MARCH 2010

A BIG “THANK YOU”

When the February edition of Mere Matters was being put together, I was travelling around the South Island of New Zealand and “Mere Matters” was about 12,000 miles away from my mind. However, the edition was produced and made available on the due date of Friday 29th January. I would like to place on record my grateful thanks to local resident Peter Mason who kindly took up the Editor’s reins for the production of the February issue. Hopefully, you as readers were oblivious to the fact, which is a great reflection on Peter’s enthusiasm and professionalism. Thank you Peter, for kindly stepping in while we visited our daughter and family for seven wonderful weeks in the knowledge that “Mere Matters” was in good hands.

MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be held at 7.30pm in the Andy Young Pavilion on **Monday, 1st March 2010**.

The Chairman writes:

Mere Parish Council is doing everything possible to impress upon Wiltshire Council the need to keep our car parks free to use. We feel strongly that Wiltshire Council needs to take into the account the differing needs of rural and urban areas, and that there should be provision for free public car parking in small towns and villages in the rural areas in order to encourage people to shop locally. Also to protect local services and community facilities in order to achieve sustainable economic growth and promote self containment.

As I am writing this, the Highways Agency are about to close the A303. You will probably, by now, all be aware of the extra traffic this has created locally and the congestion in Gillingham (my predictions) – all so that the A303, ‘the Gateway to the West Country’ can be fitted with new drains and resurfacing. I wouldn’t mind putting up with the congestion and inconvenience if it was being dualled. When will this road get the improvements that it deserves, bearing in mind the amount of traffic it carries?

Weather wise, we should soon be saying goodbye to an old-fashioned winter. Let’s hope we can look forward to an old-fashioned summer.

For further information on Parish Council activities, details of meetings and copies of minutes, please go to the Mere website: www.merewilts.org or contact the Parish Clerk, Mrs. Lindsey Wood, ☎ 01747 860701 or e-mail: lindseywood@merewilts.org
Eric Mitchell, Chairman, Mere Parish Council

GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION, WRITES

The A303 will have been closed by the time you are reading this. For those who live near to where the diverted traffic passes or likely to pass, especially in West Knoyle, I hope life will not be too stressful. The road into West Knoyle from the A303 services will have cones shaped so that as cars can go through, but very difficult for lorries etc., someone will be on duty and large loads will be discouraged. No doubt some of you will see increased traffic as will other affected local areas, some may complain, however the majority of us would not be happy if the A303 was not maintained. Some of the older residents will remember when the A303 passed through Mere. When Mere was bypassed I could not sleep for several nights for the "lack" of noise. Geoffrey Colenso from Balfour Beatty Mott MacDonald, the service provider for the Highways Agency on the A303, has made contact with me and agreed that I can contact him in case of "real emergency". The contractors have done all they can locally to date, and I am sure they will carry out the repairs and improvements, such as widening Chaddenwick Hill (Charnage Hill) efficiently. I am told that no utility services to West Knoyle or indeed Mere will be affected.

Pot holes are, as most of you know, a problem after the inclement weather. In the first instance report the presence of pot holes to Clarence ☎ 01225 777234, should you not then be satisfied, you are welcome to contact me.

The next financial year's Community Grants should be available for community groups etc. to apply for soon. If all goes well an application would need to be lodged well before the South West Area Board meeting of the 21st April, 2010, when a decision would be made regarding such applications. I did complain regarding the lack of frequency of our South West Area Board meetings, making it difficult to diary them ahead. Now sense seems to have prevailed, up until the autumn they will be every 9 weeks on a Wednesday.

I am attending the Core Strategy hearings at Salisbury in March and April, in my own right, and as a representative of Mere Parish Council, on two issues. My own personal representation is challenging the soundness of the proposed core strategy. At present, the aspiration is to reduce car usage, in reality with very limited public transport. Mere and its hinterland and beyond in the majority rely on the car, therefore I argue as Planning Policy Guidance 4 states, the rural and urban areas have differing needs, which I cannot see that the proposed Core Strategy allows for.

AMBULANCE SERVICE AWARD FOR MERE FIREFIGHTERS

Four Wiltshire Fire & Rescue Service firefighters from Mere have received Chief Officer's Awards from Great Western Ambulance Service for their efforts to save a man's life.

Crew Manager Mike Tealey and Firefighters Wendy Bailey, Wayne Brundish and Steve Pester were called to a house in The Fields, Mere on 23 April 2009 to give medical support to a 78-year-old man who had suffered a heart attack.

The call was part of the co-responding scheme operated by Wiltshire Fire & Rescue Service on behalf of Great Western Ambulance Service, which sees personnel at 11 fire stations being trained to provide an essential level of first aid until an ambulance arrives.

On this occasion, the Mere crew arrived at the same time as the paramedics and helped them to carry out CPR on the casualty. The air ambulance was called, and the firefighters brought the man out of his home – which in itself was complicated by narrow stairs and differing floor levels – and continued resuscitation while he was transported to the local recreation field, where the fire service's Land Rover was used to light the helicopter's landing zone.

Sadly, despite the efforts of all concerned, the patient died before he could be flown to hospital.

Chief Fire Officer Andy Goves visited Mere fire station to congratulate the crew on their efforts. He said: "Co-responding is a vital service in our rural areas, where fire crews are often able to attend more quickly than an ambulance. I am very proud that the Mere crew has been recognised by the Great Western Ambulance Service for their outstanding efforts, and I am sure the local community appreciates having such dedicated firefighters in their midst."

David Whiting, Chief Executive of Great Western Ambulance Service, added: "Our crews regularly work with other members of the emergency services. What these awards recognise is that the four firefighters went the extra mile to do the very best for the patient. Co-responders provide an essential service to patients in their local communities in those vital first few minutes while an ambulance crew is en route. I was proud to lead the celebrations that recognised their efforts."

MERE POLICE NEWS

We are currently experiencing a higher than normal rate of thefts from vehicles, particularly those parked at some of our beauty spot car parks.

Cunning thieves will target vehicles in car parks because they know that you will be away from your vehicle for some time, giving them ample opportunity. To avoid becoming a victim of crime, please, please take handbags, sat nav's, phones and anything else of value away with you when you're taking a stroll. We are currently patrolling the area's affected and if we notice items on display in your vehicles you will be hearing from us.

Further to my last update regarding our community 'drop in' point at Mere Library, we will soon be conducting drop in centres at other alternative venues.

For some time now, we have been staffing the Library on Wednesday mornings between 11.00am & 1.00pm. We have now published a timetable of future dates, which will be the first and third Wednesday of each month, same time same place.

The new venues will include some of our local public houses so why not pop in for a drink and a chat. It is an ideal opportunity to discuss local issues with your local NPT whilst enjoying the hospitality of our licensed premises at the same time!

Just a reminder that you can leave messages for us locally via the Police post box situated inside the main entrance of Mere Post Office. You can also contact us direct via email, or please try the community mobile phone. We do also have a direct line, however we try to limit our time spent inside the station. Please leave us a message and we will always get back to you. **Please remember if the matter you are reporting is an emergency then use 999.**

If you would like to be added to our electronic mailing list then please email us.

Lastly, don't forget to check out our NPT picture slideshow which I will hopefully be updating shortly at: <http://merewilts.org/police/ss/police.html>

‘SCORES ON DOORS’ IN MERE

Wiltshire Environmental Services (part of Wiltshire Council) has recently introduced a food safety rating scheme which can provide you with information on how hygienic a

catering establishment is. It is called "Scores on Doors" because establishments are encouraged to proudly display their star ratings on their doors.

The scheme aims to improve food hygiene standards and give the public a more informed choice about where to eat based on food safety. The following is a summary of the results for Mere published in early February 2010.

It is reassuring to see that our establishments that serve young and elderly people, who are the most vulnerable to food poisoning, do very well. So, Bramley House, Fives Court and Mere Primary School all get the maximum five stars.

Our pubs do well too; the Butt of Sherry, the George, the Spread Eagle and the Walnut Tree all score four stars whilst the Red Lion at Kilmington and the Fox & Hounds at East Knoyle get a superb five. The Seymour Arms at East Knoyle scored three stars.

Two retail food shops scored five stars (the Co-op and Stourhead Farm Shop) whilst Mere Fish Farm did well with four.

Takeaways are often a problem area but not in Mere: the fish and chip shop does well with four stars and the Golden Valley Chinese takeaway manages a still respectable three.

Amongst our restaurants, the Angel Corner Tea Room scored three stars whilst the Indigo Blue restaurant was rated only one star.

The inspections were carried out between November 2007 and August 2009 (the higher the level of risk the more frequent the inspections). So in some cases the management may have changed since the inspection and some of the lower-scoring establishments will have had time to improve.

The latest scores together with the inspection date can be seen at::

<http://www.wiltshire.gov.uk/environmentandplanning/foodsafety/hygieneawards.htm>

Let's hope we will soon see more scores proudly displayed on Mere doors!

The total rainfall for January was 64.5mms (2.54ins). Last year it was 87.5mms (3.4ins). After the first half of the month, we had no more snow, but had a hail storm on the 29th and hard frost on the 31st. Although we had several sunny days, it continued to be very cold with an East wind.

Up to the middle of February, we had 17mms (0.87ins) of rain with the cold East wind continuing and many sunny days. There was another frosty morning on the 1st and some snow on the 8th, which soon cleared.

'Here come the boys' as the song goes - well nearly. The recent arrival of five, yes five, new male guests has got us all a quiver! They have fitted into a rather female dominated group brilliantly and brought a different dynamic to the Centre. Like the ladies, they are happy to join in and take part in just about everything. LC even took the role of Prince Charming in our Christmas Panto and as the script said 'I am sooo handsome' and he is!! Don't be afraid chaps, if you have a sense of humour you will enjoy yourself. We are planning trips out to various places and other events so look at the programme displayed at the Library or on the notice board wall next to the Post Office and ring Lynette on 01747 861 646, if you would like to come and join us.

This is an urgent plea, we are in need of volunteers to do the washing up once a month, helpers to cover an afternoon once a month and men to share the collection of the lunch from Fives Court on a Monday and to transport guests. Please contact Lynette.

MERE MUSEUM

The current exhibition 'Collecting in the New Millennium' will close on Friday, February 26th, to enable us to install a new exhibition entitled 'Pitty the Pore'. The title is taken from an inscription on a bronze cooking pot in the Museum's collection which is dated 1684 (and which you can see for yourselves on the Wiltshire Treasures website: www.wiltshiretreasures.org).

The exhibition will aim to show how Mere tried to help the old, the poor, the orphaned, the demented, the sick, disabled and destitute during past centuries. The exhibition will cover Mere Charities, self-help groups and, of course, the Union Workhouse. We shall be resuming our usual four-month display period, the exhibition opening to the general public on Tuesday March 2nd and continuing until the end of June 2010.

MERE FILM SHOWS

Our season continues on Thursday 25th March with "Bright Star", the tragic love story of the poet John Keats and the girl next door Fanny Brawne. This unlikely pair begin at odds, he thinking her a stylish minx only concerned with fashionable things, while she was unimpressed not only with his poetry but with literature in general. This beautiful film is written and directed by Jane Campion and is a must for all those with poetry – or love – in the soul! Full details are on page 21.

Date for your diary: Thursday 29th April – film to be confirmed in the next issue of Mere Matters. *Mary White ☎ 01747 861257*

A CHANGE TO THE LITERARY FESTIVAL COMPETITION.

Due to a change in circumstances and personal commitments, the organisers of the Linkscheme's Literary Festival have decided to run a biennial poetry competition rather than the present annual competition, which alternated between short story and poetry.

Regretfully, this means no international short story competition in 2010 as previously announced. We are sorry to disappoint short story writers but feel this decision will best ensure the continuity of the festival, which plays an important part in our community and helps fund the Linkscheme. Thanks go to all writers, readers and judges who have supported the story competition in the past.

All may not be lost for local story writers as the possibility of a short story sweat-shop (i.e. a write on the day competition) during festival week is being investigated.

The 2010 Mere Literary Festival will take place from **11th – 17th October** and the next international competition will be for poetry in 2011.

Transport requests - ☎ 01747 860096

By the time you read this, the A303 will already have been closed for several weeks for essential repairs. This will, of course, mean longer journeys, both in time and distance, and our drivers will doubtless try a variety of alternative routes. It will also mean additional costs as, whilst giving their time freely, drivers receive a mileage allowance.

In addition, there are yet more alterations and work on car parking at Salisbury District Hospital, although there are alternative reserved places for Linkscheme drivers. Adding this to the extremely wintry weather in the last two months, has made for an interesting and challenging beginning to this year!

NORTHERN HARMONY WORLD MUSIC CHOIR OFFERS CONCERT AND WORKSHOPS IN MERE

Northern Harmony, the popular and unique world-music singing ensemble from Vermont, USA, led by Larry Gordon and Patty Cuyler, comes to Mere for a workshop and concert on 30th and 31st March 2010. The workshop for any interested singers will be on Tuesday 30th March from 4.00-6.00pm and from 7.00-9.00pm at the Mere Primary School, Springfield Road (with a potluck supper in between), and the Concert will be staged on Wednesday, 31st March at 7:30pm in St Michael's Parish Church. Admission to the workshop is £20 (£15 concessions), and to the concert is £10 (£7 concessions), or for both £25 (£20 concessions).

Hailed for their "sheer agility, vitality and power" by the Washington Post, Northern Harmony's brilliant young singers are chosen from among the strongest recent graduates of Village Harmony teen ensembles. Now on their 12th extended European tour, they stretch the normal boundaries of choral music with their command of varied world ethnic singing styles: sacred and secular harmonies from Corsica and Georgia; village music from the Balkans; South African folk and church songs and dances; American shape-note singing and a cappella gospel; and contemporary compositions.

At the workshop the group will teach a selection of songs from these different genres, with close attention to the distinctive vocal production appropriate to each style. Northern Harmony singers will be there to illustrate the vocal styles and help lead each part, which makes the teaching especially efficient and rewarding.

For further information and/or tickets call me or for information visit the Northern Harmony website: www.villageharmony.org

MERE AMATEUR DRAMATIC SOCIETY

It seems that a good time was had by all - cast and audience alike – at last month's Old Time Variety Show. It was good to see some members bravely treading the (Mere) boards for the very first time – and we're sure not the last! However, unlike some actors we don't know the meaning of the word 'rest', and rehearsals for the eagerly awaited Spring Production are well underway.

This year it is to be 'Bottom's Dream', a comic fantasy centred on the rustic characters in Shakespeare's Midsummer Night's Dream (Nick Bottom, Peter Quince, Francis Flute, Tom Snout and Uncle Tom... no, forget him). The play will be given in memory of George Chapman, a long-standing member of MADS who served the company both on and off the stage, and who died in 2008. A donation to Cancer Research from the proceeds of the production will be given in George's memory. Performances will be on **Thursday, Friday and Saturday, 15th – 17th April**. Tickets will be available soon at the Information Point, Thursday tickets £4 (£3 for children), £5 (and £3) on Friday and Saturday. Posters will shortly be appearing on a notice board near you!

CASTLE HILL QUILTERS

There are now twenty-seven members of the newly formed Patchwork and Quilting Group meeting at the Grove Building on the first and third Wednesday afternoon of each month. This has been extended now with meetings on the second and fourth Thursday afternoon also from 2.00pm to 5.00pm. Members come from Mere and the surrounding Villages.

On 3rd February, twelve members commenced an eight week Beginners Course. The committee and their tutor Kate Pickard, from Shaftesbury, welcomed their enthusiasm. We look forward to seeing their first completed quilts.

There is a welcome to anyone who enjoys this creative and popular hobby. Sewing machines are busily producing some beautiful lap quilts and baby quilts to name but a

few. We are delighted that some of our members are very new to Mere and therefore making new likeminded friends.

If you would like to come and join us, please contact me.

WEST WILTSHIRE WOOD TURNER GROUP

The newly formed group held its inaugural meeting on 20th January in the Grove Buildings. A detailed review of the events of that evening can be read on the groups' web site at: www.WWWTG.co.uk. The web site is already receiving far more 'hits' than had ever been imagined and there is lots of interest from turners all over the UK as we embark on this new venture.

Members do not have to own their own lathe and equipment but ownership is obviously desirable. There is the possibility of hiring equipment, if anyone is interested then please do get in touch.

The refurbished Grove Buildings is a wonderful facility for the community in general, but we urgently need to enhance the audio/visual capabilities for many of the users and the WWTG are not alone in seeing this as a priority so that members can see the finer detail during demonstrations 'on the big screen'. I would appeal to anyone who might be able to loan/sell/donate a digital projector OR a large flat screen TV which can at least work on video input/display to get in touch.

The March meeting will be on Tuesday, 23rd at 6.30pm and we shall alternate Wednesdays and Tuesdays from then on. If you are interested in joining then please let me know.

Did you know?

Children and young people should aim to get at least 60 minutes of moderate physical activity every day. This should include at least two weekly sessions that produce high physical stress on the bones, such as dancing, jumping or aerobics, to help healthy development.

We can help your children to achieve that with our sessions of:

- Football
- Gymnastics
- Trampolining
- Kids for a Quid activities

Did you know?

For **adults** the government recommends that they should do at least 30 minutes of moderate physical activity five times a week. Moderate intensity activity makes you feel warmer and increases your breathing and heart rate.

We can help with that too by taking part in our:

MERE BOWLS CLUB

It is with great sadness that I start this month with news of the passing of Denis Baker-Dobson; Denis was a long-standing member of the club and filled the post of Club President until ill-health forced his retirement from the post last year. Our condolences go to his family and friends.

At a recent meeting, it was agreed that Mere Bowls Club form a Ladies Section. This has now been completed with the aims of encouraging more ladies to join the club and for the ladies to hold friendly matches against lady members of local clubs; eight matches have already been arranged for the 2010 season. For further information on joining the ladies for some gentile enjoyment on a summers' afternoon, please contact Ladies Captain Mary Butchers ☎ 01747-860219 or Match Secretary Pauline Woods ☎ 01747-861707

The club will hold its opening day on Saturday 10th April, when present and new members are asked to attend and pay their membership fees for the 2010 season. Timings for the day will be published in the next issue of Mere Matters. We are currently planning to hold a barbecue following an afternoon's bowling – more news on this later.

Members of the public who are uncertain about what the game of bowls entails, or are wondering if they will take to it, or even if they just want to know why so many people enjoy the sport so much, are invited to attend the Springfield Road Green on any Tuesday evening between 6.00 and 8.00pm, when club members will be more than willing to assist in any way possible.

For any information regarding the club please contact Shaun Woods ☎ 01747-861707, Alan Inwood ☎ 01985-844215 or Don Butchers ☎ 01747-860219.

MERE SCHOOL REPORT

February 2010

The new year has started with lots of clubs for us all to do – from beading to badminton to recorders. There are not so many clubs for the younger children as they get tired but they do come to Fun Club on Wednesdays.

Mere School has arranged some workshops for our mums and dads on spelling, numeracy and internet safety. They were very successful and lots of our parents came.

It is art week this week and an artist, Mr Steve Porter, has been working with us. He brought us all a 'bag of art' and we have been concentrating on 'abstract art'. We have created some pretty, colourful pictures.

We are really excited because we have a new trolley of wireless laptops in school for years 4, 5 and 6 to use. 'The Friends' have raised lots of money over the year to buy them.

Mrs Shannon (MS), as part of the International Teacher Programme is going on a special trip during half term. Emily (EK) and Adam (AF) interviewed her about the visit:

EK: So where is Armenia?

MS: Armenia is between Turkey and Azerbaijan with Iran to the south and Georgia to the north.

- AF: *Why are you going to Armenia?*
- MS: *To visit some of the primary schools in the capital, Yerevan, and to share ideas with Armenian teachers.*
- EK: *What is Armenia like?*
- MS: *It has cold winters and hot summers. At the moment it is about -5 Degrees. It is a very mountainous country. It has a lot of earthquakes and the one in 1988 killed over 55,000 people. The capital, Yerevan, is one of the oldest capital cities in the world.*
- AF: *Is it a poor or a rich country?*
- MS: *It is a poor country with its economy still recovering from the 1988 earthquake and previous wars.*
- AF: *Will you bring us back a few photos?*
- MS: *Yes, definitely!!!*
- AF/EK: *Now all that's left to say is have a good time and see you when you get back!*
- Bryony Adams, Klara Jenkins, Kieran Crockin, Anna Fletcher, Charlie Hill, Madeline Howden, Emily Kelly and Adam Filleau*

STAMPS AND POST CARDS FOR SUDAN

Many thanks to all those Mere Matters readers who continue to submit stamps and post cards for the Sudan. They are much appreciated. I would be glad to have more support from all the churches, but please note that the Sudan Church Association does not take Christmas Greeting or Birthday cards. I have been unable to find any one who is able to cope with these and so we can only throw them away.

THE REV'D TIM HEATON, CURATE OF THE PARISH OF UPPER STOUR, WRITES

Journey's End

Our journey through Lent is a journey to the cross and the empty tomb beyond. The pilgrimage metaphor for Christian existence is helpful here – a personal journey that can be likened to a literal pilgrimage to a sacred place. In the past, many of the benefits of a pilgrimage were found not at the destination itself, but on the road getting there; when the pilgrims arrived they were just as likely to be giving thanks for what they had already received on the way as for what they received when they got there.

Jesus, too, was a traveller on the road. The gospels tell us about his journeys around Judea and Galilee: Jesus himself is challenged and changed by his encounters on the way. Eventually he turns his face towards Jerusalem and his destination on the cross. Only beyond the cross lies the true goal, the true prize. His disciples learn from him as they travel along: discipleship is tough and costly, troubles will need to be overcome and the journey will not be easy, but if we keep our eyes firmly fixed on Jesus we shall eventually reach the goal and claim the prize.

But I'd like to take you on a real pilgrimage to that sacred place where Jesus died and rose again. In February next year, I am leading a tour of the Holy Land, and I'd love you to join me if you can. I am giving you plenty of notice so that you can make your holiday plans accordingly and save up the money. For some it may be the only holiday they take in 2011. Of course, we will not be walking there! We will travel by plane and coach, but for ten days we will be following in the footsteps of Jesus from Bethlehem to Jerusalem, "the city that has foundations, whose architect and builder is God" (Hebrews 11.10). Details can be found on page 27.

I know that you will be challenged and changed by your encounters on the way. I know that your faith will be strengthened. I know these things because so it was for me when I went there in 2008. And I hope that you will come to understand more clearly that our journey's end, just as it was for Jesus, is not Jerusalem after all, but "a better country, that is, a heavenly one" (Hebrews 11.16). Please call me ☎ 01747 841076 for a brochure and booking form.
