MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be held at 7.30pm in the Andy Young Pavilion on **Monday, 1st February 2010.**

The Chairman writes:

HAPPY NEW YEAR to all our parishioners. I hope you had a very good Christmas and I hope the 'big freeze' has not caused too much disruption and distress. As I write this, we have just had another 4" of snow, the school is closed, the children are excited and the adults are asking about road gritting and rubbish collections.

I would like to take this opportunity to extend the Parish Council's thanks to various people who helped to erect the Christmas Tree and Christmas lighting this year. Firstly, to Richard Hughes for finding the tree, to the Hill Brush Company for the loan of their cherrypicker, to George & Michael Jeans for the electrics and Melinda Emby for arranging the switching-on ceremony. Well done, everyone, and thank you. We would also like to congratulate Mr. and Mrs. Peter Smith of Barnesfield House, Pettridge Lane for winning the Christmas Lighting competition this year and we would like to thank Jeans Electricals for providing the prize and Mrs. Traves for judging the competition. Mrs. Traves has indicated that she would like to pass on this responsibility to someone new in 2010 so if there are any willing volunteers.....? As always, we congratulate the residents of Denes Avenue for their impressive Christmas lighting displays which have now become a local tourist attraction.

I would like apologise for the inconvenience caused to users of the Multi Use Games Area (MUGA) over recent weeks. We have been experiencing problems with the floodlights and we are trying to attend to this but the job has taken longer than expected for a number of reasons. This has resulted in the MUGA being closed and unavailable for use.

Whilst writing this little article, it has occurred to me again how fortunate we are in having so many willing and able volunteers amongst our community and so many clubs and organisations that would not exist without the time and effort put in by these willing volunteers. This is all part of what makes Mere such a vibrant community and I just wanted to mention this because I think it is all too often taken for granted.

For information on Parish Council activities, minutes, agendas, contact numbers etc., please refer to the Mere website www.merewilts.org; e-mail the parish clerk at lindseywood@merewilts.org or ☎ 01747 860701.

Eric Mitchell, Chairman, Mere Parish Council

GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION, WRITES

Highways have been top priority before and over the Christmas break for me. Cars were sliding into each other in the night near my house at the bottom of Hazzards Hill. One night during the very icy weather, my son Michael and I and decided to salt some of the road at about 1.30 am. With the help of Councillor Tony Dean I managed to get the standard raised from 40 car parks treated in Wiltshire to 42, thereby including the 2 car parks in Mere. Before treating was agreed one morning the school bus had to pick the children up from the square, which caused some confusion. I put pressure on for the grit bins around the town and villages to be refilled, and to be fair Wiltshire Council did refill them. Luckily on at least one occasion Wiltshire Council was using local people who knew how to prioritise. I must thank our two Mere Parish Council workers Mr Suter and Mr Hansford for keeping going in the extremes of weather and gritting and clearing what they could, doctors' surgery area etc. In some areas of Mere my own firm helped clear public areas. I lived through the winters of 1963 and 1977 both of which were much worse than this time, however I had not experienced such weather as we had for decades. Note - monitor your local grit bins and if they need filling, contact Clarence on 0800 232323.

The Harmonization of Car Parking Charges could impose charges for Mere car parks. This was discussed in Trowbridge on 12th January, 2010, at the Environment Select Committee. Mere Chamber of Trade undertook a survey, distributing 650 copies of a questionnaire. The survey had a return of over 25%, which shows there is much interest in this subject. This was not a petition: respondents had to voluntarily fill out a form in their own time and return it. Mere sent a delegation of 6 including myself, Michael Hall, (Parish Council vice chairman) Barbara Hewitt (Chamber of Trade chairperson), Sam Squires and Roy Sims. Mere must have been mentioned over 20 times, therefore we have raised our profile. On Tuesday 26th January, the survey will be presented to cabinet. I must thank the nearly 200 people who have filled out the survey. Wiltshire Council are proposing to put all the council controlled car parks of Wiltshire into 4 categories. Mere almost certainly would be in band 4. I wanted the committee to agree that band 4 charges could start at a zero platform, but the officer has said in public that we need to put a case forward for this. Money raised above a prescriptive minimum is used for a sustainable transport system. I personally cannot see the money if charged being used to improve our local public transport to any significant degree. We

were promised devolvement of power with the new Wiltshire Council, and it was proposed to let the local area board decide the charges. Now we are elected the committee feels this would be too parochial, which I cannot say I agree with 100%. If charges as part of harmonisation are implemented, the time scale will be over 12 months, to allow for the process to take its course. We all should have a chance for further input; however should you feel your consultation is not being addressed or you wish to go "straight to the top" for your information, the elected Portfolio holder is Cllr Dick Tonge, who can be mailed at County Hall, Bythesea Road, Trowbridge or e-mail richard.tonge@wiltshire.gov.uk. I know many of you have filled in a survey; however if the pressure is not kept on, I am sure we will be forgotten. Cllr Tony Dean is our South West Area Board representative for highways who has been very helpful, therefore any representations you decide to make, please copy him in: tony.dean@wiltshire.gov.uk or mail to County Hall as above.

A and B class roads in Wiltshire are subject to a speed limit review at present. The B3092 and B3095 in our area may have 50 mph limits put on much of their lengths. This may be considered good or bad; however the consultation period ends at the end of January, and I have made this information available to the local Parish Councils in time. C and unclassified roads will not be surveyed until 2013.

I have attended a pre-hearing meeting at Salisbury on the 14th January regarding the Local Development Framework (housing, employment land etc.)The full hearing is starting on 2nd March, which will examine the soundness of the document put forward by Wiltshire Council. I understand from the pre-hearing anyone can attend and listen.

Lastly do not forget Community Area Grants. I have publicised them at all my local Parish Councils for them to get the message to local and community groups, that funds are available.

FARM WATCH

A bulletin from the Rural Crime Team of Wiltshire Police

Operation Ecstatic targeted Hare Coursers. We utilised the intelligence from the previous 12 months to give us the best time frames to undertake the operation. Information was fed directly to the officers on the ground from the farming communities. Since the start of this operation, 26 persons have been arrested or reported for poaching-related offences and three vehicles seized. We are also working with our neighbouring police forces who are conducting similar operations.

Landrover Defender 90s would appear to be the vehicle of choice at this moment. There have been seven reported thefts in the past month of these vehicles. The incidents are spread throughout the South and West of the county and there does not appear to be a

pattern to this, although the increase in Landrover thefts is a National trend and not just an issue for Wiltshire. Only one of these Landrovers has been recovered. PCSO John Bordiss has been working very hard to set up a Countywide Horsewatch scheme. This works like Farmwatch with text alerts and bulletins. If anyone would like to join the Horsewatch scheme please send your details to:
ruralcrimeteam@wiltshire.pnn.police.uk.

NEIGHBOURHOOD NEWS FROM YOUR COMMUNITY POLICING TEAM

May we start by wishing you a belated Happy New Year and best wishes for 2010!

The New Year has brought about a change to the Neighbourhood Policing Team. Sgt Chris Hams has recently moved on to pastures new and we welcome our new supervisor Debra Ashley who is already based at Warminster Police Station. Sgt Ashley will be attending some of our various meetings and I hope to be able to introduce her to those of you that regularly attend our community events.

As I write, the great thaw appears to be starting but it is still a timely reminder to be extra careful whilst travelling on foot or by car. This past week has been particularly treacherous on the roads and I would urge anyone travelling to drive according to the conditions. A large number of recent collisions may have been avoided with a little more care and a little less speed by those involved! If you are venturing out on foot then please be aware that footpaths and pavements are not routinely salted or gritted. If possible, try to avoid any unnecessary trips. If you are an elderly individual I would urge you to call upon a friend, family or willing neighbour to assist you with your essential shopping.

I would like to update you all in relation to our community 'drop in' point at Mere Library. For some time now we have been staffing the Library on Wednesday mornings between 11.00am & 1.00pm. We have now published a timetable of future dates which will be the first and third Wednesday of each month, same time, same place. The next date will be 20th January. Please call in to see either Jake or myself for a chat. It is an opportunity to discuss local issues with your local NPT.

Just a reminder that you can leave messages for us locally via the Police post boxes situated inside the main entrance at both Mere & East Knoyle Post Offices. You can also contact us direct via email, or please try the community mobile phone. We do also

have a direct line; however we try to limit our time spent inside the station. Please leave us a message and we will always get back to you.

Please remember if the matter you are reporting is an emergency, then use 999. If you would like to be added to our electronic mailing list then please email us. Lastly, don't forget to check out our NPT picture slideshow which I will hopefully be updating shortly at: <http://merewilts.org/police/ss/police.html>

MERE WEATHER

We had more rain in November than any month I have recorded in Mere, a total of 243.5 mm (9.59 ins.) We had gale force wind on the 14th. December started cold with a frost on the 1st and several more frosts from the middle of the month, particularly from the 20th to the 23rd. During the Christmas week the frozen rain made the roads and pavements very hazardous although it was milder on the 25th. Total rain for the month was 114 mm (4.49 ins). Last year it was 64 mm (2.57 ins.) The total rain for the year was 1008 mm (42.71 ins.). Last year was 1280 mm (51.5 ins.). Every month was less than last year except for November and December.

Up to the 16th January we only had 23 mm of rain (0.91 ins.) which all fell on the 15th. On the 5th we had a heavy fall of snow, about 3 inches. Up to the 13th it was very cold, the snow froze and pavements were icy and treacherous. On the 13th we had another fall of snow - about 1 inch. Then it turned milder and after the rain on the 15th the snow was washed away.

A Happy New Year to everybody and let us hope for that Barbecue Summer promised for last year!

MERE AND DISTRICT CHAMBER OF TRADE

HAPPY NEW YEAR TO ONE AND ALL and here's to a successful and fulfilling 2010. I left you on the parapet of - well, did he or didn't he? Of course I am referring to the Business Competition and did our Candidate Will Baxter win the final! Well I am sorry to say that Will did not win the final but he certainly was a winner for Mere.

The Winner was Monkee Puzzle from Warminster who make children's wooden play furniture. In fact it all seemed to hinge around the small ones this year. The two runners up were both involved in children's goods, one being clothes and the other car seats. But a good evening was had by all at Bowood House and Gardens.

So to report on the AGM which was held at Indigo Blue in December. The committee is as follows:

Chairperson	Barbara Hewitt	PR & Marketing & Sponsorship	Mark Cassidy
Vice Chair	Pauline Bashford	Support	Michael Jeans
Treasurer	Mary Harbert	Secretary	Stephanie Bowers
Events	John Gammie		☎ 01747 861420

Thank you so much everyone who returned the Survey on Car parking charges. A 25% response was received and these are being used in an effort to sway the Council's decision. We are also about to issue a Survey that will be aimed at the visitors to our town, to ask them their views on Car Parking Charges.

Hopefully any events that we hold will be well attended and if you have any suggestions for events, anything you would like to hear about, then please contact the Secretary ☎ 01747 861420 or myself on the number below. Hopefully 2010 will be a great year for the Chamber and more businesses in Mere & District – including Zeals, Kilmington, East Knoyle, West Knoyle as far as Tisbury - will join us and keep the Chamber alive and well for at least another year.

We would also like to mention Tisbury Chamber of Trade and congratulate them on their successful Christmas Event.

SHREEN HARMONY

At their Christmas Concert on the 19th December, the choir was pleased to have as their guest of honour, Jenny Wilding, representing the Friends of Fives Court. Each year the choir asks their audience to show their appreciation of the performance and the seasonal refreshments by donating to a local good cause. This year we wanted to support the appeal for the refurbishment of the garden at Fives Court and we are delighted to report that a sum of £300 was collected towards the project. A big thank you to everyone who came and supported us.

MERE CROQUET CLUB

To repeat what proved to be a very popular evening last year there will be another chance to meet up with members and friends during the closed season.

A Social Get-Together will be held, as last time, at **The Old Ship Hotel** on **Thursday, 25th February**, commencing at 7.00pm. Tickets are, as before, £5 per person and will provide the first glass of wine and generous nibbles.

Everyone is welcome, not only our members, but also anyone who is interested in the Croquet Club activities will be made most welcome. Tickets may be purchased beforehand, or, if preferred, bought at the door. But it will be very helpful if you could let Rex Roberts ☎ 01747 860873 know that you are attending.

FRIENDS OF FIVES COURT

Christmas 2009 was indeed the season of goodwill for the Friends of Fives Court. Astonishing generosity from several individual supporters, together with a mind-boggling donation to the Friends Garden Fund by Shreen Harmony, who not only gave all the proceeds of their hugely enjoyable Christmas Concert to the Fund, but generously added £100 to it, (making a total of £400), we are delighted to announce that we have embarked on 2010 having achieved our first £1000. We hope soon to have more encouraging news (irons are being quietly inserted into various fires!), but meanwhile the biggest thank-you imaginable to all those citizens of Mere who have so hearteningly helped us on our way to our target.

A NOTE FROM JOHN LONGLEY.

I have lived in West Knoyle for 60 years and think it may interest people in the future to read of my experiences. I am thinking of keeping it very low key as nothing of any great consequence happens in small villages, but the disappearance of active farming in the parish needs recording and the characters who worked on the farms. Who remembers the arrival of the tractors and trailers with the milk churns into the square in Mere at the height of the big freeze in the 1960's? This and other happenings should be recorded. In 2010 I intend to get myself a bit more organised but if you would like to get in touch my number is ☎ 01747 830693 and my email john.longley@btconnect.com. I can always visit people in their houses and I think that we could include any interesting stories from Barrow Street and Charnage.

MERE INFORMATION POINT

We would like to remind existing residents of Mere, and also bring to the attention of new residents, what we do here at Mere Information Point. We are located in the Library and we are here to help the public with any Wiltshire Council enquiry to try to eliminate the need to travel to Salisbury. Enquiries we can help with:

- Rent
- Benefits
- Waste and recycling

Other enquiries we can help with include:

- Ticket sales for local events including Dorset Steam Fair, Bath and West Show, Gillingham and Shaftesbury Show and Yeovilton Airshow
- Berry's and South West Coaches tickets
- Tourist Information - attraction leaflets, Ordnance Survey Maps, Timetables, Brochures and Souvenirs.

We would like to take this opportunity to thank you all for your patronage and would like to wish you a prosperous 2010.

BRAINWAVE CHRISTMAS GIFT APPEAL

Following our appeal in the Christmas edition of Mere Matters, there was a brilliant response. Thank you all so much for the lovely items that were donated and immediately snapped up by our customers – your generosity really made a difference! Incidentally, Brainwave Headquarters requested that the Mere Brainwave shop was opened for business between Christmas and the New Year which, I believe, was a 'first' for us. It proved to be very popular with members of the public and, despite the bad weather and festivities which seemed to run and run, the shop's supervisor and volunteers were kept very busy.

For the time being, we're trying to offer a good selection of warm clothes, hats and scarves to buy but we're looking forward to Spring and hoping that customers will be starting to update their wardrobe for warmer weather soon. Having been snowed in for a little while, I've been busy making a male mannequin for the window. Having made toddler and child-size mannequins for a window display leading up to Christmas, I thought it was time to occasionally include everyone in the family in our window displays in 2010. Many thanks, once again, for all the local support that helps bring assistance to brain-damaged children.

The following conversation was recently overheard: "I keep losing things, I lost my favourite top and searched everywhere for it. You know where I eventually found it – in

How we laughed - our wonderful Guests have no idea how funny they are, but their humour keeps us smiling through these dull and dark days that seem so long. Why not come and join us - we are a friendly bunch. The Centre belongs to the Guests to do whatever they wish, within reason that is!

February is starting with a trip on 1st February to the White Lion Pub in Bourton for lunch. If you would like to join us do ring Lynette. We can provide transport, but let us know in advance. MERE MUSEUM

Another new exhibition is now installed in the Museum for your enjoyment! It is entitled 'Collecting in the New Millennium' and shows a selection of items that have been added to the collection since 2004, the date of our last 'new accessions' exhibition. Some interesting facts about accessions are included in the exhibition which we hope will be of interest. The next exhibition, to open at the beginning of March, will be about the ways in which Mere cared for its poor and less fortunate citizens for the past several centuries by means of social duty (the workhouse) and through charitable foundations. More in the next issue.

Just before Christmas, Mere Museum took another step forward. We now have a small presence on a website called Wiltshire Treasures (www.wiltshiretreasures.org). 52 selected items from the collection appear, and more will be added. We'll keep you posted. Do have a look!

Are you looking to lose a few pounds gracefully, spend a couple of happy hours in good company or maybe just sit in a chair with a cup of tea and watch others play? Why not give Bowls a try this season? All you need to do is turn up at the green on Springfield Road on any Tuesday or Thursday evening at 6.00pm or on a Saturday afternoon at 3.00pm after the 10th April when the club will open for the 2010 season; members of the Club will be more than willing to show you the ropes. OH TO BE A BROWNIE!

How good it was to see all those young uniformed people in The Square and at St. Michael's, so beautifully behaved and attending to their duties with such sincerity and pride on Sunday 8th November for the Remembrance Service. The skills they learn will always stand them in good stead throughout their life.

I am reminded of an elderly late friend of mine who, for 45 years, was Brown Owl at a Brownie Pack in Hampshire and at the end of her selfless career, was invited to attend farewell ceremonies at surrounding Packs. She made a point of talking to each Brownie and was particularly delighted by one young girl who was hugely enthusiastic about her new-found group but was not wearing a uniform. "And are you going to have a uniform soon?" asked my friend. "Oh YES" was the reply "but I haven't been rolled in yet"!

TOOLS FOR SELF RELIANCE

After taking a funeral last year I was approached by the widow asking if I knew of anywhere her husband's wood-working tools would find a good home. I said yes, of course. It was over 30 years ago that my then sacristan lost his job in the Portsmouth Royal Dockyard and suggested that a lot of the "maties" had redundant tools lying around at home. So finding a small room at the back of All Saints Church Hall we set to, cleaned up Wally's tools, sharpened them, and then through the good offices of Glyn Roberts, of Portsmouth Polytechnic, prepared them for shipping out to Africa, when we had enough of them. Rachel said "what about old hand sewing machines?" So they went as well. The rest, as they say, is history.

I took the tools off the other day down to Netley Marsh, on the Totton side of Southampton to the proper depôt that had been established there and made contact once again. So – if you have any old hand carpentry tools that could be re-furbished please contact TFSR and know that they are going to a good cause (The last consignment – in 4 large crates- went off to Arusha in Tanzania.)

COMMUNITY AREA PARTNERSHIP

Your support is vital!

What is the Community Area Partnership?

The Community Area Partnership represents **you** – everyone who lives in East Knoyle, Kilmington, Mere, Sedgemoor and Semley, Stourton with Gasper, West Knoyle and Zeals.

Who is the Community Area Partnership?

You are! Anyone who is interested in issues that concern us all; e.g. the lack of transport in the area, youth activities and help for the less active. There is a steering committee which meets regularly, to work with you and for you.

Why the Community Area Partnership?

Because we seek representatives from all interested parties so that we can be an effective voice for our community about issues that concern us all. We can even access funds that are not available to other organisations.

What next?

Do please come along to the Inaugural Annual General Meeting which will be held on **25th February at 7pm** at Whitesheet School, Zeals, and have your say. This meeting is to elect a committee. If you are interested in standing, please let Richard Munro know by 16th February.

MERE SCHOOL

JANUARY 2010

We had a very exciting Christmas at Mere School. It started in November with our Christmas Bingo with lots of fantastic prizes. Then we went to see the pantomime at Salisbury Playhouse. It was Cinderella and was really funny. On Friday 11th December we had our Christmas disco with a new DJ. He played some great music and Mrs Harrison, Mrs Tealey and Mrs Young came along for a dance! The choir visited Fives Court and Bramley Hill to sing Christmas songs to the residents. They really enjoyed this. Our Christmas performances were great fun - KS1 did 'Ffinlo' and KS2 did 'Santa's on Strike'. The Friends organised a Christmas Grotto when we all had chance to visit Santa. He gave us all a present. Christmas lunch was delicious and our special lunchboxes had little presents in. All the teachers and governors had lunch with us also. We were all really surprised when Father Christmas came to visit Mere School in a helicopter. He gave us a chocolate. Our Christmas events finished with our Carol Service in St Michael's Church. We sang carols, did some readings and the recorder groups and choir performed. This helped us to remember the true meaning of Christmas.

Our class assemblies changed a little last term. Every class did an assembly at the end of term so that our parents could hear about everything we had learned during the term. Every class had a different topic - Purple - space, Red - Romans, Green - World War II, Gold - Tudors, Silver - fire and dragons, Yellow - farming, Amber - bears and Blue - celebrations. Our dance club also performed in front of the whole school. It was a spy routine.

Several of us attended an English day at Gillingham School. We worked in the drama studio and wrote a poem. It was a wonderful day.

Unfortunately our school had to shut on 2 Wednesdays due to the snow. We had great fun at home on these days. Our teachers struggled to get to school on the other days though. We are hoping to get some more snow!

Marmalade Makers

It's that time of the year again! The oranges will soon be in the shops, so could I ask all marmalade makers to remember to make a few extra jars for the Fête Stall. Just let me know and I will be happy to collect – jams and pickles also very welcome. Thanks very much in anticipation!

REVD. CHRIS MOORSOM, RECTOR OF UPPER STOUR, WRITES

GOOD IN A CRISIS?

So that was a real winter – snow, ice, lakes frozen over, roads closed For some this created real difficulties and dangers, while for others it was an opportunity for a bit of fun, or some extra time off. All this was put in perspective by the terrifying damage and disaster in Haiti, caused by the powerful earthquake which killed thousands, flattened homes and destroyed the infrastructure of a whole country.

Any disaster, whatever the scale, causes human suffering, and shakes (and maybe breaks) the foundations of people's lives. Seeing others in such need naturally calls out of us sympathy and compassion – as I write, an urgent appeal is calling us to give generously to bring help (see details of Christian Aid's appeal below). But this also makes me think, 'How would I cope if something like that happened here? Would I despair or fight for survival at whatever cost? Or would I keep alive the hope and compassion needed to re-build a broken world?'

Such qualities are found in the characters of C S Lewis' Narnia stories, on which this year's Lent course is based (*see p. 30*). In *The Lion, the Witch and the Wardrobe* he tells how some children, mysteriously entering a parallel but magical world, are given the task of saving it from the clutches of an evil witch. But they are not on their own, and Aslan, the great lion from across the sea comes to their aid. In spite of arguments and mistakes, they discover inward resources of courage and hope which bring them through the crisis to win a great battle. The witch is banished and a new Narnia is begun.

Christians are surely called to be those kind of people, to be good in a crisis. None of us can be sure how we would react to disaster, yet there are things that can help. During Lent, Christians are encouraged to test and train ourselves in the way of Christ, deepening our understanding of Christ's message of compassion and forgiveness, and our courage to stand up for truth and justice.

So by taking on disciplines of prayer, study and action we can strengthen one another to meet life's challenges with the light of hope in Christ burning in us brightly.

CHRISTMAS BOX APPEAL

We would like to thank everyone who kindly donated a Christmas Box for The Trussell Trust appeal. We were pleased to deliver 48 boxes to Salisbury, where the Mere boxes were joined by over 3,800 more for the trip to Bulgaria. The sight of a church being full with the multi coloured boxes was fantastic, and we will make sure that the kind and generous people of Mere have the opportunity to contribute again in 2010.

Many thanks, Pat Isom and Tim Merrell

BARN BUDDIES

I am pleased to include a comment from Lucinda Berry on being a parent and helper at Barn Buddies. "I have been coming to Barn Buddies since the start of September last year. I think it is an excellent place for all the children to get together at the end of the week and to let off some steam. I am thoroughly enjoying being a 'parent helper', I know most of the children from Mere and surrounding schools. It certainly is a lively atmosphere here! Bye for now – Lulu."

Barn Buddies meet each Friday evening from 6.30pm until 8.00pm at Barrow Street Farm, Mere, BA12 6AB. We offer supervised activities, and the members enjoy the freedom of being able to choose what activities they participate in. Any child from school year 2 and upwards is welcome. For more information please call Tim, ☎ 01747 860195.

'NOT A TAME LION'

This is the title of this year's Lent Course organised by Mere and District Churches Together.

Based around two films - The Chronicles of Narnia's *The Lion, The Witch and the Wardrobe*, and Sir Richard Attenborough's version of *'Shadowlands'* - the course aims to bring ideas from C.S.Lewis's writings to a wider contemporary audience.

Meetings will be held in Mere United Reform Church every Tuesday during Lent, at 10.00am and 7.30pm, beginning on February 23rd. There will also be meetings at Zeals Church Room on Wednesdays at 10.30am beginning on February 24th. All are welcome to attend, and if you would like more information or to order a copy of the

course book please contact Rev'd Paul Barnes ☎ 01747 863313 or Rev'd. Tim Heaton ☎ 01747 841076.

NOTE TO EVENT ORGANISERS

There is a new large format Mere Diary in the Library on the Information Desk. Would any event organizers make good use of it to advertise their event and to check it before booking to try to avoid clashes this year?

CONTEMPLATIVE BIBLE MEDITATION

Wednesday 10th February

Meditation 7.30pm-8.10pm with a definite finish by 8.30pm

In the Upper Room in the Grove Building

EVERYONE WELCOME!

The two 'Upper Room' contemplative meditations we've had so far have been well appreciated by those who came. The next one will be a quiet preparation for Lent, helping us to join Jesus in the wilderness and, with him, gently begin to face some of our own inner fears. Do come if you can and would like to.
