MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You can raise questions in a public session before the meeting starts. The next meeting will be on **Monday, 3rd February 2014** at 7.30pm in the Andy Young Pavilion.

The Chairman writes:

As the New Year, so far, seems intent on carrying over the very wet weather of the last couple of months, we have seen the change in the landscape that this inevitably brings. With rivers running high and waterlogged fields, we must be grateful that we have not suffered as so many other areas have. I am aware, however, that there are, unfortunately, homes in Mere that have been affected by flooding, and I do hope things are improving for them.

The Council's Annual Budget setting meeting, held in December, to which I alluded last month, was as ever challenging and lengthy: it was where members have to consider likely expenditure over the next year in order to determine the precept requirement (parish council's share of the council tax) for 2014/15.

Central government has changed the way it pays local authorities such as Wiltshire Council, but to compensate for this they pay Local Authorities a grant, which was previously passed on to Parish & Town Councils. However, Parish & Town Councils in Wiltshire have been told that their grant will be reduced by 35% this year and there will be a further reduction year on year. On top of this, we are expecting that any rise in precept for Parish & Town Councils is likely to be capped in 2015/16.

In view of this information, the Parish Council made the difficult decision to increase its precept by 18.86% this year which will mean an increase of £1.20 per band D house, per month. Members were concerned that, without such an increase now, the Parish Council may be forced to reduce services or grants in future years.

I have learnt that the Mere Carnival is in jeopardy. This annual event has been enjoyed by generations over the years. Committee members and helpers are desperately needed. This does not involve an onerous commitment; there are only 8 meetings throughout the year. It is the week of carnival when the real manpower is needed. If you feel you could help and would like to save the carnival, do go to the open meeting at The Walnut Tree Inn on Tuesday, 11th February at 7.30 p.m.

Mrs Lesley Traves, Chairman, Mere Parish Council

WEST KNOYLE PARISH COUNCIL

The Parish Council of West Knoyle decided that it would like to have a mention in “Mere Matters and So Does West Knoyle”, so as their chairman, I am putting pen to paper – or rather finger to keyboard! We meet four times a year in the village hall and would welcome anyone to come and listen in at our meetings. As with Mere Parish Council you are permitted to raise questions in a public session before the meeting starts. The next meeting will be on **Tuesday, 18th March 2014** at 7.30pm in the village hall.

The Chairman writes:

We last met on Tuesday, 26th November 2013 in the village hall where much was discussed. We are trying to get a team together to train to run the Community Speedwatch. We have just been given some new training dates so we will hopefully be able to progress with that.

There have been some fairly major parking issues at Willoughby Hedge Services, which have not been helped by the new arrival of the outside toilet block with the layby right beside them. I am hopefully going to attend a meeting with the Territory Manager from the services.

There was also some discussion at the last meeting about salt boxes and road clearing. We are hoping to get a salt box for the hill. If any pavement or road clearing has been done and then someone falls over, the person who did the clearing is not going to be liable. It also sounds as if things might be going back to the old days with the farmers helping to clear the snow if we get any major quantity!

Councillor Brian Wessely suggested that the Parish Council and the village would benefit from a website. He is getting it organised so we will soon have our own web page. If anyone has any ideas as to content or wants to add any useful information please contact him at ✉: bswessely@aol.com. The site will hopefully benefit businesses in the village as well.

Jinny Brockway, Chairman

GEORGE JEANS, WILTSHIRE COUNCILLOR, WRITES

At the time of writing, it is one of the mildest winters we have had for many years, it has also been one of the wettest. Many communities have been affected by flooding. Wiltshire Council and its partners have worked to do as much as possible to provide support, advice and to keep the roads as clear as possible. The Mere area has had

water nearly up to the doors of some houses, however it did not enter to my knowledge. It was known that with reduced funding, when Wiltshire Council faces extreme conditions, communities need to come together and support their area more than in the past. Due to the current weather situation and flooding that has occurred and is still occurring, Wiltshire Council's Operational Flood Working Group held an emergency meeting at Salisbury City Hall on 22nd January attended by Town and Parish councils.

I had assumed the inclement weather would be cold frosty weather around and after Christmas, especially after the last two years. For our area, I helped obtain two salt and grit spreaders, and for Zeals, I supported a grant to purchase a spreader. Together with extra locally funded grit bins, salt shakers, snow shovels and snow blades for tractors, I thought these would keep pedestrians and traffic flowing better than in the past when we have had ice and snow. The National Trust at Stourton and Mere Parish council have agreed to use and provide operatives for the spreaders. Training was provided at the Mere Salt Depot, to which I also arranged for Michael Jeans who lives in Mere, and the above two bodies to attend. We are now in a position to better help ourselves in frosty or snowy weather.

The South West Wiltshire Area Board (SWWAB) recently polled local people regarding what priorities the Board should support. The equal top two priorities were: Improving rural rights of way and the promotion of walking, and improving volunteering opportunities for young people, long-term unemployed and people with learning or physical disabilities.

The SWWAB is encouraging local people to create improvement programmes for Rights of Way (ROWs). The SWWAB would like to focus on improving access, especially between parishes. Once gathered, this information will be used to: Inform Wiltshire Council's future footpath maintenance programme; link in with the footpath clearing and improvement work being done by Seeds4Success, a local charity that rewards young people for volunteering. Identify improvement works, which could be taken on by local volunteers/groups, and provide evidence for the Area Board to consider funding a capital improvement programme. With regard to funding a capital improvement programme, the Area Board will liaise with Parish Councils to ensure the proposals have local approval and the consent of local landowners.

There has been a very good response to the Rights of Way project appeal, which was held at Dinton on the 16th January. 97 people attended one of the launch sessions hosted by the South West Wiltshire Area Board and the Wiltshire Council Rights of Way team. One function is for volunteers to complete audits and return them to their Parish Council or the South West Area Board Community Area Manager. Audit sheet and maps will be provided by Wiltshire Councils Public Rights of Way team. Initial responses are required by Sunday, 9th March 2014 (to gauge interest and commitment to an improvement programme). The Area Board has proposed to set aside up to

£10,000. Other funding is possible from Parish Councils, the Path Improvement Grants Scheme (PIGS) etc. Audits are to be investigated by the Public Rights of Way team of Wiltshire Council. Parish Councils have been asked to liaise with landowners. South West Wiltshire Area Board will consider funding for potential improvement schemes, but not for maintenance of footpaths. The Mere Footpath Group have already audited 75% of the Parish of Mere footpaths.

We have been told by the inspector for The Wiltshire Core Strategy that we are short in our assessment of housing requirements. We know many need housing locally and the price continues to climb. Amongst the many charges put on new houses, another may apply. At the last Southern Area Planning Meeting it appears the Wiltshire core strategy may allow for Fire and Rescue contributions, which I am sure are required, however I consider these charges on housing continue to fuel the cost of housing for local people. I have been to Cabinet with the support of a fellow Councillor Tony Deane, to try and get The Cabinet to accept the rural environment should be “taxed on new housing” less than urban areas. What has been put out for consultation regarding CIL (community infrastructure levy) at present puts Mere in a lower band than some in Wiltshire. I hope the consultation will leave this as an outcome. The consultation is on the Wiltshire Council’s web site and covers many topics, look out for the above.

I would remind you again the Council Tax base at present has been lowered in effect. It now depends on those claiming rebate in the area. A grant from Wiltshire Council to Parish Councils last year ensured community charge payers did not notice any increase in Council Tax. This year the grant may be less, therefore your local parish rate may rise through no fault of the parish or town council concerned. This has now been the case for most Parish Councils as many have had to increase their precepts above inflation, in some cases much above inflation.

I would like to publicly thank Mr Brian James who lives in Mere and has raised funds for Cancer Research UK for 40 years. To mark his long term commitment, he was given a celebratory party at The George in Mere. Brian is one of only about three who have served the charity for 40 years in all of the UK.

The Great Western Broadband (GWB) programme is a partnership between South Gloucestershire Council, Wiltshire Council and British Telecom (BT). The contract to provide superfast broadband across both areas was awarded to BT on 31 January 2013. The total investment for the GWB programme is £35.6 million.

Why superfast fibre broadband? The last step-change in bandwidth was the introduction of ACDL2 in 2008. This took speeds from 0.5Mbps to 8Mbps. At the time, there was scepticism that 8Mbps was necessary for general access. However, barely five years later and 8Mbps is considered only a reasonable access speed for a digitally active family.

Whilst it is true that right now 5Mbps is sufficient for the majority of people to do many of the things they want to use the internet for (e.g. iPlayer, online banking and social networking) given the speed of technological change over the past 10 years, it is hard to predict what the next 10 years might bring. We need to be ready for that to make sure that we don't get left behind. I find 2Mbps fast enough for BBC i player, which is required for smart televisions. In plain English that is a television on which you can see movies sourced from the telephone cable.

It is also important that our local businesses can access the fastest and most reliable connections to help develop their businesses. The internet can provide possibilities such as marketing, online sales and improved processes. An online presence can open up national, and even international doors, as the internet provides a level playing field and can bridge the gap between small businesses and multi-national corporations. Widespread access to superfast broadband can also open up the possibility of home and flexible working which can be beneficial to both staff and their employers.

A survey map at postcode level is available now on the web that shows which areas will be surveyed as part of the GWB investment. This map has been created at postcode level and at this stage and can only be a guide. Two premises in the same postcode could potentially receive the service differently and therefore require two different solutions.

Remember you can now use your iphone, ipad or android phone to send a highways defect report and more. The 'My Wiltshire' app is available to download at the App Store (for phones and ipads) or from Google Play™ (for Android phones). I am going to load this app to a smart phone, when we have enough signal (O2 have had low signal over Christmas, I am told it will be back to normal on the 21st January), I will try and photograph the road defects of Kilmington, West Knoyle, Stourton and Zeals and send them all in.

I attended a CATG (Transport meeting) on the 20th January where I reinforced the need for improved signs at the junction of Stourton with the B3092, which is being progressed. A metro count to measure the speed of the traffic in Kilmington will shortly be taking place. The fact that the amount of rain we have had recently has washed away sub soil below some roads in south Wiltshire, especially the verge side, was also discussed. It is a big problem and it is hoped money will come forward to help with repairs.

I am helping Mere Parish Council to achieve a skate park. We already have some planning permission, but we have applied for the further planning permission we now require above that and, we should know the outcome by Friday, 31st of January.

If you are looking for a present from Mere, Adrienne Howell still has some copies of the CD 'Love, life and lardy cake' that were Mere Voices, many from the past. The Mere

2012 Royal Jubilee DVD is also still available. They are on sale at Waltons of Mere, and all proceeds go to the link scheme.

STAYING SAFE AND WARM

The pictures of a frozen Niagara Falls were somewhat startling, so I hope the big freeze does not move over the Atlantic to us. However, even a small amount of snow or ice can have an impact on our daily lives so it is important to take precautions and plan ahead. A few simple plans can make all the difference:

- Ensure you have a battery or wind up torch available.
- At least one of your phones needs to be permanently connected (ideally the one by your bed) and if you have a mobile phone keep it switched on and fully charged.
- Ensure you have a supply of necessary medication. You don't want to run out if you can't get out!
- In case there is a power cut ensure you have bottled water and 'ready to eat' food in the house. Suggested emergency food supplies are 'ready to eat' canned meat, fruits and vegetables (make sure you have a can opener! Protein fruit bars, high energy foods, canned juices and long life pasteurised milk.
- And stay warm! Ensure spare blankets and warm clothing are easy to get at.
- Keep a record of any phone numbers that you might need in an emergency next to the phone.
- **Note** if the power is out for longer than 2 hours, a half full freezer will hold food safely for 24 hours . If the freezer is full it will hold food safely for 48 hours.

POLICE REPORT

Weather Issues in Our Area

We continue to have adverse weather in the area and this has resulted in lots of calls regarding car collisions and flood water and trees down. With the cold icy weather yet to hit us, there are a few points to take into consideration to help keep yourselves safe!

JOURNEY PLANNING Leave plenty of time to get to your destination. Lots of our calls are to motorists who were speeding and not taking the road conditions into consideration. Ice can be anywhere, bends are a particular hazard, so slow down and

take them at a reasonable speed. Flooded roads continue to be a hazard. We have had reports of cars going too fast and flooding cottages with the wash from their vehicles. You also risk flooding the engine, getting stranded or losing control of the vehicle. Don't chance it if you are not sure of the depth, go another way!

TYRES need to be checked for the correct depth of tread and water washer bottles filled, if you are going on a long journey, have blankets and drink, or food in case you are stranded for any length of time.

A COLD SNAP is due. Please check on elderly neighbours and people who are in areas that could be affected, especially in isolated locations. You may be the lifeline that they were waiting for.

BIKE LIGHTS are a must at this time of year, white at the front and red at the back, and a Hi Vis top, or at least something that is light! Car windscreens can be obscured by rain or ice, so it is harder to see you when you are out and about.

JOGGERS please be aware of the conditions and wear something bright to make yourself seen.

WE AT WILTSHIRE POLICE WANT YOU TO BE SAFE AT THIS TIME OF YEAR.

Dog Poo Posters

We have a small supply of the 'There is no such thing as the Dog Poo Fairy' signs at the police station, please call in if you can help by putting one up near you. Obviously these are 'first come first served basis'. Help us to help reinforce the message to 'PICK UP'.

Our Priorities

Dog Fouling in Mere recreation area and **Anti Social Behaviour** in the school grounds when the school is closed. We continue to patrol these areas giving advice to dog walkers and watching for those who are not cleaning up after theirs.

WEATHER REPORT

In November, after the middle of the month, we had only 15mms (0.59ins) of rain giving us a total of 84mms (3.31ins) for the month. Last year, we had 139mms (5.47ins). December started drier with only 1.5mms (0.06ins) up to the 13th. Then it started to be wet with 57mms (2.24ins) on the 21st after a morning of frost, giving us a total of 173mms (6.81ins) for the month. Although it was the highest monthly rainfall of the year, last year it was 175mms (6.89ins).

The total rain fall for the year was 908mms (35.75ins), which compares with 853.5mms (33.6ins) for 2011 and 1242.5mms (48.92ins) for 2012.

January started very wet with 175mms (6.89ins) up to the 18th {last year we had 111mms (4.37ins) over the whole month}. We had thunder on the 7th. Whilst the rain was usually at night, the dry days were sunny with a cold wind. Does this heavy rainfall in January mean we are in for above average rain for the year? Who Knows! Any way, we wish our readers a Happy New Year.

£10,000 FUNDRAISING FOR MERE LAUNCHED

A Community Support Card (CSC) scheme has been launched by The Southern Co-operative's store in Mere to raise £10,000 over this year for the town's girl guiding and scout groups. It was launched at a free community party, held on Sunday, 24 November which raised £248 on the day.

The Community Support Card (CSC) scheme relies on the backing of customers, but without costing them a penny. Customers wanting to support it simply need to request a free CSC card at The Southern Co-operative's Mere store and have this swiped each time they shop there. The more the cards are swiped, the quicker funds are donated by The Southern Co-operative. The guides and scouts have already given out lots of CSC cards but please do ask in the store if you'd like one.

If the CSC scheme is successful, 1st Mere Scout group will receive up to £7,500 and Mere Girlguiding up to £2,500. Mere scouts intend to use the funds to buy new tents and camping equipment including stoves, pots and pans, lanterns and furniture. Mere Girlguiding also plan to purchase lightweight camping equipment as well as sports and games equipment.

This is the second time the CSC scheme has run in Mere; last year The Southern Co-operative donated £7000 to Rosemary Goddard Centre and £3000 to Mere Pre-school.

A JOURNEY FOR “DOH”

13 year old Joseph Wigley from Combswich, Somerset, would like to thank everyone who supported his journey in memory of his Grandpa, John Turnbull, who died of a brain tumour. (*See October 2013 edition of Mere Matters.*)

After cycling 100 miles across Devon from Ilfracombe to Plymouth over a 5 day period in September, then sailing for 20 hours on Durleigh reservoir, as he had agreed to match every pound raised with a minute of sailing, and finally collecting in the Bridgwater carnival, he is delighted to have raised £1,720.33 for Salisbury Hospice!

Joseph took on this challenge in memory of his grandpa, John (Doh) Turnbull, who died in 2011, just seven months after being diagnosed with a brain tumour. John had retired to Mere in 1999 with his wife Monique.

We'd also be please to provide any extra information needed.

I CAN'T PAINT!

At least - that's what everyone says when the subject of art comes up but, if you can make a mark on a piece of paper, members of The Mere Art Group can show you how.

We are a mixed ability group but everyone has some useful tip on how to start. Whilst I run the group, I am not a tutor and have learned so much from others. The simplest of techniques can create amazing results. Start with a “doodle” and take it from there – there are no rules in art! We have lots of fun and laughter on the way and many friendships are forged in the process.

SO WHERE ARE YOU DASHING OFF TO NOW?

Picture the scene. 10.00am in the Post Office. I'm asked: “You are going where exactly?” “To the Grove Building, the Lip Reading Group”, I say, trying to hurry myself up. They may look puzzled or even embarrassed, or they may not hear what I have said and smile with that easily recognisable puzzlement. “Why?” is rarely spoken, but it may hang in the air. May I explain?

Hearing problems affect many or most people at times or permanently. They are generally not mentioned, treated as a guilty secret, or as an uncomfortable failure; But most of us realise that it seems to be easier to understand what someone is saying to us IF WE CAN SEE THEIR FACE CLEARLY!

Mere Lip Reading Group is led by Liz who understands how to help all of us to refine that skill of reading faces and gestures. Importantly, the group is of very mixed ability with lots of hilarity (“I buried my dog this morning”. “Did you say you married your dog

this morning?"). Much funnier and some really serious mistakes help us all to share and be less afraid of being silly.

So why do I go to Mere Lip reading Group? I enjoy the friendship, the fun and even the freedom to say sometimes, "I haven't any idea of what is going on" without feeling embarrassed or silly.

Anyone is welcome to try out the group for a session without charge. Terms are 10 weeks for a fee of £30 per term. The current term began on the 14th January. Please contact Sheila Thomson ☎07760 731406 or by ✉ SheilaT@bishopstrow.org.uk

THE TRUSSELL TRUST

A HUGE 'thank you' to all of you kind, generous, thoughtful people who filled the Christmas Shoe boxes last year. There were so many that we had to do a double journey to Salisbury, with about 140 boxes, and also several bags of the most beautifully knitted garments. I also had the pleasure of handing over very generous donations from a few people who were unable to go out and shop for a box. All of these went to people who live in orphanages, refuges, prisons, schools and roma communities where living is so basic and sometimes, not even basic. They really do brighten the lives of so many people - this year 7,230 smiles lit up the faces of men women and children.

The Trussell Trust has recognised that when the children leave the schools and orphanages, they have nowhere to go, and no jobs to go to. Consequently, they are now setting up houses of opportunity where the young people can be safe, trained for a job, and set off on a life which does not involve living on the streets and going into crime or prostitution. These young adults are very involved in running the houses and decorate their own rooms, clean and cook for themselves, all with help from the Trussell Trust. So, you will be hearing more from me this year and I hope that you will feel you might be able to help with the funding of this very necessary project.

Thank you all so much.

‘FAIR TRADE’ NOTES

Fair Trade in Mere:

I would like to thank all those who have supported Traidcraft and Fair Trade over the past year. Sales have increased over the year with stalls at the URC, St Mary's and St Michaels's and regular customers within the town including the Grove Building. Sales for the year have totaled almost £3,000 which means as a Community we have supported over 20 families enabling them to live a sustainable, and dignified life.

Fair Trade Fortnight

Runs this year from Monday, 24th February - Sunday, 9th March. Again Paul from the Angel Café has agreed to host a 'Big Brew' event on Wednesday, 5th March from 3.00-4.30pm. Come and enjoy a Fair Trade cuppa and piece of cake and help make a difference to even more families around the world. *Janet Way ☎ 01747 860884*

THE MERE AND DISTRICT CHAMBER OF TRADE

Mere Chamber had a very successful Networking Evening on 27th November, which followed on from the AGM held at the Grove Building in Mere. The Chamber will be hosting more events during 2014 which we hope will be of interest to you. We are planning a combination of business meetings, social networking events and training courses. All details to be confirmed in future editions, so watch this space!

One of the training courses planned for 2014 is Emergency First Aid at Work which is a day long course and is HSE approved. If you have any training needs please do not hesitate to contact us.

If you would like to know more about the Chamber and it's activities as well as details and benefits of membership, please contact Julie Cousins on tel no: 07856 700 576

BREAD MACHINE AVAILABLE

During Real Bread Makers Week last year we were able to distribute two donated bread machines. A generous donor, (unknown to me but please accept our grateful thanks), has offered a Morphy Richards bread machine to anyone who thinks they really would use it. If you would like it please get in touch. If there are several people who answer I will draw lots! George Jeans has very kindly offered to test it to ensure its safety.

MARIE CURIE CANCER CARE

Great Daffodil Appeal 2014

I am appealing to your readers to volunteer for Marie Curie Cancer Care's Great Daffodil Appeal, and help people with terminal illnesses in Wiltshire get the care they need.

We're looking for people who can donate an hour of their time this March to collect for Marie Curie by simply giving out daffodil pins in return for donations.

Marie Curie Nurses provide free care to people with terminal illnesses in their own homes. To ensure we can continue to provide this vital care we need people to help make this year's Great Daffodil Appeal a great success.

If you're able to donate an hour of your time to help someone in their final hours then please contact me on or visit: www.mariecurie.org.uk/daffodil.

Thank you for your support,

Natalie Taylor, Community Fundraiser ☎ 01179 247 275

SHREEN HARMONY

Shreen Harmony would like to thank everyone who attended their Christmas Concert. They were delighted to receive so much support from the local community particularly as it coincided with the final of Strictly Come Dancing!

Your generous support enabled a donation of £400 to be made to the Gillingham Food Bank. Grateful thanks also to the manager of The Co-op in Mere for the donation of wine for the refreshments. Also, Shreen Harmony's concert on 19th December at St Mary's church in Gillingham raised £233 for the Deanery Link with Lui, South Sudan.

Singing is known to be very good for your health and there are currently a few vacancies in the choir if you would like to give it a go.

Rehearsals are held at Mere United Reformed Church from 7.30 – 9.00pm on Thursday evenings. No audition is required and you do not need to be able to read music. Newcomers will be given a warm welcome and a free trial session.

As a community choir, Shreen Harmony performs at various events and venues in and around the local area, mostly for charity.

It is not a 'drop in' choir and a regular commitment is required from choir members who also pay an annual subscription fee, but where else can you enjoy an evening of song, laughter and health benefits for the equivalent of just £2.25 a session!

The choir sings a variety of musical genres from traditional English folk songs to African lullabies. Recordings can be found on their website: www.shreenharmony.co.uk along with contact details if you would like any further information.

MERE FILM SHOWS

On Thursday, 13th February at 7.30pm we are screening the film **'Le Week-End' (15)**, starring Jim Broadbent, Lindsay Duncan and Jeff Goldblum. Nick and Meg (Broadbent and Duncan) decide to return to Paris to celebrate their 30th anniversary to see if they can rejuvenate their marriage in the city where they spent their honeymoon. Will their search for the romance they once enjoyed overcome the itches and scratches encountered in the course of their marriage? When they bump into a former student of Nick's they begin to see life and love from a new aspect. The film opened to good reviews from the critics and was described by one as 'painful to watch at times, but

delightful at others – a bit like life', and both Jim Broadbent and Lindsey Duncan are excellent in their respective parts. Full details on page 30.

Dates for your diary: Friday, 14th March: 'Philomena' with Judy Dench and Steve Coogan. Thursday, 10th April: 'Saving Mr. Banks' with Emma Thompson and Tom Hanks. Mary White ☎ 01747 861257

WOMENS INSTITUTE

Another year gone and February already.

Looking back to our December meeting we held a very enjoyable evening, together with visitors from Deverill Valley and Milton on Stour, celebrating our 95th birthday and Christmas. We were entertained by Mere Melodies, our local hand bell ringers and tested our knowledge with several quizzes, interspersed with

seasonal refreshments. We did not have a meeting in January but instead held a New Year lunch at the Bell and Crown, Zeals.

Our next meeting on Thursday, 6th February at 7.30pm in the Grove Buildings is entitled "Dragons, Darwin and the Far Side of the World", a Power Point presentation lasting about an hour by Hilary and Mike Gladding. Hilary is a member of Mere WI and Mike was a teacher of Biology for 37 years before retirement a few years ago. He has been telling stories about the Galapagos Islands to several generations of children during those years.

Hilary and Mike were fortunate to visit this magical place two years ago and so they thought that they could share their memories of the unique wildlife with our members as well as proposing a couple of contentious issues about how they managed to be so unique - needless to say this has something to do with a man called Darwin. Mike is sure that not everyone will believe in what they say, but they are looking forward to some interaction and questions from the audience. All the photographs were taken by

them on their trip, along with a few extras. We are sure that the evening will be very entertaining and informative.

Hopefully the weather will be kind to us on Wednesday, 12th February, when we plan to visit Heale House to see the snowdrops.

You would be most welcome to these events and indeed at any of our future meetings. We should be very pleased to see you. *Janet Fisher ☎ 01747 861323*

MOTHERS' UNION AND OPEN MEMBERS' GROUP

Thirty-two of us enjoyed a happy meal out together at The Walnut Tree in January – good food, good company and a very pleasant way to start the New Year.

Our February meeting, though different, promises to be just as good! The Rev'd Paul Arnold, new Methodist Minister for Mere and other towns and villages in the area, has very kindly agreed to come and talk with us on the subject of 'sowing for the future', with the title *You shall not live by bread alone*. Intrigued? Come and spend a worthwhile and enjoyable afternoon discovering the connection, on Tuesday, 11th February at 2.30pm in the Grove Building.

MERE MUSEUM

A new year, a new project. 2014 will see the gradual implementation of a Museum enterprise called '**Mere Museum: Inside Out**'. The idea is to exploit digital technology to make it easily possible for people, wherever they are, to access the Museum, its collections and, eventually, its exhibitions. The first phase of this project is already up and running.

In the clocktower there is now a digital photoframe which shows in a continuous loop photographs of 50 Museum objects. Do go and look and tell us what you think.

While you're there you will see that a second phase of the project is also on trial. A QR code (one of those black squares with apparently random square dots inside it) below the photo frame will enable anyone with a smart phone or i-pad to scan the code and access two photos relating to the clocktower and a tiny bit of its history. If this is successful, we would like to expand this idea throughout Mere. Again your views would be appreciated.

As if this were not enough, an album containing a selection of the photographs exhibited last year under the title 'Mere Vistas' is now available in a special file for visitors to enjoy. You will find it with the other Museum albums near the Mere Map.

First and foremost, don't forget our Burns Night Supper on Saturday, 1st February at 7.30pm in the Grove Building. Advance tickets are essential and, if any are left, they are available at the Library.

Next, we would like to thank everyone who posted their green Waitrose 'Community Matters' tokens into the Fives Court box during December. We are delighted to announce that we are to receive a cheque for £300 - an amazing result which, once again, we owe to all our supporters in Mere and elsewhere.

The money will be put into the '5K for Fives' transport fund - a 10th-anniversary Friends project. Thank you, and 'A Happy New Year' *Jenny Wilding ☎ 01747 860908*

A great start to the New Year at Mere School

We are all excited about the start of the New Year which means new class topics!

New topics

Our new topics are: Blue Class – People who help us, Yellow Class – Animals, Silver – Heroes, Gold Class – Adventures and Explorers, Green Class – India, Red Class – Africa and Purple Classes – Angry Aztecs!

Out and About

Last term Year 6 went to visit @Bristol. They explored lots of exciting science activities. They also visited the planetarium and learnt lots about the sun, moon, earth and stars.

Blue Class have been on a visit to the Post Office and sent a letter home to their families. "It was fun trying to reach up and post our letters." Edward (Reception).

Each class has exciting activities and trips planned for the Spring Term. Gold Class are planning a trip to visit a climbing wall and we are planning a 'Superhero Day' in Silver Class.

Strictly Come Dancing

Both Purple Classes were busy at the end of last term perfecting their dancing skills in preparation their 'Dance Off'. The whole school was invited to watch the incredible talent and assist the judges in the final vote. "They had epic outfits and the music was old-fashioned but cool!" Ella and Maxi (Year 5).

Glee Choir

Our school Glee club also performed at our Christmas Carol service and in school. "It's fun because you learn all about singing. Our new song is very exciting." Lily and Alice (Year 1). "They sing really well altogether and sound nice." Lola (Year 2).

Jack and the Beanstalk

At the beginning of this term we were very lucky to watch a performance of 'Jack and the Beanstalk'. Anne Rich organised for a travelling theatre company, Treehouse Theatre, to come to our school. We were joined by lots of children and adults from the local community. "It was so fun! The best bit was when the Giant had a fight with Jack." Jack PW (Year 2)

We are looking forward to a great 2014!

MERE BOWLS CLUB

The Bowls season opens on Saturday, 19th April at 3.00 pm. Before then we have a Barn Dance at the Grove Building on Saturday, 1st March at 7.00 pm. Tickets are available from the library at a cost of £10, which includes a Fish and Chips supper.

We look forward to seeing you at both events.

FRIENDS OF ST MICHAEL THE ARCHANGEL

Mere has many attractive and historic buildings, one of which is the Parish Church of St Michael the Archangel. It is important for us to maintain and refurbish this beautiful Church and its furnishings for future generations. The Friends of St Michael the Archangel was formed in 1976 to foster interest in this and to help to provide funds to achieve it.

If you appreciate this wonderful building, even if you do not worship here, why not become a life member of the Friends of St Michael? Friends receive annual newsletters and are invited to events held several times each year. Individual Life Membership still costs only £30 and pink application forms can be obtained in the Church, from Mere Library or by contacting me.

SALISBURY CATHEDRAL CHOIR TO PERFORM AT ST MARTINS CHURCH, ZEALS

A unique Concert of Cathedral Music by the Salisbury Cathedrals Boy Choristers and Lay Vicars on Monday, 10th March at 7.15pm will celebrate the start of the Parish of Upper Stour's restoration programme of their William Sweetland 1866 pipe organ in St Martins Church, Zeals.

Ross Coad, Chair of Friends of St Martins Church said, 'This is a real one-off opportunity to hear this wonderful choir in our delightful local church.' He went on to say, 'The choir's director David Halls has chosen music that will form a glorious celebration of the huge fund raising activity that has gone into enabling us to save this important church organ.' Over £50,000 has been raised by the Friends.

The concert will be directed on the night by David Halls with John Challenger, organist, and will feature music of Blow, Lloyd, Purcell and Vaughan Williams

In recent months St Martins Church has received major boosts of funding from a number of Grant Giving Trusts in addition to generous local fundraising. The Money has been principally raised through the Heritage Lottery Fund, The Wiltshire Historic Churches Fund, Church Care, the Church Buildings Council, The Landfill Communities Fund which is administered for The Hills Group Limited by Community First, the Rural Community Council for Wiltshire.

These grants are on condition that many people (old and young) have the opportunity to appreciate the art of our own piece of Victorian History. Ross Coad commented, 'To emphasise this intent we are delighted that children of our own Whitesheet C of E Primary Academy choir will start the concert with their own short concert.'

Andrew Fearn, organ restorer, is planning to start the dismantling of the organ over three days in late March and opportunities will be provided for all ages to visit and see the work. The organ will then be rebuilt at his factory at Ottery St Mary and an opportunity will be made for all those interested to spend some hours in the factory, in May. The organ should be returned in late June and hopefully we will have a rededication service in September.

Tickets for the concert, priced at £10.00 – which includes a glass of celebratory wine – are available at Zeals Post Office or from me.

CAFÉ WORSHIP

On Wednesdays at 10.30am there is a coffee morning at the Methodist Church, but on the last Wednesday of the month there is an extension of the Pause for Thought to a worship time, beginning at 11.00am. The next worship time will be on Wednesday, 26th February. Everyone is welcome to share in this short time out in a busy week!

Mary Siderfin ☎ 01747 861370

REV'D PAUL ARNOLD, METHODIST CHURCH MINISTER, WRITES:

If you are of Welsh, Scottish or Irish descent you will almost certainly know the feast days of St. David, St. Andrew and St. Patrick, although oddly many English people cannot remember the date of St George's Day! However, there is a Saint's Day that just about everyone knows, whatever their nationality and whether they are people of Christian faith or not – St Valentine's Day!

On 14th February each year we celebrate a person about whom almost nothing is (reliably) known! Valentine of Rome was supposedly killed in the 3rd Century AD for helping Christians in the face of Roman persecution. One of the things he is supposed to have done is perform marriage services for couples, thus making the man ineligible for conscription in the Roman army. Whilst he was imprisoned it is said Valentine

befriended and healed the daughter of his guard. On the day of his execution he left a note for her signed, 'Your Valentine.'

All the cynics out there will start muttering about 'just another day' for card manufacturers and retailers to cash in! I can't deny the truth in all that, **but...** I also want to affirm the importance of love at the heart of our humanity. Many young (and not so young!) lovers will be waiting with fluttering hearts to see if they receive a message of love and some sort of romantic gift. Some will be disappointed, and I am not so old or jaded to have forgotten how hurtful that felt. However, I believe the most important question that any of us ask in life is, 'Am I loved?' This is not purely a question about a romantic attachment – many single people (through choice or circumstance) can still answer 'yes' to that question.

The Christian faith dares to affirm that ultimately each person is loved by the God who is made known in Jesus Christ. He is the message that says – 'You are loved, forever.' So, if you love someone, don't forget to tell them (and you don't have to wait until Valentine's Day to do it!).
