# **DR ANDREW MURRISON, OUR LOCAL MP AND MERE RESIDENT, WRITES**

## **Westminster's worst week ever**

On Sunday 10th May, I stepped off a Tristar at Brize Norton after visiting troops in Afghanistan and right into the eye of a storm that has shaken us to the core.

I hesitate to write about MP's expenses because everything is changing so fast and I am at risk of being out of date by the time this goes to press. However, I'm an optimist and hope that Westminster will regain some sort of even keel in the days ahead.

Past performance suggests that I may be disappointed.

The unusual thing about this scandal is that it touches politicians right across the political spectrum and implicates all of us. There's some grim comfort in that, but what it has meant is that people have no apparently virtuous organisation to turn to and, as a consequence, have turned on the collective, Parliament itself.

There is a temptation to accept the headlines that have been screaming at us without question. But, for all its hubris about public interest, the press is motivated by its voracious appetite for increased market share to benefit proprietors and shareholders and pay the mortgages of its employees. Whatever journalists may suggest to the contrary, it is counter-intuitive to suppose that MPs are any more or less venal than any other sector of society.

What then had led us to this sorry pass?

Well, firstly the most extraordinarily relaxed rulebook, secondly an over-reliance on the Commons authorities as arbiters of what is reasonable, thirdly risible checks and balances based on the conceit that MPs are 'honourable members' when they are no more honourable than anyone else. Finally, an ethos that the sum allotted for allowances was to be regarded as virtual income, apocryphally a mindset fostered over years as a sop to MPs that were required to exercise wage restraint.

And the pity of all this, is that had the Commons not bent over backwards to prevent disclosure we would not now be in the pit of despair that threatens the very fabric of democracy in this country.

At times like this, it is customary to search for a glimmer of hope and I suppose it is that, even with this scandal, our politics are probably among the least corrupt and avaricious in the world. In that thought lies the Mother of Parliament's last vestige of dignity and the foundation of its recovery.

# MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be held at 7.30pm in the Andy Young Pavilion on **Monday, 1st June 2009.**

## **The New Chairman writes:**

This is my first report as Chairman of Mere Parish Council. I was elected at the Annual Parish Council meeting held on 11th May 2009 and I would like to thank my fellow Councillors for their support and I undertake to serve the community of Mere to the best of my ability. The outgoing Chairman, Cllr. Rodney Coward, was elected as Vice-Chairman. I would like to take this opportunity to thank Cllr. Rodney Coward for all his sterling hard work and dedicating so much of his time for the benefit of the community over the last two years. At a time when the media is brimming with stories about the lack of honour amongst some of our politicians, it is reassuring to know that at the grass-roots tier of local government, there are honourable people willing to give up so much of their time and resources.

At the May Parish Council meeting, the following councillors were appointed or re-appointed to represent various groups within the community:

<b>Organisation</b>	<b>2009/10 Representative(s)</b>
Youth Club	Cllrs. R. Coward & C. Hazzard

## WORKING TOGETHER TO 'GET THINGS DONE IN MERE'

**Are you part of a group in the Mere Community Area?**

**Would you like to like to work with other groups to get more done?**

**Have you got ideas about how to improve things in the area?**

**Are you an individual who would like to get involved, but you don't know how?**

If you can answer 'YES' to any of these questions, we would like to hear from you!

Wiltshire Council is working with Community First and local volunteers to develop a network of local people who are passionate about preserving and improving the Mere way of life.

A small group has already met to consider ways of developing a **Community Area Partnership**. Some of the ideas considered include:

- Holding a Community Fair to raise awareness of what is already happening locally, giving organisations an opportunity to talk to each other and share ideas
- Supporting local business, employment and tourism
- Developing local community transport
- Sharing resources to get more done

There is so much already going on in the area! By working together in a Community Area Partnership, even more people can get involved.

There is funding available through the new Wiltshire Council Area Board. The Area Board will support Community Area Partnerships to deliver local projects. There is also help available to apply for other grant and charitable funding.

If you would like to be involved in this exciting opportunity, please contact Lesley Taylor at Community First ☎ 01380 722475 or email: [ltaylor@communityfirst.org.uk](mailto:ltaylor@communityfirst.org.uk)

## MERE POLICE NEWS

### Lock up – safe and sound

The spring weather is encouraging us all to spend as much time as possible outside either in the back garden or catching up with friends on the front door step. The sunshine makes us want to open the windows and let the breeze blow away the traces of winter.

Wiltshire Police want to remind people that unlocked doors and open windows can be a gift to opportunist burglars. There has been a recent increase in such crime which is being actively policed by high visibility patrols and detailed investigations. Residents can help prevent becoming victims themselves by following the advice below.

By remembering to lock front and back doors and not leaving accessible windows open in unoccupied rooms, it will reduce the chance of a “walk in” burglary taking place. Thieves will often target UPVC doors because they have a ‘double lock’ system, which means that when the door is closed it is not necessarily locked. Once inside handbags, wallets and car keys are usually easy to find and the burglary can take seconds rather than minutes.

When going out, securely lock all doors and windows – no matter what the temperature and no matter how long you intend to be away. ‘Just popping across the road for a minute’ or ‘just nipping down the shop’ is ample time for a criminal to strike.

Do be a nosy neighbour – tell us if you see anyone acting suspiciously in or around premises in your neighbourhood, and if possible, take the registration numbers of any unusual vehicles in your area.

Don’t approach any suspicious persons – tell us about them with as much detail as possible, and try to include personal descriptions, and what clothes they were wearing.

Detective Sergeant Andy Beaven said: “We live in a very safe part of the country with a very low burglary rate but there are still people who will enter your home to steal given the opportunity. It’s important that the public take a good look around their homes to see if they can identify possible entry points. If they can see any - then an opportunist thief will also spot them.’

DS Beaven continued: ‘Generally, thieves like the easy option so simple efforts like making sure that doors and windows are secure when you go to bed will put them off. Burglaries also happen during the day so if, for example, you are in the back garden, lock the front door. Simple advice but often forgotten.’

For more information on how to improve your home security please contact the local Crime Reduction Officers or your Neighbourhood Policing Team ☎ 0845 408 7000.

## **ROSEMARY GODDARD CENTRE (Mere & District Day Centre), Lynch Close, Mere**

**10.30am - 3.00pm on Mondays and 10.30am - 4.00pm on Fridays**

We celebrated May Day in a traditional way and invited several Mere people to join us. There was bunting, tea and cakes, folk songs from Pip Potter, country dancing by Zeals School, accordion playing from the Wild Goose Band and the Southern Breeze Line-dancers. As one of our Guests said, it was not just wonderful, it was magical. Many thanks to everyone involved.

Plans for the celebration began in March when Lynette announced that she was looking for pole dancers. 'Pole dancers!' everyone exclaimed. 'Oh sorry I meant May Pole dancers'. This was followed by a discussion about how sad it was that we were losing all our traditions. 'Well', suggested KG, 'I don't see why we could not do some pole dancing, we have the poles outside the community rooms, it would be good exercise for us'. 'Now steady on old girl', said LL, 'and you're very quiet MS, are you ok?' 'Oh yes I'm fine, I am just trying to remember where I put my hot pants!!' Our Guests are always willing to try anything at the Rosemary Goddard Centre - well nearly anything.

## **THE FRIENDS OF FIVES COURT**

The Friends of Fives Court would like to issue a gentle reminder that their Autumn Fair will take place this year on Saturday 5th September at 2.00pm. You might think this notice is a bit premature – after all we don't really know if we've hit summer yet – but we know the jam-making season will be upon us before we know it, and it would be very much appreciated if you could possibly make an extra jar or two for our preserves stall! Thank you in anticipation!

*Jenny Wilding ☎ 01747 860908*

## **MERE GARDENING CLUB**

The next meeting will be a visit to Shaftesbury Abbey Gardens on Wednesday, 10th June 2009 leaving the Salisbury Street Car Park at 5.15pm sharing cars.

Peter Holloway will take us around the peaceful walled Abbey Garden. St. Benedict encouraged the idea of self-sufficiency and endorsed the idea of manual labour. This meant that Abbey gardens would have provided herbs for culinary and medical use by the community. The plants you will see in Abbey Garden's Anglo-Saxon collection are just a few that would have been used by the nuns for flavouring foods, help to heal the sick and to dye cloth.

The medieval orchard was planted in the spring of 2004. The varieties have been chosen to span an historical period from the 15th century to the 19th century. Many of these varieties could have been grown in the Abbey orchard although not in the present location.

There will be refreshments after the walk. The cost is £5.00 per person. More details are available from me and I need to know numbers by Monday 1st June 2009. There will be another visit on 15th July to Gold Hill Organics. See next issue of Mere Matters.

## MERE MUSEUM

Your last chance to catch the current exhibition about the 1848 Tithe Map is almost upon you! It will close on Friday 26th June, and as it is unlikely that the map will ever be displayed again (due to its fragility), do make the most of this opportunity. The annotated photographic copy will, however, be available for consultation in the Museum in perpetuity.

Our next exhibition is to be about John Walton & Co. in Mere. We look forward to including new material, which has recently been donated to the Museum. However we would also be very glad of **YOUR help** with it! We should be delighted to receive any written memories of **working for** or **shopping at** John Walton & Co. to incorporate into the exhibition. And, if by any chance you have objects directly connected to any of the shops (things made or purchased there, items with Walton's name on them and so on), and if you would be willing to part with them for four months, we would very much like to see them with a view to borrowing as many as possible for display in the exhibition. Please contact Jenny Wilding (number below) until 7th June only, and thereafter David Longbourne (860243) if you can help. Thank you.

## FRIENDS OF MERE MUSEUM

The Friends' Plant Sale was a phenomenal success, thanks to everyone who gave plants and, even more importantly, bought them! An excitement-packed morning was enjoyed by everyone, and at the end of it all, we found you had helped us raise £745 no less. Thank you everyone, and may your gardens grow beautifully this summer!

The Friends' preview of the new exhibition on John Walton & Co will take place on Monday evening June 29th at 6.30 p.m. We are always pleased to see existing Friends at these convivial gatherings, but equally pleased to see prospective new Friends. Don't hesitate – come along and join us!

## **Georgina's Ramblings**

Another busy month starting with the arrival of our new furniture brightening up our foyer, you will now find cosy beanbags and sofas to snuggle down into when dropping in for a coffee and a chat, and lots of fun new toys for the children to play with during our drop in and Tiny Toes sessions. Our new staff, Kate (outreach) Danielle (assistant outreach and kidzone) and Natalie (our Administrator) have all started and are looking forward to meeting everyone over the coming weeks. Supporting all of our activities and the many changes, are our loyal volunteers to whom we thank enormously for their ongoing support.

Up in Kidzone we have new faces, both children and staff, and have started work on our new quiet room where children can go to chill out and listen to quiet music and see

twinkly lights set against the new blue ceiling. Here they can read, play quietly or just generally have a calm moment after their day at school. We have started our Bee Friendly garden with children planting sunflowers to see who can grow the tallest and also putting in other bee friendly plants; any contributions from your seedlings will be warmly welcomed.

We are already taking bookings for the summer holiday, so to ensure that your children get a place, give us a ring ☎ 01747861108 for a great time. We will be open from 27th July to 21st August, from 8.30am to 5.30pm.

Tiny Toes is attracting lots more children, Mums, dads and carers who are making new friends and meeting existing ones in our friendly relaxed atmosphere. The new toys are going down a storm along with messy play and art. Every Wednesday morning come and enjoy our themed Stay and Play sessions; art, cooking and singing.

A reminder to Child-carers and minders that Paula Woods, our local childminders co-ordinator, is here on the first Friday of every month to offer advice and support from 1.30pm.

Our Saturday Morning Football Skills Workshop has started this month to encourage Dads to come along with their kids and get a morning of exercise led by Terry Webb (UEFA coach from Bristol City Football Academy). This is not just football, but its playing and having great fun with your children.

On 19th July we are joining THE BIG LUNCH. This is an open-air bring-your-own picnic. The Big Lunch is all about sharing; lunch, friendship, food games, a sing-song anything that brings us together as a community. This is going to be a fun day with lots of home-cooked and, if possible, home-grown food. With your support it will be great, ☎ 01747 861108 if you want to join this great event.

We are recruiting volunteers who would like to gain an NVO in playwork, and Train to Gain have offered to run an open day – let us know if you are interested. In addition the Learning Zone has a number of IT and other events running, come with your knitting and stitching on Wednesday afternoon. We will be holding a Thursday craft afternoon from the middle of June. These are friendly drop in sessions, but do call for more information.

Messy Church is continuing to be a great success with huge support from all who attend so come and join the fun on the last Friday of the month from 3.00pm.

We look forward to welcoming you all from across the whole area, (if transport is a problem do let us know as we can help).

*Warm Regards – Georgina, the staff and the committee* ☎ 01747 861108

## MERE YOUTH DEVELOPMENT CENTRE

The young people have been busy as ever over the past couple of months. There have been a number of football & pool competitions. We have run a fruit smoothie bar at a county youth event, have participated in a circus skills workshop, and have spent a lot of time canoeing & kayaking in preparation for the 100 mile canoe test and, of course, there has been the Easter Leisure Credits scheme.

It is great to see that the hard work the young people have put in to widening and levelling the footpath around Long Hill has been appreciated locally – thanks to all who have stopped and spoken to the groups working up there and to those who have written to us or the Parish Council directly. In return for this hard work, young people spent three days over the Easter holidays at Calshot Activities Centre near Southampton taking part in lots of adventurous activities.

In June, we will be changing our opening times slightly to accommodate a request for a 'Girls Only' night, so our opening times from 1st June will be as follows:

# REPORT FROM MERE SCHOOL

May 2009

Oh yes, they're here again – the SATs for purple class. So, red class have written this month's article. In a way SATs are a good thing because it's an opportunity to show how well you have done in school and you get a bacon butty – yum, yum! The children think they are a bad idea as you have to do tests all week and no one likes that.

Mrs Chen and Ms Adie are student teachers working at Mere School. They are here until July working in Red and Silver classes.

On Friday 8<sup>th</sup> May the recorder groups and choir came together to perform at a special assembly. The choir included all ages and the recorder group KS2 children. They played different music and ended with 'Thank you for the Music' by Abba.

Soon, our very own Mrs Warmington will be retiring and we will be very sad when she leaves – we will never forget her. However, Miss Humphries (a familiar face in school) will be the new teacher for year 3. We are looking forward to welcoming her to Mere School.

Last month we had a maths games day which was great fun. All the children were involved and really enjoyed it. We had a chocolate challenge and had to collect stickers so we could win a medal for our team.

A lady has visited the school several times this term to talk to 4 classes about road safety and how to cross the road safely. We learned to 'Stop, Look and Listen' and at the end of the talk we were given a set of glow in the dark stickers.

Some of our year 2 children spent an afternoon at Gillingham School at a 'Multi-Skills Festival'. Mrs Harrison and Mrs Tealey went along as well.

## FRIENDS OF MERE SCHOOL

### Auction of Promises

We raised over £3,600 during our first Auction of Promises!! We would like to take this opportunity to say a huge thank you to everyone who participated with this event. There were so many people and businesses that assisted us that unfortunately, if we were to name them all here we'd take up 3 pages! However there are a few people whom we

like to say a special thank you to. Firstly all those who donated 'lots' without whom the event would not have happened. Thanks to Bob Parsons, Ben Marshall and Mark Cassidy for their amazing auctioneering skills. Thanks to Mark (again) and Sam Cassidy for hosting the event at The Walnut Tree and offering advice and support along the way.

Finally a huge thank you to everyone on the Friend's Committee who over the last few months have literally worked non-stop on the organisation of the Auction, in particularly Sam Cotton (Chairman) – who has worked tirelessly to ensure that the event was an enormous success.

### **Windfall Draw**

May's windfall was drawn during our last meeting and the winning number was No. 66 – Mrs Harrison – well done!!

### **School Summer Fete – Thursday 16th July**

This will be held at the end of the school day. We would be interested to hear from anyone in the local community who wishes to have a stall at our Fete – please contact the secretary for more details.

Thank you for your continued support. All proceeds from the events that the Friends of Mere School organise goes to supporting Mere School.

Please contact Mrs Bird (Secretary) ☎ 01747 828789 or leave a message at the School office.

## **MERE PRE-SCHOOL**

Mere Pre-School is pleased to announce a forth-coming event this summer to raise funds for its continuing development. On Sunday 5th July 2009 the pre-school staff and parents will don their 'pinnies and marigolds' and be serving a selection of light refreshments including home-made cakes, sandwiches, cream teas and hot and cold drinks at the Stourton Memorial Hall in the Spread Eagle courtyard of Stourhead Gardens.

This is an all day event starting at 10.00am but if time is permitting or weather too inclement for a walk around the delightful Stourhead gardens, the doors will still be open so please support your local pre-school and pop down for a cuppa!

If you would be interested in donating a home-made cake please contact the Pre-School ☎ 01747 863337 or Louise Harlow ☎ 01747 860647.

We look forward to serving you!

## THE REV'D PAUL BARNES, VICAR OF OUR PARISH CHURCH, ST MICHAEL THE ARCHANGEL, WRITES

I know this is highly unlikely...but if you attend a church in Birmingham on 7th June, Trinity Sunday, there is a good chance that the preacher will be a student who is training for the ministry at Queen's Theological College (or Queen's Foundation for Ecumenical Theological Education to give it its full title!!).

Every Sunday, students from Queen's are sent out to practice their preaching skills in one of the churches around the city, but the Sunday the college gets most requests for a student to preach is always Trinity Sunday. Why? Because most preachers find it very difficult to say something comprehensible about the Christian doctrine of the Holy Trinity, a doctrine which many people find totally incomprehensible!

Just in case you don't know what I mean by the Christian doctrine of the Holy Trinity, I offer you this quote from the extremely long Creed of St Athanasius, a 3<sup>rd</sup> Century Bishop of Alexandria who suffered great persecution and exile due to his defence of the doctrine of the Holy Trinity against very powerful and influential opposition.

*"And the Catholic Faith is this: That we worship one God in Trinity, and Trinity in Unity; Neither confounding the Persons: nor dividing the Substance. For there is one Person of the Father, another of the Son, and another of the Holy Spirit. But the Godhead of the Father, of the Son, and of the Holy Spirit, is all one: the Glory equal, the majesty co-eternal".*

Put more simply...Christians believe in One God who has revealed himself to us as Father- the creator; as Son - Jesus Christ, the redeemer, the human face of God; and as Holy Spirit - the unseen presence and power of God in the world today.

Why did Athanasius, and many Christians through the centuries, believe so strongly in the importance of the Holy Trinity that they have been willing to suffer and even die in its defence?

One answer to that question can be found in a recently published novel that has quickly become a bestseller in the USA and in this country. The novel is called 'The Shack' and it was written by William Paul Young and published by Hodder & Stoughton.

The main character in the novel is called Mack. The story begins with him suffering the great sadness of the death of his youngest daughter. She was abducted while the family were on a camping holiday. And although her body has not been found, her blood stained clothes were eventually discovered in a shack in a remote country park.

Mack receives a mysterious invitation to go to the shack which is signed 'Papa', his wife's name for God. Mack responds to the invitation and while he is at the shack he meets God, who, without giving too much away, is the Holy Trinity. God the Father, who happens to be a black woman (!), God the Son, a very recognisable Jewish carpenter, and God the Holy Spirit – an ethereal being called 'Sarayu' which means 'wind'.

What Mack discovers is that God is a relationship of love, and it is by observing and experiencing the relationship of love between Father, Son and Holy Spirit and finding his place within it, that Mack is eventually healed and is made whole.

What 'The Shack' reminds the reader is that God is love, and that love is the origin and the meaning of life, and when we live in a relationship of love we are reflecting the very nature of God. Without the doctrine of the Holy Trinity there would be no Christianity, and without Christianity we would not know that at the very heart of God there is an eternal relationship of love from which we came, in which we live, and to which we will return.

## **WORLD FAIR TRADE BREAKFAST**

I'd like to thank everyone for joining me last month to celebrate World Food Day or sending a donation. I have been able to send over £70 to Traidcraft Exchange, the charitable arm of Traidcraft, which helps producing groups develop their skills and businesses. Every little helps more families escape the grinding poverty that blights their lives.

## **EAST WINDOW at St Michael the Archangel Parish Church**

Thanks to the splendid efforts of Karyn Sheppard and Judy Bickerstaff, we had raised the money for restoration, but our application to restore the window and replace the "quarries" with clear glass was rejected by the Diocesan Advisory Committee (DAC), which favoured the replacement of the window with one of a new design.

We considered designs and designers and asked the congregation and community if they had suggestions, which resulted in the submission of eight designs. These were exhibited in the church throughout February 2009 for the congregation to consider, and they provided helpful comments to the Church Wardens. The results provided the information to write a detailed design brief to put to selected approved specialist stained glass designers.

At that point we had to consider the comments made on the window by Mr Martin Cherry in his new report on St Michael's under the "Rediscovering our Parish Churches

– English Heritage and Diocese of Salisbury Partnership Project”. Mr Cherry writes: “restored in 1852 and probably pre-1840 and possibly by William Wailes of Newcastle., an unusual mixture of grisaille, scrolls and emblems of the Passion - the fact that it is not entirely successful aesthetically needs to be weighed against its historic interest since 1830s glass is relatively uncommon. Proposals to modify the glass in the east window (or replace it with one to a new design) are still at an early stage but have been considered by the DAC. The window is unusual and it is hoped that a full analysis and evaluation of its significance be carried out before a final decision is made.”

Having heeded the Report’s advice, then although a new window would be preferable, the financial climate is not right to seek grants to augment the money we have raised locally, which does at least cover the cost of restoration of the existing window. We are now eighteen months past the deadline given by our Inspecting Architect for its restoration and re-leading and are keen to do the work before next Winter, to avoid structural failure and collapse.

We believe that our parish wide enthusiasm to create a new stained glass window could be satisfied in the longer term by working up a design to replace one of the several large clear glass windows on the North side of the church, once the country’s financial position improves and we can raise the necessary funds locally. We asked the DAC to issue a Faculty to restore the East Window in its current form, and it has agreed in principle to our request.

## **AFTERNOON GET TOGETHER**

On Wednesday 24th June at 2.30 p.m., Mrs Thelma Bywater will be visiting us from the Gideons. This is the anniversary of 60 years of Bible Distribution in the UK so it is a particularly interesting and inspiring subject.

Do come and share with us insight and encouragement from this important organisation.
