## MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be held at 7.30pm in the Andy Young Pavilion on **Monday, 1st November 2010**.

### **The Chairman writes:**

Two of our biggest annual events have taken place in the last two months – the Mere Carnival and the Mere Literary Festival, both of which provide much-needed funds for local charities. I would like to take this opportunity to congratulate the organisers, committee members and helpers of both events for providing such successful and well-attended occasions.

I would like to take this opportunity to remind you all that the Remembrance Day Service will take place on Sunday, 14th November when we will gather at the War Memorial in The Square at 10.45am for a short Act of Remembrance followed with a procession to St. Michaels Church for the Remembrance Service.

At the October meeting, the Parish Council agreed to register an interest with the Community Heartbeat Charity to provide a number of Public Access Defibrillators within the area. The Parish Council will investigate funding opportunities, but Community Heartbeat's advice is that the best projects are those that include an element of community fundraising. So, if anyone has any ideas or wishes to hold a fundraising coffee morning. . . . .

The Parish Clerk has confirmed that the audit of accounts for the year ending 31st March 2010 has been concluded successfully and with no issues of concern. A copy of the Annual Return is available for inspection on the Parish Council noticeboard (outside the Lecture Hall) and copies can be inspected at the Parish Council office.

For further information on Parish Council activities, details of meetings and copies of minutes, please go to the Mere website: **[www.merewilts.org](http://www.merewilts.org)** or contact the Parish Clerk, Mrs. Lindsey Wood, ☎ 01747 860701 or e-mail: **[lindseywood@merewilts.org](mailto:lindseywood@merewilts.org)**

*Eric Mitchell, Chairman, Mere Parish Council*

## **GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION, WRITES**

Although a Mere Parish Council matter, I also sit on the Mere Parish Council. This year the Christmas lights for the tree in the Square will be low energy, on a living tree. The

lights will be low voltage (at low level) which will aid safety. However, the white lights on the Clock Tower will continue.

The results of the “parking consultation” are now known. Mere produced somewhere around 50% of the approximately 600 replies. 74% are in favour of no charges in band 4 car parks, which include Mere. For those interested, car parking will be discussed at the November and December Wiltshire Council meetings, with December being the final and decisive meeting.

By the time you read this, we will know the results of the public spending cuts, but at present about 1500 Wiltshire Council staff will be asked to consider voluntary redundancy with an enhanced package to make it more attractive.

I hope to get three life saving public defibrillators installed around Mere, plus one each in Kilmington and West Knoyle. I also believe Zeals Parish Council is looking to install one.

The number of proposed new dwellings for the Mere area is being considered to be lowered to 200 over the next 20 years (10 a year average for Mere and Zeals combined). About 290 were proposed previously. The housing restrained policy boundaries may be removed in West Knoyle and Kilmington, and as stated before, no dwellings except social exception sites would be allowed. Stourton is a “special” village and apart from essential development, I doubt if any would be allowed. Employment land staying as it is, three hectares.

In Mere, the Area Board has been asked to look at the possibility of: improving the junction of The Lynch (the extension of Water Street) where it meets Pettridge Lane; putting in a short stretch of yellow lines outside the Lecture Hall to help traffic flow in Salisbury Street, and putting in a disabled parking space in the Square (situated where a traffic engineer would consider it to be prudent).

A cautious note to those requesting 20mph speed limits. These are not enforceable in Wiltshire, but do not think you can always escape enforcement, the police can have you for say ‘dangerous driving’ in the 20mph limit!

One tonne grit bags are going to be made available to parishes that request them, this will be a help regarding possible lack of grit bins in your area. Nine extra grit bins are being allowed for the Mere Area.

One of the more interesting things I have done for Wiltshire Council in the last month was to attend a seminar at Goonhilly on wind generators that have been installed as replacements. These generators are 107 metres in height to the tip and can power 2,000 one bar electric fires each. I produced a factual report for the Council, which I can supply to anyone interested.

To finish, I attended a funeral service in the Chapel in Mere Cemetery for Neil Turner, I have mentioned this as it was a lovely setting for a funeral, and I do not know whether it is widely appreciated that the Chapel can be used for funeral services.

## WEATHER REPORT

In September we had 76mms (2.99ins) of rain compared with 31.5 mms last year. Generally speaking the weather was good for the time of year. In fact, from the 7th to the 27th we had no rain apart from 20 mms (0.79ins) on the 22nd with sunny days and slight wind.

Up to the middle of October we had 36.5mms (1.44ins), all before the 6th. The days are getting shorter, the wind is colder, and one or two nights have been very cold, but we still have many sunny days..

## THE LATE MICHAEL TIGHE

May I take this opportunity to thank everyone for their kindness and support following Michael's death. We always said that the two best things we did were getting married and, later, moving to Mere. It is nearly 19 years since we came here, and in that time we have made so many friends. Thank you all.

I hope that Michael will be remembered for the work he did on the history of Mere, and also the large archive he has left for future historians to continue the research. It gave him great pleasure to be involved in the past and present life of Mere.

## BRAINWAVE

### Shop Autumn/Winter Collection

Following the big summer sale clear out, the rails at the Mere shop are now stocked with warmer clothing for the autumn and winter. We hope, if you are turning out your

winter wardrobe and find items surplus to requirements, you will bag them up and bring them to our shop. Donations of clothing, books, bric-a-brac, toys and small electrical items are always gratefully received and without plenty of stock we would not be able to continue to raise funds to help brain-damaged children.

We are already planning for the festive season and hope this year to have a late opening evening with extra attractions. This may coincide with the turning on of Mere's Christmas lights, but the date is still to be decided and will be announced in the December edition of Mere Matters. We hope that you will once again be able to donate some items that will be suitable as small Christmas gifts. In this respect you did us proud last year and we plan once again to arrange a gift display for the festive season. Also, during December there will be a painting competition for the children, so watch out for this! For enquiries during business hours, call the shop ☎ 01747 863432.

How many motorists realise that when driving up the A1M towards Peterborough there was a large POW camp just off junction 16 towards Stilton? This was one of the largest of such camps in use during the Napoleonic War from 1793- 1814 built specifically to house mainly French seamen, who were captured by the Royal Navy in the North Sea. The talk will be illustrated. Visitors will be very welcome

## MERE MUSEUM

The 'Barbarous Radiate' coins on loan from Salisbury and West Wiltshire Museum are now installed in the 'new' showcase. Don't let the obscure description put you off! They are interesting little things: do make sure that you go to see them. We have extended the term of this exhibition so that you have plenty of time to visit.

*Jenny Wilding ☎ 01747 860908*

## FRIENDS OF MERE MUSEUM

We have two events to announce this month. First, the Friends' **AGM** will take place on **Tuesday, 2nd November** in **The Grove Buildings** at **7.30pm**. The business part of the meeting will as usual take up as little time as possible, after which there will be wine and nibbles, and one of David Longbourne's tantalising quizzes to challenge you. Jenny Wilding will then give a short illustrated talk about Vermeer – the greatest Dutch painter of the 17th century (arguably!). We shall hope to see lots of you there. Don't forget that the AGM presents a very good opportunity to bring along potential **new Friends** to meet us.

Secondly, on **Tuesday, 30th November**, we are staging a special event to help get everyone in the mood for Christmas. Chester House Productions, a company that says of itself that it aims to provide 'social history through theatre', will present '**Dickens at Christmas**' – a selection of seasonal writings by Charles Dickens presented as dramatised readings given in Victorian costume. There will be extracts from many well-known Dickens' novels including 'A Christmas Carol' (of course!). All this comes with a glass of wine and light refreshments and will take place **at 7.30pm in The Grove Buildings**. Tickets, available from Mere Information Point, are £5, to include a glass of wine and light refreshments. This is a fund-raising event for the Museum, so do please come and support us and enjoy an entertaining evening at the same time.

## CASTLE HILL QUILTERS

Ten members enjoyed the Machine Quilting Workshop with a visiting tutor, Meg Leach, who encouraged them to enjoy and have confidence in using their sewing machines to quilt and even write their names using the free machine quilting technique.

A workshop continues on Wednesday, 3rd November using Christmas fabrics and an unusual technique to make an attractive Christmas Wall Hanging to display during the festive season.

On Thursday, 11th November members of the "Spratt and Winkle Quilting Group" based in Andover will be visiting and bringing some of their work to inspire our members. An afternoon to look forward to.

More information about the Castle Hill Quilters can be found on the website [www.castlehillquilters.org.uk](http://www.castlehillquilters.org.uk) or telephone me. *Carol Lord ☎ 01747 861923*

## THE KINDNESS OF MERE FOLK

While on a walking holiday, I was chatting to a fellow walker and discovered that my new companion knew Mere. Apparently, in either 1967 or 1968, when the A303 came through Mere before the by-pass was built, the holiday traffic was at a complete standstill for a good while. "The people of Mere", her words not mine, "came out with trays of tea for us stranded motorists". She had never forgotten their kindness. So, I told her: "they haven't changed. The people of Mere are still very kind." *Jean Young*

## STOURHEAD TO ISTANBUL BY BIKE!

We did it! On 25th August, after cycling 4,612km (2,586 miles) through 17 countries in 40 days, George and I arrived in Istanbul.

The trip went really well. Friends Rob and Nick were with us for the first couple of days, but after that, it was just the two of us catching the ferry to Calais and pedalling on across Europe to Istanbul. The 'fantastic European summer' failed to materialise as it rained heavily almost non-stop throughout Germany, Austria, the Czech Republic and Slovakia. After Hungary, the weather dramatically improved and temperatures soared to 40°C, so there was a chance to develop some impressive tan-lines.

We were overwhelmed by the kindness and generosity of strangers (many of whom didn't speak a word of English) who allowed us to camp in their gardens/fields/log cabins, bombarded us with gifts of food (mainly fruit) and helped to fix our bikes for free.

There were just a few mechanical hitches. After flying along for the first four days, George had an encounter with a bollard resulting in a crumpled frame. It took three days to sort out as we searched for a suitable replacement – we found a sturdy German bike, which performed excellently for the rest of the trip. My bike needed a new chain set in Vienna and a spot of wheel straightening in Aachen after George cycled a bit too close... Surprisingly, we didn't get a single puncture!

We averaged 132km per day and our longest day was 204km. We spent a couple of days in Vienna after that to give the knees a rest and sort out my gears and then powered on for the next two and a half weeks to Istanbul where the British Consulate General welcomed us.

The total amount of money we raised, which should be much increased when Gift Aid is included, is £1,683.91 for Help for Heroes and £2,444.50 for Wiltshire Air Ambulance Appeal. Thank you to all our sponsors for your support. *Flora Spencer*

## **MERE BOWLS CLUB**

Following on from Don Butcher's report last month, I was the lucky winner of a free MOT from FJ Chalke, thank you. Now Carol and myself are discussing which of us benefits!

An excellent result from the 60's charity evening and the proceeds were very much welcomed by our 2010 charity – The Link Scheme.

The green is now shut down for the winter months, however there is still much activity behind the scenes to ensure that the 2011 season surpasses previous years.

Fixtures for next season are already being accrued for our traditional friendly games and the Westbrook Mixed Triples League. Our continued membership of the Salisbury & District Men's League is under review. This situation has arisen due to a loss of a few players to other local clubs, which leads to difficulties raising sufficient numbers for matches, this being unfair to our rivals in that league.

If you have ever considered bowls as a pastime or would just like to have a one-off try, please register your interest (contact numbers below) to allow us to let you know next year's start up date. We have club roll ups and two qualified coaches, so it is not all high level competitions. Just come along, relax and enjoy.

Should you wish to meet with the club before next season, our AGM is being held on Thursday, 9th December at 2.00pm in the Andy Young Pavilion. Please come along and meet with our members.

For more information regarding the club, please contact Alan Inwood ☎ 01985 844215 or Don Butchers ☎ 01747 860219.

*Jeff Vigars, Fixtures Secretary ☎ 01747 860976*

## **SNOOKER CLUB**

The Club would like to thank Mark, Sam and all the staff of The Walnut Tree for hosting a very enjoyable and successful Quiz Night on 5th October, which was held in support of the Club.

Also, many thanks to Mike and Vicky for the brilliant live music which contributed to the wonderful atmosphere and provided a tricky quiz round! Raffle prizes were generously donated by: Mere Garage, Chalkes, Jeans Electrical, Mere Co-Op, Charles Farris Ltd, Yapps Wine Merchants, Mere Fruit and Flowers, Elite Financial Planning, Hayleys Hair Design, Mere Pharmacy, Plantworld and WH Davie and Son, plus donations from Club members and individuals. We would like to thank them all for their support.

# 1ST MERE BROWNIES

## Recycling Project

We are extending our recycling project and we can now accept any old and new Foreign and UK coins and notes - any currency and of any age.

We are still collecting Jewellery – Gold, Silver, Costume and watches. All those odd earrings, snapped chains and broken watches are a great start, also items that were once fashionable but you haven't worn for years. We can recycle them for you.

**Please note: This is about you giving unwanted items. Please be careful not to give anything of sentimental value that you may later regret donating!**

We are still saving unwanted mobile phones. (They do not have to be working, but it is advisable to remove the SIM card).

Many thanks to Mere Library, as they have kindly agreed to place another recycling box for us. Beside it, are envelopes that you can take away, to then deposit in the box when filled. If you can, why not take an extra envelope and ask your family and friends to participate in this recycling scheme also.

We thank everyone very much who have supported our appeals to date and subsequently enable us to receive a donation to our unit funds.

Collection points for all your contributions are still at Waltons Newsagent, The Post Office, Jeans Electrical Shop and Jeans Chapel Showroom as well as The Library.

## Footprints Update

### The Past Six Months

Well, where to begin? It has been my pleasure and privilege over the last few months, since being invited to be Acting Centre Manager at Footprints, to update you on the wide range of events and activities that the team here have been committed to bringing to families in Mere and District.

These have been not only at our centre in Mere, but we have made a concerted effort to reach those who cannot easily get to our premises. This has meant that we have run events in Kilmington, Zeals, Maiden Bradley, East and West Knoyle and Semley, with an event also currently planned for Hindon.

## **Your Children's Centre into the Future – It's up to you**

Now, through our management committee, we have received the devastating news that Wiltshire Council has decided to consult on the closure of the Children's Centre in Mere. As this article goes to press, we do not yet know when consultation will commence, but it is highly likely that, by the time you read this article, consultation will be underway. All we know at this stage is that it is planned to last for one month in total, so there may not be much time left.

### **The Wider Implications**

I am proud to live in a community that values what it has. Research shows that the majority of those of us who live here like doing so. But there is no doubt that sometimes we go without. We live in one of the most economically deprived areas in Wiltshire, and yet, for example, we have not had a health visitor at Mere Surgery since April.

The presence one day a week of the Health Visitor from Westbury has been invaluable, but from a family perspective, our nursery nurse has been extremely stretched, particularly as we are currently experiencing a baby boom in our area. The Children's Centre has attempted to give support to both Julia and Sandie in any way that we can. There is no doubt too that the support we have had from them through a difficult time has been fantastic and gratefully received.

Throughout my time at Footprints, I have also struggled with the issue of our location right at the boundary of three counties, trying to access support for families that I know is available a few miles away in Gillingham, Shaftesbury or Wincanton, but being almost forced to refer people to further afield to, Warminster, Salisbury or Trowbridge for help just because we are in Wiltshire. That is all well and good, if you have access to a car and the money coming in to pay for petrol, or even if there were a good, reliable and affordable public transport network. But, we do not really have the latter, and many who are looking after young children in our district cannot afford the luxury of the former.

I have recently learnt that one of our neighbouring counties may be cutting children's centre budgets and/or staffing levels by around 50-75%. If, like Wiltshire, they make these cuts right at the edge of the county boundary, then here on the three counties' boundary, front line service provision could be severely hit.

At a time when we are threatened with Wiltshire taking money out of the area by imposing car parking charges, to then seek to remove important support services such as ours seems to me wholly incredible.

### **What can you do to save your Children's Centre**

If this facility is to be saved for the community it is important that your views are made known in response to the consultation. We hope you will support our retention, but even if not, it is right that the Council take all views into account. After the consultation it will be too late. The window of opportunity really is for one month only.

My colleagues and I at the children's centre will be happy to assist you with the consultation details – we believe that this will be online, but that paper versions will also be accepted. Inevitably, if this is the case, we will ensure that we have paper copies available, and will make them available wherever else we are able to across our district. We will also be happy to assist you with completion if anything is unclear, or if you would prefer to use the Footprints computer suite to complete the consultation online.

I would also suggest that you make your views known to our politicians and the local media too. Again, my team and I would be happy to point you in the right direction if you are not sure who to contact or how.

Almost certainly we cannot survive without your support. We hope you are as passionate about the service we provide as we are, and that you will make your voice heard and enable it to continue.

### **Why Footprints and the Children's Centre is so important**

Footprints was set up originally in response to a mum who felt so isolated, having been moved into our area from Salisbury, that she committed suicide. We know that we have supported families through some very difficult times, and a small number of mums have come back and told us that they don't know how they would have managed without us. We, and we are sure you also, do not want to see history repeat itself. We hope therefore that we might be able to achieve the reprieve that will allow us to continue to service this economically deprived, but very special area.

## **MERE SCHOOL REPORT**

### **October 2010**

On 4th October, we had our 'Special Person to Lunch' event, which is when our family and last friends can come to lunch with us. It is loads of fun and the grown ups get coffee after. Overall it is a great day - I wonder when you might get invited?

Last week a storyteller called Bridget McEwan came into school and told such wonderful tales from around the world. A big 'thank you' to her for coming in - it was amazing! Thank you also to Mere Literary Festival for organising it all.

Silver and purple classes have had a visit from a fire fighter who told them all, step by step, what to do if there was a fire in their house. He showed the classes how to warn others by crawling around and shouting "Fire, fire!" They talked about safety in the home. After that, they were told about fire alarms and how they should check them every week. Silver class did a quiz also.

We have had 2 exciting Eco School days. Gail came in to work with every class on such subjects as paper-making and scrap paper animals. We enjoyed all the activities and thank you to Gail. We are working towards the 'Eco Schools' award.

A group of children from red class went to Fives Court to sing songs to the residents. They really enjoyed it because they clapped. We held some of their guinea pigs and cats. Next week some more children from this class will visit.

Red class had an exciting Roman Day with Stan and Heather. In the morning, they looked at the armour. There were different types - chain metal, Greek armour and gladiator style. After play they followed the commands in Latin - it was very difficult. The afternoon activity was pottery making and dressing up. They made Roman pots.

## MERE PRE-SCHOOL

In their continuous bid to raise funds for the under fives age group, Mere Pre-School (Reg charity 1027052) would like to announce a forth coming fund-raising event on **Saturday, 20th November**. The Pre-School staff and volunteers are donning their pinnies and will be holding a 'catering-day' at Stourhead in Stourton Village Hall, located in the Spread Eagle Courtyard. Light lunches including heart-warming soup, homemade cakes (including the sale of whole cakes), and refreshments all at very reasonable prices will be available from 10.00am – until 4.00pm. So, if you fancy a walk around the beautiful gardens to take in the last of the autumnal colours or just fancy lunch 'out' we will be very pleased to serve you!

**So what is the fundraising for?** The Pre-School are keen to improve the access of their very popular garden area by installing a set of double doors and ramp. Due to the current position of the door, children have to go around the outside of the building to enter the garden at least twice a day but even more in the summer season. However, with the installation of double doors direct access between the garden and the pre-school will not only improve access but increase a free-flow of play and choice of activity for the children.

## **FR BEDE ROWE, MERE'S CATHOLIC PRIEST, WRITES**

In Catholicism, different months are ascribed to different Saints or themes of faith. January is the Holy Name, March is dedicated to St Joseph, June is the month of Sacred Heart, October is the month of the Rosary. It helps us to focus our prayers during that month and joins us with the Church throughout the world.

November has its own devotion, and that is to the Holy Souls.

The month begins with the feast of All Saints when we ask for the prayers of those who have died and who now reign in heaven. This is quickly followed on the second of November by the memorial of All Souls. And, this is the mood of the month. It is a month of remembrance and prayer; a month when we offer prayer after prayer, and Mass after Mass for the repose of the souls of those who have died. We bless their graves and remember them in a sweet and lovely way. I know it is very Catholic theology, so please don't get caught up on that, but it is a good thing to do. We are joined to the dead, not just at the times that are particular to the soul who has died (such as their birthday or the day of their death) but also, for us, in this month of November. We pray not just for the souls of our own loved ones, but also all those who have no one to pray for them – the forgotten, and perhaps the unloved. For the unknown.

This is what we do when we pray for the unknown soldier. Symbolically we pray for all those who have no one to pray for them.

And that leads us to the great moment of Remembrance Day, which takes place in the month of November. This is the day when we remember (and/or pray for the repose of the souls of) those who have died in battle for us and for our country.

It attaches us to those who gave their lives not just by memory, which, after all will fade over time, but by the action of love. They gave their lives for us, so we give our prayers for them. They died so we might live, we live to help them through death.

A sweet month, a month of love, a month of remembrance, a month of prayer, a month of the Holy Souls.

## **CHRISTMAS SHOE BOX APPEAL**

The Trussell Trust is sending Christmas Shoe Boxes to Bulgaria again this year, and we are appealing to everybody to support this project. Last year we managed to donate 48 shoe boxes and we hope to beat that figure this year. All you need to do is cover the shoe box with bright festive paper and fill it with items suitable for the age group and sex you have chosen. Please let us have these boxes by Sunday, November 21st at St.

Michael's Church, when we will transport them to Salisbury for onward transmission. Please help us to brighten somebody's Christmas this year – so many children in Bulgaria are just dumped in orphanages because their families cannot afford to feed them. For further information and a leaflet giving details and suggestions, please contact me. *Pat Isom ☎ 01747 861776*
