MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be held at **7.30pm in the Andy Young Pavilion on Monday, 10th May 2010.**

The Chairman writes

April and May are busy months for the Parish Council. By the time this is published, we will have just held our Annual Parish Meeting and the first Parish Council meeting in May (this year it is 10th May) is our Annual Parish Council meeting. But, it occurs to me that we should let our parishioners know how the Parish Council services are funded and how we spend your Council Tax.

Every year, usually in November/December, Parish Council members attend a very long meeting, examining figures for actual expenditure and income during the current financial year, and predicted expenditure and income for the next financial year in order to calculate its Precept upon Wiltshire Council. This precept is collected from the residents of Mere through the Council Tax bills by Wiltshire Council.

At this year's budget meeting the Parish Council endeavoured to maintain the level of precept, especially in the current economic climate. However, it was reluctantly agreed to increase the Parish Council's precept by 7.27%. Mere's precept for 2010/11 is £82,873, which is £69.96 per Band D household (or £5.83 per month). The average Band D charge for Parish & Town Councils in Wiltshire is £69.38 so our charges are less than 1% higher than the average Parish & Town Council.

Members were apologetic that there was an increase at all but asked the public to consider the fact that the Parish Council had also fallen victim to the credit crunch as it had lost approximately £4,000 in anticipated income from interest on its savings (or 20% of our internal income) as interest rates had reduced dramatically. We are also committed to maintaining the Sports Development Programme, which was identified as a high priority by the parishioners of Mere within the Parish Plan survey that was carried out in 2005.

The Parish Council is committed to providing a safe environment, and we aim to provide facilities that cater for all residents. We maintain the open spaces, sports fields and sports facilities, recreation ground and play areas. We also manage the cemetery and carry out the maintenance of the churchyard. The Parish Council manages the three allotment sites and keeps the town centre clean and tidy and liaises with other authorities to look after Mere's interests, as well as providing small grants and donations

to local groups and charities. All in all the Parish Council feels that it is providing good value for money for the services that it delivers.

For further information on Parish Council activities, details of meetings and copies of minutes, please go to the Mere website: www.merewilts.org or contact the Parish Clerk, Mrs. Lindsey Wood, ☎ 01747 860701 or e-mail: lindseywood@merewilts.org

Eric Mitchell, Chairman, Mere Parish Council

Floral Enhancements

The Parish Clerk would like to report that once again, the Parish Council will be keeping up appearances by planting the tubs around the town to give impressive floral displays. Last year we were very grateful to the various sponsors (businesses and members of the public – see below) who helped to make these floral displays possible. The scheme was a great success. There are 14 tubs within the town and they are planted twice a year for summer/autumn displays and winter/spring displays. Mr. Clive Hazzard has graciously agreed to replant the tubs again this year, and I should point out that this is done at cost price and at no profit to him and we thank him for this generous offer. We also thank the willing volunteers who water the tubs. We estimate the cost of planting each tub is £40 per year and once again, we are looking for sponsors and we would be grateful to any businesses or members of the public who would like to sponsor a tub. We will publish a list of all sponsors in a future edition of Mere Matters. If you would like to help with Mere's floral enhancements, please contact: Mrs Lindsey Wood, Parish Clerk, Duchy Manor, Springfield Road, Mere, ☎ 01747 860701

We would like to thank the following, who sponsored the tubs last year:

Roy Sims

Jack, Chloe, Isabel, Eleanor, Connor, Bryony, Tye & Olly

The Friday Gentlemen

Margaret Fricker & Joe James

Mrs. Jane Hurd

Yapp Brothers

Two Counties Golf Range

Rodney & Shirley Coward

Louis & Sarah Stanton

Richard & Dawn Hughes

Richard & Glenda Collard from West Sussex

Hill & Son Funeral directors

Mrs. Lesley Traves

Also many thanks to The Hill Brush Company, Jeans Electricals & F. J. Chalke & Son for sponsoring the large floral displays in The Square and in Salisbury Street Car Park.

Lindsey Wood, Parish Clerk

GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION, WRITES

I have attended and made two representations to the inspector at The Red Lion Salisbury regarding the Core Strategy (Houses, employment etc. for the next 20 years). I have argued that we need more parking spaces when properties are developed in a rural area to that required in an Urban Area. I have also argued for measures for the retention of shops, services and free parking in Rural Areas. Although Wiltshire Council stated at the enquiry that it agreed with most of what I put forward, I still pressed home the point that in my opinion The Core Strategy had no robust policy to address the above.

Nearly a year ago one of the residents of Whitemarsh encouraged me to get every resident of Whitemarsh, and close by, to send the Highways Department personal letters, which would all have to be answered individually, pointing out that the road had not been resurfaced properly since the estate was built in the 1970s. Since I have reminded officers of the problem, it was nice that when I went to inspect the recently re-laid road, people thanked me for my efforts. Fennel Road and other roads off White Road have remained unadopted by the highway authority since the houses were built. This means that the Highway Authority do not maintain street lights. I am doing my best to try and help resolve this situation.

I cannot discuss much of what I do because it relates to individual people, however I have dealt with enquiries and problems recently in all the villages: Kilmington, Stourton, West Knoyle and Zeals, as well as Mere that I represent. Some of the everyday problems that I address include:

I still visit West Knoyle on a regular basis and have been talking to those Council staff who are reinstating the damaged areas of the roads. I have been promised that if I send in a reasonable list of potholes that I am not satisfied with, they will be repaired.

It appears some villages with a housing restraint boundary may lose it. This could impact on you; therefore if you have concerns, please feel free to contact me.

Regarding free car parking in Mere, the Council has recently commissioned its consultants Mouchel to undertake a review of the current 'Wiltshire Local Transport Plan-Parking Plan', which dates from 2000. They will take into account: the strength of the local economy, the utilisation and occupancy of existing parking spaces, traffic conditions on the local highways network, the availability of public transport., parking charges in neighbouring areas and local environmental conditions.

Councillor R. Tonge, the Cabinet Member, said, "I hope this demonstrates that the review will take account of the local circumstances found in Wiltshire's small towns such

as Mere. Furthermore, it is envisaged that the parking charges in each area will be set by the Council after consultation with the respective Area Board”.

I wish he had stated that some car parks would be FOC, as remote as we are etc.; I hope some common sense will prevail.

MERE POLICE NEWS

It is with some relief that we are coming out of the dark gloom of winter and onwards into spring with the obvious connotations that this new season brings us! Lighter evenings and better weather should generally be rejoiced. However, I am well aware that with the onslaught of better weather we will no doubt be getting reports of crimes involving garden machinery and suchlike.

You will probably be tired of the same old reminders. However, I will sleep better at night if I know that you have at least been warned again of this seasonal problem. I can understand the frustrations of those of you who have been a victim of this type of crime in the past and my job is to try and prevent this from happening again. Here are some tips to help you keep your goods:

1. Put tools & machinery out of sight and if possible, keep them indoors.
2. If you do use a garage or shed to store your tools etc, consider an alarm.
3. We can source 'shed' alarms at relatively low cost, please contact us for further advice and/or supply. We are contactable via e-mail 24/7 and our advice is free!
4. Always tell somebody that you are going away, even if it is for a few days. Good neighbours cost nothing and they can be your eyes and ears in your absence. For peace of mind and property protection, I implore you to do this.
5. Lastly, mark up your tools and machinery where practicable using a UV marker pen. These are invisible to the naked eye but will prove ownership under ultra violet lighting should it be stolen and recovered, proving ownership!

Please contact Jake or myself on the listed contact details if you require any advice.

SHREEN HARMONY

We are now well into our rehearsals for the summer concerts and it looks like being a busy season. We have welcomed several new members and our numbers have meant that we have had to change our rehearsal venue. We now meet every Thursday in the United Reformed Church in Mere, but we were very sad to leave the Methodist Church, which had been our home for many years.

We are all very excited to be asked to sing again this year at the Festival of the Voice in Stourhead on Saturday, 5th June. This is a really lovely event with many choirs singing throughout the grounds and it is well worth a date for your diary. We are also giving a concert in the Methodist Church in Mere on Friday, 11th June and in Motcombe Church on Thursday, 15th July and all will be welcome. We are also delighted to have been asked to sing with the children at Bourton School on Thursday, 17th June. As you can see we have a full varied summer programme.

We look forward to seeing some of you at these concerts.

MERE FILM SHOWS

This month's film, 'The Boys Are Back' (12A), on Thursday 20th May is based on a true story and is a confessional tale of fatherhood, following the witty, wisecracking, action-oriented sportswriter who, in tragic circumstances, finds himself a single parent. Joe Warr (Clive Owen) throws himself into the only child-rearing philosophy he thinks has a chance of bringing joy back into their lives – 'just say yes'. In this film, Clive Owen is said to be 'sensational' with a sensitive and touching performance. Details on page 24.

As you will see below, we are showing two films in June, as we decided to find an extra date to show a very extraordinary and moving film that has just come on to the Moviola list. This is 'Mugabe and the White African' and it is a documentary – there is no fiction in this, not even 'based on a true story' – which follows the determined attempts of farmers Mike Campbell and his son-in-law Ben Freeth to legally regain their farm from

Mugabe's violent henchmen. It was filmed by a local couple who risked everything to make it. "The world has a limited attention span, but terrible things are still happening in Zimbabwe and people need to be told of them". Tickets for both June films will be on sale after our film in May.

MERE AMATEUR DRAMATIC SOCIETY

Life has returned to normal in Midsummer Wood. Bottom has dreamed his dream, his fellow artisans have each earned sixpence for performing their play for the Duke (which will have pleased their wives) and Puck and the fairies have gone elsewhere to make mischief. So ends this year's Spring offering from MADS. We hoped you enjoyed it.

After a brief pause, it's on to the next – choosing and casting a play for the Autumn. But, there is (at the moment) plenty of time for that.

Meanwhile **MADS's AGM** will take place in the Lecture Hall (Small Hall) on **Monday 17th May**. The meeting starts at **7.30pm**, but come at 7.00pm if you would like a FREE cup of coffee and a biscuit! Subscriptions will be due on that day so don't forget your cheque book. We look forward to seeing old friends and new members then. Do come if you can.

MOTHERS UNION & OPEN MEMBERS GROUP

Our next meeting will be on Tuesday, 11th May at 2.30pm in the Grove Buildings. The speaker will be Liz Messer, her subject: "Living with the Deaf". Liz also runs a Lip Reading Class.

This will be an Open Meeting. Anyone interested in hearing Liz speak will be welcome.

A reminder that we will be running the Cake Stall at the St Michael's Summer Fete on Saturday 5th June. Donations of Cakes will be welcome on the morning of the fête.

WOMENS INSTITUTE

We have had a busy time with our AGM recently and have planned an interesting programme for the coming year.

In April, we had a very interesting and informative meeting when Mrs Jenny Wilding, Curator of Mere Museum, spoke to us. Did you know there are 6,955 Artefacts, many as photographs, in the museum!

On Thursday 6th May, our talk will be telling us about "The joy of bringing the Quilting Group to Mere". As always, visitors and prospective new members will be very welcome.

Sheila Shotter ☎ 01747 861771

CASTLE HILL QUILTERS

Twelve of our members have now completed the Beginners Course and without exception have enjoyed it immensely. Maybe they will now be sitting in the sunshine hand quilting their work with pride.

There is a planned visit to the American Museum in Britain for a private tour of the textile room and "Classic American Quilts" exhibition on Thursday, 27th May leaving Mere at 9.15am at a cost of £9 per person. This promises to be very interesting and we look forward to our first group visit. We do have a few tickets available for anyone interested in joining us. The Museum opening time is 12 noon to 5.00pm, closed on Mondays, so our visit will be before the museum opens to the public. You would need to arrange your own transport, as we are.

Meetings continue during May and June, restarting in September but we look forward to a Garden Party in July and also in August in two of our members gardens in Mere.

ROSEMARY GODDARD CENTRE (RGC) **Mere and District Day Centre, Lynch Close**

10.30am to 3.00pm on Mondays & 10.30am to 4.00pm on Fridays

Working with older people means that we are always having to say goodbye to Guests we love, and this winter has been very hard for we lost Tom, Grace and Margaret at the beginning of the year. More recently we lost Lilian, who always asked us to check that her hair was okay because 'today might be the day that I meet the man of my dreams', and Kath, one of our beloved Brummie sisters, who have amused us and you from the day that they arrived at the Centre.

Last year Kath went with her sister and some friends to Great Yarmouth on a coach trip. 'We lost her you know', said her sister. 'She left the motorway service station by the wrong door.' 'I thought they had gone without me' said Kath. 'We had to send the coach driver to find her' replied her sister. 'And he did' said Kath. 'He was so kind to me that by the time we got back to the coach I am sure that he was in love with me, cos I know I was with him. He even asked me whether I would be going on the trip the following year'. 'Only if you are going to be driving' said Kath, but sadly it will not be and instead our Kath has left us with memories of fun, a zest for life and laughter as has everyone of our past Guests. They are all truly missed.

The generous donations from friends and family at Lilian's funeral financed a wonderful trip to Yeovilton recently. The ladies had a talk and a tour of the Fleet Air Arm Museum and the lads had the privilege of viewing a flying display, a visit to the vintage planes hanger and the control tower at the Airfield. A very magical day, so big thanks to the staff at Yeovilton Airfield and Museum and to all those who donated money towards the outing.

FIVES COURT

(Small but perfectly formed!)

At the end of last year, I visited Mere for the first time ...and fell in love!

I had heard about a 'small' residential home that was advertising for a Manager, and was looking for a change of career from the running of a larger Nursing Home to something that was more like a *real* home....one look and I knew I had found exactly what I had been looking for.

In the midst of your lovely town is a little gem...not the lettuce variety, but something much better. A real home filled with real people who, regardless of age or ability, still enjoy life and want to get as much out of it as possible. My idea of heaven!

I intend, with the help of the terrific staff here, to bring as much fun, interest and enjoyment to the lives of my new friends at Fives Court. We have already had a Chinese New Year's party day with a menu fit for any Chinese Restaurant and the staff in fancy dress. At this point I would like to apologise to the Doctor who managed to perform his weekly round in spite of being accompanied by a full-sized tiger (Gill, our Care Leader, in costume in case you did not recognise her.)

My apologies too, to the family who tried to have a sensible conversation with me when I had completely forgotten that I had been face-painted as a cat earlier in the day!.....We did resume at a later time when they had stopped laughing.

St Patrick's Day went with similar hilarity, possibly aided by the stout, which many Residents supped, and with green leprechauns on hand to assist throughout the day.

We now have a lovely aquarium with fish, yet to be named, chosen at the pet-shop by some of our Residents and two gorgeous Guinea Pigs, recently named Stan and Ollie by popular vote.

The Barn Dance organised by the Friends of Fives was a terrific success and will be repeated later in the year. Thank you all for your support on the night. The age range of 9 to 97 was a first too! Who says that age is a barrier to having fun.

For anyone who has not met us, please pay us a visit. We are holding a variety of events during the year, which we would love you to attend. In May we are holding a Pet Show so do bring along anything furry, fluffy, scaly or with feathers!

Watch out for our posters to see what we have planned next.

We are hoping to recruit Volunteers to help in the Home so if you have a few hours to spare why not come along and find out more about us, we would be delighted to meet you.

Fives Court may be smaller than some Homes, but we are 'perfectly formed'. Come and see what you have been missing and, like me, you may just fall in love. I Hope to meet you soon.
Esther Thomas, Manager ☎ 01747 860707

THE FRIENDS OF FIVES COURT

If you weren't there you missed the event of the year so far! **The Friends of Fives Court's Barn Dance** was an astonishing success – a sell-out in fact, and everyone, including Sharron Glide's superb Black Bear Band, had the most marvellous time! Dancers ranged in age from nine to 97, and two Fives Court Residents were there and joined in with gusto! We laughed quite as much as we danced, and we danced from 7.00pm until 10.30pm, with the shortest of intervals for a delicious ploughman's supper. On top of all that, we made a profit of £368 towards the garden fund.

A heartfelt *thank you* to everyone who supported us. If you missed it, don't worry; we are going to hold another one in the autumn! *Jenny Wilding ☎ 01747 860908*

The Boys Are Back (12A)

"Just say Yes!"

Clive Owen gives a sensational performance as the father who suddenly finds himself a single parent in tragic circumstances. With his own particular child-rearing philosophy he finds that life with two boys, a curious six year-old and a rebel teen, becomes exuberant, reckless and sometimes close to disaster as they each struggle to find their own way, father and sons alike, to grow up.

MERE CROQUET CLUB

Saturday, 17th April, was our opening day for this year. As requested, the weather gods produced a beautiful afternoon, which made this first session even more enjoyable. It was a pleasure to be able to welcome several new members as well as our old friends.

The event was enhanced by having a very attentive and efficient head waitress, five year old Elizabeth Mackie, who did a great job, many thanks to her. There was a very good attendance and the Green was busy the whole time with everyone getting in a game or two.

It is hoped to be able to proceed with setting up the Boule Court this year. This proved to be a far more expensive operation than originally envisaged. Now that the Croquet Lawn, after a great deal of hard work, is in pretty good shape it is felt possible to take on another project, so completing the original plans for the Club.

The Club now has a very keen and enthusiastic hard core of members, however, newcomers can be assured of a warm welcome. Do come along any Saturday or Sunday afternoon and have a go, friendly and fun it most certainly is, elitist it most certainly is not.

Further details can be obtained from Rex Roberts ☎ 01747 860873 or e.mail at: rexroberts@ba126ed.fsnet.co.uk

When I wrote the article for April's Mere Matters, one event referred to had not happened, but it had by the time of publication. That event was our Messy Play Saturday at West Knoyle. Now that it has happened, I can tell you what a fabulous event it really was.

As a Sure Start Children's Centre, Footprints has a responsibility to support the Government's Every Child Matters target outcomes of: Being Healthy, Staying Safe, Enjoying and Achieving, Economic Well being and Making a Positive Contribution.

The Centres are a part of the current Government's ambition to give all families with children access to a range of services targeted to the local communities' needs, in consultation with parents, the private, voluntary and independent sectors, PCTs, Jobcentre Plus and other key partners.

These services - usually known as the 'core offer' - include:

- Support for parents - including parenting advice, local childcare options and access to specialist family services.
- Child and family health services, ranging from health screening, health visitor services to breast-feeding support.
- Helping parents into work, including links to Jobcentre Plus and training.

Mere and District Footprints covers a widespread area and a wide range of households. So, to best deliver our core offer, we try very hard to reach those who are not able to visit our Mere premises. To achieve this we are making a concerted effort to bring a taste of the Children's Centre into the communities we serve. West Knoyle in March was our first off-base messy play event, followed by Zeals on 24 April. We are planning a third event on 22nd May at the village hall in Maiden Bradley.

At West Knoyle, we filled the village hall, and while it is not huge we were pleased to have so many attendees from a wide range of the community, all of whom had never previously visited us in Mere, and some of whom did not have the transport to do so. Those children who came along enjoyed face painting, making shapes and figures with play dough, making pulse pictures and fruit salad as well as a fun singing session led by Kate. Hot and cold drinks were available for children and their parents or carers, together with some delicious cakes specially cooked for the event.

Events at Zeals and Maiden Bradley will be similar to the one we ran at West Knoyle, and we really look forward to welcoming under 6's and their families.

In addition to our wide ranging programme of activity at our premises in Springfield Road in Mere (adjacent to Mere School), we hold regular events at Maiden Bradley and

Semley, and we are looking to provide more in the Knoyles and Hindon in due course. If you cannot make it along to Mere then do call us to see if we have something in your area. If there is an activity or event you would find helpful, please tell us by calling us ☎ 01747 861108, or contact me by email: janeb@merefootprints.org.uk

We look forward to seeing or hearing from you soon.

Note: It has unfortunately been necessary to cancel the Baby/Indian Head Massage session promoted in our leaflet for 14th May. We are, however, offering Baby Sensory sessions instead, though please call us ☎ 01747 861108 for times.

MERE PRE-SCHOOL

Children, staff and parents are celebrating at Mere Pre-School following their recent OFSTED inspection. Staff felt well prepared for the inspector's ad hoc visit and welcomed the chance to show off their merits to the inspector who awarded the pre-school with an overall "Good" classification and with six features of the care and learning as "Outstanding."

Mere Pre-school is run by a dedicated and caring team of staff and a small parent committee. The inspector reported a "great family nursery" and that children are "safe, happy and industrious." The team is led by Jean Sheppard and Carol Adams who between them have decades of experience working with Under Fives and their parents. This factor shone through in the report with a number of comments from the inspector: that: "All children are provided with an excellent range of activities to help them learn and develop"; that: "The partnership with parents and carers is outstanding", and that: "The manager and deputy continually evaluate and review what they offer the children to make sure improvements made benefit all children."

The Pre-school facilities are attached to Mere Primary School and both settings work together in partnership so that children make positive and smooth transitions into their Reception class.

The strength of the team is summed up with the inspector's comment that "children are happy and contented here. They have a great start to their school life and their learning journey. They have an enjoyable active time, and learn to be part of a working community in which everyone counts and matters." This achievement was backed up by a comment made by a child who said to the inspector: "I like playing, painting, drawing, sand, singing and everything." A lovely addition to an Ofsted report! REV'D PAUL BARNES, VICAR OF ST MICHAEL'S PARISH CHURCH, WRITES:

I have just returning home having spent ten peaceful days in a converted farmhouse in rural France. Ten days without television, radio, newspapers, mobile phones and e-mails - absolute bliss!

What made those ten days even better this year was that we had escaped from the media hype surrounding the forthcoming General Election. For ten whole days, we were spared the endless political debate and speculation, the pictures of smiling potential Prime Ministers and their spouses kissing babies and greeting strangers from Truro to Teesside as if they were long lost friends, and making all kinds of promises that we all know will disappear like the morning mist once they have been elected!

I suppose we should be grateful that our election campaigns are fairly short when compared with the presidential campaign in the USA, but to be honest, I can't wait for 6th May to arrive so that we can elect our members of parliament. Hopefully, a government can be formed, and our elected representatives can get on with the many difficult challenges that face us as the world economy recovers from this period of recession.

Although I find election campaigns tedious, I also know that we are very blessed to live in a country where we have the opportunity to exercise our democratic right, where elections are free and fair, and where if we don't like what our government or member of parliament is doing we have the opportunity to remove them from office.

People have literally given their lives to protect our freedoms and democratic rights, so not to vote in an election seems to me to be dishonouring their sacrifices, and so I find it very difficult to understand why some people simply can't be bothered to make their vote. We might get disillusioned with our politicians, particularly in the light of the recent behaviour of some MPs who shamefully exploited their expenses claim system, but deciding not to vote suggests that we don't really care.

We will only get good politicians if we vote good women and men into power, and remove our votes from those who are lazy or have lost sight of their mandate to be servants of their communities.

St Paul instructed Christians to pray for our governments and political leaders. Surely now would be a good time for us to remember all politicians in our prayers, and after the people of this great country have spoken through the ballot box on 6th May, to pray regularly for those who will be elected to high office that they will continually remember the great trust we have placed in them, and seek God's wisdom and strength in the important decisions they make that shape the lives of others.

WEDNESDAY AFTERNOON GET TOGETHER

On Wednesday 26th May at 2.30pm, we meet as usual in the School Hall at the rear of the Methodist Church in North Street for an informal afternoon. The speaker will be Mr Brian Collis. Do come and share an interesting and relaxing time. Everyone will be made welcome.

Everyone is welcome to come to a Coffee Morning in Aid of Suchana on Tuesday 25th May 10.30am–12.00 noon at 7 Downside Close.

Suchana is a health and education programme for very disadvantaged children in West Bengal, India. Their latest lively newsletter giving full details of progress and recent developments and future plans has just been published. Suchana Trustees will shortly be publishing accounts. If you would like to see a copy of either, please ask.

This is a small project, which makes a huge difference to these children and their community. For example, the group receiving extra support from Suchana to help them keep up at school in a (to them) unfamiliar language, achieved 100% success rate in passing their annual school exams.

A teacher at the project has just written and had published the very first alphabet book in the mother-tongue of some of the children (Kora). This has generated great excitement and hope among the children. Most of the work for the project is done on a voluntary basis, and you can be confident that every pound donated or raised makes a real difference!!
