MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be held in the Andy Young Pavilion **at 7.30pm on Monday, 4th September 2017.**

The Chairman writes:

For many of us, August is the time for holidays, and this means that the town council does not have its regular monthly meeting and so I have nothing to report from it. However the work of the council does continue, and it pleasing to see that something started last November when the budget committee allocated funds in this year's budget to provide for cleaning and smartening up the streets of Mere has now started. You may have seen our newest employee about the town recently, and as the routine is developed we hope that you can see the difference it is making. His work goes alongside the work of our groundsmen who not only keep the summer growth of grass and shrubs in order but clear bins around the town.

With the new white lining there are, now, more car spaces marked out in Salisbury Street car park which will help those who need to visit the surgery and the shops of Mere. Council office staff have continued to work with councillors to gather facts about how to best provide parking in our car parks in future and how the public toilets can be improved. This will guide the council in allocating funds in the coming year's budget.

We were successful in the bid for money to purchase an auto-regulator for the clock in the square and hope the specialists can install it soon. Work has been done to improve the road surface in several parts of Mere Parish but the most noticeable has been the resurfacing of part of Castle Street, which was in a very poor state. Councillors have volunteered to keep an eye on various parts of Mere and report work that needs doing. Where possible we use the My Wiltshire reporting system which does work. Members of the public can also use this or do phone the Council Office. If you wish to contact me

about matters relevant to the council then do use the email : chair@merewilts.org, write to me at the council office or just ask me if you see me in town.

One of the delights of Mere is the amount of work done by volunteers and the number of events they create. Talking to one of the organisers last week, I was struck by the comment, "But, it's always the same people..." which I thought meant the people who did the work. She continued "...who come to the events." So, let me use this space to encourage you to attend some of the events and functions – and do encourage your neighbours and friends in case they didn't know what is going on. I am confident that you will enjoy the time spent.

I could make a long list, but you will find notice of them in the following pages, although I would like to mention one new event. On the weekend of the 9th and 10th of September we will have "Creative Mere" taking place in the Lecture Hall and Grove Building. This is a chance to see the work of local artists and crafts people. Put it in your diaries (it is the weekend before carnival) and look out for their posters for more details! Lastly, I know that Councillor Brett Norris is organising another litter pick on Sunday, 24th September – many hands will help.

John Jordan, Chairman, Mere Town Council

Loss of 158 Bus Service

Wiltshire Council's Senior Transport Co-Ordinator writes: 'With the loss of the 158 service, Mere and Zeals are left without a journey to Wincanton.

We have arranged for the Connect2Wiltshire, Mere Taxibuzz service to offer passengers a journey, to Wincanton at 10.00am, returning at 1.30pm from Mere and Zeals, Tuesdays only, from next week.

The cost for fare paying passengers will be £3 each way and concessionary pass holders will be charged at £1 each way, which is what we currently charge for journeys outside Mere.

Would it be possible for you to help publicise this journey to locals, who would have used the 158 etc. I understand passengers often travelled to Wincanton for Morrisons and Lidl, so hopefully this offers them some alternative.

To book a journey to Wincanton, passengers should : 08456 525255, followed by option 7. Phones are answered Monday to Friday 0830-1730, for travel on Tuesday, passengers should call on the Monday before at the latest, to avoid disappointment.'

Lindsey Wood, Town Clerk

GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION WRITES:

Wiltshire and Mere Town Council slow down for August, as do some of the surrounding village parish councils, however planning, licensing etc., has to go on and I have attended when required. I note with interest our north Wiltshire neighbour of Swindon has had the Government overturn Swindon BC's decision to reject plans for more than 100 new homes in the village of Wroughton after developer Hannick Homes appealed. The local government secretary has granted approval, saying the authority's five-year housing land supply is not credible and would deliver only half the number of homes the council claims. I am assured our area of Wiltshire has a defendable five year land supply.

I attended a passing-out function of Salamander on Friday, 28th July at Mere Fire Station. The primary aim of Salamander is to work with young people in Wiltshire and provide them with experiences that will help them to learn new life skills and gain confidence. However, in recent years, the remit has been expanded and now works with a variety of organisations across the public, voluntary and private sectors. The South West Wiltshire Board helped provide funding and I was very impressed how in a week, a group of young people had been brought together to function as a team, operating professional equipment, working at heights and so on. This is a well worthy use of public funds and services in my opinion.

The white lines that have been repainted in the Salisbury Street Car Park, gave 76 spaces including three disabled spaces, two for the Doctors and one for the public conveniences. A resident of Kilmington said there was room for another space and showed me where he thought it could be. The Mere Town Council agreed by delegated authority and the relining exercise produced one more space making 77 spaces, much improved overall, and I have not had one complaint. The buses seem to be OK getting around the car park; lorries still park overnight, which I consider gives a little more security to the car park.

The last report I had was that Salisbury Car Parks would still only take the old pound coin. A recent freedom of information request by the AA shows that of 340 UK councils with responsibility for car parks with coin-operated ticket machines, 74 (21.8%) still haven't converted all of them to accept the new £1 coin.

I am sorry the mini recycling facility could not be saved in Mere Salisbury Street Car Park, the Wiltshire Council insist kerb side is the answer. Many older people complain to me the boxes are too heavy for them when full. Wiltshire Council state that an assisted collection is available - in practice residents claim to me, this is not always the answer! I am told Mere School has a facility to recycle paper only. It is likely that after consultation, the black boxes will be for bottles only and the blue bin will accept a larger number of types of recycling. I tried disposing of a mattress recently at Churchfields at Salisbury. It was not easy for me, even though Wiltshire Council informs me it should have been.

According to The Furniture Recycling Group (TFRG), only 16% of mattresses are recycled with significant amounts even being stored in warehouses after being handed over from councils or private companies. Discarded mattresses are not being recycled responsibly by recycling firms due to complexity and costs, with many ending up in landfill or burned.

Research by the charity Wrap suggests that complicated rules have left homeowners confused over what can be recycled. This has led to people "wasting their time" recycling, with nine in ten making mistakes that mean items may be going straight to landfill. The research, based on a poll of more than 2,000 households, saw as many as 89% admit to "including items in their recycling which are not recyclable". It was suggested at a Wiltshire Council meeting I attended that when, and if, we are able to place a wider range of recyclable material in our blue bins, a sticker should indicate what we will be able to put in the blue bin.

Wiltshire Council still try hard to protect the vulnerable, however nation- wide the elderly and disabled in England are being told to expect cuts to care services and rises in charges after council chiefs unveiled spending plans. The Association of Directors of Adult Social Services (ADASS) said £20.8bn was expected to be spent on care this year, a cash rise of 5% since last year. It follows a £1bn cash injection announced in the Budget which ministers said would relieve the pressures. But ADASS said £824m of savings were still having to be made. The group, which represents social care directors, said rising demand meant cuts were inevitable given current funding levels.

Government figures suggest the number of pupils in England's secondary schools is set to rise by almost a fifth by 2026. Overall, pupil numbers are expected to increase by 654,000 (8.7%) in the next ten years, with secondary schools set to see a 19.1% increase to around 3.3m pupils while primary schools are expected to see 100,000 more students by 2026. The increase in pupil numbers is equivalent to 267 average sized secondary schools. The Department for Education commented that the increase is "primarily because increased births from 2002 onwards means there are now larger numbers entering secondary schools at age 11 than are leaving them at age 16."

Warminster Hollow "*Mere Down*" with the usual caveats regarding bad weather and operational complications will be "repaired" on the 11th and 12th of September, 2017. The usual "notices" will follow in due course.

I am pleased Castle Street has received resurfacing, I note on just one side. The Daily Star notes that Leicester City Council has come in for criticism after it resurfaced only the middle part of a road in order to save money. As with Castle Street, if it works, I am pleased.

South West Wiltshire Community Safety Partnership will meet four times a year, with invited representatives from Wiltshire Police and Dorset & Wiltshire Fire and Rescue

Service. The next meeting will be at The Nadder Centre at Tisbury probably in September, with a 6.00pm starting time.

The South West Area Board still has funds to help fund community projects and the youth. Do you have a project? Mere has applied and secured a grant for a device to ensure The Mere Town Clock keeps accurate time. I am helping Lynch Close residents with an application at present, as they find they cannot use the web based application form. Allowances should be made for those who have not or cannot use a computer, however my pleas at County Hall often fall on "fallow ground".

In July I said that at a recent South West Wiltshire Area Board Meeting, it had been agreed to in effect enhance Speed Indicator Devices (SIDs) by the roadside. Town, Parish or a collaborative scheme can apply to the board for a grant to help purchase their own SID, or in this area the community SID can also be used. The community SID at present is at Kilminster for use on Kilminster Common for a few weeks.

The Area Board have offered Kilminster, Zeals and Stourton with Gasper the chance to obtain a SID, or they can also share with Mere should they wish. However, Mere already has a SID in White Road that had a replacement battery fitted on the 11th August. It is not good practise for it to continually operate. Please note it only lights up above 30 MPH, and probably allowing for the tolerance of a speedometer, it would read 33 MPH, before it indicated, therefore you would have to be travelling well above the speed limit to see it working. West Knoyle has its own working SID and I have checked with the local volunteer that it is powered up from time to time. The grant-aided type SID can have a "smiley face" indicator and it is claimed this type of SID is still effective if left on continuously.

A reminder again that I have a facebook page **Cllr George Jeans**, for use to display some events I attend and may be other material. It is not a platform for conversation at present; I do not view it regularly, whereas : george.jeans@wiltshire.gov.uk or : 07710 441599 I can usually answer quickly.

When I read the following in the press - it could be 1st April:

Goodbye cat's eyes, hello road studs. Suffolk County Council has changed the name of "cat's eyes" to "road studs" after reports that concerned tourists were reading signs saying "cat's eye removed" too literally and thinking that animal cruelty had become a standard practice on our country roads!

MERE AND DISTRICT LINKSCHEME (MDLS)

Registered Charity no. 1062328

☎: 01747 860096

Free at the Point of Use!

Apart from the NHS, what else can we say that about? A clue: it's in Mere.

Got it? Well it's **almost** free. It's the Mere & District **Linkscheme!**

What does it cost?

Despite rumours to the contrary, there is no set charge for using the Linkscheme. However, there are costs involved and we welcome donations to the charity. We supply

an envelope to users for them to make a contribution, which the driver will pass on to the Treasurer.

The Link Explained

If you have a hospital or other medical appointment, or need to visit sick relatives, but don't have a car, and public transport isn't convenient, then consider asking the Linkscheme for assistance. The Linkscheme is a registered charity and although there is no direct charge, we do ask for donations to help meet our costs.

We have volunteer drivers willing to try and help if possible. We take patients to Mere and Silton surgeries, to hospitals, dentists and opticians, deliver prescriptions on a Friday, and can sometimes help with shopping. **We do ask for 48 hours notice** to enable us to make arrangements.

Looking to help?

As a charity of course, we rely on our volunteers to take calls, liaise with drivers, schedule trips, and provide the transport. The service is filling an urgent local need and usage is significantly increasing year by year.

We need more help

If you would like to join us, we'd love to hear from you, particularly if you are a driver with some time to offer. An allowance of 45p per mile is given to cover expenses. Please get in touch on the Linkscheme number above.

John Fitzgerald, Chairman, MDLS

LINKSCHEME THANKS & LITERARY FESTIVAL

A big thank you to all who supported the Link's annual quiz night. Eighteen teams took part and the results were: -

1st: Mystified 2nd: Quizzicals 3rd: Ever Hopeful

It was a very successful and enjoyable evening led by quiz-master Bill Pike and his team. During the supper interval the Literary Festival launched its first flyer outlining details of the programme for festival week **9th – 15th October**.

This year there are books and authors of local interest, readings, history and gardens, the community lunch, film, children's event, poetry and poets, and the award ceremony for this year's competition. The full programme is out this month and will be delivered to as many residents as possible. It will also be available at the Library, other outlets including Creative Mere, and on our website 🌐: **www.merelifest.co.uk**

To help the Link continue its important work in our community please support as many festival events as you can. Tickets are on sale at Mere Library or telephone bookings on ☎: 01747 860475. The Mere & District Link Scheme (MDLS) looks forward to seeing you. *Adrienne Howell MDLS & Lit. Fest. Group* ☎: 01747 860475)

CREATIVE MERE

9th/10th September 2017

This inaugural event is being held in Mere to celebrate the amazing number of artists and craftspeople living in Mere. It will provide a unique opportunity to meet and buy from our local designer-makers working across a range of craft disciplines including: drawing, painting, millinery, patissier and chocolatier, sewing and quilting, card making, woodturning, knitting, pottery etc. The exhibitors range across the whole spectrum from home crafters, local clubs and business professionals.

There will be opportunities to try out many of the crafts and activities, chat with the exhibitors, browse their creations and invest in something special for you or as a gift for someone.

The event is being held mainly in the Grove Building (with refreshments) and the Lecture Hall, Mere together with other venues. All details of the event will be in the brochure. A raffle of many beautiful hand-made products from the producers and local businesses will also be held.

Tickets at £2 an adult, children free, available from Mere Library and in the Market Square on the morning of Saturdays, 26th August and 2nd September.

Space is limited, so book well in advance (☎: 01747 860427). The delicious two course set meal is £9.95. drinks not included.

Look forward to seeing you there.

The Community Lunch will continue on the first Tuesday of the month, up to Easter, excluding December, when we are too busy partying. The venue alternates between The George Inn and the Walnut Tree Inn (☎:01747 861220) on the Shaftesbury Road, Mere. If you are new to the area, on your own or just curious come and join us. Look for further details in Mere Matters or ring me. *Lindy Elliott ☎: 01747 861646*

MERE AND DISTRICT CHAMBER OF TRADE

Tidy Mere

Congratulations to the Town Council on recruiting Cliff to sweep and tidy our streets. I met him a few days ago, at the bottom of Manor road. He was conscientiously removing the accumulated grit and debris of several months. His work will make a great difference to a major aspect of the town that a tourist immediately sees.

At our last Committee Meeting, we discussed the possibility of mobilizing some of the residents of Mere to give a hand with litter collection. The kit needed (hi-vis jackets and picker devices) is stored by the Council. What we need is people willing to use it, perhaps

just around their house or street, or more widely. Who will step forward? Contact me or John Jordan if you would like to help.

Creative Mere

It can't have escaped your notice that local people working in the arts and crafts field are having the opportunity to show their work and methods in early September. The Chamber is pleased to support this venture to attract visitors (and locals!). We will be happy to offer any advice the craftspeople may need if they wish to extend their hobby into a small business, or to expand their existing business. A special member rate will be available for these micro-businesses.

Emergency Mere

Would you know what to do in an emergency when first aid would be vital? We are again running an HSE approved **"Emergency First Aid at Work Training Course"** from 9.00am – 4.30pm at Mere Social Club on Wednesday, 18th October 2017. This course is designed to meet the requirements of Health & Safety [First Aid] regulations 1981, which states by law, that all businesses must have one or more qualified first aiders. Upon completion of the course delegates will be awarded with a certificate valid for 3 years.

Places for Chamber members are £72 per delegate and places for non members are £87 per delegate. For further information, or to book a place please contact us (details at the end of this article).

Those who attended the last one should be aware that their Proficiency Certificate will soon expire. Attendance at a course is essential to maintain your certification. These are vital to reinforce previous lessons and to learn of any new techniques that have been developed in the last three years. Details are elsewhere in Mere Matters.

Maps and Guides

With friends and relations visiting during the summer, you may want to show them the town and countryside. Both the **'Mere Walking Maps'** and the small booklet, **'A Mere Meander'** are on sale in the town shops and the Library. The maps show six easy to moderate walks in the town and surrounding countryside and are £3. In A5 size, they are easy to slip into a pocket while the booklet (£1) has interesting information about the town area. The Chamber has sponsored, with local businesses and individuals, the production of these. The proceeds are being retained to update and extend them in the future. The **Visit Wiltshire** website also carries local information.

Date of next Chamber Committee Meeting

Wednesday, 20th September 2017 at 7.30 pm in Mere Social Club.

If you are interested in helping the Chamber in any way, please contact me or Chamber Secretary, Julie Cousins ☎: 07856 700576.

MERE AND DISTRICT RAILWAY MODELLERS

The club continues to model in the common gauges of O, OO, & N. New layouts are being constructed and the two former gauges are well supported. We would like to see a **few more N gauge modellers**, together with some middle aged and younger members so that the clubs legacy is ensured. Natural ailments, and old age are slowly depleting our numbers, so **new members are very important to us**.

Our club is situated in Castle Street Car Park and opens from 7.00-9.00pm on Wednesday evenings. Should this be inconvenient for anybody who wishes to have a look around, before thinking of joining, then please contact the undersigned to arrange a suitable time.

Dates and Events for your Diary

CANCER RESEARCH

The Warminster Military Wives Choir evening was a fantastic night and the full house enjoyed amazing singing with songs from Queen to Abba to The West End Musicals to Elgar and a Happy Birthday as well! The audience sang along, tapped feet, clapped hands and even wiped away a tear or two - what a great atmosphere in the Church. The total raised means both Mere Cancer Research and St. Michaels Church have a very

'tuneful' £376.08 each. The good news the choir will be back - at the Christmas Market on Friday, 1st December.

The coffee morning held in the lovely grounds of Dewes House was a great event and the weather was on our side! We raised a very 'tasty' total of £320.79. A big thank you to our delightful hosts Mr & Mrs Sainthill with many positive comments on the gardens, and a few games of croquet went down very well alongside the coffee and yummy cakes!

October brings us the annual Autumn Bazaar on Saturday, 7th with the usual range of stalls and a 50p clearance table! We are delighted to announce that Steve Hawkins will be launching the 2018 Mere Calendar in aid of the Rosemary Goddard Centre at this event. So come along and support 2 amazing causes in the Town. Much more news on this event in next month's Mere Matters.

Cancer Research HQ have been in touch with us and have informed us that since our formation in 1978, we have raised the totally amazing and slightly mind blowing total of £307,179.25 - wow! Here's to the next £300,000!

A few dates for your 2018 diary (or new Mere Calendar) - Spring Bazaar, Saturday, 17th March; May Fayre, Saturday, 19th May; October Bazaar, Saturday, 6th October and Christmas Market, Friday, 7th December.

Thank you to everyone who supports us in our cause to raise funds to help beat cancer sooner - and judging by the amount raised since 1978, we are very very lucky to have you helping us do this. Contact: -  merecancerresearch@mail.com, Facebook: Mere Cancer Research.

FAMILY FUN AFTERNOON & CHARITY HEAD SHAVE

Local lady Kate Jenkins will be shaving her head on Sunday, 10th September to raise much needed funds for a special local boy.

William Edkins is a very special 14 year old with a wicked sense of humour. He suffers from Cerebral Palsy and Epilepsy and requires 24-hour care. William has severe problems with his hips, pelvis and back and has a constant battle with pain. He has had over fifteen major operations and will require regular surgery throughout his life. William's seizures can come at any time although the majority come during sleep, which means he needs constant supervision throughout the day and night.

William's home in Mere needs substantial alterations to make it a safe and comfortable place for him to grow up and to enable his parents to continue his long term care. The

Edkins need to raise funds to cover the cost of building a small extension to house proper bathroom/toilet facilities and a bedroom for him in which he can grow. William does not have access to downstairs facilities and the bathroom is now not big enough for a wheelchair, a hoist and a care giver. His bedroom isn't big enough to accommodate his wheelchair and all the equipment he needs. This extension will also give the family extra space for live-in respite care as his care becomes more complex.

Please sponsor Kate and help make Williams life as comfortable as possible for now and his long term future. Thank you.

Where?

MERE SOCIAL CLUB (Hall) Sunday 10th September, 2.00-5.00pm, Besides the big head shave, there will be a tombola, cake sale, FREE kids crafts, bouncy castle, face painting and much more. We'd like to make this a fun filled family afternoon and raise as much money as possible for William. Everyone is welcome.

PRESENTATION BY EXPLORER COLONEL JOHN BLASHFORD-SNELL OBE

When & Where

Saturday, 28th October 2017 at 6.00 pm in the Grove Building.

Tickets

£10 per person to include light refreshments.

Col. Blashford-Snell is one of the world's most renowned and highly respected explorers and founder of the registered charity Scientific Exploration Society which has its Expedition Base at Motcombe, where he now lives. He has organised and led more than 100 expeditions and this illustrated talk will be 'The Eighth Wonder' led by him.

It covers the discovery of strange underwater ruins and wrecks by a large team of Royal Engineer divers off Paphos, Cyprus. There is also a local connection here in that another team member with an important role in that undertaking, then serving with the British Army in Cyprus, is living in Mere.

As some of you may know, John is an accomplished and much in demand speaker whose presentations are always very interesting and often appropriately humorous. There will be time for questions and comments afterwards.

Tickets are available from Mere Library on Tuesdays, Thursdays and Fridays from 9.30am-5.00 pm, and on Saturdays from 9.30 am--1.00 pm. All proceeds, including from a raffle,

will go to the Scientific Exploration Society registered charity No 267410. For more details, please contact me: *Ros Wardall* ☎: 07928 305003

MERE FILM SHOWS

Our new season of films begins on Thursday, 14th September with, as ever, a film for Carnival Week, the hugely popular **'Viceroy's House' (12A)**. In March 1947 in New Delhi the Viceroy's Palace is being prepared for the coming of Lord Louis Mountbatten who has been appointed the new – and last – Viceroy of India by Prime Minister Clement Attlee. Mountbatten, accompanied by his liberal minded wife Edwina and eighteen- year-old

daughter Pamela, is tasked with overseeing the transition of British India to independence. But conflict and violence erupts between the political and religious sides. The British government's political solution was to partition India, creating the nation of Pakistan for its minority Muslim population, leaving the reshaped Indian continent for its Hindu and Sikh people. Seventy years after the partition of India, director Gurinder Chadha delivers this poignant tribute to the millions of Hindus, Sikhs and Muslims who were uprooted or killed in what remains the largest mass migration of people in history. Full details on page 30.

ALEXANDER TECHNIQUE WORKSHOP - 'COMFORTABLE YOU'

There will be a fun introductory workshop in the Grove Building on Saturday, 2nd September from 2.00 - 4.00pm with me, Annie Turner, an Alexander Technique teacher for over 35 years. I will share with you the discoveries made by F. M. Alexander about how to best live in your body - your wonderful 'earth suit' - without so much tension, stiffness, and maybe pain.

I recently moved to Mere from Cornwall to be nearer my expanding work with singers in London. My work is both with groups and individuals (and you don't have to sing!) and covers the easing of pain to the increase in confidence; life can wear us down and leave us thinking 'That's it then; pain and stiffness forever', or 'I'll never be able to do that so I daren't try'.

Supporting you to be able to live your life to the full is my passion, so if there's something in your life which feels clunky and uncomfortable, bring it along and let's change it. The cost is £25 with tea/coffee provided. To book or ask more, please call me ☎: 01747 861855, and my website has more information

MOTHERS' UNION AND OPEN MEMBERS' GROUP

Our July meeting didn't go quite as planned, as our speaker had to attend a funeral. Instead four members provided a fascinating afternoon, reflecting on events and treasured experiences in their lives so far. This proved so interesting that we plan to invite other members to do something similar on another occasion. Our planned Teddy Bears' Picnic for young families also had to be postponed, because of essential work in the Grove Building in August. It will be held instead in half term week, on Tuesday, 24th October. Watch this space!

Our regular September meeting will be held in the Grove Building at **2.30pm on Tuesday, 12th September** when another of our members, Meg Oliver, will share with us her recent ***Travels in Central America***. Everyone welcome!

ROSEMARY GODDARD CENTRE (RGC) for the over 60s

**Mere and District Day Centre, Lynch Close, Mere
Mondays and Fridays 10.30am to 3.00pm**

From the Trustees

Regular readers of Mere Matters will know of the widely varied programme of activities organised by our well-qualified and experienced manager, Sandie Hawkins, and her team of dedicated volunteers. These are designed not only to provide fun, laughter and companionship for our guests, but to exercise brain and body to improve and maintain all round health and wellbeing.

This is our primary purpose, but there is also 'added value' to the wider community. Such regular contact with our guests enables Sandie to spot concerns at an early stage, which may prevent escalating problems or even avoid hospital admissions. A day of being cared for in a happy social context also provides a few hours respite for family carers, helping to maintain their well-being so they can continue caring.

The main funding for the Centre comes from Wiltshire Council, but austerity cuts have resulted in a 10% cut to our grant. We are fortunate to benefit from other grants and donations so that we are currently in a healthy financial position. However, with no guarantee of continued WC funding in the longer term, it is our responsibility as trustees to look to the future, and our aspiration is to become a truly 'community venture' with the potential, if necessary, to be able to operate independently of state funding.

As Trustees of the Rosemary Goddard Centre, we feel justly proud of the service our day centre provides for the community of Mere and the surrounding villages. We are delighted with, and appreciative of, the wonderful support we already receive from the populace of Mere and District, and hope that you will continue to support us as we go from strength to strength.

MERE MUSEUM

There is a lot happening at the Museum in September! First of all, on **Monday, 4th September**, the display in one showcase in the current exhibition will be replaced by a small 'taster' exhibition in anticipation of the 'Creative Mere' event which takes place during the following weekend (see elsewhere in Mere Matters for details). Meanwhile the current exhibition of the work of Anne Lander will continue until Friday, 8th September. Entry to the Museum is always free.

A new exhibition called '**Made in Mere**' will be installed during the Crafts weekend with a **Friends' Preview on Monday, 11th September**. The subject of the exhibition was suggested by a Friend of the Museum, and we think that it provides a wonderful

opportunity for Mere residents to offer on loan, items in their possession which were indeed made in Mere.

We are looking for objects (the wierd and wonderful warmly welcomed!), but not paintings or photographs, which have been the subject of fairly recent exhibitions. For example, we have already been lent a child's chair made by Cuthbert Lander, a blind toymaker who lived in Lordsmead House, and miniature furniture demonstration pieces made by one of the cabinet makers who worked for Waltons. What could you offer? Do you have any of the lead soldiers that were once made here, or know anything about a Mere fireworks manufacturer? Do please get in touch!

If you have items that you think will fit the bill, do please contact one of the Curators: David Longbourne, ✉: **davidlongbourne@btinternet.com**, or Jenny Wilding, ✉: **jennyflaxmill@gmail.com**. Or leave a message at the library desk. We look forward to seeing what you will come up with! Thank you!

FRIENDS OF MERE MUSEUM

The Treasurer would like to remind all Friends that their **annual subscriptions**, which fall due on **Sunday, 1st October**, are going up! We feel you will still get very good value, as well as helping to maintain the Museum and its collections. If you pay electronically and haven't received a letter yet with the new rates then please get in touch. Other members should receive their reminder letters around the middle of October. Don't forget, it's very easy to join the Friends (forms are on the sales desk in the Museum) and your support is greatly valued.

One of the great benefits of being a Friends is that you are able to attend **Private Previews** of each new exhibition, and enjoy a complimentary glass of wine with like-minded Friends. The next preview is on **Monday, 11th September** at 6 30 p.m. in the Museum. This is a very good time to join for 2017-2018! We hope to see you!

HERITAGE OPEN DAYS

Heritage Open Days are your chance to explore hidden places and try out new experiences: they're fun and they're free. Throughout the country interesting places will open their doors to the public and **All Saints, Maiden Bradley** are joining in this year on Saturday, 9th September 10.00am – 4.00pm and on Sunday, 10th from 10.00am – 5.30pm.

The tower and vestry will be open or come and find out about our fascinating history by joining one of the guided tours. For children there will be a chance to dress as a medieval lord, lady or peasant and practice archery, make their own hunky punk and stained glass treasure box.

On the Sunday there will be two very short, informal acts of worship at 10.00am and 3.00pm. Details of the open days can be found at : <https://www.heritageopendays.org.uk>

MERE BOWLS CLUB

On Thursday, 10 August we hosted West End Bowls Club from Woking in Surrey, which was the old club of Alan and Sheila Spencer, before they moved to Mere. This has been an on and off fixture since that time, with us playing home or away only once each year. It was nice to catch up with some old friends, and make some new ones!

The Club Ladies Section is fast approaching the end of their North Dorset League season (they were asked to join by the league as we are based in Wiltshire and affiliated to our own county organisation, Bowls Wiltshire). With only two games left to play, they are currently very near the top of the table.

The Club is now getting close to the end of the season as we close formally on Saturday, 23rd September. So if you are interested in playing, now is the time to get your foot in the door and give it a try. Simply turn up on any of our roll-up days at the correct time and you will be made most welcome by all of the members present.

We are a small, but very friendly Club who bowl purely for the love of the sport and to get a little exercise and a bit of a social life at the same time.

For any other details about the Club, please contact either Alan Inwood ☎: 01985 844215, Alan Spencer ☎: 01747 860803 or Don Butchers by phone below or by e-mail ✉: Don.butchers@btinternet.com.

LETTER FROM THE CHURCHES

**Deacon Michael Hughes, of the Roman Catholic Church of
St Mary's, writes:**

An ancient Welsh story tells of Gelert, a huge deer hound, the beloved and constant companion of the prince, his owner. The prince leaves Gelert in the house - with his baby in its cot. When he comes home the prince finds the house in disorder, the furniture overturned and no sign of his son. In the nursery lies the hound, Gelert, his jaws and flanks covered in blood. Judging that the hound has killed his son, he draws his broadsword and kills Gelert, the best friend he ever had.

Then he hears a baby mewling, and, turning over the cot, finds his son unharmed. Nearby lies the body of a massive wolf and the evidence of the heroic fight which Gelert had fought to kill the wolf and save his master's son. The prince buries his faithful hound at a place called to this day Beddgelert (Gelert's grave), and never smiles again as long as he lives.

Where the prince went wrong was the rush to judgement. In our lives we very rarely need to judge others, yet we seem to like doing so. And there is a temptation to want to judge others not only as quickly as the prince judged Gelert, but harshly too.

Jesus tells us that if we do not wish ourselves to be judged harshly by God for the things that we have done wrong, we should refrain from passing judgement on others. We should ask His help to be generous, gentle and slow to judge. God is the judge, not me.

Our Catholic church in Pettridge Lane. Time, and vans turning in our car park, have destroyed the surface, and we are now having to restore the car park. At the same time we are hoping to carry out maintenance on the church building, a Nissen hut erected in 1946 as a temporary place in which to share in the sacrifice of the Mass. It will be hard for us to raise the money needed. If you would like to support us in any way, please contact me on ☎: 01747 830766.

THE FRIENDS OF ST. MICHAEL'S CHURCH, MERE

Have you ever seen a flyer from the Friends of St Michael's and wondered who they are and what they actually do?

Well..... The Friends were formed in 1976 as an independent registered charity to foster interest in our Parish Church and to provide funds for the adornment and improvement of the buildings and its furnishings.

We are a group of almost 200 people from all over the world (but mainly from Mere), from all denominations or none, who love St Michael's or who have a connection with the church.

The Friends have been responsible for many items which enhance our lovely building: new lighting, carpets, vestry fittings, repairs to the statue of St Michael, kneelers,

refurbishment of the clock, the bookcases, stacking chairs, the updating of the sound system and lots more. Our latest project was the renovation of the rare James II Coat of Arms which hangs over the North Door.

Our next project is to provide a Servery in Church, part of the overall re-ordering plan. We have the funds available and are just waiting for the permissions to be granted by the "powers-that-be", and then it will be all systems go!

We raise funds with events which include the whole community such as "Call My Bluff", Bazaars, Progressive Lunches, Open Gardens, and a Treasure Hunt.

We have several events planned for the next year; another Progressive Lunch and "Mind Your P's and Q's" evening, as well as a Michaelmas Fair. Look out for the posters!

If you love St Michael's and would like to become a "Friend", there are application forms in Church or you can contact Gilly Gristwood ☎: 01747 861768.

It costs £7 per year to become an annual member or £50 to become a Life Member.

Do consider joining us and becoming a Friend of St Michael's Church and come to our AGM at 7.30pm on Tuesday, 10th October in St Michaels church to hear all about us. You will be very welcome.

Finally, a date for your diaries. We are holding our annual Friend's Autumn Bazaar in the Grove Building on Saturday, 30th September from 10.00am until 12.00noon.

Ann Dethick, Secretary ☎: 01747 863498

We are already almost fully booked up with an an interesting variety of stalls for the Churches-Together-supported **ONE WORLD FAIR** which, this year will be held in the **Grove Building, Mere, 11.00am-3.00pm on Saturday, 21st October**. A few vacancies remain for any group whose aims are similar to those of One World Week. Stalls can be for giving information, fund-raising or a mixture of both (no charge). If interested, please phone to book asap. Entertainment and refreshments (including lunches) will be provided throughout the day. One significant advantage in supporting a small charity that works hard to bring about positive change for very disadvantaged children and their families is that every penny you raise makes a very real difference. The other side of that advantage is that when a particular need arises, you feel you must respond! As most readers of Mere Matters know, Suchana – which means ‘new beginning’ – gives support and practical help at all levels of learning, as well as basic healthcare, for marginalised ‘adivasi’ or ‘tribal’ children in rural West Bengal. The project has developed amazingly over the 8 years that the Mere support group has been in existence and now reaches over 1,500 children each week in 24 tiny villages through its mobile library and creative work in its expanded building. However, though its many different groups and classes continue to thrive, grant support for the ‘Early Learning Group’ is coming to an end, meaning that, if it is to continue, an additional £5,000 needs to be raised. If anyone who doesn’t already support Suchana would like to help with this very valuable work, please get in touch.

Meanwhile, grateful thanks to all who supported our very happy Strawberry Tea in late June which raised over £500; and our recent very enjoyable coffee morning, when we had a visit from Rahul Bose, one of Suchana’s founder members and current teacher and coordinator – and raised another £120. More events to follow: a coffee morning at Hilcrest, Hazzard’s Hill on 3rd, October 10.30am-12.00noon and a Skittles Evening on Friday, 1th November – more details in next Mere Matters.
