DR ANDREW MURRISON, OUR LOCAL MP AND MERE RESIDENT, WRITES

Like many Mere residents, I was greatly inconvenienced by the A303 closure even if the quiet was refreshing for those of us living alongside.

Admittedly, the disruption would have been very much worse had the Highways Agency's original plans gone ahead. However, it completed the work ahead of schedule, an unusual feat for a public body.

My abiding memory is the complete mess made of our B roads and their verges and the mockery made of the diversions by satellite navigation. I have previously tackled ministers about the "rat-running" encouraged by Satnav and will redouble my efforts. The technology offers a great deal, but it must not send unsuitable vehicles down narrow country lanes.

It was good to meet with the Parish Council to discuss the county-wide review of car parking charges. I understand the pressure applied by central government on local authorities to discourage motoring, but its agenda is a largely urban one and not geared towards the welfare of small market towns and villages.

It seems to me that there would be few beneficiaries from having to pay to park in relatively rural settlement like Mere. Charges would undoubtedly drive shoppers towards the larger centres and Mere has already lost too many shops. Furthermore, our relative isolation would mean a costly excursion for someone to come and empty machines and enforce payments.

I suspect that the net revenue that could be raised by imposing parking charges would be minimal at best. I've written to express my views as part of the consultation and hope we see some common sense.

MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be held in the Andy Young Pavilion at 7.30pm on **Monday, 12th April 2010**.

The Chairman writes:

We have arranged to hold the Annual Parish Meeting on Wednesday, 28th April at 7.30 p.m. in the Grove Buildings (refreshments will be served from 7.00 p.m.). This is a public meeting convened by the Parish Council where parishioners have the opportunity

to come along and discuss concerns and hear reports from various organisations in the town. Amongst other things, we shall be discussing the impact that possible proposals for car parking charges may cause and the Parish Council's future management proposals for Castle Hill & Long Hill.

Having tolerated all the problems associated with the closure of the A303, we are extremely pleased to see it re-open. We would like to thank and congratulate the contractors, Balfour Beatty Mott MacDonald, for their hard work in completing the job ahead of schedule and also for their co-operation and collaboration. We would also like to thank our local police for their help and assistance with the traffic problems.

We would also like to publicly thank the Highways Agency and Balfour Beatty Mott MacDonald for giving up the time, men and machinery to re-grade the Andy Young Pavilion Car Park and the Southbrook allotment track as a good-will gesture. This helpfulness is very much appreciated

For further information on Parish Council activities, details of meetings and copies of minutes, please go to the Mere website: www.merewilts.org or contact the Parish Clerk, Mrs. Lindsey Wood, ☎ 01747 860701 or e-mail: lindseywood@merewilts.org

Eric Mitchell, Chairman, Mere Parish Council

GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION, WRITES

The recent exceptionally cold weather has seriously damaged many of our highways, to compound this locally, the A303 closure has taken much of my time, requesting more and improved road signs, pot hole repairs etc.

Some HGV drivers have been ignoring clear weight restriction signs and using minor roads. Wiltshire Council (WC) has had to close a stretch of a minor road running from Monkton Deverill to Pertwood due to damage caused to the verges. However, the Council is reassuring people that any damage to roads caused by the extra traffic around the Deverills and Mere will be repaired. The Highways Agency has agreed to reimburse the council for the repairs.

WC has issued the following statement: "The Council is very much aware of, and understands public dissatisfaction with, the condition of local roads such as Wet Lane and Cunnage Lane where the verges in places have been almost liquified by "rat running" traffic in wet weather. Accordingly, this has been brought to the Highway Agency's attention asking them for assistance with resources. It has responded with offers of a video condition survey, the occasional provision of a road sweeper and the opportunity to drive these routes with them at the cessation of the closure."

The WC budget process is responsible for a very large amount of money delivering wide-ranging services right across the county. A large portion of the total budget of £885m is outside WC control and will be passed directly to the education sector. The amount WC spends on discretionary services has now been set. An average increase in council tax of 2.3% is the set amount. To harmonise council tax rates finally across the county, some residents will pay a little less and some marginally more, **including Mere**. Wiltshire remains one of the lowest government funded authorities in the country.

The government grant is expected to decrease by 5% a year over the next 4 years. The county has an ageing population with ever increasing expensive demands on our social services. WC are looking after more young people this year than ever before. Consultation with residents across the county, both at Area Boards and through the People's Voice, made it clear that their number one priority for expenditure was road maintenance and that front line services should be held at not less than their current level, particularly those for the elderly and for youth services. To meet these wishes, some increase in council tax would be expected by many, as has happened.

It might be of interest to readers that the new Wiltshire Council, with 3,255 square km (1,257square miles) is the third largest authority after Northumberland and Cornwall. WC maintain 4,400 km (2,734miles) of roads, look after 6,100km (3,790miles) of rights of way and maintain 40,000 streetlights. In the recent severe weather WC salted 106,200km (65,990miles) of roads. 200 council employed staff together with 84 contractor employees hand cleared footways, many to allow care workers to access to their clients' homes. 48 gritters and snow ploughs, together with 20 parish steward Land Rovers, were used and 28 schools requiring access for exams were cleared overnight on two occasions.

During 2009, WC opened eight more children's centres making 30 in the county including one in Mere. By the end of the financial year, customer services will have handled over one million telephone calls and there will have been over 15,000 referrals from people needing social care. By the end of January 2010, there were 2,452 recorded births and 2,429 deaths. In the last 12 months the caseload for Housing and Council tax benefits rose by over 9% to 30,478. 8,107 planning applications have been handled making Wiltshire the third largest nationally for the number of applications processed after Westminster and Cornwall. WC has completed £2.5m of major maintenance work in schools.

£100,000 is available for youth services through WC's 20 Area Boards with a recommendation that it should be prioritised for transport where required for young people in the county to access facilities available to them. This is a top priority as reflected in the youth transport conference in early March attended by over 100 young people from across the county. The under-spends in our Area Board grants budget for community projects will be rolled forward for use this coming year.

I have attended the Core Strategy Hearing at Salisbury reinforcing the wish for local rural parking to be more generous than in the urban environment, combined with the need for Mere to stay a sustainable community.

THINK SAFETY BEFORE DOING IT YOURSELF

As spring is upon us and summer is approaching Wiltshire Fire and Rescue Service has issued timely advice to all would be Do It Yourself enthusiasts.

Statistics and experience show that at this time of year there is an increase in calls, which are found to have been caused by activities associated with DIY. These range from fires ignited by blow torches involved in paint stripping, to electrical appliances and other equipment which may have been stored in a damp garage or shed over the winter period.

Always check that the task you are undertaking is within your capabilities. Take expert advice. Many of the modern DIY Superstores from which materials and equipment are bought will offer such advice. Safety instructions should be read in full and complied with."

Always: -

- Check you have the correct tool for the job.
- Ensure children and pets are safe, with obstructions removed from your workplace.
- If you have to check or repair an electrical tool, turn it off at the mains. Don't be tempted to cut corners because you are some distance from the power switch.
- Always uncoil electrical extension cables fully, as these can overheat and cause a fire.
- Never use multi-way adapters when working with high amperage tools.
- Gas appliances should only be repaired by an approved contractor.
- Flammable liquids should be used in accordance with manufacturer's instructions, secured in containers and used in small quantities, well away from the house and other risks – naked flames or cigarettes.
- Ventilate when using adhesives and flammable liquids by opening windows and door and always ensure that no naked flames or power tools are close by.
- If you spill a substance on your clothing or overalls remove them and clean them thoroughly.

Home makeovers are popular, but by following these simple rules, accidents, fires and tragedies can be kept to a minimum.

Remember to check your smoke alarms weekly.

MERE POLICE NEWS

Beat the Burglar

Please be aware that Tisbury, Mere and the bordering Dorset areas are currently suffering a series of high value dwelling burglaries. The favourite entry method used by the offender is to target houses whose occupants are out, sometimes during the daytime. The burglar will then gain access to the property via the rear of the house by any means available to him. This includes smashing a window or forcing doors open sometimes using garden equipment to assist him which he has found at the property.

The offender is particularly targeting jewellery, cash and high value portable items and may be parking his car some distance away from the target premises. We would urge you to call us if you see an unusual vehicle in your area, which looks out of place or cannot be justified. It might just be the lead we need to catch him!

Home Security

The best way to reduce your chances of becoming a victim of crime is through good home security. A lot of burglaries are opportunist and a burglar may see an open window or an easy point of entry and take their chances.

Sturdy locks on doors and windows can greatly reduce a thief's opportunity and gives you peace of mind too.

Speak to your local crime reduction officer for advice ☎ 0845 408 7000.

Neighbourhood Watch

One good way of reducing crime in your neighbourhood is by becoming part of the Neighbourhood Watch Scheme in your area. For more information please contact your local Neighbourhood Policing Team or the Police Neighbourhood Watch Liaison Officer.

ROSEMARY GODDARD CENTRE (RGC)

Mere and District Day Centre, Lynch Close

10.30am to 3.00pm on Mondays & 10.30am to 4.00pm on Fridays

Let me tell you about the Rosemary Goddard Centre. It was started just over 20 years ago when Rosemary Goddard, a greatly respected District Nurse sought to provide some variety and outside interests for the elderly, often housebound and lonely, local residents. With her initiative, and with the invaluable assistance of Age Concern in Salisbury, the Mere Day Centre, as it was originally known came into being.

The Centre provides companionship, stimulation and fun for people over 60 years of age. Our guests' ages range from 63 to 97 years both men and women. We take care of each other and laughter is the order of the day. We are unable to accept people with dementia, but do have independent people who are slightly disabled. The Centre is open on Mondays and Fridays at the above times and we offer discussions, debates, quizzes, talks, reading and games groups, outings and events. Relationships are formed which continue outside the Centre reducing loneliness and isolation.

In the forthcoming year we have plans for a visit to Yeovilton Airfield, Longleat, and we also plan a Tea Dance and a party in July, "Not the Independence Day Party", which will be held in Lynch Close and all are welcome to join us to meet and make new friends.

Details for all these events will be on our programme which is displayed in the Library and on the notice board outside Waltons of Mere. We are always looking out for volunteers so if interested contact Lynette.

NEWS ABOUT LINE DANCING

It is with deep regret that Lynn and Paul Mills of Southern Breeze Linedancing Club announce that they have taken the very emotional decision to cease their classes at the end of March this year.

Lynn and Paul brought Southern Breeze Linedancing Club to Gillingham in September 2006 and started their Mere class in June 2007, since when, as many of you will know, they have always offered their support to local events and charitable organisations.

"It was never intended for the club to be solely a profit-making organisation; it was started because we wished to meet and make friends within our new community and encourage others to experience and share in, our love of dancing. However, there comes a point, when what should have been a self-financing community activity has become a very expensive hobby.

"Unfortunately, due to declining numbers at both classes, we now find ourselves with no alternative other than to call it a day. Therefore, the last class in Gillingham will be on Wednesday the 31st March 2010 and at Mere on Thursday 1st April 2010.

"It is also with regret that we will no longer be able to present demonstrations at local charity events or raise funds, to assist these organisations, in their endeavours."

Lynn and Paul would like to thank their most stalwart members, who have also become very good friends, for their continued support and wish them happy dancing at whichever new venue they choose in the future.

**Book a Stall Now for your Organisation on
23rd October!**

17th – 23rd October is **One World Week** and we have booked the Grove Building on Saturday 23rd October for an event to celebrate being part of the 'Global Village', with the opportunity to enjoy and learn a little about other cultures and life-styles.

The main focus of the event, however, as its name suggests, is to contribute just a little to making the world a fairer place. We hope there will be a variety of stalls selling

The main focus of the event, however, as its name suggests, is to contribute just a little to making the world a fairer place. We hope there will be a variety of stalls selling goods to support fair trade and greater opportunity for people living in poverty throughout the world.

Any organisation or group in sympathy with the aims of One World Week (website: www.oneworldweek.org) is very welcome to book a stall. As well as fairly-traded goods, we would welcome display and information stalls, and anything which might contribute to a sense of celebration of cultural diversity and the promotion of peace and justice in the world.

There is no booking fee as such, but to secure your stall, please complete a booking form (obtainable from the organisers – see below) and send it or bring it with a deposit of £5.00 **which will be returned to you on the day**, provided you come along and run your stall.

WEST WILTSHIRE WOOD TURNER GROUP

Despite the initial interest and enthusiasm, the February meeting was very poorly attended. Those who did attend enjoyed themselves immensely with a variety of demonstrations and hands-on experiences as well as watching an instructional film show.

With such little support we unfortunately need to review the viability of the group and hence the March and April meetings have been cancelled.

Anyone interested in joining the group is urged to make contact through the links on the group's web site at: www.WWWTG.co.uk or by telephone to me, Richard Jefferies

TOOLS FOR SELF RELIANCE

Last month's plea for your old tools and machinery provoked a massive response. Thanks to everyone who responded. Your contributions will have been delivered to the sorting depot by the time you read this article and I know they will make a huge difference to the lives and communities in Africa when they arrive there.

The appeal just goes to show how much we all hoard items we no longer require. I am certain that once the word gets around that this is an on-going appeal we shall all have far more room in our garages, sheds and lofts for all those other items to be stored. Go on, have a Spring-time clearout!

Related tools and equipment accepted include: all woodworking and metalworking tools, drill bits, blacksmiths, bicycle tools, shoe, auto-mechanic, electrical tools/meters, arc welders and heavy duty drills and grinders. Also, sewing machines. For more details on the charity go to: www.TFSR.org or contact Richard Jefferies.

MERE SNOOKER CLUB

For those who have enjoyed watching all the thrills of the recent competitions on television, don't forget that Mere has its own Club – in Salisbury Street. Here you can develop your existing snooker skills or, if you have never been near a snooker table but would like to, then give the Secretary, Kevin, a call ☎ 01747 860305. We are a small, friendly group with very reasonable rates and we would love to hear from you.

The Club are looking at the possibility of starting a youth section, one night a week from 6.00-8.00pm. If you, or a family member would be interested in coming to this, please ring committee member Mike Gladding ☎ 05601 791309 (yes, this is the correct number!)

MERE CRICKET CLUB

As Spring approaches, it is time once again to prepare for the forthcoming cricket season.

This season will be an exciting one for the juniors, as Mere has entered the Under 11's and Under 13's in the North Dorset League for the first time. The first match will be played on 4th May, so we are very keen to see as many faces as possible, old and new, at the coaching sessions on Friday evenings.

The first coaching session will be on Friday 30th April and they will start at 6.15pm for all age groups (we take children from age 7 upwards) at the Andy Young Pavilion (the old school field). We will need a registration form completed and signed when the child first attends.

The adult side will be looking to build on their second season in the 3 Counties League (Sundays) after a respectable 6th place finish last year. Indoor nets are taking place every Sunday evening (6.00 – 8.00pm) throughout April at Warminster Cricket Club. Everyone, of all abilities, is welcome to come along and get involved. The first matches are on 2nd May, home to Shaftesbury (2.00pm start), 9th May home to Stour Provost (2.00pm) and 16th May: Mere vs Mere Old Boys (2.00pm). Mere Cricket Club hereby issues an open invitation to everyone to come and watch the matches - we look forward to seeing you.

We are always on the lookout for anyone thinking about getting involved in the club at any level, from playing, to coaching, to umpiring, to making teas, and we would be delighted to hear from anyone who is interested. Please feel free to contact either myself or club captain Matt Pitts, or Mark Cassidy at the Walnut, for further information.

Lastly you can now catch up with all the club activities fixtures and results on our new website: www.mccwebsite.webs.com *Kevin Whitmore* 📞 01747 860639

1ST MERE BROWNIES

We have been very fortunate to receive a Community Grant from Wiltshire Council, which has enabled us to provide a commemorative neckerchief and badges for the girls that will be a lasting memento of the Centenary.

We are continuing to enjoy the Centenary year and recently celebrated Thinking Day when we had a fun evening, cooking, learning to play the African drums and making masks, before renewing our promise in a special ceremony at the end of the evening. Donations of non-perishable foods from the Brownies were collected and sent to the

Trussell Trust food bank and money donations collected were sent to Foxlease (our Guiding House in the New Forest) towards refurbishment of the Wiltshire room.

We are planning to participate in two County events. The first is in June, at Berwick St James, which will be a day of fun activities, crafts and games with theme of "Gruff the Golden Dragon". The second event in September will be a grand day out at Longleat for Rainbows, Brownies and Guides from Wiltshire. There will be activities as well as the opportunity to visit the attractions and also a tour of the Safari Park. We are all looking forward to the fun that we will have there.

SONGTIME

"SongTime" is a new Friday morning music group starting in Mere on Friday 23rd of April at the Methodist Church Hall, North Street. It will be a lively weekly music group for babies and toddlers and will be run by two experienced music teachers. Each class will combine old-fashioned nursery rhymes, modern popular childrens' songs, actions and percussion instruments to create a high quality music session for the very young.

Each week songs are introduced or developed with plenty of repetition of particular favourites! The aim is to provide a fun and interactive class in a relaxed and informal environment, which parents can enjoy as much as the little ones. There are percussion instruments for little hands to play and props to really make the songs come to life, teaching basic music skills such as listening, keeping a steady beat, pitch, sharing and working together. There is no CD, all the music is played live and at a speed to suit the children. To find out more please contact:

MERE SCHOOL

March 2010

Book Week

Mrs Taylor organised a very special book week for us. Books were on sale all week and we managed to raise almost £400 in new books for the school. On one day, the whole school dressed up as book characters. There were Harry Potters, Star Wars people, James Bonds and Supermen. We came back one evening for a 'Bedtime Story' and all the classes visited the library. Many of our parents and friends came to read stories to us in school and we all had the opportunity to take part in a competition.

Hockey Tournament

On Wednesday 3rd March our year 5s and 6s went to a big hockey tournament at Gillingham School. Lots of schools in Wiltshire and Dorset were there. We won 2

games and then drew the third, but we found out that we had got into the semi finals! After a 2-0 win we got into the FINAL! It was a close game and we won the whole tournament! Everyone was very proud of us!

Natural History Museum

On February 25th Red Class went to the Natural History Museum in London. We met at Gillingham Station and caught the train, and then the tube and then we walked up the subway. We saw loads of stuff, including a HUGE dinosaur exhibit and we did a lot of sketching. They had some wonderful displays. On the way back the train that we were meant to be catching got cancelled! I did an interview with some of the lucky people:

EK: What was your favourite bit of the museum?

PN: I liked the giant moving T-Rex, it would be cool to have one in my garden!

EK: When did you feel most tired?

HN: Towards the end! My legs ached so badly when I got home!

EK: What did you enjoy most in the day?

ZH: My first trip on the underground!

Davison Trophy

Our school won the first round of this football cup but unfortunately, we were knocked out by a school in Blandford. They were very good and beat us 5-1. Mr Marshall was very pleased with our performance and he said we represented Mere School very well.

Footprints Update

Life at Footprints has been hectic over recent weeks. We have survived staff sickness, a change of administration manager, and Danielle's departure on maternity leave. Danielle assures us she will come and help out during her leave, which those of you who know her will appreciate, as she is a real star, with a professional attitude delivered with natural charm and care for all. We'll miss her on those occasions when she is not here, but we know that Jane Smith will step capably into Danielle's shoes and make you all feel welcome.

Out and About

While Mere-based, our 'patch' includes Hindon, Maiden Bradley, Zeals, Kilmington, Semley and the Knoyles. FR BEDE ROWE, THE CATHOLIC PRIEST OF MERE, WRITES

A Meditation on the Cross

"...but we preach Christ crucified: a stumbling block to Jews and foolishness to Gentiles..." 1 Corinthians 1.23

It does not take a genius to see that we do not live in a world of joy and happiness. And it does not take a genius to see that we poor human beings can be part of that problem. By our actions, attitudes and thoughts we can hurt and harm ourselves and others. The world is a messy place, and our lives can be none too clean either.

When He took our flesh and God became a man, he entered into our human lives, with the trials and tribulations that brings, and He saw, at first hand, the situations we get ourselves into, the emotional and physical depths to which we can plummet.

God did not wave a magic wand and make everything better. What good would that have done for us? We would not be responsible for our actions, but would simply rely on an all powerful God to get us out of the mess that we create. We would always be helpless children being picked up from the mud by our loving Father, but never taught the consequences of our actions.

Well, if we want to see those consequences, look at the figure of Christ crucified. Look at His hands and feet, the nails of violence piercing His sacred body. Look at the mocking crown. Look at the flesh, torn and bloody. His laboured breathing. His agony. His thirst. His humiliation. His eyes of love clouded with tears of blood. His last gasp. His death.

What has my Lord done to deserve this?

He has loved me with a love that will go to the point of torment and mockery for me. He will enter into the mess I have made of my life and he will take it on Himself, so that I can see it, in His body on the cross. He gives up His life for me, and takes the consequences of my sins on His shoulders. On the altar of the cross, they are presented to God, and I know, by God I know, that He does not deserve this. I do, but it would crush me. He gives me life by giving me a chance to transform my life with His help and His grace.

This is what we preach, the gift of love.

PRAYING THE GOSPELS

Quiet Gospel-based Prayer open to all

We meet on Wednesday 28th April at 7.30pm (finishing by 8.30pm) in the Vicarage. We're trying to find a new name for this group, which we hope will sound a bit less

alarming and more user-friendly than 'Contemplative Bible Meditation'! We need a name which emphasises the fact that it is a very simple approach to prayer, based on stories from the Gospels, which is accessible for everyone. There's no need to be especially prayerful or 'holy' – just willing to come and try a different approach, if you haven't done so before.

You pray quietly in your own way, and you only share anything you really want to share with others, so you won't be 'shown up' or made to feel awkward! It is a refreshing and very peaceful approach to prayer, and we hope everyone will feel welcome to come along and try it for themselves.

Our theme this time will focus on Jesus' resurrection appearances to the disciples, and how we might connect with them.

Future meetings are planned for the last Wednesday of each month. (If you'd like to come along but can't manage Wednesday evenings, please let us know.)

ST MICHAEL'S CHURCH FÊTE

Time is speeding on, and it is now only two months until St. Michael's Church Fête, on the 5th June. We are hoping to have all the usual favourite stalls, and also aim to introduce a couple of new ones. We need stall holders for these, plus as many helpers as possible. If you are not already involved in the fete, would you please consider helping? It need only be for an hour on the day. We look forward to hearing from you.
