MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen.

The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be on **Monday, 4th November 2013** at 7.30pm in the Andy Young Pavilion.

The Parish Clerk writes:

At the October meeting, the Parish Council received a presentation from Ann-Marie Dean from Wiltshire Good Neighbours who talked about the services they provide to help people living in rural areas to access services like benefits, transport and healthcare, and to live more independent lives. For more information on this service please visit: www.wiltsgn.org.uk.

The working party reported on their suggestions and recommendations for car parking in and around The Square. The Parish Council agreed to support these recommendations, which included asking Wiltshire Council for a reduction in the length of existing double yellow lines in The Square to provide two or three more parking places, but to ask for extra double yellow lines along Salisbury Street to stop vehicles from parking close to the Car Park junction. It was also agreed to request that the maximum parking duration of 30 minutes in and around The Square is extended to apply between 9.00am & 6.00pm, and that this should be more rigorously enforced to free up more parking spaces for shoppers and to prevent long-term day time parking.

Unfortunately, the issue of dog fouling in public places remains a big issue in Mere: "Dog owners must, by law, pick up any mess made by their pets in public places such as roads, footpaths, school playing fields, sports fields, parks. Wiltshire Council enforcement officers can issue on-the-spot fixed penalty notices [up to £1,000] and refer offenders for prosecution. If people spot someone not clearing up after their dog they can report incidents by ringing 0300 456 0100 or via the Wiltshire Council website at: <http://is.gd/dogfouling>."

For information on Parish Council activities, minutes, agendas, contact numbers etc., please refer to the Mere website: www.merewilts.org, e-mail the parish clerk at: lindseywood@merewilts.org or ☎ 01747 860701.

GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION, WRITES:

I read with interest in Readers Digest, 'What your local councillor won't tell you'. Out of a list, an example was: don't moan to me about footpaths unless I'm a town or parish councillor. I am a Mere Parish Councillor and yes you can approach me regarding footpaths, and I will try and help, if it is Mere, Kilmington, Stourton, Zeals or West Knoyle. Many Wiltshire Councillors are not Parish or Town Councillors and in my opinion it does help to be on a parish or town council if you are a Wiltshire Councillor. I am always aware of most of their possible problems. A recent example being that I sit on a CIL (Community Infrastructure Levy) Task Group, some content of which I cannot discuss, however it was mentioned by an officer, the CIL funds (when any available) as national guidance suggest, will be paid to parish councils twice a year, without request of the parish council. It instantly became apparent to me that parish councils need to know when they precept the local rate around November each year, what extra funds are available. I highlighted this to the task group officers and I will pursue this.

I stated that I had received complaints about kitchens and bathroom fits in Wiltshire Council property in more than one previous article. The main concern voiced being continuity of the work, not the finished quality. An example being a person would arrive, remove most of the rooms contents, then the fitters would not arrive for say a week, in at least one case leaving the person without water in that room. The officers now tell me that the Managing Director of the main contractor, Ian Williams, has been written to on this matter, therefore I trust improvement will now definitely be seen.

We Wiltshire Councillors have been updated on the Council's housing stock. £10m per annum for 5 years will be invested in Wiltshire's housing stock. Setting the annual rent is dictated by a central government formula. The formula requires Wiltshire Council to increase rents for housing by an average 3.4% in 2013/14. There are 285 responsive repairs a week on approximately 5,500 dwellings, and 9 empty homes a week are prepared for re-let. The following has been noted about the spare room supplement, often known as the 'bedroom tax'. 86% of tenants remain in the property and pay the shortfall. 13% register with 'Homes4Wiltshire' to move to a smaller property. 1% take in a lodger. Time credits exist, that is: should a tenant agree to give an hour of his or her time to an agreed project regarding housing, a figure would be credited to the tenant.

Universal Credit (UC) will impact on many. Its introduction will be April 2014 at the earliest. It will be paid monthly in arrears and direct to one member of the household. Advance payments of UC will replace these seven benefits: Income Support, Income-based jobseeker's allowance, Income-related employment and support allowance, child tax credit, working tax credit, housing benefit and budgeting loans.

I noted with interest whilst sitting on a South Wiltshire Planning committee, it emerged that developers are being asked to pay in some instances £30 towards burials per dwelling. With the amount of increasing charges being levied on development of dwellings, the repayments may "kill some"!

As I said last month, a top priority is road maintenance. In 2012/13 Wiltshire Council spent £18.7m on maintaining and improving our highways infrastructure. By further investment in our roads, Wiltshire Council aims to reduce the backlog of maintenance over the next four years. Wiltshire Council will continue with this commitment and increase its capital spend to £21.4m in 2013/14. This is about £82,000 a working day for all of the roads Wiltshire Council are responsible for, excluding the A303 and the A36 for which the Highways Agency is responsible. Wiltshire has 21 towns of which Mere is one, one city and hundreds of villages. I will do what I can to attract the highway repair teams etc. to our area.

With winter upon us, I have been to a meeting called at Highpost Salt Depot. The Wiltshire Council appears to be making efforts to attract local help with salting and sand bags where required. I have, or will, keep the local parish councils up to speed on this issue. It was more or less suggested that local communities will need to work out road priorities during inclement weather, and what was suggested in the way of help, appeared reasonable, especially with the limited funds available. Salt supply to Towns and Villages is available. Look at your salt boxes now, they should all be full shortly. If not, do tell me or Wiltshire Highways. Please note that the salt is for roads, NOT for private drives and footways.

POLICE NEWS

Priorities

Our Priorities are Dog Fouling specifically at the Mere Recreation Ground and the green area around Mere School and we have been actively patrolling the area after complaints from members of the public who use the park. I would ask anyone who sees a dog walker who is not picking up after their dog to call 101 and report it to mere Neighbourhood Police Team so that we can deal. We will of course be patrolling other areas and watching for any offenders.

Halloween & Bonfire Night.

We have a supply of posters available from Mere Library if you wish to pick one up if you do not want 'trick or treaters' calling on you, or perhaps you know an elderly person who would want one. Alternatively, you can print off a poster from the Wiltshire Police website (just follow the links).

Personnel Update

We are pleased to announce that John Hancock will be joining the Mere Neighbourhood Policing Team from Saturday, 2nd November 2013 as our second local volunteer. John

is very well known in Mere and the surrounding area as he was the Mere Community Beat Officer for 28 years, retiring from the Police Service in 1998. John will be a very welcome new member to our small team and he will be operating the enquiry office at Mere Police Station between 10.00am and 12.00noon every Saturday. Please see: www.wiltshire.police.uk for local opening times and thank you for your support.

GOOD NEIGHBOURS

Shorter Days, Longer nights.

As the clocks change, some of us anticipate the darkening evenings, warm fires and hot chocolate drinks with a sense of comfort. For others, however, the concerns of increased difficulty in getting around, more time spent alone at home and the worry of rising fuel bills brings on a gloom that is hard to shift.

There is action that can be taken to guard against these fears becoming realities, and with a little extra information older people can face the long winter months with a renewed sense of optimism.

The Wiltshire Good Neighbours Scheme helps older people to live independently at home for longer.

T@3 COMMUNITY TEA PARTY

FREE COMMUNITY EVENT TO LAUNCH CO-OP COMMUNITY SUPPORT SCHEME

The Mere branch of The Southern Co-operative stores has selected Mere Girlguiding and Mere Scout Groups to be the beneficiaries of its Community Support Card scheme (CSC) for 2013/14.

The official community launch event, a free family party, will be held on Sunday, 24th November in the Lecture Hall and will be opened at 2.00pm by George Jeans, our Wiltshire Councillor.

The free party, which runs from 2.00-5.00pm in the Lecture Hall, will include childrens' activities and campfire songs with Mere brownies, rainbows, beavers, cubs, scouts and guides, plus bingo with prizes supplied by The Southern Co-operative. Tea, cakes and refreshments will also be available (by donation).

A chargeable Raffle and Tombola will also be held, and proceeds of the afternoon will be equally divided between the groups.

All are welcome - please support your local Guiding and Scouting Groups as the Community Support Card (CSC) scheme relies on the backing of customers, but without costing them a penny. Customers wanting to support it, simply need to request a free CSC card at the launch party or at The Southern Co-operative's Mere store and have this swiped each time they shop there. The more the cards are swiped, the quicker funds are donated by The Southern Co-operative.

If the CSC scheme is successful, 1st Mere Scout group will receive up to £7,500 and Mere Girlguiding up to £2,500. Mere scouts intend to use the funds to buy new tents and camping equipment including stoves, pots and pans, lanterns and furniture. Mere Girlguiding also plan to purchase lightweight camping equipment as well as sports and games equipment.

OPPORTUNITY - SECRETARY FOR THE MERE LECTURE HALL TRUST

The Mere Lecture Hall Trust requires a secretary to support the Trustees to manage all the Trust's resources such as the properties and the Lecture Hall itself.

The role will involve the normal secretarial duties including the taking of minutes at various meetings and could also extend into other areas within the general operation of the Trust such as the letting of the various properties, compliance and general governance.

If you are interested then in the first instance please send an e-mail by **Thursday, 14th November** to ✉ Secretary@MereLectureHall.org.uk with your name and address. You will then be sent more details of the role and invited to discuss the opportunity further.

The Mere Lecture Hall Trust is an independent Christian Trust that was established in 1924 to promote the spiritual, moral, educational and social welfare of the inhabitants of the town of Mere and the surrounding area. It is a registered charity (number 202620) and generates income from various properties, which is then used for the support of the Hall and the provision of Grants into the community.

THE FUTURE OF MERE LECTURE HALL

The Mere Lecture Hall Trust has been discussing the future use and management of the Mere Lecture Hall.

Whilst at present it is well used by various local groups and organisations in Mere, the Trustees would like to know how the Lecture Hall could better serve the people of Mere.

To that end a questionnaire has been drawn up inviting comments, advice and suggestions. Copies will be available for completion at the post office, Library and various other locations in the town. Completed questionnaires may be deposited at the post office, Library or Lecture Hall by Tuesday, 31st December 2013.

THE TRUSSELL TRUST

Time has flown by and Sunday, 24th November is the collection day, in St Michael's, for the Christmas shoe boxes, which go to Bulgaria. I am very happy to collect them from you if you are unable to be there on that day.

These gift boxes give SUCH joy and are usually the only gift, of any sort, received in the whole year. They go DIRECTLY to the men, women and children who are so

desperately poor. Warm knitted hats, gloves scarves and sweaters are especially welcomed as it is bitterly cold in Bulgaria. Practical gifts, such as socks, shampoo, soap, toothpaste, books and pencils along with a few luxuries, are very, very nice things for people to find in the boxes.

I hope that you have enjoyed filling your gift boxes and giving such pleasure to forgotten people who have so little.

‘FAIR TRADE’ IN MERE

For the past few months I have been supplying the Grove Building with toilet paper and kitchen rolls from Traidcraft. In the latest bulletin we learnt of the marvellous work in Nepal and Pakistan that the purchase of these products and the Fair Trade premium have supported.

In Nepal, Get Paper Industries (which I visited last year) has used this money to plant a Community Forest, which will benefit 4,500 people by supplying a sustainable source of firewood and wood for furniture creating livelihoods and incomes locally. Also, in the Hunza Valley, a remote area of Pakistan, wells are being dug to supply fresh, clean water all the year round. Mountain Fruits was founded 10 years ago to support isolated farmers in the area, and they now supply Traidcraft with dried fruits and nuts.

So when you are making your Christmas cakes, puddings and mincemeat, why not buy these Fair Trade ingredients. I have put together a 'Christmas' hamper with apricots, dates, mixed dried fruits, walnuts and sugar at a reduced price of £10, and a free pack of kitchen roll bringing a double bonus to these struggling communities. Contact me if you would like one, come to my stall at the URC Coffee morning on Saturday, 16th November or to my 'At Home' on Tuesday, 26th November. (see info below)

MERE FILM SHOWS

A comedy drama **'Hyde Park on Hudson' (12A)** is our film on Friday, 8th November. Daisy Suckley, the ugly duckling of the family, is sent to help her distant cousin President Franklin D. Roosevelt at his family estate in the Hudson Valley, which puts her in a unique position as Roosevelt receives King George and Queen Elizabeth for a visit to cement friendships in the spring of 1939.

During this visit Daisy learns that there is far more to Roosevelt's life than she realised and with the world about to be set ablaze by war, friendships are struck and perspectives are gained on that special weekend that would make all the difference with a great, but very human, president. The physical frailties of both President and King draw them together and both find strength from the other.

In this lovely film Bill Murray, known more for his comedy than dramatic roles, gives an extraordinary performance as Roosevelt, with Olivia Williams as his wife Eleanor. Samuel West is King George with the Oscar winning Olivia Coleman as Queen Elizabeth, and the always excellent Laura Linney plays Daisy. Full details on page 22.

Last month we held a very enjoyable and productive evening producing angels, wreaths and Christmas tree decorations. This was an early start to the festive season, which is now only weeks away. The evening was studded with concentrated silences interspersed with lots of happy chatter.

Also throughout the month we held our usual craft, book club and games meetings that were much enjoyed by all the participating members.

MERE BOWLS CLUB

We had a very successful Autumn Fare in the Lecture Hall on 5th October. We raised an impressive £433.81. Many thanks to everyone who helped to organise the event and especially to all of you who came along and spent your money.

The season has now come to an end and we had a brilliant closing day. The weather was in our favour and club members joined in the fun with the men dressed as women and the women dressed as men! The outfits were all in incredibly poor taste which added to the fun. The afternoon was rounded off with a fish and chips supper.

So, over the closed season, put some thought to joining us when we open again in April. You will be guaranteed a warm welcome.

For any information regarding the club, please contact Alan Inwood ☎ 01985 844215, Don Butchers ☎ 01747 860775 ✉ don.butchers@btinternet.com or me Jeff Vigars on ✉ jeffcarolvigars@hotmail.co.uk or telephone below.

MERE CROQUET & BOULE CLUB

Another season has almost come to an end. It has been a good one for the Club, with increased membership and boundless enthusiasm.

The Boule players have enjoyed themselves, playing a number of matches both at home and away, not always winning but were, nevertheless, a lot of fun. Whilst the Croquet activity is sadly almost over, it is planned to start playing again in early April with the usual Open Day event.

The end of season BBQ was great success and very well attended. The hard work put in by a number of members, both in providing the excellent eats and cooking them, was so very much appreciated.

There will be a Between Seasons 'everybody welcome' Get Together in February, details of time and place will be announced in a later issue of Mere Matters.

Win a Luxury Hamper!

Your day to day online shopping can help raise funds for Mere School, without costing you an extra penny!

Mere School has signed up to The Giving Machine which is a not-for-profit social enterprise that enables online shoppers to raise money for their chosen schools or charities for FREE.

It takes a minute to register. All you need to enter is your name, email address and postcode then all you do is shop online via: www.TheGivingMachine.co.uk. You can access it via a handy app, bookmark the page, or even make the website your homepage. There are over 400 participating retailers which include Amazon, John Lewis, M&S, Sainsburys, Next, Ebay, Argos, ELC, Tesco and WHSmith.

As an example, £100 spent on Amazon will generate over £3 in donations to the school. In the last 3 months, I have donated £10 just from purchases I would have made anyway. If the average school family generated £30 a year in commission for the school, that could potentially raise £2500 a year, so, with Christmas approaching, imagine what we could raise if we all asked our friends and families to participate too!

The person who generates the biggest donation each term will be rewarded by winning a luxury hamper!

All money raised will be spent to benefit our children so please spare a minute of your time to register, it costs you nothing! Thank you.

MERE CHILDREN'S CENTRE

As usual, I cannot believe how quickly the time to write our article has come round – time and sunny weather seems to disappear in flash! However, at the time of writing we are looking forward to half-term, Halloween and bonfire night, all big excitements for children.

Here at the centre we have been as busy as always, our **Baby Massage** class on Mondays has been going well, as has our **Parenting Group** on Thursday evenings. The first helps parents to bond with their babies and can help with digestion, colic and better sleep patterns, whilst the second helps parents to encourage the behaviour they want from their children, and is packed with lots of useful tips. If you have missed either of these useful groups this time around, don't worry, ring the number below and get booked on to the next course available.

Talking of useful courses, our sister centre in Tisbury is running a first aid course on Saturday, 16th November, which is a fully accredited course, and Tisbury are able to offer it for £30 instead of the £100 to £150 it would usually cost. If you a parent of young children and you are interested, ring the Tisbury Centre ☎ 01747 870449 for more information.

Our regular groups are going strong with lots of mums and tots attending our **Music Group** in Zeals Parish Room on **Tuesday mornings at 10.00am** and our **Stay and Play Group** on **Wednesday mornings** is always well attended with toddlers now progressing from our baby group on Fridays to the more challenging activities of the crafty fun available at this group. After half term our theme at this group will be preparation for Christmas with one session being run by Wiltshire Wildlife Trust hero Gary Lamont whose sessions are always good fun.

On **Wednesday afternoons at 1.30pm**, we now offer our **Breastfeeding Support Group** run by our very competent and friendly Breastfeeding Support Volunteer Mel Collins who has given up her time to train in order to run this group, which is for mums who are breastfeeding and mums to be who are hoping to breastfeed. This is an invaluable group as many mums have hoped to breastfeed but have been discouraged by difficulties and lack of support at crucial times along the way.

On **Fridays at 1.30pm** we have new parents now attending our **Baby Group**, which is a friendly group for parents and babies up to the age of 18 months.

On **Monday, 4th November** we are running a **Bingo Night** at the **Lecture Hall**; doors open at 6.30pm and 'Eyes Down' is at 7.00pm. All are welcome as this is a fundraiser for our **Christmas party** on **Wednesday, 4th December**. If you have any prizes that you could donate for this night we would be very grateful; please could you drop them off at the centre or call the number below and speak to one of our friendly team. While

our Christmas party is for our regular users, we have booked an entertainer who will be performing in the School hall to which we have invited the reception class, local kindergartens and pre-school groups. If you are interested please ring the number below for more information.

For further information on any of the above groups please call the number below and speak to one of our friendly team. If you are new to the area, have a new baby or have not attended any of our groups before, do drop in and visit us and see our great facilities – especially our wonderful **Sensory Room**, which can be booked for individual sessions.

GREEN CLASS REPORTS

A great start to the New School Year at Mere School

Everyone is settling into their new classes and all the new children are making friends.

New topics

- Blue – Sense and Ourselves.
- Yellow – Toys
- Silver – Fire
- Gold – Tudors
- Green – WW2
- Red – Romans
- Purple – Space, Earth and Beyond.

Green Class Go back in Time.

Green Class had an exciting day at Nothe Fort in Weymouth. They all dressed up in WW2 costume and joined in WW2 style activities. They went to WW2 school where the teacher was very strict and had a cane named Eric! They found out about WW2 kitchens and had a go at washing some clothes using a WW2 washing machine, mangle and soap. They went in an Anderson shelter and got to hear and feel what it might have been like during an air raid.

STOP PRESS!

Roman day

Red class enjoyed their Roman day. They read a story about Boudicca and then teachers had a battle! Mrs Green won. Cathrine was the emperor and the class voted for Miss Bekworth to die! They learnt a lot about Romans.

Blue class is settling in

Jessica said, "Everyone is good at maths." Ellie-May told us, " Everyone likes playing outside." Philip said that he likes painting his hands. Ellie enjoys learning about sounds and Felicity Fairy.

Purple class preparations

REV'D ELIZABETH KEMP, URC MINISTER, WRITES:

She was petite when I first met her. She stood in the middle of my lawn and yelped when my collie bounded across past her. I decided then that she would need a name "to live into", so I called her Freya after the tenacious Victorian explorer who did not allow others to tell her she was too fragile.

That was 14 years ago and I have sometimes felt that perhaps she took my advice that she shouldn't think of herself as diminutive, too much to heart! My terrier Freya has a feisty – typical terrier outlook on life and always saw it as her task to protect any of her doggie friends. These days she doesn't see or hear too well and can be alarmed if suddenly someone looms over her and expects to become her new best friend. We went to the Gillingham and Shaftesbury show with her wearing a muzzle and then I discovered *warning bandanas*. I'm not a fan of doggie fashion, but this bright yellow bandana simply states: I NEED SPACE. This seemed like a simple solution to her and my apprehension. She wore it to church where all was well until someone didn't read it, didn't ask and didn't think it applied to them and then was alarmed when she barked a sharp warning.

Decades ago in a conversation someone said "When people do not ask me what name or title I want to be called by, they are not respecting me". An American policeman looked at my drivers' licence and said: "Well, Betty..." – he meant to be friendly, but the effect was to put me ill-at ease. I have never been "Betty".

Have you (even innocently) presumed a name or title for someone? ...used a name or title for someone that had the effect of pushing them away?

It is good to expand our circles of acquaintance, but listening to people before we talk shows greater sensitivity.

I was once at a retreat centre where some people were on a silent day and sported a sign with "Silent" round their necks, so that we didn't embarrass them or ourselves, or interpret their silence as rudeness. In our dealings with others, it's good to let people know what's going on - if you need space, tell them and if they ask for space, respect their wishes.

Dog-owners need to publicise what animals wearing yellow warning bandanas mean; we need to educate people about "crowding" strange dogs, but there's more than that.

We all need to exercise sensitivity in our dealings with others.
