## Thanks

The children would like to thank all the people who came to talk to them this half term. They have really enjoyed all the visits and have behaved beautifully for all the adults.

# LETTER FROM "CHURCHES TOGETHER" IN MERE & DISTRICT

## A Blink of History

### Thoughts after an impromptu picnic on Easter Monday, 2011.

A story teller came and sat on our hill. In his mind's eye he saw the friends and lovers, husbands and wives who, down the years, had sat and watched as he was doing, their joys and sorrows, tears and passions safe now in history despite his invasive imagination probing the lives out under the gabled roofs clustered about the ancient church in this green heart of England.

Climbing higher he suddenly encountered men-at-arms, sentries on the ramparts of their castle, long since gone – its warrior stones enjoying settled domesticity in the walls of the buildings below and the farms beyond.

Strange, he thought, as he looked out again, how old church towers, buttressed and spired, resemble astronauts' spacecraft reaching for the stars.

.....

Through our hopes and aspirations, in our care for one another, for our families, our homes, our surroundings and amenities we are all part of what makes Mere such a special place to live. Together we write our chapter in its long and fascinating history.

Peace be with you.

John

*John Page left Wiltshire in 1969 returning in 2009 to make his first home in England since 1973. He is a retired Minister of the Church of Scotland and has worked in many parts of the UK and Europe.*

## IN MERE & DISTRICT

This year, Lent began on Valentine's Day: a reminder, perhaps, that, in all Church traditions, Lent is a time for renewing our love of God and of other people.

One way of doing this might be to consider being a volunteer helper for the new Alzheimer's support group starting up this month, meeting fortnightly on Friday mornings in the Grove Building. They are seeking volunteers to help with refreshments and in

other small ways. To find out more, please contact their volunteer coordinator Annie Clayton by e-mail  [AnnieC@alzheimerswiltshire.org.uk](mailto:AnnieC@alzheimerswiltshire.org.uk) or : 01225-776481.r

Three Churches Together Lent Lunches (not five, as we stated in February Mere Matters) will be held on 2nd, 23rd and 30th March (see separate article on page 28). The last Lent Lunch is on Good Friday and will follow on from our Walk of Witness up Castle Hill, leaving from The Square at 11.00am. All those unable to walk up the hill are very welcome to 'Stations of the Cross' at St Mary's RC Church at 11.30am.

There are two main Lent Study groups this year and anyone – wherever you live - is welcome to attend either course. The Mere group's subject is 'Same but Different: Reflections on Different Christian Perspectives' and although started in February, it will meet in the Small Hall of the Grove Building on Sundays in March at 6.00pm as follows:

11th March	Roman Catholic Church (Deacon Michael)
18th March	United Reformed Church (Revd Colin Marsh)

On Sunday, 4th March at 6.00pm we will share ecumenical Taize-style worship in St Michael's Church – Everyone is welcome to come.

The Upper Stour course 'Towards Wholeness' is a 5-session exploration of healing, in the Bible, today, and in the future.

There are three possible times and venues for this course, all of which started in February:

- Fridays 11.00am Church Room, Zeals
- Wednesdays 7.30pm Dovecot Barn, Kilmington)
- Thursdays 1.00am Randalls Barn, Bourton

Please contact Rev'd Graham Perryman  [parishoffice@upperstour.net](mailto:parishoffice@upperstour.net) or : 01747 840221 for further details, or to book a place.

Everyone is also welcome (including men!) to the Women's World Day of Prayer service which takes place at 11.00am on Friday, 2nd March at the United Reformed Church, Mere (opposite the Post Office.) The first Lent Lunch will be held there after the service.

Last but not least, please be sure to keep clear Wednesdays, 16th or 23rd May from 10.00am-3.00pm for a Churches Together in Mere and District Quiet Day in the beautiful surroundings of Sedgehill Manor. Last year's Quiet Day was so popular that we've booked two dates this year so we can fit everyone in. More details next month.
